One of the reports dated 3-August is a monthly resume of operational activities for the month of July. It is forwarded together with the other reports rather than separately to give as complete a picture as possible of LIRING-3's dealings with Moises OROZCO Leal, the circumstances in which the two men met and the reporting of these dealings by LIRING-3 to ROMYON. Forwarded as Attachment Two, also under separate cover, are photo copies of a two page typewritten message left by OROZCO at LIRING-3's apartment on 1 August. 2. There is little question that LIRING-3 seized the opportunity given him by the sudden apparition of OROZCO on the scene to cover via a vis his wife a few days of misbehaving. Instead of proceeding to Tapachula to receive from the FAR new contract instructions in Mexico City (an awkward arrangement to say the least), LIRING-3 remained at the safe house he uses in the capital to receive the visit (as indicated by LIFEAT) of Berta WIGISSER his "regular" mistress, Silvia DURAN (of Lee Harvey OSWALD fame) and possibly a certain Yolanda (who appears for the first time in this operation and whose phone number is not in the Station reversed Mexico City telephone directory). Pinned down on the fact that he was in Mexico City during the period of 19 to 21 July, LIRING-3 admitted that he was but felt that he had to tell another lie rather than admit his misbehavior. This lie was that he did not want to appear dependant on Sergio VALDEZ in the eyes of ROWTON and so made his first meeting with OROZCO "more intriguing" by inventing the trip to Tapachula. To add credence to the Tapachula story, LIRING-3 previously asked his wife to impress ROWTON with her concern for him, telling ROWTON that he had disappeared for three days without telling her where he went. This she did very convincingly with much sobbing and crying. The LIROSIN LP which continues to experience technical difficulties now and then did not operate properly that day (it's recorder broke down) but, as luck will have it LIROSIN live monitored a conversation between LIRING-3 and his wife during which the latter reported that her tears seemed to have convinced ROWTON. Another point on which ROWTON had some pretty blunt talk with LIRING-3 concerned the mention of the alias which ROWTON uses with LIRING-3 and 4 to various persons with whom LIRING-3 is in touch. LIFEAT coverage had indicated, for example, that LIRING-3 mentioned ROWTON in alias to Sergio VALDEZ. This LIRING-3 denied. He produced on 3 August 1967 a written review of all the people of interest to ROWTON with whom he has been in contact indicating whether or not he mentioned ROWTON's alias to them. This review is attached to one of ROWTON's reports dated 9 August.

3. What happened between OROZCO, LIRING-3, Sergio VALDEZ and Raul MORENO is explained in detail in ROWTON's reports forwarded with this dispatch. A few additional points should probably be made here. First of all, part of the first meeting between LIRING-3 and OROZCO at LIRING-3's safehouse was live-monitored by LIROSIN when the latter returned home from his regular bartending job in the early hours of the morning. LIROSIN heard enough (his recorder was once more inoperative) to basically confirm LIRING-3's report of his meeting with OROZCO to ROWTON. Secondly, neither VALDEZ nor MORENO were present during the night of 31 July - 1 August when LIRING-3 told OROZCO that the latter was in fact a deserter from the FAR, refusing to indicate how he knew this (ROWTON had passed LIRING-3 information on OROZCO received by the Station from both LIREBEL-1 and 2). The two men arrived at LIRING-3's apartment in the early morning hours when OROZCO had admitted everything and thus do not know what prompted him to tell the truth. Thirdly, LIRING-3 insists that he told OROZCO nothing about his plastic flower business and it's contemplated use to cover activities in support of the Guatemalan rebels. According to him, OROZCO already knew this as well as other details of his dealings with the FAR. LIRING-3 presumes that OROZCO learned this from the higher-ups of the FAR guerrillas while in the hills. OROZCO mistakenly apparently thought that LIRING-3 was in the actual arms procurement business whereas his discussions with the FAR have been limited up to now to the eventual transportation of FAR acquired supplies from Northern Mexico to Guatemala (with the FAR assuming the responsibility of smuggling these supplies over the Guatemalan border). LIRING-3's plastic flower business designed to cover support activities on behalf of the FAR, is not, as a matter of fact operative yet. Thus OROZCO was badly informed of LIRING-3's activities. How OROZCO hoped to obtain arms from LIRING-3, had the latter been able to deliver some at the Guatemalan border area, in view of the fact (as he later admitted) that he was stone broke, is a matter of conjecture. A desperate man may do desperate things and LIRING-3 could have found himself in serious trouble. Judging from the FAR's shooting habits it is a good thing in any case that OROZCO was not armed during the argument at LIRING-3's apartment the night of 31 July to 1 August, particularly when VALDEZ started to threaten him.

4. This Station believes that the LIRING-3 Operation has reached a critical point as a result of the OROZCO affair. Both the Cubans and the FAR (via Ernesto CAPUANO Del Vecchio) have been notified by LIRING-3 of OROZCO's conduct and statements (a copy of OROZCO's message forwarded as Attachment Two was given CAPUANO). If the FAR is at all interested in LIRING-3 he will somehow hear from the Guatemalan guerrillas and negotiations concerning arms and equipment will be resumed. LIRING-3 has not heard from "GARCIA" since June and does not even know if the latter is in Mexico. It is the Station's opinion that he probably will hear nothing directly from the Cubans.

5. Headquarters will note, per ROWTON's report dated 28 July, the relative ease with which LIRING-3 claims to be obtaining a false passport and other identity papers. The Cuban passports that LIRING-3 purchased in Nuevo Laredo, mentioned in the same report, were issued in 1953 and 1959 and may be of marginal value. They will nevertheless be forwarded to Headquarters together with other documentation held by the bearers of these passports.

1. LIRING/3 reported to Rowton at brief preliminary debriefing that during Rowton absence a Guatemalan (unidentified) telephoned him a safehouse and instructed him go to Tapachula on 19 July and await contact in lobby of local moviehouse. LIRING/3 stated that he took trip and was approached in lobby by same ~~XXXX~~ young Guatemalan woman (with oriental features) whom he had met in Guatemala City during his last trip. This woman simply informed him that a comrade would contact him (L/3) at his home in next few days and discuss future operations. LIRING/3 continued that he returned to Mexico City next day and was contacted at his home by Guatemalan aged about 45, mustache, glasses, balding head, slightly hooked nose, wearing hat ~~xxxxxxx~~ who later stated his true name is Moises Crozco Leal and that he has been in Mexico past twenty years.

2. At meeting next day in safehouse Crozco informed L/3 that he ordered by Montes group to establish contact with L/3 in order expedite first shipment of arms and ammo which urgently needed. When L/3 mentioned possibility airlift from San Cristóbal area through small privately chartered plane, Crozco intensely interested and acceded to L/3 request that he first meet with "responsible high-level" FAR representatives. Crozco stated that in his opinion L/3 should discuss whole operation with Montes himself and volunteered to arrange meeting in near future.

3. LIRING/3 states that he is awaiting further instructions from Crozco and is prepared for trip to Chiapas once final arrangements made.

4. Re Garcia L/3 reported that he has not reappeared and when he queried Crozco about him, ~~xxxx~~ Crozco stated he personally not acquainted with him, since strict compartmentation being enforced. Also in course of conversation Crozco stated that only part of the medicines procured by L/3 had arrived at their destination and it is presumed that remainder was captured by Guatemalan army. He added that FAR needed a doctor urgently for about ten days and would appreciate L/3 arranging this if feasible. L/3 suggested to Rowton that Raúl Moreno, who is in third year of medical studies, might qualify if Rowton could not come up with fully qualified doctor.

5. Request traces Moises Crozco Leal.

Subject: Wallace B. Rowton Meeting with LIRING/3.

1. On the morning of 27 July, 1967, the day after his return to Mexico City, Rowton contacted LIRING/3 at his home and arranged for a meeting at the safehouse at 1130 that same morning. L/3 commented that he was greatly relieved that Rowton had returned safely since many things had happened during his absence and L/3 had felt uncertain about what he should do in the event Rowton had been delayed any longer.

2. At the 1130 meeting at the safehouse, LIRING/3 reported that he and LIRING/4 had accompanied L/3's half brother in his car to Sabinas, Coah., on the afternoon of 18 July (the day that Rowton had departed). L/3 related that immediately on arrival he had his half-brother introduce him as planned to the judge in Nueva Rosita, a small village near Sabinas. L/3 reported to Rowton that the judge is named Francisco Mario Valdez Hernández and is actually a "Juez Menor" but also a notario publico and an "agente del Ministerio Público", and, as such, has authority to issue important documents. According to L/3, judge Valdez, who gave the appearance of a homosexual, spoke openly about his ability and willingness to issue false documents and arrange for a passport for L/3 in the alias Alberto Zárate. He promised to take care of the matter for the sum of 2,000 pesos, but accepted a down payment of 1,500 pesos and gave L/3 a receipt for this amount "para el arreglo de un pasaporte mexicano", addressed to Alberto Zárate Vidal. In addition LIRING/3's half-brother persuaded the judge to ~~fix~~ arrange for the issuance to Alberto Zárate of an identity card showing that Zárate was an "actuario" of the Ministry of Labor, and for a driver's license, so that Zárate would have additional documents attesting to his identity.

3. LIRING/3 commented that he was certain that he could arrange for false papers for Rowton in the event the latter felt he could use such papers. L/3 continued that he and L/4 then proceeded to Nuevo Laredo and picked up the three Cuban passports that his half-brother had purchased on his behalf for the sum of 500 pesos. L/3 explained that although the persons to whom the passports were issued were dead they might conceivably be of use to Rowton in the future. He added that the hotel clerk who sold the documents to his half-brother had originally asked 1,500 pesos but apparently was glad to get the 500 when it was offered in cash on the table.

4. LIRING/3 continued that he and L/4 returned to Mexico City on 14 July

taking the bus at Torreón. LIRING/3 then announced jubilantly that a few days after his return, while he was visiting the safehouse in the hope of Rowton's return or at least a telephone call, he received a telephone call from an anonymous man, obviously a Guatemalan, who asked whether he could make a trip to Tapachula in order to meet with a friend. When L/3 indicated that he could make the trip, the person instructed him to wait in the lobby of the Figuerola movie house until he was approached by the "friend". LIRING/3 told Rowton that he then proceeded by train to Tapachula (on 19 July) and waited in the lobby as instructed. To his great surprise, he was approached by the same Guatemalan young woman who had met him in Guatemala City in late January, 1967, and told that a certain "Valentín" would contact him at his home in Mexico City in the near future and that this person was to be his new contact with FAR. LIRING/3 continued that since this appeared to be the sole purpose of the trip, he returned to Mexico City on 21 July in order to await the arrival of "Valentín". According to LIRING/3 this occurred in a rather strange way. When he returned home he found a note under the door with a brief text stating that someone had passed by to see him. The note was signed with a five-pointed star rather crudely drawn in the place of a signature. L/3 stated that he was completely puzzled at this, but on reflexion felt that the five-pointed star meant 1700 and he therefore went to the safehouse at 1700 that day to await further contact. According to L/3, a person did telephone him shortly after he arrived and identified himself as "Valentín". He asked L/3 to await another call at 1030 the following day so that a meeting could be arranged. L/3 continued that he finally succeeded in meeting with "Valentín" and brought him to the safehouse on the evening of 25 July. He stated that he talked with this person until 0400 the following morning.

5. LIRING/3 reported that "Valentín", who identified himself by true name as Moisés Crozco Leal, Calle Tenfís 88, Apt 5, Zona 21, Country Club, Col. Churubusco, Mexico City, D.F. Crozco stated to L/3 that he had been in Mexico some twenty years and had been engaged in propaganda work for the FAR. He added that recently he had received instructions to contact L/3 and talk with him "very frankly" concerning the procurement problem. He explained to L/3 that FAR had had very disappointing experiences in the past and was in desperate need of secure and efficient channels for the procurement of arms and ammunition from the U.S. and Mexico. He stated that FAR had the cash necessary to purchase the arms and hoped that LIRING/3's commercial network could handle the procurement and transport. He indicated to L/3 that FAR had checked him out with favorable results both locally and with

the Cubans. In the course of conversation "Valentin" mentioned that Doctora Mercedes Pereira, whom L/3 had met in Havana, was currently in Mexico. "Valentin" stated that it was a very critical time for FAR and that everyone hoped that something would be resolved in Havana with regard to concrete aid from the Cubans. He indicated that in the past both the Cubans and the Soviets had done more talking than producing in both material and hard cash. In speaking of the most immediate needs, "Valentin" stated that FAR needed a doctor urgently to train the revolutionaries in first aid, and he asked L/3 whether he could recommend a doctor that might be willing to visit FAR headquarters for about ten days for this purpose. L/3 told Rowton that he promised to look into the matter soonest, adding that he had in mind his friend Raúl Moreno Monchee, who was a medical student and probably qualified to give first aid instruction.

5. LIRING/3 continued that he expressed his willingness to help FAR in the arms procurement effort, but would prefer to be able to talk directly with FAR leaders to get first-hand information as to their needs, and arrange secure methods of payment. When L/3 referred to the delinquent account (medicine and radio tubes) "Valentin" replied that unfortunately only part of the medicine had arrived intact, the other part presumably having been captured by the Guatemalan army. He promised that L/3 would be paid ~~for~~ for the material furnished and apologized for not having the money with him; he added that he receives no financial assistance from FAR and has to live as best he can from his own resources. In reply to L/3's query, "Valentin" stated that he did not personally know "Garcia", since Far insisted on compartmentation, and there had been no need for him to meet "Garcia" in the past. He then lectured L/3 on security, stating that FAR's principal problem to date had been within the organization itself, resulting from laxness on the part of revolutionaries and outright betrayal by some members. He added that LIRING/3 had been assigned the battle-name "Rafael" and that henceforth he should use that name whenever dealing with FAR members.

6. LIRING/3 told Rowton that, in the course of conversation regarding possible supply channels, he mentioned the possibility of air-drops from small privately chartered planes, using ~~the~~ Raúl Moreno as a pilot. According to L/3, "Valentin" showed immediate interest in this, commenting that he was certain FAR would be most interested. He then stated that he felt L/3 was an important enough asset to meet directly with César Montes himself and he promised to look into the possibility of arranging a personal interview. L/3 replied that he would welcome this opportunity since it would clarify

LIRING-1-1

4.

the entire picture for him and enable him to render the most efficient service to FAR. "Valentin" promised to have some specific word on this at their next meeting which he requested for ~~2222~~^{midday} 28 July, promising to come to L/3's home between 1500 and 1700. "Valentin" explained that although the safehouse appeared to be an excellent meeting place, it was FAR policy not to use the same apartment or place of meeting more than once.

7. Rowton met with LIRING/3 again at 1430 on 29 July, 1967, at the safehouse. The second meeting had been scheduled for 1900 on 28 July, but on arrival at the safehouse, Rowton found a note from L/3 stating that he would not be able to make the 1900 meeting but would see Rowton at 1430 the following day. The only explanation in the note for the delay was "cosas muy importantes han sucedido". When Rowton met with LIRING/3 the next day at 1430, the latter explained that "Valentin" had left a note at his home saying the meeting would be delayed, and then appeared unannounced when L/3 was not at home and talked briefly with LIRING/4. L/3 stated that he alarmed LIRING/4 by stating that he ("Valentin") had a wounded man that must be taken care of urgently and asked L/4 to pass on the message to L/3 ~~with~~ the hope that L/3 could look into the possibility of locating a good trusted doctor. "Valentin" promised to come back to the house as soon as he could. According to L/3, "Valentin" reappeared unannounced at about 1000 on 29 July, and showed L/3 a telegram which he had just received from Guatemala City. The telegram contained the text "If you are interested in further details concerning the business, present yourself here", and was addressed to "Valentin" in his true name and address. L/3 stated that he could not recall the sender's name or address but he assumed that it would be an alias in any case.

8. According to L/3, "Valentin" explained to him that the telegram meant that a meeting with César Montes could be arranged and that L/3 should accordingly prepare himself for the trip. In reply to L/3's query, "Valentin" stated that this took priority over the operation involving the wounded comrade, who was expected in Mexico City in about 7-8 days. "Valentin" then stated that he and L/3 would have to make a trip to Tapachula as soon as feasible and in order to receive from a FAR contact a sealed envelope containing the name of the first contact in Guatemala City. He added that he himself would not know what was in the envelope and would himself proceed on into Guatemala with the FAR contact who delivered the letter. He added that L/3 would then have to return to Mexico City and fly into Guatemala City under commercial cover, since it would be too dangerous to

proceed on to Guatemala City from Tapachula by air (the airport being small and all travelers being subject to the curiosity and scrutiny of the local officials). Valentín then stated that L/3 should be able to pass through the Guatemala City airport without difficulty provided he kept his eye out for a certain José Linares, an ex-Chief of Police who worked for the North-American Embassy and had a complete file on all suspect persons who might enter or leave the airport. "Valentín" described Linares as a man of short stature, thin, grey hair combed in a high peak in front, usually dressed in a double-breasted jacket. "Valentín" added that Linares was considered the most dangerous man at the airport, although he is not an official but simply a secret agent of the North Americans.

9. "Valentín" then, according to L/3, stated that the latter should procure the following items at once so that he could bring them to Tapachula with him:

- 1) Khaki shirt and trousers (pantalón y camisa de lona muy gruesos)
- 2) Leather combat boots (zapatos de campaña)
- 3) Browning or Walter 9mm automatic weapon with 3 clips and 50 rounds of ammunition.
- 4) Detonators with wick or electric fuse
- 5) Gauze for medical treatment
- 6) Three pills of most potent poison available.

007 "Valentín" explained that the Browning automatic was the best since it could be converted easily into a "machinegun" with its clip of 13 cartridges. The Walter was also good since it could be fitted with a silencer. "Valentín" also explained that the poison capsules were desirable to be taken in the event of capture by the army to avoid the possibility of anyone confessing under torture. He added that one was for the use of L/3 and the other two for the comrades who would be his escorts.

10. "Valentín" further explained that L/3 should open the sealed envelope he had received in Tapachula when he was aboard the plane enroute to Guatemala City, memorize the name and address and then destroy the paper. He added quickly that he realized L/3 could open the envelope any time after he received it in Tapachula, and he was free to do so, but it was hoped for security reasons that he would open it only after he had left Mexico City airport. "Valentín" added that he himself had no idea of what name would appear on the paper, but in any case he was sure that it would be the name of a person not directly involved in revolutionary activities.

201-798301

LIRING/3 was to pay a friendly visit to this person, making no reference to politics, but simply using a prearranged code word in the conversation. This recognition signal would lead to the first meeting with the comrades (probably two) who would escort LIRING/3 to César Montes.

11. LIRING/3 stated that he had another meeting with "Valentin" at 2200 that same evening (29 July) at the Café Literario where he hopes to obtain more detail regarding the timing of the trips. L/3 said that he preferred to make the first trip (to Tapachula) on 1 August since LIRING/4 was greatly upset over the recent developments and had to be calmed down. He added that L/4 was very pessimistic over L/3's chances of returning from such a trip alive and he would have to reassure her that he intended to take all possible precautions.

12. Inasmuch as Rowton's careful review of LIRING traffic for the period 19-24 July failed to reveal any telephone call from anyone asking L/3 to make the trip to Tapachula, and in fact revealed traffic indicating that LIRING/3 was in Mexico City during the period 19-21 July, when he claimed to be in Tapachula, Rowton stated that he did not believe L/3's story regarding his initial contact with "Valentin" and his trip to Tapachula. Since Rowton's telephone answering service reported repeated messages from "señor Juarez" and L/3 himself in true name, he felt he could use this rather than intimate in any way that L/3's (safehouse) phone was tapped. LIRING/3 became thoroughly upset, as he had done on the previous occasion when Rowton had impugned his veracity, and assured Rowton with tears in his eyes that he had always been "fundamentally" honest, although he might have exaggerated in the matter of details and exact dates. L/3 was so emotionally disturbed that he felt it unwise to press the matter further at that time and proposed to L/3 that he (Rowton) meet with LIRING/4 that evening at 2200, when he would be meeting with "Valentin" again. Rowton turned down L/3's invitation to be present at the Café Literario so that he could get a look at "Valentin" himself, since Rowton hoped that the meeting would be covered in any case by the Station team (which had L/3 under surveillance since the previous afternoon).

13. LIRING/4 came to the safehouse at 2200 and Rowton was able to talk privately with her for about two hours. She arrived in a highly emotional state, alleging that she was not aware of what was happening and was sure that L/3 was heading for disaster. She exclaimed that "risking capital was one thing, but risking one's life was another", and that although she agreed with the principle of the revolution, she could not accept the terrible

DONT WORRYING THAT IF L-3 CALLED THE ANSWERING SERVICE, HOW CAN HE TELL ROWTON HE IS IN TAPACHULA AT 2200? JUNE 27 1961

consequences of revolutionary activities that had suddenly become a reality for her. She complained that L/3 kept her in the dark about many things and that she could not understand his willingness to risk his life and the happiness of his family "so precipitously". When Rowton questioned her discreetly as to L/3's trip to Tapachula, she stated in uncontrollable sobs (they appeared to Rowton quite genuine) that he suddenly left the preceding week, saying he was going to Chiapas and disappeared for 3-4 days. She said she was so upset she could not remember anything but the feeling of abandonment. She then complained that although Rowton was the only person she could turn to in a crisis like the one she went through last week, she could not locate him anywhere. She called his telephone (answering service) repeatedly and then in desperation called LIRING/7 in the home that he would know something (L/7 replied that he did not know "which Harris" she was referring to). LIRING/4 then stated that she realized suddenly that if L/3 were to disappear she would be subject to deportation to Cuba, a fate which she apparently genuinely dreaded. Rowton assured her that he would do everything possible to see that she was taken care of in this eventuality, but she protested that L/3 was the only person she could hope to find happiness with and Rowton could not bring him back if anything happened to him.

14. Rowton then stated that before L/3 could take such a trip with serious risks involved, he would have to study the situation thoroughly. He explained that at the moment he had serious doubts regarding the contacts that have brought L/3 to this point. L/4 replied that she herself had seen the latest contact ("Valentin") only once when he came to the house and gave her the message regarding the wounded person. When Rowton queried her again concerning the trip to Tapachula, she stated that L/3 had told her upon his return that he had asked someone else to make daily calls to Rowton's answering service, and upbraided her for calling. (This would explain what appeared to be L/3's daily calls during the period 19-21 July, but it would not explain L/3's conversations with Bert Wigisser and Sergio Valdéz on 20/7/67 and his remark to Berta Wigisser on 21/7/67 that he "did not go out of town after all".)

15. Rowton felt that, although his meeting with L/4 was not particularly productive, it served its purpose in advising L/3 indirectly that he did not accept L/3's story of the trip to Tapachula and his initial contact with "Valentin".

1. At meeting with Rowton 1700, 31 July LIRING/3 reported that Moisés Crozco Leal, who claimed to be L/3's new FAR liaison for procurement of arms, currently staying in his apartment on Calzada Tacubaya. L/3 explained to Rowton that at 2200 29 July meeting with Crozco, latter stated that he had ~~xxxxxxxx~~ from FAR headquarters to escort L/3 to Tapachula for contact instructions and instructed L/3 procure immediately Browning or Walter ~~9mm~~ automatic with 52 three clips and at least 50 cartridges plus detonators with normal or electric fuse and three poison tablets of highest possible potency which he ^(L/3) would need on trip from Guatemala City to Montes headquarters. Crozco, however, insisted that L/3 bring these items with him to Tapachula and added that he would himself see to it that they were safely delivered to Guatemala City for eventual pick-up by L/3.

2. At end of meeting Crozco asked L/3 to put him up for the night at his home "since it was very late and in any case he wanted to discuss their travel plans further". L/3 did so without the least suspicion Crozco's true motives, and appeared to Rowton to have accepted Crozco's bona fides although he admitted that he had never heard of Crozco before latter's unexpected approach to him 25 July. L/3 stressed to Rowton that Crozco revealed an astounding knowledge Guatemalan revolution, Cuba, as well as L/3's past activities and dates his trips to Guatemala.

3. Rowton stated to L/3 that his preliminary checks revealed that Crozco in all probability a deserter from FAR who actually using L/3's apartment as a hideout. Rowton confessed he could not understand why Crozco would want to return to Guatemala with or without LIRING/3, but urged L/3 to attempt to get the truth from Crozco posing as sympathetic but indicating that he was aware of Crozco's true status in the hope that Crozco could be moved to a safehouse and made available for thorough interrogation. L/3 agreed and arrangements made for Rowton/L/3 meeting at ~~xxxxxx~~ midnight 1 August.

4. When L/3 appeared at 0030 he reported enthusiastically that he had succeeded in breaking Crozco down but that he had had to call on his friends Sergio Valdez and Raúl Moreno ^{for help}. Crozco stated that he had been sent to mountains to organize guerrilla bands but found everyone "stupid" and his task impossible. He added that David Casasola who was with him was undisciplined and made mistakes that led to capture of many of his men and probably to his own capture. Crozco continued insisting that he was the

only intelligent revolutionary, referring to "the FAR Party" and at one point calling Montes a "castrón". When he asked I/3 who had given him the information that he was a deserter and I/3 refused to divulge his source, Crozco, according to I/3, exclaimed: "It was Roberto, I know." Crozco then stated that he intended to form his own revolutionary movement which he named "First of May" and had approached I/3 for ~~xxxx~~ support since he at the moment had no financial or material means. I/3 told Rowton that it was then that he realized that Crozco intended to use the supplies listed para one above for his own use and that once he turned them over to Crozco he would never see them or Crozco again.

5. In reply to I/3's query as to how Crozco had gotten to him, Sergio Valdez (who joined I/3 at the end of the session) explained in the presence of Crozco that Alberto Domingo had referred him to him and that he knew nothing of Crozco's background. At this point Valdez threatened Crozco with physical violence ~~xxx~~ exclaiming to I/3 that they must dispose of him at once so that he could not reveal vital secrets of the revolution. I/3 claimed to Rowton that he managed to calm Valdez down and get him out of the apartment. I/3 stated that he left both Valdez and Moreno "on guard" outside the apartment house in the event Crozco tried to escape before he could confer with Rowton.

6. In view of this highly explosive development Rowton instructed I/3 to return to the apartment and attempt to persuade Crozco to accompany him to a hotel where Rowton could arrange some sort of protective surveillance until Crozco thoroughly interrogated. I/3 insisted that Crozco be kept incommunicado in view of the information he possesses about I/3, Valdez and Moreno. Rowton promised to do the best he could but insisted that Crozco be removed from ~~the~~ I/3's apartment as soon as possible, I/3 promised to make every effort and asked Rowton meet with him again at 0300 to discuss results his effort.

7. At 0400 Rowton met I/3 at the safehouse (where MIRING/A had moved with their child) and I/3 reported that Crozco could not be persuaded to leave the apartment. Although he feigned calmness, I/3 realized that he was terrorized of what might await him the moment he stepped out of the apartment house. Crozco promised to talk to I/3 again at 1000 that same morning when he had more time to think things over. I/3 stated that he left Valdez and Moreno on guard outside the apartment house (in Moreno's car) on the possible chance that Crozco would make a run for it. I/3 stated that "under no circumstances" would Crozco be allowed to escape.

Sergio Valdez KARATE type

8. Rowton, not excluding the possibility of Crozco's committing suicide in L/3's apartment or attracting attention of the neighbors, recommended that L/3, Moreno and Valdez enter the apartment soonest and remain inside with Crozco until Rowton could work out some plan to remove him from the apartment early ~~xxxxix~~ that same morning. L/3 promised to try but was not at all sure that he could convince Crozco to open the door (which he had bolted from the inside). In any case he assured Rowton that he and his two friends would remain on guard outside so that they could surveil or seize Crozco the moment he left the premises. L/3 stated that he was quite certain that Crozco was unarmed and without funds and could easily be controlled by ~~xxxxixxxxxix~~ Moreno and Valdez, thus permitting him (L/3) to communicate with Rowton.

9. Alternatives in this sensitive situation appear to be following:

- (a) Rowton instruct L/3 deliver Crozco to specified place where he can be turned over to "pistoleros" hired by Rowton for purpose of getting Crozco off hands of L/3 and his friends and detaining him long enough for interrogation. L/3 assured Rowton that he able make delivery and agrees desirability thorough interrogation by Rowton or person designated by him. Delivery could possibly be arranged without presence Valdez and Moreno.
- (b) LIRING/3 reveal entire affair to LIRING and/or ~~Kx~~ FAR (probably via Ernesto Caposano de Vecchio) and let decision rest with them, interrogating Crozco as best he could in the meantime in his apartment.
- (c) Let Crozco escape, after giving him enough money to make his way out of town or to another hideout.

10. Alternative (a) would ^{permit lengthy interrogation but would} involve eventual disposal of Crozco that would be acceptable Moreno and Valdez (L/3 would accept Rowton final decision). L/3 could allege subsequently that Crozco disposed of by Rowton pistoleros and report this to LIRING and FAR. Alternative (b) would mean loss to MOFACT of valuable debriefing if this deemed desirable. Alternative (c) according to LIRING/3 probably not feasible since Valdez and Moreno fanatic enough to kill Crozco themselves rather than see him escape.

11. L/3 insists that he has not revealed Rowton's coaching in this affair to either Valdez or Moreno.

Subject: LIRING/3 Report on Developments in Weiss Crozco Case.

1. During the early morning hours of 1 August, 1967, Rowton remained in constant contact with L/3, either through brief meetings with him or through LIRING/4 who acted as a cut-out at the phone of the safehouse. When Rowton telephoned L/4 at the safehouse at about 0730 on 1 August, she stated that L/3 had called a few minutes before and passed the message that "things were a little better, but he needed help". Rowton knew that L/3 and Sergio Valdez together with Raúl Moreno were surveilling the Tacubaya apartment house in order to pick up Crozco if and when he tried to leave the premises. L/3 had told Rowton at an earlier meeting (0400) that morning that when Crozco refused to accompany him peacefully to a hotel, he gave Crozco two alternatives. First he stated (bluffing) that he had a direct channel to FAR and would query FAR about Crozco and bring with him a FAR representative at 1000 that morning and if Crozco had a clear conscience he would have nothing to worry about; secondly, if Crozco did not desire this he could take 5000 pesos which L/3 put in an envelope and leave the apartment for some other place of refuge. L/3 explained to Rowton that he hoped Crozco would take the second alternative so that he and Valdez and Moreno could follow him or seize him as he left the apartment. L/3 asked Rowton to assist in this operation by providing a few pistoleros. Rowton, feeling that he might be able to arrange to take Crozco off L/3's hands once he was out of the apartment (provided the Station could provide a safehouse and several unilateral agents to guard Crozco and eventually interrogate him) promised to hire several pistoleros who would be unwitting of the true situation to help L/3 and his friends. L/3 also asked for a weapon which he said might be necessary if Crozco gave him any trouble. Rowton, of course, refused to comply, saying that since Crozco was unarmed it was unnecessary at that time.

2. When Rowton talked again to L/3 on the phone (from the safehouse) the latter reported that things were still quite difficult. He explained that Crozco was still in the apartment and refused to answer the doorbell, obviously terrorized that L/3 had already notified the FAR of his whereabouts. L/3 reported in addition that Raúl Moreno had taken off in his car, apparently too tired to continue the surveillance; he and Sergio Valdez were consequently left alone without a car to surveil Crozco in the event he left the apartment. L/3 again appealed to Rowton for help. Rowton stalled since

6 201-798341

he was unable to confirm whether the Station had any unilateral assets to assist or in fact was interested in taking over Crozco from L/3 until after 0900 that morning. When Rowton talked to L/3 again on the phone at about 0915, L/3 reported that Crozco had left the apartment at 0830 and proceeded directly via passero to his mother's house (Tenis 128/5) in Colonia Country Club and that L/3 and Sergio Valdez had succeeded in surveilling him there and were at that moment watching the house from nearby. About 20 minutes later L/3 reported that Crozco had left the house and was at that moment in a nearby barbershop. L/3 added that he and Valdez could not carry on the surveillance much longer since they were becoming conspicuous (as later reported, a police car (unmarked) was spotted by Valdez in the vicinity and might have approached them if the house was actually under surveillance by the Mexican police).

3. Rowton therefore reported to the Station that he had instructed L/3 to remain on surveillance for about 30 minutes more and that unless Station assets could take over the surveillance would have to be abandoned. Rowton was informed that a decision had been made to request the Mexican police to arrest Crozco at the home of his mother and that therefore L/3 could be taken off the case. Rowton met with L/3 again at the safehouse at about 1030 and the latter reported that he and Sergio Valdez had been forced to abandon the surveillance effort. Rowton alleged that in the meant as he had rounded up three "pistoleros" and sent them to the house but shortly thereafter had received from them a "danger signal", indicating that the house was being watched by the Mexican police and that they could not become involved. As a result they had left the area and could not be of any further use. (Rowton felt constrained to invent this story since he was aware that Crozco's arrest was imminent and in order to throw the blame off himself when the report reached L/3 and Valdez).

4. Rowton met with L/3 that afternoon at 1700 at a small coffeeshop on Reforma and denied to L/3 that he had any knowledge of what had happened to Crozco in the meantime. L/3 reported that he and Valdez were attempting to make plans as to the best course of action. Rowton advised L/3 to contact Jacobo Rodriguez Padilla and through him to attempt to contact a FAR representative in Mexico City (possibly, ^{through} the lawyer Ernesto Capoano). L/3 agreed that this was essential since he and Valdez had come to the conclusion that Crozco must somehow be "eliminated" before he fell into the hands of the Mexican police since he knew too much, especially about L/3's

commercial cover plans and activities and his past connections with FAR. L/3 promised to meet with Jacobo the following morning and press him for contact with the FAR. In the meantime Rowton continued to feign ignorance of the arrest of Orozco (which took place about 1900 on 1 August, 1967).

5. Rowton met again with L/3 at his Tacubaya apartment at 1800 on 2 August. L/3 reported that he had talked with Jacobo Rodriguez Padilla at 1200 that ~~xxxx~~ day in the Café Literario but with disappointing results. Jacobo as usual appeared very fearful of involving himself in any way politically, and when L/3 informed him that he had to see someone from FAR urgently and it occurred to him that the lawyer Ernesto Capoano might be able to arrange the contact, Jacobo replied that he could not vouch for Capoano at all as far as political matters were concerned. He stated that Capoano was generally helpful for Guatemalans seeking papers and legalizing their status (for which he gave his services gratis) but he was not sure that Capoano would stick out his neck for L/3. According to L/3 he then dropped the matter, without disclosing to Jacobo that he was interested in Orozco, feeling that it would be too risky to bring Capoano into the picture (although Jacobo had offered to arrange a meeting with him for L/3).

6. L/3 continued that he felt his only other alternative was to talk the matter over ~~in~~ with Cepeda in ^{his} LIRING office. He therefore went directly there after having talked with Jacobo, and, not finding Cepeda in, went to the office of Curbelo. He managed to see Curbelo privately and related to him the entire affair. He explained that originally he had had a very discreet contact with FAR but that unexpectedly this contact had disappeared ("Garcia"). Recently however, equally unexpectedly, a new contact in the person of Moisés Orozco Leal had appeared claiming that he was a bona fide FAR representative and had been referred to L/3 by Alberto Domingo of Siempre. L/3 purposely stressed this, commenting that he assumed that Alberto was in touch with LIRING and therefore a person to be trusted. L/3 then informed Curbelo that he found several loop-holes in Orozco's story and decided to check on him. He contacted a friend in Guatemala and discovered to his amazement that Orozco had deserted from FAR and was actually in hiding in Mexico. L/3 revealed to Curbelo that Orozco had locked himself in L/3's apartment the preceding night after he had confessed to L/3 his true status. L/3 concluded that as far as he knew Orozco was currently in hiding at his mother's home. L/3 then stated that he needed desperately to communicate these facts to FAR so that appropriate action could be taken to eliminate Orozco before he fell into the hands of the Mexican police.

and revealed very sensitive information about FAR as well as about his own(L/3's) involvement. L/3 commented to Rowton that Curbelo appeared thoroughly shaken by this and his hand trembled as he made notes. He replied to L/3 that he would communicate this development immediately to FAR Cuba in the hope that he would receive some guidance to pass along to L/3.

7. L/3 then reported that he and Sergio Valdez (apparently both were disgusted with Raúl Moreno for having left them holding the bag and did not recontact him again) had decided that it was essential to discover whether Orozco had been arrested so that they could plan some sort of action to "eliminate" him before he could be deported to Guatemala. L/3 reported that Valdez had sent his girl-friend, ^{Alexandra URRINA TORRES} the glass factory (Plaza Miravalle) to the home of Orozco's mother in an attempt to determine whether Orozco was still there or arrested in the meantime. L/3 later (at 2200) that evening reported that no one had answered the door at the apartment and hence the woman friend of Valdez had been unable to learn anything about the fate of Orozco. L/3 added that he and Valdez had struck upon another plan which they hoped would flush out the true facts. In the meantime he asked Rowton to attempt to determine whether Orozco had been arrested. When Rowton telephoned L/3 the following morning at 0900 as he had promised he again denied any knowledge and suggested that L/3 go ahead with the plan and report to Rowton that evening at 1800. (Rowton did not wish to have prior knowledge of the plan since he felt it better for L/3 and Valdez to proceed on their own in a spontaneous manner so that L/3 would have a well backstopped story to give Curbelo when he met with him again.)

Subject: Monthly Report of Developments in the LIRING/3 Operation.

1. During the month of July, 1967, the most important development in the LIRING/3 operation was the approach made to LIRING/3 by Miosés Crozco Leal, who purportedly conveyed instructions to L/3 from the FAR of Guatemala for a personal meeting with César Montes in the mountains of Guatemala. This new contact was reported to Rowton by LIRING/3 at the first meeting following Rowton's return from DDY in Georgetown, Guyana (26 July, 1967). When Station traces revealed that Miosés Crozco had actually deserted the FAR forces some time after May, 1967, and that FAR was actively looking for him most probably to eliminate him and thus prevent his revealing sensitive information to the Mexicans and/or Guatemalans regarding FAR plans and activities, Rowton warned LIRING/3 against taking Crozco's statements and claims seriously and suggested that he question him carefully concerning his past connections with FAR. L/3 did so at his 31 July, 1967, meeting with Crozco, who was then living in L/3's apartment (on Calzada Tacubaya), and informed Rowton later that evening that he had "broken" Crozco, and that the latter had admitted that he had deserted the FAR forces and claimed to be in the process of forming his own guerrilla movement to be called "Frimar del Mayo".
2. In consultation with Rowton through the early morning hours of 1 August, LIRING/3 with the help of his friends Sergio Valdez and Raúl Moreno, attempted to persuade Crozco to leave L/3's apartment and remain in hiding in a nearby hotel (which Morris K. Unphlett had rented in an alias "Antonio Sanchez" at Rowton's request). Crozco, however, refused to leave L/3's apartment with them by sneaked out at 0830 when he apparently thought that L/3 was not in the vicinity. L/3 and Sergio Valdez, however, were watching the apartment house and managed to surveil Crozco to the home of his mother in Colonia Country Club. L/3, however, on Rowton's instructions, abandoned the surveillance of the house at about 0930 that morning. L/3 subsequently reported the affair to Curbelo of the LIRING office in the hope of getting word to FAR of the whereabouts of Crozco and of the ruse he attempted to play on L/3. The latter said that he stressed to Curbelo that it was Alberto Domingo of Siempre who had originally sent Crozco to LIRING/3 (through Sergio Valdez).
3. LIRING/3 continued to monitor the activities of his friend Sergio Valdez who during the month set up a company (Colirus) in the workshop of his Mexican friend, señorita Alejandra Urbina Torres, at Plaza Miravalle in Mexico

NO RI NO MEXI DAK LRA

City. In view of the response of the Venezuela Station (discouraging Rowton from directing L/3 into Venezuelan guerrilla activities with Sergio Valdez and Raúl Moreno) Rowton instructed L/3 to refrain from involvement with them in this aspect of the operation. He agreed, however, with L/3 that the new company gave him much-needed additional financial cover, especially in the eyes of the PERUMENS in the likely event that they would question him more closely during a future trip into their area.

4. During the month, on a trip to Sabinas, Coah., L/3 succeeded through his half-brother in meeting Judge Francisco Mario Valdez of Nueva Rosita who promised to arrange for the issuance to L/3 in the alias Alberto Erazo Vidal of a (false) passport. LIRING/3 feels that the possession of such a false document will enhance his potential in the eyes of the PERUMENS as well as FAR.

5. During his trip to northern Mexico LIRING/3 also managed to "purchase" the passports of three (deceased) Cubans who had left the documents together with other papers at the hotel in Nuevo Laredo where they had stayed prior to their supposedly clandestine entry into the U.S. L/3 procured these documents with Rowton's prior approval on the assumption that they might prove useful to Rowton at some future date.

6. In connection with the Moisés Orozco affair, Rowton uncovered an important instance of deception on the part of both LIRING/3 and LIRING/4. A review of LIFEAT intercepts revealed that L/3 was in the safehouse during the period 19-21 July, when he had claimed to Rowton that he was on a trip to Tapachula to receive contact instructions for his first meeting with Orozco. LIRING/3 apparently asked L/4 to backstop his story when Rowton queried her separately, since she did so (although claiming ignorance of the purpose of the trip). L/3 subsequently admitted to Rowton that he had not made the trip to Tapachula but had actually met Orozco through Sergio Valdez (who had been referred to him by Alberto Domingo of Siempre) and that he had not wanted to reveal this to Rowton until he "could figure out how Valdez fitted into the picture". Since Rowton and the Station felt that this was another opportunity to SECURE LIRING/3, a request was repeated to Headquarters for a Spanish-speaking operator. The request could not be complied with at the time and Rowton has had to continue checking LIRING/3's reports as carefully as he can without benefit of the technical interrogation.

Subject: Analysis of LIFEAT Traffic Relating to LIRING/3 Operation.
for the Period 29 June to 1 August, 1967.

1. During this period the most significant operational support provided by LIFEAT intercepts occurred during the period 17 July to 1 August, the period of LIRING/3's contact with Mois's Crozco Deal. On 27 July, the first meeting Rowton had with L/3 after Rowton's return from IDY to Guaymas, L/3 reported that he had been contacted in a mysterious manner by a FAR representative who identified himself by true name as Crozco. He related that he had received a telephone call requesting him to travel to Tapachula, and that he had made the trip 19-21 July, and received contact instructions to meet with a certain "Valentin" in Mexico City. LIFEAT intercepts revealed, however, that L/3 was physically in Mexico City during the period 19-21 July. SAN 33(8.2) reveals that L/3 telephoned Mrs. Berta Wiegasser and made a date for 1930 on 21/7/67 at the safehouse apartment. He commented that he did not go out of town after all. Furthermore Rowton's telephone answering service reported to him regular calls from L/3 asking for Rowton daily during the period he was allegedly out of town. This gave Rowton sufficient evidence to challenge L/3's story at his meeting on 29 July. In order to protect the security of LIFEAT Rowton used the evidence of his telephone answering service and his own intuition and logic to discount L/3's story of his original contact with Crozco. LIRING/3 finally confessed that he had made up the story because of the involvement of his friend Sergio Valdez (who it now appears met Crozco through Alberto Domingo and introduced him to L/3). LIRING/3 felt that reporting the true facts to Rowton would not have been as intriguing in Rowton's eyes and would have made him appear dependent on Valdez for this productive aspect of the operation. On the morning of 31 July, LIRING/3 justified his action by stating that he continued to feel under extreme psychological pressure to "produce" for Rowton since he felt deeply obliged to him for the confidence and financial support he had been giving him. He now states that he realizes that he can repay Rowton only by reporting accurately and fully all developments in his dealings with FAR and other revolutionary groups.

2. All other LIFEAT intercepts relating to the Crozco affair check out with reports given to Rowton by LIRING/3, including the latter's effort to contact Capoano through Jacobo Rodriguez Padilla (SAN-37(22). In SAN-33(10.2) it is apparent that L/3 has discussed "Señor Harris" or at least some contact he has with Sergio Valdez, since he states that "he" has not yet

IS C-3 A SIMULACRUM?

returned. L/3 has admitted to Rowton that he has revealed to Sergio Valdez and Enrique Morales that he has a businessman who finances him in certain commercial ventures, but swears that he has never revealed Rowton's alias to anyone (this can most effectively be checked in an SCSWTEL examination).

3. LIFESPAT intercepts confirm the reports from LIRING/4 that she has made every effort to maintain social contact with Nati Lopez and Yolanda Diaz as well as Guzmelo in the hope of keeping the door open to future re-employment in LIRING. LIRING/4's reports to Rowton appear reliable with the exception of the one relating to the alleged trip to Tapachula, when L/4 backstopped L/3's deception (although vaguely since she insisted that she did not know where he was during the period 10-24). This, of course, indicates that L/4 is basically loyal to L/3 and cannot be trusted to provide independent information concerning his movements and activities in the future.

4. SAM-32 (3.7) and confirms L/3's conversation with René Cchoa, his Honduran friend inxx Havana on 17/7/67. LIRING/3 subsequently received the latter from Cchoa mentioned in the intercept and passed the original to Rowton (5/8/67). LIFESPAT intercepts of conversations between L/3 and his half-brother in Sabinas also confirm L/3's reports to Rowton concerning the false passport and birth-certificate for himself in the alias Alberto Zárate.

5. Additional control information was provided in SAM-29(4.7) concerning L/3's affair (amorous) with Silvia Durán, as well as with a new woman, Yolanda, with whom he attempted to make a date (SAM-35(9)). This woman, whose husband's first name is Rolando, has telephone 43-26-59, and has not previously appeared in the L/3 operation. Rowton has not confronted L/3 with any data provided by LIFESPAT of this nature in the hope of using it in an eventual SCSWTEL interview.

Subject: LIRING/3 Report of Contact with Ernesto Capoano.

1. Rowton met with LIRING/3 at 1700 at the Incubaya apartment and remained with him until about 1800. LIRING/3 reported that he had telephoned Ernesto Capoano at his office on 4/8/67, after having obtained the phone number from César Tejeda Fonseca, the husband of the daughter of Ortiz Rubio (ex-President). L/3 stated that he did not identify himself to Capoano, but stated simply that he wanted to talk with him regarding a sensitive matter. According to L/3 Capoano said quickly: "Don't mention any names, but give me some idea of what it's all about". L/3 continued that he replied simply that it concerned "the medicine". At the mention of this, Capoano requested that the caller telephone him again at 1800 on 7/8/67 for an appointment, explaining that he had to leave town over the week-end. L/3 reported Capoano's number as 18-62-C9.

2. LIRING/3 continued to Rowton that when he called again on 7/8/67 as requested, still not identifying himself, Capoano asked to meet him in front of Gobernación at 1200. Each gave a general description of the other for recognition. When, however, L/3 appeared in front of Gobernación at the time appointed, he saw no sign of anyone answering the description of Capoano (about 45 years old, wearing dark glasses, with green suit), nor was he approached by anyone. After waiting about 30 minutes in the vicinity L/3 told Rowton that he left. L/3 then stated that he planned to drop in to Capoano's home that same evening since obviously the phone call had not smoked him out. He gave the address of Capoano as Calle Bucareli 126, apt. C-7, which he stated he received from César Tejeda.

3. When Rowton met with L/3 again at 1800 on 8 August, the latter reported that finally he had managed to contact Capoano at his home (and office). He reported that at about 1930 he rang the bell and was shown into a spacious and nice elegant apartment and asked to take a seat in what served as a waiting room. After about twenty minutes Capoano appeared, introduced himself, and led L/3 into his office.

4. The following is a verbatim account of the conversation between Capoano and LIRING/3, as recalled by Rowton from L/3's report:

L/3: I have come to see you on a rather delicate matter that is of great concern to me personally. Can we talk safely here?

Cap: Yes, I think it is private enough here in my office.

(Cap. then closed blinds) We can talk in a low voice, just to be

sure. What is it you wish to talk to me about?

L/3: It concerns a person with whom I have recently been in contact. I must explain that I have certain commercial affairs in Guatemala and travel there more or less regularly. I have also had contacts of a rather delicate nature with elements there and also a contact here in Mexico City until recently. This particular contact was abruptly cut off for reasons I am not aware of, and apparently taken up by the person I have come to talk to you about.

Cap: Who is this person?

L/3: I shall tell you later. In any case I have come to you since this person mentioned your name and I feel that you might be in a position to give me some advice. I stress again that I feel my commercial affairs have been jeopardized by this last contact.

Cap: So you are the person who called me last Friday.

L/3: Well, I wanted to reach you in the most discreet manner.

Cap: You did very well. As I told you when you called, I avoid mentioning names on the telephone, since I am sure that my phone is tapped. I am afraid that in all probability my mail is being intercepted. For your information I was at Gobernación, just to take a look at you, but I did not approach you feeling that surely you would come to my home eventually.

L/3: Fine. Now let me give you an account of what has happened to me. As I said, this new contact met with me several times and asked for a certain kind of help, claiming to represent certain elements in Guatemala and mentioning names and facts that concerned my own previous activities there. At first I accepted him at face value, but later he made certain comments that disturbed me. He criticized the most important faction from that area and suddenly asked me to arrange for a trip to Tapachula so that he could enter without formality. He also asked me to put him up in my home and requested that I provide certain things that appeared strange.

Cap: Did he ask for a revolver?

L/3: Yes, but a special one - a Browning automatic with three clips and fifty cartridges, canvas clothes and, most surprising three poison pills. He said these items were to be for my own use once I entered the territory of Guatemala. All this appeared strange to me in the light of my previous contacts. The other people had never asked for such things and always had a place of their own to live in while in

Mexico City. I therefore queried him carefully, and, to make a long story short, he broke down (se abrio) and told me things that convinced me that he did not represent the main faction and had in fact deserted from it some time ago. After this he insisted on remaining in my home and I was forced to give him the following alternative. I alleged that I had another contact with his people and that I planned to consult with this contact and bring him along with me the following day at 1000 so that the three of us to continue the conversation. When the person showed obvious alarm at this, I said that he could, however, if he choose, leave my home of his own free will and I gave him some money - 300 pesos - in an envelope, just in case he was without funds. I felt very concerned about my commercial affairs and wanted to severate myself from this person as soon as possible. I had no desire to do him any harm, despite the fact that by that time I realized that he had tried to trick me and even place my life in jeopardy. In any event he left the apartment on his own the following morning, leaving my keys, the envelope with the money, and a letter for me on the table.

Cap: A letter? This is very important. Can you tell me who this man is?

L/3: Yes. His name is Mésias Crozco Leal, and he has lived many years in Mexico.

Cap: Ah, yes, I know this man. He was arrested recently by the Mexican police and released Friday. I have been informed of this by his family.

L/3: Then things are worse than I imagined. Who knows what he has revealed to the Mexicans about my business connections.

Cap: Please do not be too worried. I have been given to understand that Crozco, who is a valiant person, conducted himself in a commendable manner. I doubt that he revealed anything about you. Now the important thing for me to tell you is that I have certain very indirect delicate contacts with them there ("arriba") and I am in a position to check on this person.

L/3: I am still worried since he possesses so much detailed knowledge. I was planning another trip to Guatemala City, but now I don't know what to do.

Cap: Please do not move until you have heard from me.

L/3: Fine, then here is my full name, telephone number and my references.

Cap: I really don't need references.

L/3: But I shall give them to you anyway, since I want to be aboveboard with you in all this. (L/3 then writes out names of César Tejeda and Jacobo Rodríguez Padilla).

Cap: So you know César Tejeda Fonseca and Jacobo. Fine. Now the important

thing is the letter. Could you give me a copy as soon as possible? This is very important. You have done a very wise thing in coming to see me about all this - much wiser than you could realize.

L/3: This letter is typewritten on my typewriter and unsigned, but I'm sure anyone who knows Crocco could recognize the style.

Cap: Yes. Could you send it by hand with Jacobo? Whatever you do, please do not telephone and talk about anything sensitive, or use names.

L/3: I could send my wife tomorrow morning, or possibly even later tonight.

Cap: Alright, but send it as soon as possible.

L/3: Just one other thing. I am anxious to get in touch with an old friend of mine, Dra. Persino. I understand that she is in town, and I might be able to contact her through you. What I suggest is this, that you give her my name and telephone number and ask her to call me at her convenience.

Cap: Fine. I'll do what I can. In any case I'll be in touch with you. Again please don't leave town until you have talked with me again on this matter.

5. Rowton made a date with L/3 for 1030 the following day (9/8/67) to pass to L/3 a copy of the Crocco letter. It will be recalled that he gave the original of the letter to Abelario Gurbelo. Incidentally L/3 stated that no mention of the Cubans was made during his conversation with Capoano.

2 August, 1967

Subject: LIRING/3 Report of Knowledge of Rowton Alias.

1. On the evening of 2 August, 1967, LIRING/3 gave Rowton the attached typewritten statement of the persons who might be aware of Rowton's alias, as per Rowton request to L/3 at their previous meeting.
2. L/3 has explained that he feels safe enough from a security standpoint in his relationship with Rowton, since at present he actually does know or has known a fair number of Greeks in Mexico and Central America, including Pandelis Economou, Gazdelis, Iatsakis (all of whom he has met) and Stylianos Prevolis, Angel Arvanitis, with whom he is in indirect business contact through Rowton. He feels that if Rowton's name (alias) comes up either in conversation with the Cubans or Guatemalans, he can cover it under the umbrella of his Greek commercial contacts without difficulty.
3. L/3 cannot recall either Sergio Martinez or Hugo del Pino ever bringing up Rowton name or querying him about Rowton's current activities. He recalls Martinez on one occasion many months ago simply asking him to give "señor Harris" his regards.

VALDEZ WHEN LATTER RECOMMENDED TO OROZCO AS FAR MEMBER BY ALBERTO DOMINGO OF REVIEW POLITICA THOUGHT OROZCO WOULD BE GOOD CHANNEL TO GUAT GUERRILLAS. VALDEZ BECAME VERY ANGRY DURING ABOVE CONFRONTATION, CALLED OROZCO A TRAITOR AND THREATENED TO KILL HIM. OROZCO BEHAVIOR THROUGHOUT CLEARLY INDICATED HE VERY MUCH AFRAID FAR GUNNING FOR HIM.

2. AT 0400, VALDEZ, MORENO AND LIRING-3 DEPARTED, BUT OROZCO APPARENTLY TERRORIZED REFUSED LEAVE LIRING-3'S APARTMENT BUT PROMISED HAVE NEW DISCUSSION AT 1000 HOURS. LIRING-3, AFRAID OROZCO MIGHT COMMIT SUICIDE HIS APARTMENT TRIED REENTER HIS PLACE A LITTLE LATER BUT FOUND OROZCO UNWILLING OPEN UP. LIRING-3 AND VALDEZ THEN SPENT REST OF NIGHT IN FRONT LIRING-3'S APARTMENT TO MAKE SURE OROZCO "WOULD NOT ESCAPE". AT ROWTON SUGGESTION, LIRING-3 HIRED TAXI WHICH WAITED NEARBY. BETWEEN 0800 AND 0900 1 AUG OROZCO LEFT LIRING-3'S APARTMENT AND WENT TO HIS MOTHER'S ADDRESS FOLLOWED BY LIRING-3 AND VALDEZ IN TAXI.

3. AFTER REVIEWING ABOVE CASE STATION DECIDED CALL LITEMPO'S AND HAVE THEM PLACE OROZCO UNDER ARREST. STATION FELT LITEMPOS COULD HAV^E RECOGNIZED OROZCO WHEN STAKING OUT MOTHER'S PLACE (OROZCO HAS KEPT AWAY FROM HIS MOTHER'S ADDRESS IN HIDING FOR

SEVERAL WEEKS). LIRING-3 AND VALDEZ WHO COULD NOT GET TAXI TO WAIT ANY LONGER RETURNED TO LIRING-3'S APARTMENT BEFORE ARRIVAL OF LITEMPO'S WHO TOOK OROZCO IN CUSTODY. LIRING-3 WAS THEN INSTRUCTED ATTEMPT MAKE URGENT CONTACT WITH FAR TO FINGER OROZCO VIA JACOBO PADILLA (WHO FIRST INTRODUCED LIRING-3 TO FAR). LIRING-3 NATURALLY NOT TOLD OF OROZCO'S ARREST BY LITEMPOS. STATION DOES NOT BELIEVE OROZCO'S ARREST WILL JEOPARDIZE FUTURE LIRING-3 OP.

4. ALTHOUGH LITEMPO'S FOUND OROZCO'S PAPERS IN ORDER ARTICLE 33 OF MEXICAN CONSTITUTION ALLOWS DEPORTATION OF FOREIGNERS WHOSE PRESENCE IN MEXICO IS UNDESIRABLE. THUS IF GUAT GOVT INSTRUCTED IT'S AMBASSADOR IN MEXICO CITY TO PRESS CHARGES AGAINST OROZCO AS DANGEROUS REVOLUTIONARY AND ASK FOR HIS RETURN FOR TRIAL, LITEMPOS WOULD VERY PROBABLY QUIETLY TURN OROZCO OVER TO GUATS. WOFACI WOULD THEN HOPEFULLY HAVE OPPORTUNITY INTERROGATE OROZCO AT LENGTH ON HIS RECENT GUERRILLA ACTIVITIES IN GUAT. JUDGING FROM PREVIOUS EXPERIENCE GUATS WOULD PROBABLY QUIETLY DO AWAY WITH OROZCO AFTER INTERROGATION.

5. IN VIEW OF ABOVE RECOMMEND IMMEDIATELY AND TAKE STEPS HAVE OROZCO TURNED OVER TO GUAT REPS AND TAKEN TO GUATEMALA AS SOON AS POSSIBLE TO FACE REVOLUTIONARY AND OTHER CHARGES. IN VIEW RECENT ARRESTS OF SUBVERSIVE ELEMENTS

<p>Subject's Station file has just been reviewed for purging, and it was noted that his OA is still active and no final dispatch has been written closing this file, even though we are no longer in contact with Subject. Since Gerald D. FAHLINGER was the last Case Officer in contact with LITAMIL-7, it is requested that Headquarters have FAHLINGER (now assigned Headquarters) prepare a memorandum describing his last relationship with LITAMIL-7 and requesting that his OA be cancelled on 7 February 1968 (DDFORM 16118) be cancelled and file be closed. The Station plans no further contact with LITAMIL-7. Contact was dropped with LITAMIL-7 by mutual consent; he was not a paid agent and was not anxious to play an aggressive role against the PBRUMEN target. MEMORANDUM FOR THE RECORD

⁰ SUBJECT: LITAMIL-7

1. According to Gerald D. FAHLANGER, LITAMIL-7, who is a female, was a secretary in the Mexico City PBRUMAN Embassy for more than 30 years. She was originally recruited by former Station asset LITAMIL-3 in approximately 1966-67. Although Subject was never a very productive asset, she did provide information on activities of the installation and individuals working therein. In approximately 1969-70, Subject was retired by the PBRUMAN Embassy, ending her previous usefulness for the Station. In spite of her loss of access to the embassy, she did continue to maintain contact with the personnel, including the ambassador. For this reason the Station maintained contact with her through LITAMIL-3. However, this too was not very productive because she felt she had been treated fairly upon retirement, and felt a certain degree of loyalty to them. This was somewhat incongruous, since she did not feel such loyalty when she was working in the embassy.

2. Subject met FAHLANGER, as Jose (Pepe) Martin, approximately six times in her home. The last time she was told that in view of her retirement, which resulted in the loss of access to the embassy, our relations with her would be terminated. However, if she reestablished contact with the personnel, or was recalled to work part or full time, we would, of course, consider contact again. This, of course, never happened.

3. While Subject was not paid a regular salary, she did receive spot payments for the information she submitted. She also received occasional small gifts at Christmas time and on her birthday. The

A. LITANIL-7: LITANIL-7 was met on 21 May. She was debriefed more on the physical layout of LIRING, and was offered a job—in general terms. (The Station is considering using her as a transcriber of LISAMPAN.) LITANIL-7 was receptive to the idea of maintaining contact with the Station, but asked for more time to put her personal affairs in shape.

E. LITAMIL-7: LITAMIL-7, the Station's only physical penetration of LIRING, was finally retired by LIRING. This had been in the wind for some time. The problem was that according to Mexican laws LIRING had to pay LITAMIL-7 one month's salary for every year worked, and she had worked for LIRING 38 years. She was notified on 28 March that on instructions from the Foreign Ministry her employment with LIRING was being terminated effective 31 March 1968. On 28 March, all her phone books, keys, et cetera were taken away, and her appearance on 29 March was a mere formality. Her termination pay

201-730173

(\$8,000 U.S.) is being given in three installments, with the last one the end of April. LITAMIL-7 gave her Case Officer no advance notice of her release, probably for fear of compromising her retirement benefits. Station will, however, continue to maintain casual contact with her after she receives the last installment of her severance pay. She may be of help in the future in identifying LIRING visitors or newcomers. Now that LITAMIL-7 is gone, the Station plans to activate LISANPAN/CHARLIE, which, it is hoped, will become a regular source of information on LIRING.

Action Required: FYI

Reference : MEXICO CITY-5139, 5 April 1968

Summary: During the period of this report, LITAMIL-7 was met on a weekly basis. Most of the meetings with LITAMIL-7 were conducted in the presence of LITAMIL-3, who has known her for many years and is the only person who can pressure her into reporting information on the daily LIRING activities. Unfortunately, LITAMIL-7 has reported only routine information, much of which the Station already obtained through other means. In many cases, however, her information served to support information the Station suspected or needed to confirm. The following were factors that contributed to LITAMIL-7's apathy and reluctance to collect and report information of value. First, there was the problem of her health. Although she did have high blood pressure, most of her preoccupation over this condition was psychosomatic. It appeared that it provided her with a crutch to justify her inability to service Station requirements. Second, and this was probably the most significant factor behind her reluctance to collaborate fully, she was aware of the LIRING attitude towards retention of foreign employees in that office. In January 1968, LIRING released all local employees except LITAMIL-7, and as the months went by it became increasingly evident that it was only a matter of time before she would be released also. Evidence of her

imminent termination was given by the fact that she was given less duties as the months passed, until at the very end she did little more than put in her time. With the spectre of unemployment looming over the horizon, LITAMIL-7 was reluctant to take any risk that might have compromised her situation at LIRING. At stake was a sizable termination payment which the PBRUMENERS were obligated to pay her according to local employment regulations. Obviously, she would do nothing to jeopardize this payment, which amounted to approximately \$6,000 (U.S.). A further deterrent to her collaboration with the Station, even after her release by LIRING on 31 March, was the LIRING arrangement to make the termination payment in three increments, the last to be made at the end of April 1968. In view of this latest development in this operation, the Station has terminated the weekly meetings between the Station Case Officer and LITAMIL-7.

1. Introduction: During the period covered by this report, LITAMIL-7 was met and debriefed on a weekly basis. Her information was very limited and usually dealt with internal activities of a routine nature in LIRING. As pointed out above, her supervisors isolated her from all but the most routine administrative duties. Consequently, she lost access to virtually everything that may have been of interest to the Station. The Station asked her to bring out the book of addresses and telephone numbers which she had compiled over the years, but she refused for fear that it would be missed during the afternoon when she was not on duty. The Station then asked that she begin to copy the contents of the book a few pages each day. She agreed, but before she began this process the book disappeared, and all efforts to find it failed. She then began to compile a new book of addresses and telephone numbers, which she intended to bring out, but one of the LIRING officers asked for it on the day she was fired. In the end, the sum total of LITAMIL-7 LIRING information during the first three months of 1968 was the identification of several photographs of LIRING employees, the tentative identification of offices and rooms in LIRING (tentative because she had not been in the second floor area since 1961, thus much of the identification was from memory), and finally, LITAMIL-7 confirmed telephone numbers assigned to specific LIRING personnel and furnished telephone numbers of individuals and companies servicing LIRING maintenance requirements (dry cleaners, pharmacy, typewriter repairmen, etc.). LITAMIL-7 volunteered to provide additional information on LIRING to the Station provided it was within her capability, and after she received her final severance payment from LIRING.

2. Finance: LITAMIL-7 received no salary and no termination bonus from the Station.

3. Security: Since all contact with LITAMIL-7 was maintained through LITAMIL-3, LITAMIL-7 does not have a Station telephone number. She does not know the true names of any of the Station Case Officers who handled her. All meetings with her were held in her home, thus no safehouses were used, and she was never seen with Case Officers in public. She had no telephone, so no contacts were made with her by phone. From the security point of view, the LITAMIL-7 operation enjoyed a long life, January 1961 through March 1968. Taking into account her fear and apprehension, plus the fact that she maintained good relations with LITAMIL-3, this record is all the more remarkable. From the intelligence point of view, it is unfortunate that her production was so minimal.

4. Future of the Operation: Although for all intents and purposes the LITAMIL-7 operation has come to an end, the Station intends to maintain a casual contact with her. It is very likely that she may know new personnel assigned to LIRING and may be able to furnish information on these individuals. There may also be developments in LIRING which, on the basis of her lengthy service in LIRING, she might be able to assess and clarify. Since LITAMIL-7 was not a salaried agent for the Station, the operation cost nothing more than the investment of Case Officer time, and an occasional gift of flowers. In view of her intense pride, there is little reason to believe that she will accept money in the future. If she is able to provide information to the Station it will probably be done without any thought of compensation.

She furnished interesting information on the goings-on at LIRING at the time of the ~~SPY~~ crash including the presence of General Lazaro CARDENAS. Later the same month, she obtained from one of the LIRING officers propaganda records produced by the Cultural Ministry which she lent us for copying. She was the first to report that a former LIRING intelligence officer had gained a high level position in the PERUSCH Ministry of Culture.

1. LITAMIL-7, an aging spinster, is a penetration agent of the Mexico Station inside the PBRUMEN Embassy. She has recently been seriously ill on two occasions and has been shabbily treated by her employers while the Station has lavished attention on her. As a result of this contrast in demonstrated concern for her wellbeing, LITAMIL-7 has shown a determination to be of much more active service to the Station than in the past.

2. LITAMIL-7 is a devout and practicing Roman Catholic. To the Station's understanding that certificates of Papal blessing can be obtained without too much difficulty in Rome. If this is the case, and ☐ can securely obtain such a certificate, it is believed that its presentation to her would cinch her already demonstrated determination to help the Station with its anti-COMMUNISM work.

3. A blessing of LITAMIL-7's home or prayer for her continued health or any other appropriate form of certificate would be much appreciated. Please T/A any costs to the Mexico Station. LITAMIL-7's identity follows by separate cover attachment.

<p>Re REF 7251, Septalia.</p> <p>The complete production of LITANIL-7 has been reviewed by Headquarters. Of the 10 reports submitted from September 1962 through May 1963, of which L-7 was the source of the complete, or a specific part of the report, 5 were not disseminated. In addition to those which were disseminated, 2 dissons used info received in ops cables which was from L-7.</p> <p>The info from this source is considered to be quite low-level and fragmentary, including few details.</p> <p>After this careful review, we fail to find any justification for raising her to a "B". We wish to point out that source's access to information does not affect her rating. That would be reflected in the appraisal of content.</p> <p>LITANIL-7 is considered a "C" source by Headquarters.</p>

<p>Re HQ 7251, Supdata.</p> <p>The complete production of LITANIL-7 has been reviewed by Headquarters. Of the 10 reports submitted from September 1962 through May 1963, of which L-7 was the source of the complete, or a specific part of the report, 5 were not disseminated. In addition to those which were disseminated, 4 dissem used are received in ops cables which was from L-7.</p> <p>The info from this source is considered to be quite low-level and fragmentary, including few details.</p> <p>After this careful review, we fail to find any justification for raising her to a "B". We wish to point out that source's <u>access</u> to information does not affect her rating. That would be reflected in the appraisal of content.</p> <p>LITANIL-7 is considered a "C" source by Headquarters.</p>

Summary -

LITAMIL-7

Field has submitted a total of 11 reports, of which 9 LITAMIL-7 was given as source for all, or a specific part of the report. 1 she was subsource, and in she was one of 6 sources and her contribution not specified. Plus that, info from her taken from 2 Ops cables for use in dissem.

Of the 11, 5 were JO DISSA. (one still on my desk, probably no dissem.)

~~if~~ The info submitted by her is all pretty low level. Matter of fact, pretty much what would be considered overt in any normal embassy or consulate. She obviously reports what happens to come to her attention, but no indication she makes any effort to use info to fill in the fragmentary info she submits.

I just can't see why the field considers her a B (except that they seem to consider all their sources a B). It will be noted that they considered her a B from the very first report they ever submitted from her. If they have justification for raising her, why don't they spell it out.

If this low-level informant is considered a B reporting agent - maybe we better revise some super evals for the GOOD sources.

Needless to say, I think C is very generous.

I doubt whether the MO or JO in Mexi ever evaluated her stuff.

Now - what is your opinion, ☐ If you think she ~~is~~ is worth a B, its certainly OK by me (its probably would be the easy way out). However, looking at the over-all, seems wrong to give her a B unless she really deserves it -

EAM-7156 Apr 63 Meeting between Sub and Mexi Foreign
HEMI-4214 No Dissen - no intel value to customers.
(Merely said meeting sched for 13 Apr - at Sub's request)
(Lecuga now back in Cuba - enroute to Y.)
SAC went into detail re her eval - this report carried her as "B".
SAC: "I feel that a more proper eval for this source (from whom
little of disseminable value has been received) would be C. If in
the future her reporting warrants further upgrading to B, the
station should at that time make a recommendation."

HMM-7225 - next P2

No Dissen - By not dissing travel info at that time.
The field gave her inf and P in this report. ~~XXXXXXXXXXXXXXXXXXXX~~
Fld probably hadn't read the SAC for 7156 yet, so went by the
earlier SAC's - and gave her an F.
(But HMM-7225 was "B" !!!)

EM-7251 May 63
KZI 4515

Cancellation of Cuban Festivities Planned for May
FDOS-3/5-6,872 - Disseminated by LACG. Field gave it a "B" - and
so did LACG - which is wrong. Just why LACG dissemmed it, is hard
to determine. I don't think they even have a source card on her -
at least not one giving her a "B" - that's certain.
Perhaps the field's argument in the supinfo swayed them. It said:
"Source LIA-7 who station definitely considers B source. Most
info submitted by L-7 is obtained directly from Cuban Embassy
records. In present case L-7 personally read cable recd from Havana."
That still doesn't qualify her for a B - that would up the
an. raise of content.

EM-7353 31 May

Cuban Embassy Financial Transactions
(Title misleading - lists 2 banks in Mexi where Cub has accounts -
nothing more. No attn taken yet - but doubt whether it's worth
dissem, unless it represents some change.)
"Source data sheet says: 'Source read info personally from Manaventura
notes.'
"Ref made to Sals for EM 7186 & 7225. Hq attention called to EM 7251
(LNU 4515) wherein the Sta pointed out that it definitely considers
LIA-7 a B source. It is requested that R reconsider its C eval
and raise LIA-7 to B which the Sta feels to be a more proper
eval."
They gave the report of a B

Subject: LITANIL-7

On 13 May 63, I went to Subject's home with LITANIL-3. NO SECURITY PROBLEMS NOTED. Time: 1800-1900.

LITANIL-7 reported as follows:

1. On 8 May 63, "courtesy" visas on separate piece of paper were issued to 13 Ecuadorans. Plane tickets to Habana only were also provided. (COMMENT: This might mean that this group plans on returning via another route.)

On 10 May 63, "courtesy" visas were issued on separate paper to 2 Argentines and 2 Brazilians. The latter group was issued a visa colectiva, i.e. one visa with the names of all the group on the paper. The 2 Argentines were provided with Cuban "round trip" tickets.

On 11 May 63, no "courtesy" visas were issued.

On 13 May 63, 2 Argentines were issued "courtesy" visas. (separate)

L-7 said that there were four other persons with the above 9, who had already received "courtesy" visas on separate piece of paper in Santiago, Chile. She said she believes they were Argentines but she is not sure.

On 13 May 63, "courtesy" visas outside the passport were issued to 1 German and to 1 Uruguayan.

On 12 May 63, L-7 reported that two "courtesy" visas on separate pieces ~~XXXX~~ of paper were issued to 2 Peruvians.

2. L-7 ~~re~~ported that the two Cuban couriers, ~~Agustin~~ ^{FR} ~~ASSERIS~~ ²⁰¹⁻³⁴⁵⁹⁹ and ~~Brasil~~ ^{FR} ~~MORRISON~~ ²⁰¹⁻³⁵⁶¹⁰², were scheduled to arrive ~~on 13 May 63,~~ ^{MEXICO CITY} according to a cable she received.

3. L-7 reported that the following Cubans are living inside the Embassy: Manuel VEGA Perez, Buenaventura REYES Acosta, Armando SARDINAS, Jose LLACOSTERA Garcia, and probably Egidio ~~XXXXXX~~ VEGA Calero.

4. L-7 reported that a Dr. BRITO called re Joaquin HERNANDEZ the day before. This conversation came up on LITANIL-7.

JULY CYROSE PROGRESS REPORT-----

LITAMILS - No previous progress report other than regular operational reporting has as yet been forwarded on the LITAMIL group. Their activities have expanded considerable during July, and this report will attempt to give a birds-eye view of the overall activity as a basis for future progress reporting. In summary during July 1962 the LITAMILS recruited a new penetration of the Cuban Embassy in Mexico City and a former employee of that Embassy, with excellent access to Cuban Embassy circuits; they now are an essential functioning actively during the month; they located a site for their clandestine radio; they have a cover company possibility which is being seriously considered for activation; and they have approximately seven legal traveler operations under development or active. The LITAMILS now number 13, practically all of whom are active in one or more of these phases. The principal men behind the entire activity are LITAMILS 1 and 2.

HMMA-19554

H LITAMOL-7 is a secretary-level penetration of the Cuban Embassy whose production has been fairly limited due to her timidity. However, she became more active during July, furnishing exemplars of Cuban letterheads, envelopes etc., and acting as a "listening post." She has furnished a copy of the names of travelers who do not wish their travel to Cuba to appear in their passports. A station case officer is in direct contact with her. File reference include MEXIS 1594, 1570 and HQ44 19471 which forwarded FRQ Part I on her.
