MEMORANDUM FOR: Chief, SE Division

ATTENTION : Division Security Officer

FROM : (Thomas L. ⁰³Briggs)
SE/X/LA

SUBJECT : Appearance As Witness In Behalf of the
United States Government

REFERENCE : USA V. Gerald P. Hemming, Et Al. (76-371-CR-CA)

1. During the period of my employment as a Special Agent at the Drug Enforcement Administration (May 1974 - Jan 1977), I conducted an interview of Gerald Patrick Hemming (DPOB 7 March 1937, at Los Angeles, California) on 23 May 1975 at DEA Headquarters in Washington, D.C. My report concerning that interview has become part of the case file in USA v. Gerald P. Hemming, Et Al., Case Number 76-371-CR-CA, Southern District of Florida, Miami, Florida.

2. Upon my entrance on duty in SE Division on 5 January 1977, I orally informed the Division Security Officer, Billy Hix, about the information in paragraph 1 above. Mr. Hix asked me to submit the information in writing as soon as I was settled in the Division. On 7 January 1977, however, Special Agent Robert Fredericks telephonically contacted [redacted] DC/SE/X/LA, and told her that the United States Attorney, Southern District of Florida, had requested that I appear at the U.S. Courthouse, Miami, Florida on 10 January 1977 to confer with the Assistant United States Attorney, Karen L. Atkinson, regarding my appearance as a witness in behalf of the U.S. Government in the trial of Gerald P. Hemming.

3. During the afternoon of 7 January 1977 I conferred with Mr. Hix who advised me to contact the Office of the General Counsel. I talked to Mr. Edmund Cohen who advised me to get in touch with the Office of Security, External Activities Branch (OS/EAB). I completed an Outside Activity Approval Request (Form 879), obtained the concurrence of DC/SE, Mr. John Stein, and submitted the Form 879 to OS/EAB. OS/EAB sent me to Central Cover Staff (Mr. Blandford) and then to the Office of the General Counsel. After discussions with Mr. Cohen, I called

S/A Fredericks in Miami at Mr. Cohen's suggestion. S/A Fredericks was not available. Mr. Cohen then advised me to return to my office and he would contact me with further instructions. Mr. Cohen retained the Form 879. Subsequently, Mr. Cohen advised me that I should travel to Miami as requested and that CIA would reimburse me for expenses connected with my activities in behalf of the U.S. Government. He further advised me that being in an overt cover status I should state, if asked under oath, that I am currently a CIA employee.

4. On 10 January 1977 I traveled to Miami where I met and conferred with AUSA Karen Atkinson and DEA S/A Robert Fredericks. They informed me that Gerald P. Hemming's case had been severed and his trial would not begin on 11 January. AUSA Atkinson told me she wanted me as a rebuttal witness if Gerald P. Hemming presented the defense that he had been working at the direction of DEA. She said they would not call me until and unless that defense was presented. She also said that she felt that any attempt to question me concerning my current place of employment was irrelevant and she would object to any such line of questioning. She said she would only ask me where I was employed at the time I interviewed Hemming. I returned to Washington D.C. the same day.

4. INTELLIGENCE REPORTING

On May 23, 1975 Gerald Patrick HEMMING walked in to Drug Enforcement Administration Headquarters, 1405 I Street, N.W., Washington, D.C. 20537 and asked to see Mr. Lucien Conein, who is the Acting Chief, Special Operations and Field Support Staff. HEMMING told CONEIN that Mitchell Livingston WERBELL III had given HEMMING CONEIN's name as a DEA official to whom HEMMING could talk. HEMMING told CONEIN that he wanted to provide information on drug trafficking between Colombia and Florida. CONEIN asked SA (Thomas BRIGGS) to conduct a debriefing of HEMMING since SA (BRIGGS) was working on the collection of narcotic intelligence concerning Colombia and Florida.

HEMMING stated that he is presently employed at TECPOLE Security, 801 Madrid, Suite 105, Coral Gables, Florida, telephone 305-443-9681 or 305-446-8379. (HEMMING stated he believed that 443-9681 was being tapped, he did not say who he believed was tapping the telephone) He stated that he has extensive experience in paramilitary air operations, having served in CASTRO's rebel army and then with several anti-Castro groups operating from Florida in the 1960's. He claimed extensive knowledge and experience in all types of air operations.

In August 1974 HEMMING was approached by Armando BOLET, a Cuban veteran of the 2506 Brigade whom HEMMING had worked with in anti-Castro activities, and by John VARESE (nfi), to help them organize and run air smuggling operations for Thomas and William O'DONNEL. The O'DONNEL brothers, using the cover of their construction firm in the Ft. Lauderdale area, (AMERICAN EASTERN DEVELOPMENT) were involved in maritime smuggling of marijuana from Colombia to Florida. During an unspecified four years (probably 1970-74) the O'DONNEL's had averaged approximately six-seven loads of marijuana per year at three-four tons for each loads smuggled into Florida. Of these 24-28 loads of marijuana they had to jettison into the sea only five loads for security reasons. The rest of the loads had been successfully delivered into Florida.

The source of the marijuana in Colombia is Dr. Arturo ROMANO-Fedullo of Barranquilla, Colombia. Besides running the smuggling for ROMANO, William O'DONNEL handles the laundering of the money accumulated by drug trafficking through banks in Grand Cayman, Switzerland, and Curacao.

Armando BOLET convinced the O'DONNEL's that they should add air smuggling to their narcotic trafficking methods and that they should also try cocaine in addition to marijuana. BOLET told the O'DONNEL's that there were many experienced men available in Florida who could be used to smuggle drugs into Florida by air. BOLET was especially interested in cargo parachute drops and parachute jumps by individuals carrying loads of cocaine. BOLET recruited HEMMING to help organize these activities. A common technique used by BOLET and HEMMING was to fly an aircraft into Florida legally, but to have a parachutist jump onto a pre-selected drop zone in southern Florida prior to landing the aircraft. This way, police authorities never found any contraband on the aircraft and the dropped narcotics would not be lost because the parachutist carried them on his person. If he missed the drop zone he could simply fold up his parachute and walk to the location of the reception committee. BOLET uses a DC-3 tail number N1099 and a Navajo Chieftain tail number N7678L in his smuggling operations.

HEMMING had a falling out with the O'DONNEL group and decided to leave them. He is now associated with Carlos CARABALLO who operates a charter fishing business and traffics in drugs. HEMMING decided to inform on the O'DONNEL's for revenge and in order to try to eliminate the competition.
