MEMORANDUM FOR: Chief, Security Analysis Group

SUBJECT : STURGIS, Frank Anthony
AKA: FIORINI, Frank
SF#353 459

1. As you are aware, Frank Anthony STURGIS, one of the convicted Watergate burglars, has repeatedly and falsely claimed affiliation with this Agency. Attached to instant memorandum are copies of two articles from the New York Daily News by Paul MESKIC, dated circa April 1975 and 13 June 1976, specifying that one Marie LORENZ was involved with Frank STURGIS and Alex RORKE in 1959/1960 in anti-CASTRO activities. Furthermore, the articles again allege that STURGIS and RORKE were acting on behalf of this Agency. The 13 June 1976 article further alleges Marie LORENZ has claimed that at the direction of STURGIS and RORKE (and the Agency and the FBI) in 1960 she went to Cuba to poison CASTRO. The poison was given to her by STURGIS. In the first article Marie LORENZ alleges that E. Howard HUNT, known to her as "Eduardo" was the paymaster for STURGIS and RORKE. HUNT has publicly claimed not knowing STURGIS until at least the late 1960's.

2. Alex RORKE is identical with Alexander I. RORKE, Jr. (SF#427 955), was a free-lance writer, photographer, and soldier of fortune who disappeared in September 1963 while flying in Central America. There is no evidence in this file that RORKE was ever affiliated with this Agency. There is evidence that RORKE was involved with STURGIS in anti-CASTRO activities in the early 1960's.

3. Relative to Marie LORENZ, initial Office of Security traces in this name were negative in April 1975. Additional research relative to the June 1976 article has revealed a positive identification. Composite information from the attachments would suggest that Marie LORENZ is of German father/American mother birth, born circa 1940; that her father was Heinrich LORENZ, a former German Navy Captain who in February 1959 was the captain of a luxury liner "Berlin"; and that in 1959/1960 she was living with her brother at 344 West 84th.

NOTE: During the 1955 background investigation of Valerie Claire LORENZ, an informant advised that the LORENZ family was somehow related to General Haydon BOATNER. Major General Haydon Lemarie BOATNER, retired, is the father of Helene Lemarie BOATNER (SF#253 375). Helene Lemarie BOATNER is a current staff employee, GS-16, Office of the Comptroller, DCI. This file has been reviewed in depth and nothing was found to show a relationship between the BOATNER and LORENZ families.

7. Variations of all of the names of Ilona Marita LORENZ and her family have been checked against Office of Security indices with no additional results with the exception to a reference to the file captioned "Cuban Intelligence Activities" (SF#350 643). An FBI New York Office report in this file dated 10 February 1960 captioned "Cuban Intelligence Activities in the United States" reflects, in substance, that Ilona Marita LORENZ, 344 West 87th Street, New York City, on 22 December 1959 advised SA O'Brien, FBI, that Jesus Yanes PELLETIER, Cuban Revolutionary Army and Military Aide to the Cuban Prime Minister (CASTRO), had arrived in New York City on 18 December 1959. LORENZ reported that she went out with him on the night of 19 December to the La Baracca Restaurant. She believed that PELLETIER was in New York collecting intelligence information for the CASTRO government.

8. Relative to LORENZ's claim in the attached article that she and Alex RORKE (in conjunction with the assassination attempt against CASTRO) visited FBI offices in New York and had a "conference with the two agents who had questioned her previously and a CIA official", it is interesting to note that LORENZ was interviewed by SA O'Brien on 22 December 1959. The file of Alexander I. RORKE, Jr., reflects that he was interviewed on 30 December 1959 by SA Francis J. O'Brien, FBI, New York.
