Shep: Re HSCA request 6 July 78 (OLC 78-2491).

Para 3: We have no record of any transcripts or recordings of conversations of Jack Whitten or Win Scott. If any exist they should be in CI Staff.

Para 4: Annie Goodpasture wrote a history of the Mexico Station for the Western Hemisphere Division not the White House. This history covers the period from the inception of the Station in 1946 to 1969. There is very little material dealing with the Kennedy assassination but a great deal of material relating to liaison, relations with top GOM officials and operations not related to the HSCA investigation. It is impossible to sanitize this tome and the "soft file" documents do not exist. There is a bibliography but again precious little pertains.

Where to now?
