" ... Mexico City has been the only major overseas reporter in the case. While WHIS is partly dictated by the facts of Lee OSWALD'S life, we have not overlooked the really outstanding performance of Mexico City's major assets and the speed, precision and perception with which the data was forwarded. Here it was relayed within minutes to the White House, ODTEID, and ODENVY."

" Your LI ENVIRONMENT data, the statements of Silvia DURAN, and your analysis were major factors in the quick classification of the case, blanketing out the resily ominous spectre of foreign backing."
