ADMINISTRATIVE:

The period of this report exceeds 90 days inasmuch as NYO has been designated as the Office of Origin by the Bureau on 12/3/65. 

The following information is not being included in instant report inasmuch as it would most likely compromise the informant:

On 12/14/65, NY 3610-C-TE advised SA CHARLES G. DONNELLY that CHARLIE WHITE entered Surgical Hospital at 70th St. and York Ave. on Sunday, 12/5/65, as a charity patient. He stated that CHARLIE wanted no publicity and he did not want anybody to know where he was; that is why he went in as a charity patient. He stated that only he and one NAT MODELL are the only ones who know where CHARLIE is. He stated that since he went in as a charity patient, he is being handled by doctors of the hospital and not by his own personal physician. Informant will see him on 12/15/65, and will advised if anybody else other than he and NAT know where CHARLIE is.

On 12/17/65, NY 3610-C-TE advised SAS CHARLES G. DONNELLY and PAUL G. DURKIN that CHARLIE WHITE returned home to his apartment in NYC from Surgical Hospital on 12/16/65. While in the hospital, WHITE was brought food by a fellow named JOE (LNU), who, at one time, was very closely associated with either FRANK ERICKSON or JOE ADONIS. To date, informant has determined that the only persons who were aware of WHITE's presence in Surgical Hospital are himself, TOMMY NELSON and NAT MODELL.

HAROLD KONIGSBERG, who currently is in US Medical Center, Springfield, Missouri, was interviewed at Federal Correctional Institute, Danbury, Connecticut, by SAS JAMES M. MC ANDREW and PAUL G. DURKIN on 9/19/65, and supplied the following information on a confidential basis:

KONIGSBERG said that even though CHARLIE "The Blade" TOURINE and GYP DE CARLO are members of the same "family," years ago DE CARLO wanted "The Russian" killed. "The Russian" is GEORGE VAINTRAUB, who works with CHARLIE in bust-out games. However, KONIGSBERG declined to handle this contract. In the event the contract was accepted, DE CARLO wanted it to appear as if CHARLIE "The Blade" was the one who was responsible for the killing. Supposedly, "The Russian" was in a game where AL MONES was busted out.

KONIGSBERG pointed out that whenever he dealt with a person he was always attempting to classify him as weak or strong. Based on certain incidents and reputations, he classified CARMINE TRAMUNTI, aka "Gribbs"; TONY GORALLO, aka "Tony Ducks" and CHARLIE TOURINE as strong, and SAM RIZZO (DE CAVALCANTE) as being very weak.

KONIGSBERG on 8/4/65, advised SA ROBERT V. WALKER and PAUL G. DURKIN that JOE ZICARELLI did not become a "made guy" in "La Cosa Nostra" until 1955. He explained that most likely he would have been "made" in an earlier year; however, GYP DE CARLO, CHARLIE WHITE (TOURINE) and LILO GALANTE were all attempting to get ZICARELLI in their respective crews. After much haggling, GALANTE finally won out. KONIGSBERG added that ZICARELLI was actually close to all three of these persons.
