Most documents in the ZRRIFLE files indicate that its primary purpose was to recruit foreigners to conduct burglaries and safecrackings overseas to obtain code materials. However, there are a few more incriminating papers which seem to indicate a second purpose of ZRRIFLE, probably, the establishment of an assassination capability and perhaps even a plan to use one agent, Jose Marie Andre Mankel (QJWIN), in an assassination attempt in the Congo. I refer specifically to documents summarized, in Tab C, at paragraph 11, page 4; paragraph 24, page 7; paragraph 2, page 8; paragraph 1, page 9; paragraph 3, page 11.

I definitely feel we should obtain copies of the documents underlined above, as well as one which indicates some ZRRIFLE activity in the Miami area, summarized at paragraph 4, page 9, Tab C. Also, we should obtain a copy of the document, referred to above, in which McCone advocated that dissident Cubans bring about "the eventual liquidation of the Castro/communist entourage." I have prepared a letter for your signature requesting them, attached hereto.
