Operational/TYPIC			SCOPE
Draft of AMCORE-2 Pamphlet			

Action: Return Draft to Agent.

During his last visit to ZEMETAL, AMCORE-2 gave Gordon P. SWIRE the draft of manuscript covering his activities in the Dominican Republic with the request that it be considered for publication. The draft was passed to the Dominican desk for review and the desk recommended against any action on the work. Accordingly, Headquarters is forwarding it under separate cover to Station JMWAVE with the request that the Station return the draft to AMCORE-2. Kindly advise AMCORE-2 that it would be better if he made no effort on his own to have the draft published. At some later date the draft may be reconsidered for publication.
