Major Tharp -

Major Tofti called about the attached cable. Paragraph 3 requests two Company Grade Officers and Major Tofti said that they have someone in mind for the Supply Officer - a Capt. L. E. Conien. He doesn't know German, but does know French; former Jedburgh; qualifications aren't those of an Intelligence Officer. Major Tofti would like to have you call him on Ext. 2438.

6 April 45

1. upon investigation, this appears to be a case of almost ludicrously incompetent and stupid handling.
2. Think it should be looked into and the Branch called up on the carpet.
3. Not much sense in PPB breaking its neck to recruit if Branches are going to dispose of men of proven worth in this manner.

P.S. After writing previous note, here to attached, I learned that subject was already back at "F," and I talked to him this morning. It's an ill wind that blows nobody any good. At least he picked up #296 on this useless junket to his coast and back!

Re: Capt. Lucien E. Couderc.

I know something about this man, and am, therefore, skeptical about the merits of his sudden release by SO on the West Coast. His record has been good, and you will note that Murray McConaughy has been for the F. E.

If we bring him back from the Coast to the pool here, we shall probably end up by assigning him to some other F. E. job and shipping him out that way again.

Two suggestions: (a) Investigate the situation through SO here and make sure they know what they're doing; or, (b) Accept his transfer to the pool and let help use him at San Francisco in order to get a slant on him - What do you think? RRB

INTERVIEWER'S REPORT

~~SECRET~~

Name Cocain, Lucien E. Age 25 Grade 1 Lt. Branch SO Theater ETO
Period of service with OSS, from 9/43 to _____ Service in the Theater, from 11/45 to _____
Assessment (S.O.#) _____ Date of arrival in USA 1/45 Date of this interview 24 Jan. 45

Positions & Missions in theater: Special Operations. Parachuted behind enemy lines. His mission consisted of organizing, training and leading French Resistance Groups and providing liaison for these groups.

Appraisals in theater: Completed mission in superior manner. Superior: Motivation, Practical Intelligence, Stability, Leadership, Physical Ability. Excellent: Ability to Work with Others. (Major Coxe)

Recommendations in theater: Further use in OSS: operational duty in the Far East. (Major Coxe)

Attitude towards OSS: Favorable. Complains that it is difficult to find out what the organization wants a man to do; also complains that OSS overlaps function with too many other organizations.

Desires as to future assignment: Operational duty in the Far East.

Evaluation: A voluble, energetic young man of French ancestry. He is a man of action - chiefly of independent action. Impetuous and sometimes rash, but dynamic and capable of inspiring men to follow his orders. He is resourceful in the field and a good organizer. High war motivation - he enjoys fighting. Practical intelligence superior. Social relations friendly and informal - he is an excellent conversationalist. His emotional stability is good in that he is likely to stand up well under stress. He lived away from his parents most of his life, though, and consequently was poorly disciplined and often reckless. This characteristic lack of conservatism continues, which makes him somewhat unreliable. Judgment not always good. Got involved in political matters in France somewhat beyond his depth.

Recommendation: Continuation with OSS: suitable for SO or OG operational duty in the Far East.
