This memorandum briefly summarizes the status of missing original Federal Bureau of Investigation (FBI) case files or portions of case files in the President John F. Kennedy Assassination Records Collection (JFK Collection) and documents the National Archives and Records Administration's (NARA) efforts to reconstruct these records, where possible, from duplicate copies of documents located in other FBI files.

As the JFK Collection was first compiled and reviewed in the 1990s, the Assassination Records Review Board and the FBI designated some records as "not believed relevant" (NBR) or "not assassination related" (NAR). The FBI retained custody of the NBR/NAR records and postponed their transfer to NARA until a later date. Every document or group of documents ("serials"), however, received an indexed Record Identification Form (RIF) and FBI inventory sheet for insertion into the JFK Collection.

After an extensive search, neither the FBI nor the National Archives could locate a small number of NAR documents or case files.

This compilation represents NARA's efforts to reconstruct the original file or portions of the file, as completely as possible, with duplicate copies of documents located in the FBI field office and headquarters files within the JFK Collection. Each reconstructed file or compilation contains a Record Identification Form, an explanatory cover memo, existing administrative documents available within the JFK Collection, and copies of identified duplicate documents. The table below summarizes the status of FBI file LR 66-1880, Serials 1 through 12.

MEMORANDUM TO ALL EMPLOYEES

RE: INTERVIEWS OF FBI EMPLOYEES

All employees are advised that Congress is conducting an inquiry into activities of the Federal Bureau of Investigation. Congressional staff members are conducting interviews of former and current FBI employees. This Bureau has pledged its cooperation with the Congress.

You are reminded of the FBI Employment Agreement (copy attached) with which you agreed to comply during your employment in the FBI and following termination of such employment.

Also, you are reminded of Title 28, Code of Federal Regulations, Section 16.22 (copy attached), which reads as follows:

"No employee or former employee of the Department of Justice shall, in response to a demand of a court or other authority, produce any material contained in the files of the Department or disclose any information relating to material contained in the files of the Department, or disclose any information or produce any material acquired as part of the performance of his official duties or because of his official status without prior approval of the appropriate Department official or the Attorney General in accordance with Section 16.24."

Also, you are reminded of Department of Justice Order Number 116-56, dated May 15, 1956, (copy attached) which, among other things, requires an employee upon the completion of his testimony to prepare a memorandum outlining his testimony.

Our cooperative efforts, of course, must be consistent with the above cited authority. Therefore, if you are contacted for purpose of interview or testimony you are to request approval as required by the Employment Agreement and await authorization before furnishing information, testimony, or record material.

EMPLOYMENT AGREEMENT

As consideration for employment in the Federal Bureau of Investigation (FBI), United States Department of Justice, and as a condition for continued employment, I hereby declare that I intend to be governed by and I will comply with the following provisions:

(1) That I am hereby advised and I understand that Federal law such as Title 18, United States Code, Sections 793, 794, and 798; Order of the President of the United States (Executive Order 11652); and regulations issued by the Attorney General of the United States (28 Code of Federal Regulations, Sections 16.21 through 16.26) prohibit loss, misuse, or unauthorized disclosure or production of national security information, other classified information and other nonclassified information in the files of the FBI;

(2) I understand that unauthorized disclosure of information in the files of the FBI or information I may acquire as an employee of the FBI could result in impairment of national security, place human life in jeopardy, or result in the denial of due process to a person or persons who are subjects of an FBI investigation, or prevent the FBI from effectively discharging its responsibilities. I understand the need for this secrecy agreement; therefore, as consideration for employment I agree that I will never divulge, publish, or reveal either by word or conduct, or by other means disclose to any unauthorized recipient without official written authorization by the Director of the FBI or his delegate, any information from the investigatory files of the FBI or any information relating to material contained in the files, or disclose any information or produce any material acquired as a part of the performance of my official duties or because of my official status. The burden is on me to determine, prior to disclosure, whether information may be disclosed and in this regard I agree to request approval of the Director of the FBI in each such instance by presenting the full text of my proposed disclosure in writing to the Director of the FBI at least thirty (30) days prior to disclosure. I understand that this agreement is not intended to apply to information which has been placed in the public domain or to prevent me from writing or speaking about the FBI but it is intended to prevent disclosure of information where disclosure would be contrary to law, regulation or public policy. I agree the Director of the FBI is in a better position than I to make that determination;

(3) I agree that all information acquired by me in connection with my official duties with the FBI and all official material to which I have access remains the property of the United States of America, and I will surrender upon demand by the Director of the FBI or his delegate, or upon separation from the FBI, any material relating to such information or property in my possession;

(4) That I understand unauthorized disclosure may be a violation of Federal law and prosecuted as a criminal offense and in addition to this agreement may be enforced by means of an injunction or other civil remedy.

I accept the above provisions as conditions for my employment and continued employment in the FBI. I agree to comply with these provisions both during my employment in the FBI and following termination of such employment.

This authority may be redelegated to Deputy Assistant Attorneys General.

(2) In instances of demands that are not covered by paragraph (b)(1) of this section:

§ 16.25 Procedure where a Department decision concerning a demand is not made prior to the time a response to the demand is required.

§ 16.26 Procedure in the event of an adverse ruling.

If the court or other authority declines to stay the effect of the demand in response to a request made in accordance with § 16.25 pending receipt of instructions, or if the court or other authority rules that the demand must be complied with irrespective of instructions not to produce the material or disclose the information sought, in accordance with § 16.24, the employee or former employee upon whom the demand has been made shall respectfully decline to comply with the demand. WASHINGTON, D. C.

ORDER NO. 116-56

It is the policy of the Department of Justice to extend the fullest possible cooperation to congressional committees requesting information from departmental files, interviews with department employees, testimony of department personnel, or testimony of Federal prisoners. The following procedures are prescribed in order to effectuate this policy on a basis which will be mutually satisfactory to the congressional committees and to the Department. [This order supersedes the Deputy Attorney General's Memorandum No. 5, dated March 23, 1953, and his Memorandum No. 97, dated August 5, 1954. It formalizes the Attorney General's press release of November 5, 1953, establishing procedures to permit committees of the Congress and their authorized representatives to interview and to take sworn testimony from Federal prisoners. It supplements Order No. 3229 (Revised) dated January 13, 1953, and Order No. 3464, Supplement No. 4 (Revised) dated January 13, 1953 (with Memorandum of "Authorization Under Order No. 3464 Supplement No. 4 (Revised)" dated January 13, 1953), insofar as said orders have reference to procedures to be followed in the Department's relations with congressional committees. In support of this order, reference should be had to the President's letter dated May 17, 1954, addressed to the Secretary of Defense, and to the Attorney General's Memorandum which accompanied it.]

A. REQUESTS FOR INFORMATION FROM DEPARTMENT FILES

1. Congressional committee requests for the examination of files or other confidential information should be reduced to writing, signed by the chairman of the committee, and addressed to the Deputy Attorney General, who is responsible for the coordination of our liaison with Congress and congressional committees. The request shall state the specific information sought as well as the specific objective for which it is sought. The Deputy Attorney General will forward the request to the appropriate division where a reply will be prepared and returned for the Deputy Attorney General's signature and dispatch to the chairman of the committee.

2. If the request concerns a closed case, i. e., one in which there is no litigation or administrative action pending or contemplated, the file may be made available for review in the Department, in the presence of the official or employee having custody thereof. The following procedure shall be followed in such cases:

a. The reply letter will advise the committee that the file is available for examination and set forth the name, telephone extension number, and room number of the person who will have custody of the file to be reviewed;
