Reference is made to the letter from the Chairman of the SSC to the Attorney General dated August 28, 1975, requesting delivery of previously-requested FBI materials pertaining to Dr. Martin Luther King, Jr. Reference is also made to FBI memorandum dated September 3, 1975, which effected delivery of materials in partial response to SSC requests dated July 8 and 14, 1975.

Materials requested in Items 7 and 19 of the July 8, 1975, request and in Items 7, 8, 9, and 13 of the July 14, 1975, request are being delivered to the SSC with this memorandum.

It is noted that Item 7 of the July 14, 1975, request referred to the original of an FBI Director memorandum dated November 17, 1963, to Messrs. Tolson, Belmont, DeLoach, Rosen, and Sullivan. No such memorandum could be located in FBI files. However, a similarly-addressed memorandum dated November 7, 1963, was located and is being furnished, as it apparently is the memorandum of SSC interest.

With respect to the excision of the material being delivered herewith, appropriate notations appear where the excisions concern the protection of an informant or a peculiarly sensitive foreign intelligence operation. All other excisions pertain to portions which actually summarize or quote from conversations monitored during electronic surveillance of Dr. King. In most cases, it can be ascertained precisely which information in FBI files came from electronic surveillances of Dr. King; however, there exist areas where documentation of the information is not precise and no accurate determination can be made. Therefore, no assurances can be given that portions of the material being furnished do not contain information developed as a result of electronic surveillances of Dr. King.

In connection with any response where we have included Xeroxes of newspaper articles or news releases, we have not necessarily furnished all relating to a particular matter which may be scattered throughout FBI files, but have included those readily available and generally representative of the media accounts of the particular matter. An example would be those included in the response to Item 7 of the July 8, 1975, SSC request.

The remaining materials in the SSC requests of July 8 and 14, 1975, and August 20, 1975, (Part VII) are receiving continuous attention and the results will be forwarded on a periodic basis as soon as possible.

Dear Mr. O'Connor:

Pursuant to Section III. A. of the notification attached to the Committee's letter of June 27, 1975, I am forwarding herewith an additional request for materials which relate to this matter.

The specificity of this request is not, of course, intended to limit in any way the agreement to come forward with all relevant information and materials, including documents, whether or not they have been brought to the Committee's attention or have been specifically requested by the Committee.

As Mr. Schwarz and I indicated in our meeting with you a few days ago, there are still outstanding several items relating to this matter which the Committee requested some time ago. This request should in no way delay further the availability of the previously requested items, and we would expect that individual items will be supplied whenever they become separately ready for submission.

Your cooperation is appreciated.

Sincerely,

John T. Elliff
