MEMORANDUM FOR : Chief/CI Staff/DDO
Attn: Mike Sednaoui/Julian Fox

Chief/SE Division/DDO
Attn: Ed Andrews

SUBJECT : NOSENKO Related Material (U)

1. During the course of the House Select Committee on Assassinations investigations, various files relating to the Nosenko case were provided by your offices for HSCA staff to review at Headquarters. These files are identified by subject in the attached listing. The files are currently in my custody in Room 6D5317, OLC/HSCA.

2. Please review this listing and identify those files which were provided by your office, or in cases where the files came from the outside, those which should properly be stored in your custody, and arrange to retrieve the files. (U)

3. Much of this material may be soon requested by FOIAers. All of this material is covered by an agreement between the DCI and Congress which requires that it be retained, in tact, for a period of 30 years. So, do not alter the files in any manner after you have retrieved them until we have decided upon a course of action to fulfill this archival commitment. That decision should be reached prior to the end of March 1979 and will probably involve the copying of the entire file for archival purposes after which the originals can be returned to active use. (U)
