1 to 9:

CCS recommends deletion of that part of the last sentence, following the semi-colon, of the first paragraph on page 10 of Chapter XI, which identifies [redacted] as the site of Agency training courses. [redacted] is an Agency training installation [redacted] and while its CIA affiliation has been alleged numerous times in the press, no confirmation of this affiliation has been made by the Agency. Mr. Phillips' comments as a former senior Agency officer can be interpreted as constituting official acknowledgement of the CIA [redacted] relationship.
