

**CONFIDENTIAL**

FEB #6

10 March 1945

23024

Ensign James W. Moore (USNR)

Ensign Moore should be an excellent leader of SI Chinese personnel; he exudes confidence, has had experience in the Far East and knows how to handle natives; in fact he is one out of many who will fit his job in the field. He is quiet and reserved, but is a good mixer. His written assignments were adequately done; his judgements are mature.
