MEMORANDUM FOR: Chief, Technical Services Division

ATTENTION : Mr. Peter Szabo, TSD/ID
226 Westcott

FROM : Deputy Director of Security (Investigations and Operational Support)

SUBJECT : HARVEY, William K.
#32814

1. This memorandum confirms the verbal request of Mr. GIKAS of this office to Mr. SZABO on 22 May 1962 for a book-type DAC credential for the captioned Subject in the alias William WALKER.
2. The format of the requested credential should be generally similar to the credentials recently issued by your Division to personnel of this office. Those credentials identify those individuals as Security Officers of the [redacted] Department of the Army.
3. The credential for the Subject should identify him as an Investigator of the Joint Operations Group of the Department of the Army. Also, the legend on the credential should be modified as follows:

The individual whose photograph and signature appear hereon is authorized to conduct investigations and to make official inquiries on behalf of the United States Government. Any information furnished him will be maintained in trust and confidence consistent with the national security.

4. For the preparation of the credential, a photographic negative of the Subject was previously furnished to your office. It is requested that the negative be returned to this office after it has served its purpose.
