

## NOTES FROM CONVERSATIONS WITH DR. MACEO (AUG-OCT 62)

<sup>6</sup>  
(Raul HERNANDEZ) epileptic. Went Mercy and has appointment with Bengochea for 4 days on 25th since now has results of Mercy tests. B. thinks it not a surgical case, but see what needs be done after neurological tests. (Dr. Elert here wanted "open his head"). We OKed trip once before.

<sup>6</sup>  
(Raul HERNANDEZ): epileptic. Zayas <sup>6</sup>Bazan is related to <sup>6</sup>Dr. Garcia Bengochea and called this Dr. re (Raul's case. (Hernandez) has had 4 "crisis" in 14 days, in love with American and wants get married, but fools must solve this problem first. Dr. Garcia is at Gainesville and might perform operation which Drs here not want or prepared to do. Oded it, but effort should be made have CRC pay for it from its funds. MACEO will make definite appointment for (Hernandez) with Garcia.
