RE: DEA Files on Bernardo de Torres

On May 4, 1978 at 10:35 p.m. I visited Dave Melocik and Louis Backrack at the Drug Enforcement Administration and saw Bernardo de Torres' files. The file is not complete. His CI application forms are missing; only the FBI fingerprints are included. Follow-up on 75 plan is not in the file.

Nonetheless, attached are notes on Bernardo de Torres and a friend Juan Adames who informed on him.

Should be read carefully!

BNDD notes viewed at the CIA were also not in the file at DEA. Need them soon!

Recommended follow-up: speak to S/A Joe Doredant about incomplete file or lack of follow-up. Set up a meeting with CIA and DEA re De Torres.
