- 16. (Unclassified - PLC) LIAISON Called Peter Stockton, House Interstate and Foreign Commerce Subcommittee on Energy and Power staff, and made tentative arrangements for him to meet with (Bob Martel), DDO, at 9:00 or 9:30 a.m. on Monday, 13 February, to review CIA documents on NUMEC which had been provided to the now defunct Joint Committee on Atomic Energy.
- ✓ 17. (Unclassified - RSG) LIAISON Leslie Wizelman, Dan Hardway and John Hornbeck, House Select Committee on Assassinations staff, visited C&R Staff to review Agency material.
- ✓ 18. (Unclassified - RSG) LIAISON Mike Epstein, Senate Select Committee on Intelligence staff, called to indicate that the House Select Committee on Assassinations, cautious of House Rule XI, has agreed that all notes taken as a result of their review of Senate Select Committee on Intelligence transcripts on ex-Agency employees, will remain in Senate Select Committee on Intelligence custody.
- 19. (Unclassified - MMP) LIAISON Received a couple of calls from Dorothy Fosdick, from the office of Senator Henry M. Jackson (D., Wash.), regarding the package of materials that Jim Lilley, NIO/China, had prepared for her. The problem was eventually straightened out and she received the materials by noon.
- 20. (Internal Use Only - MMP) BRIEFING Barry Schochet, on the staff of Senator Richard Stone (D., Fla.), called to add that the Senator would want to have a list of Cuban activities within the Western Hemisphere, preferably something that he could use on the Senate floor. This would be in addition to any classified information which we might have on Cuban activities in the Hemisphere. I told him that we would do whatever we could and relayed the requirement on to Bob Hepworth, NFAC/CSS, who said that there was precious little by way of useful overt information on Cuban activities in the Hemisphere.
- 21. (Internal Use Only - MMP) BRIEFING Accompanied Representative Charles Rose (D., N. Car.) and Dick Giza, from the House Permanent Select Committee on Intelligence staff, to meetings with DDS&T and others. (See Memorandum for the Record.)
