Re: SHERMAN FRANKLIN LITTLE, aka IGA (DL 162-129)

On 8/28/62, DL 95-C furnished the following information concerning LITTLE, his associates and his activities:

A former Dallas bondsman, TOM SMITH, had bought the interest of FRED COMPTON in the Redman Club, 3109 W. Davis. This makes present owners under LITTLE’s direction, DONALD FULTON, ELMER CLUCK, and SMITH. FULTON attempted to recently set up a similar type club in Grand Prairie, Texas, a Dallas suburb, but Chief of Police FRED CONNER told him this would not be possible and for FULTON and his associates not to try to set up any gambling activities in the Grand Prairie area.

Two Dallas bookmakers who are known to work for LITTLE, GLEN ERNEST BURNETT and MARVIN RALPH PRESTRIDGE, went to Hope, Ark., about 8/18/62 to contact GEORGE EVERETT THOMAS, JR., former Dallas hoodlum who operates a pool hall in Hope. Purpose of the trip was unknown to CI.
On 8/29/62, this car was observed at LITTLE's residence bearing Texas license MU 6490.

Information obtained from Dallas 95-C, from Mrs. WHITE, and from the surveillance of LITTLE was orally furnished to Lt. JACK REVILLE, Intelligence Section, Dallas PD, and Deputy Sheriff BOB MORGAN, Dallas SO, on 8/31/62.

Re: GEORGE FUQUA, aka AR; PCI (DL 92-61, 137-1216)

On 8/28/62, DL 95-C advised FUQUA and EDDIE TOM GREEN (DL 92-360) are hanging out almost daily at the Dallas Club, a private club, the manager of which is BARNEY GIBBS, known associate of FUQUA and GREEN. CI also stated that for some unknown reason, FUQUA and JAMES HENRY DOLAN (DL 92-292) are no longer associated together.

Concerning RUSSELL DOUG MATTHEWS (DL 92-213), CI advised it was DOLAN who got MATTHEWS his job in a gambling casino in Havana several years ago. It had previously been determined that MATTHEWS had worked in Havana in a casino allegedly operated by SANTO TRAFFICANTE, JR. (DL 92-199). CI further stated MATTHEWS is presently hanging out at "Pat's Recreation Hall", located in the 600 block of Commerce Street, Dallas, and has a residence at Grapevine, Texas.

A check of DOLAN's residence on 8/30/62, ascertained that DOLAN was in town, as his car was parked in the garage during the afternoon.

Information obtained from CI concerning FUQUA, GREEN, DOLAN and MATTHEWS was furnished to Lt. REVILLE and Deputy MORGAN on 8/31/62.

On 8/29/62, efforts were made to contact FUQUA for further development as a PCI. Later in the day, FUQUA contacted the Dallas Office and left a message he was leaving for Kansas with his wife, as his trial there on theft charges was presently pending.

On 8/30/62, MAE NABORS, neighborhood source, advised FUQUA had left the previous day and that FUQUA's wife had told
Mrs. Nabors that they were going to Kansas for trial.

HENRY CLINTON WINFREY, aka IGA
      (DL 162-95)

On 8/15/62, DL 140-C furnished the following information to SA ROBERT P. GEMBERLING:

Informant identified NOLAN MAYS as an employee of the Southwestern Bell Telephone Company, 4100 Bryan Street, Dallas, Texas, whose position is that of telephone repeaterman. According to informant, MAYS bets with HENRY CLINTON WINFREY on the horses and has used his telephone company position in the past to monitor telephone calls to obtain information as to which horses to bet on, and has thereafter passed same on to WINFREY. MAYS has recently expressed concern to informant about the fact that WINFREY was at Hot Springs, Ark., in April, 1962, called MAYS person to person at the telephone company test board telephone, which call or calls were charged to the credit card of WINFREY's girl friend. According to informant, the purpose of such call or calls was to ascertain what tips MAYS had obtained on horses; to ascertain what horses MAYS desired to bet on; or to have MAYS dial another number in Dallas and let WINFREY talk to such other party without there being any record of such party being called by WINFREY.

Informant stated that he believes MAYS would probably admit receiving such call or calls and stated the purpose of such calls as MAYS has expressed concern over the matter realizing he has violated telephone company regulations.
Informant stated that about two weeks ago he (Informant) received a request to check on a stuck coin in a pay telephone at Piccola's Grocery, Carroll and Swiss, Dallas, Texas, and when he plugged in to check on it, he recognized the voices of HENRY CLINTON WINFREY and JOHN ELI STONE. He stated WINFREY was calling STONE from the pay telephone and receiving instructions from JOHN ELI STONE to pay off and collect certain amounts from bettors who were identified by numbers.

Above information furnished to Det. JACK WALKER, Intelligence Section, Dallas PD, 8/15/62.

Informant stated that there is considerable "action" at the Tennison Golf Course which is frequented by numerous hoodlums and gamblers in Dallas. He identified J. B. He stated that TURNS and MCPHERSON about six weeks ago reportedly let the word out while at the golf course that they would be, from time to time, getting motel rooms in or near Dallas at which rooms their trusted betting customers could call them and give them bets. He named the Lamplighter Motel on Highways 67-80 East where they supposedly have operated in this fashion. He stated the word is also passed on the golf course about dice and card games. He stated the only way to know ahead of time as to the above would be to have an undercover man at the golf course who played in the group.

The above information was furnished to Det. JACK WALKER, Special Services Bureau, Dallas PD, on 8/15/62.
