MEMORANDUM FOR: Director of Security

SUBJECT: Work performed by Mrs. Howard Hunt for  
the [Spanish Ambassador]

I have discussed the point raised by you with Mr. Helms and while we agree in principle, we believe that there is sufficient gain from the contact and certain pieces of information to take the calculated risk of continuing this until 30 June, at which time she would normally be expecting to separate herself from such responsibility in anticipation of the expected birth of a child some time around August 1963. I have so informed Mr. Hunt.
