1. (Unclassified - BAA) LIAISON Carol Amato, House Select Committee on Assassinations staff, called and cancelled the meeting to be held this morning between Richard Sprague, Chief Counsel of the Committee, Sid Stenbridge, DD/OS, and Mr. Cary. Another meeting was set for 10:30 tomorrow morning. Mr. Stenbridge was advised.

2. (Unclassified - BAA) EMPLOYMENT Jason Cook, in the office of Representative Gus Yatron (D., Pa.), called to schedule an employment interview for Elias "Lee" Tallas, a constituent. An interview was set with Mr. Howard Eissner, WARO, for 3:00 this afternoon.

3. (Confidential - GLC) FAA/LIAISON Called Rob Roy Ratliff, National Security Council, and he confirmed that the President had signed another Presidential finding on 3 December.

4. (Secret - GLC) FAA ALERT/LIAISON Called Guy McConnell, Senate Appropriations Committee staff, and alerted him to the information we had on the Bob Woodward article, gave him the essential information on the discussions between ourselves and State Department on the Micronesia Station and the fact that legal memoranda had been submitted to the Department of Justice.

I mentioned to McConnell my discussions with Charles Snodgrass, Defense Subcommittee staff, House Appropriations Committee, about what the Senate is doing on the authorization bill.

I told him we had received a cable from the field concerning Bill Jordan's, also of the Committee staff, interest in a sensitive project at that station. I told McConnell that we would be prepared to give Jordan a limited briefing on this matter when he returns from his trip.

I also told McConnell that we had another Presidential finding and that Tom White would be by to give him the details.
