To: The File

This memorandum briefly summarizes the status of missing original Federal Bureau of Investigation (FBI) case files or portions of case files in the President John F. Kennedy Assassination Records Collection (JFK Collection) and documents the National Archives and Records Administration's (NARA) efforts to reconstruct these records, where possible, from duplicate copies of documents located in other FBI files.

As the JFK Collection was first compiled and reviewed in the 1990s, the Assassination Records Review Board and the FBI designated some records as "not believed relevant" (NBR) or "not assassination related" (NAR). The FBI retained custody of the NBR/NAR records and postponed their transfer to NARA until a later date. Every document or group of documents ("serials"), however, received an indexed Record Identification Form (RIF) and FBI inventory sheet for insertion into the JFK Collection.

In September 2011, several years prior to the 2017 re-review and transfer of the NBR/NAR material to the National Archives, a flood severely damaged thousands of feet of records at the FBI's Alexandria Records Center in Alexandria, Virginia. In June 2012, NARA approved the FBI's request for emergency destruction of 10,000 cubic feet of records that posed significant airborne health hazards. Among the damaged records were FBI field office files that contained postponed JFK Collection material designated as "pertaining to a matter unrelated to the JFK Assassination Investigation" or "not assassination related."

This compilation represents NARA's efforts to reconstruct the original file or portions of the file, as completely as possible, with duplicate copies of documents located in the FBI field office and headquarters files within the JFK Collection. Each reconstructed file or compilation contains a Record Identification Form, an explanatory cover memo, existing administrative documents available within the JFK Collection, and copies of identified duplicate documents. The table below summarizes the status of FBI file SI 62-2567, Serials 25 through 30.

CRIMINAL INVESTIGATIVE DIVISION

The Bank of Alton, Alton, Illinois, was robbed by two white males wearing stocking masks on 7/13/67. The unknown subjects were armed with a sawed off shotgun and an automatic pistol. They escaped with \$27,230.00. No one was harmed. There were no bank cameras, no bait money, and no latent fingerprints developed. Numerous subjects, including James Earl Ray, were developed. No one was ever identified as the robber and the case remains unsolved. James Eugene Gawron, known to have been an associate of Ray, advised that he and Ray cased the Bank of Alton, in 1959, but did not rob it as planned. Extensive investigation by the Springfield Division, including showing of Ray's photographs, failed to identify Ray as one of the robbers. The bulk of the Alton investigation pertaining to Ray's involvement was reported in the Murkin file and not the 91 file.

of Alton at 10:30 a.m., 8-18-78, and confess to the bank robbery which occurred on 7-13-67. He was thereafter to proceed, with St. Louis telecaster John Aubile (PH), to the Alton Police Department where he would reiterate his confession.

This information was telephonically furnished to Gerald Hamilton, Staff Member, HSCA, per AAG Keuch.

ASAC Joseph E. Ondrula, Springfield, telephonically advised that Jerry Ray and John Aubile, a television news-caster, appeared at the Bank of Alton at 10:40 a.m. Ray denied participation in bank robbery. Ray and Aubile proceeded to Alton Police Department where Ray again denied participation in Bank Robbery and offered to take polygraph regarding this matter.

The above facts were presented to Robert L. Keuch, Special Counsel to the Attorney General for the House Select Committee on Assassinations (HSCA). Keuch advised that he could foresee no need for an active investigation into this matter as the Statute of Limitations had run. Keuch advised that Jerry Ray should not be interviewed regarding his denial or offered a polygraph examination.

BANK ROBBERY WITH JAMES EARL RAY WERE NOT FURNISHED TO THE NEWS MEDIA THROUGH THE ALTON, ILLINOIS POLICE DEPARTMENT. CAPTAIN LIGHT FURTHER STATED THAT APOL AND RAY HAD PREVIOUSLY BEEN TO THE BANK OF ALTON EARLIER ON THE MORNING OF AUGUST 13, 1978. THE PURPOSE OF THE VISIT TO THE BANK WAS FOR JERRY RAY TO DETERMINE IF ANY CURRENT EMPLOYEES HAD BEEN EMPLOYED BY THE BANK IN 1967. IN ADDITION, RAY WANTED TO DETERMINE IF ANY EMPLOYEES COULD IDENTIFY HIM AS ONE OF THE PARTICIPANTS IN THE BANK ROBBERY; HOWEVER, RAY WAS ADVISED TO THE CONTRARY.

CAPTAIN LIGHT NOTED THAT JOHN AUBILE IS DOING A SERIES OF NEWS REPORTS INVOLVING JERRY RAY AND JAMES EARL RAY, AND THE PURPOSE OF THE VISIT TO THE ALTON AREA WAS A CONTINUING EXPOSE BEING CONDUCTED BY AUBILE.
