Action Required: None, for your information.

Replies: EOA 32472 dated 22 May 1951

We share your concern over the
current developments in the

operation, but unfortunately can offer no
solution to the problem. Your analysis
in paragraph 2 of reference appears to
be correct, and we hope that Alice Morley
will be able to

follow our instructions and on his own initiative
break off contact with Alice Morley.

We wish to assure you that Headquarters
carefully reviewed your proposal to contact
Koplow's employee and our decision not to take
such steps was done only after carefully
weighing all factors in the case and
we feel that NESTLELESS concluding that
the key to the solution was A
acting in his own behalf.
