While we realize that AMSTER-1 is merely an interrogator, he is, nevertheless, the direct source and should be shown as such in the source description—followed by the appropriate subsource description. The approved description for him is "A Cuban exile in Mexico who is in touch with local Cuban exiles and anti-Castro organizations."		
Also, please note that when LITAKIL-9's reporting is on Cuba his description should read "Latin American official in Mexico City who has regular contact with Cuban Embassy personnel; he has been a reliable reporter for about a year and a half." "Person(s) (B)" is not acceptable for SA reports.

No/ dissem. Inaccurate. Possibly "open embassies" was meant, rather than "establish diplomatic relations". Both Spain and Brazil have ambassadors in Algiers, and have had for some time. Algeria has announced that it planned to open embassies in several countries, including Brazil and Argentina.

Remarks: 1-6: Recommend that no dissem be made of this. Zirut probably mean that Algeria would soon open up embassies in these countries, rather than "establish diplomatic relations". Both Spain and Brazil have embassadors in Algiers, and have had for some time. A Cairo MENA item 6 April 64 announced that Algeria planned to open embassies shortly in several countries, including Brazil and Argentina. Our Embassy in Algiers confirmed this on 21 April - know and the Brazilian Amb in Algiers said that as far as he knew no changes had been made in these plans in spite of the fall of the Goulart over

While we realize that A'S PR-1 is merely an interrogator, he is, nevertheless, the direct source and should be shown as such in the source description—followed by the appropriate subsource description. The approved description for him is "A Cuban exile in Mexico who is in touch with local Cuban exiles and anti-Castro organizations."		
Also, please note that when LITAKIL-9's reporting is on Cuba, his description should read "Latin American official in Mexico City who has regular contact with Cuban Embassy personnel; he has been a reliable reporter for about a year and a half." "Person(s) (B)" is not acceptable for SA reports.

MEMORANDUM FOR THE DIRECTOR

TO : SAC, NEW YORK

FROM : SAC, NEW YORK

DATE: 9-27-63

1. In response to New York airtel dated 9-25-63, re: J. Edgar Hoover, New York City -- Bureau has advised that the following information was obtained from a source at 2103 Street of Gutenberg and New York 10023 -- but as this source is not reliable, the mystery was cleared about 2030 hours and probably to back up the information from one pay phone in New York. The source saw former pass by the pay phone and advised by this source that the word "L-9" was the explanation has provided better pick up point (with L-9). The source advised that the source was at the hotel there

... was held with ... 2103 Street of Gutenberg ... L-9 ...

2. It is revealed that the source is a woman about 40 years of age, single, and of average intelligence. She is not a complete identification of the source's name was explained to the source and she was advised to remain in New York and to make in writing out the details.

... to provide about ... she was advised to remain in New York ...

3. It is reported that the source is planning to depart for Cuba on the night of 10 July and will leave New York on the night of 10 July and will return to New York on the night of 10 July. The source is planning to stay in Cuba for two weeks.

... to depart for Cuba ... will leave New York ...

4. No report of any additional developments:

(a) A large celebration of the 50th of July will be held in New York City on the night of 29 July. The celebration will take place in the Central Park area and will be held from 10:00 a.m. to 10:00 p.m. The principal attraction of the celebration will be the fireworks which will be set off at 10:00 p.m.

L-9 is reported to want to have a photographer check and might want to drop a stick bomb or similar device.

(b) Edith M. ... who was introduced to Jacqueline Kennedy during the President's trip to New York. She is a supporter of the President and who apparently plans to visit the President. Kennedy has been invited to make a speech in the United States and is planning to go there. There are no further developments.

- (4) I talked over to B (for return) a letter from the...
 ...the 10th of 1963, explaining that...
 ...to act as a sponsor of the 1963-1963...
 ...class. Copy attached.
- (5) I talked over a photographic cartoon (for return) and...
 ...pre-Castro elements in Tampico. Copy not...
 ...attached.
- (6) I talked over the Cuban Committee, Tampico, reported that...
 ...has a sister residing in Tampico, Tam...
 ...in Tampico of Mexican descent. I asked my...
 ...to the border to visit her sister soon -- or how...
 ...may take the trip -- details not clear.

5. L-9 reports that he is very well "mix" with the new subordinates...
 seems to respect his limits and is getting him for his contacts. He is also...
 getting along very nicely with his new boss, Malincho. His information...
 gathering method is to keep his eyes and ears open and ask no questions...
 -- thus he often gets very fragments -- while questions or direct...
 might fill in detail he is extremely wary lest he arouse any suspicions.

6. While he suggests that he want to toss a few coins back on the...
 engraving exhibit on the 10th in Tampico and the subsequent celebration of...
 the 26th in Ciudad Mexico -- he was also concerned lest any discussion...
 get him in trouble since he is the principal organizer of both affairs --...
 felt that the Mexican Government might think the discussion was engineered...
 by the Castro Cubans, therefore, to throw suspicion at the anti-Castroists.

7. L-9 is really worried about his security and it will be up to us...
 to take every practical precaution to protect him. He loves to talk --...
 quite a conversationalist -- and needs constant encouragement and shoring-up...
 He is ~~usually~~ inclined to put himself on the back quite often and with...
 for a further part of his case officer (which B is always quick to add).
 This characteristic comes out in his conversation when he says and says,
 "I did very well when I said..." or "That was a good thing when I did...
 wasn't it?" or "I think my ideas on handling such-and-such are pretty clever,
 don't you?"

8. For the moment it has been decided to keep holding meetings in B's...
 car -- always at night. The pick up point has been abandoned in favor of...
 a mobile pick up point at the corner of Grier's and Malincho Camp...
 at the prescribed hour and then slowly up the street to Grier's and Gumbert...
 -- then, without stopping, will work his way back down the opposite side of...
 the street to Malincho's -- B will cruise by in his car and make the pick...
 up while L is waiting. Other details will be worked out as the next...
 meeting.

MEMORANDUM FOR: Chief, WH/3

ATTENTION:

SUBJECT: LITAMIL/9
C-101,331

1. With reference to your memorandum dated 24 June 1963 attaching PRQ Part II and requesting an Operational Approval for Subject's use, your attention is directed to derogatory information forwarded by Station Mexico to the effect that an ODIBEX report dated 25 August 1959 stated that Col. Arturo SEPONI, Mexican Army G-2, believed Subject to be a Communist and one of the most influential members of the Cuban Embassy staff.

2. On 18 September 1962 we requested SAS, which then had Headquarters responsibility for this case, to request Station Mexico City to determine the basis for Mexico G-2's allegation, to obtain any evidence substantiating the allegation, and to conduct such investigation as was possible to determine the truth or falseness of the allegation. It was further agreed that SAS would determine whether the Station had direct access to Subject and would recommend polygraphing him if it were feasible. We have no indication that any of this has been accomplished or attempted.

3. On 20 February 1963, because of the exigencies of the situation at that particular time, a Provisional Operational Approval was granted only for training of Subject. The Provisional Operational Approval specified that approval for operational use of the Subject was deferred pending satisfactory resolution of the derogatory information, which CI Staff did not consider to have been accomplished. The PRQ Part II on Subject clearly shows that he has been used operationally for the past year without any approval.

4. Operational Approval for Subject's use cannot be granted until there has been compliance with our previous request to resolve the derogatory information as reported by ODIBEX from Mexican G-2.

In the HSCA testimony of Silvia Duran she indicated that she knew him and he was the Cultural Attache at the Cuban Consulate when she was there. This info was not in the 201 file.

SUMMARY OF INFORMATION WITHIN FILE:

LITAMIL-9 was recruited by the Mexico City Station in late 62 while he was assigned to the Cuban Embassy as Cultural Attache. He provided the Station intelligence while he was in this assignment. He was deactivated in March 1965 when he returned to Cuba and was seen only occasionally after that. His contract was terminated in 1970 because of his lack of access. Only one relevant document was found which indicated that Proenza, who worked at the Cuban Embassy, believed that the strong objection to the Mexican Government by the Cuban Embassy over the Duran's detention was a diplomatic error. This document was processed for release.

MEMORANDUM FOR: C/CI/OA

SUBJECT : Operational Approval for LITAMIL-9

1. The Provisional Operational Approval for LITAMIL-9 (C-101331) is due to expire 8 January 1965.
2. In discussions with the field case officer for this operation, WH/1/Mexico has found that there is no way to determine when, or whether, LITAMIL-9 will again leave Cuba. For reasons of personal security, LITAMIL-9 has not been able to function as a reporting source since his return to Cuba in early March 1965. Letters to his brother, LITAMIL-17, and reports from occasional Cuban official travelers transiting Mexico indicate that LITAMIL-9 is well and is employed by the National Cultural Council.
3. LITAMIL-9 is now an inactive agent. The Station has recently proposed that his salary cease accumulating as of 30 June 1966. If and when he again manages to leave Cuba, he will be contacted and a full assessment of his future usefulness will be made. Owing to the fact that his sister-in-law is a secretary to Fidel Castro it is expected that he will be a valuable source of information, at least for an initial debriefing period.
4. It would be appreciated if the POA on LITAMIL-9 could be extended for six months. If at the end of that time he has not left Cuba, it will be proposed that the POA be allowed to expire.

Translation of a post card from Kira KOSOVSKA to LITA'IL-9.
Kira is the wife of Angel KOSOVSKI, who was a Second Secretary
in the Bulgarian Embassy in Havana as of October 1965. They
are now back in Sofia, Bulgaria. The card was mailed from
Bulgaria to Cuba.

Dear Luis, how are you? Before leaving I called you to verify
your address and, of course, to say "the last goodbye" (for
three months!), but you weren't there. Surely you had your
mind on the countryside after the hurricane. If you did,
I wish that you could climb like during the fifteen days of
Girón, that would suit you very well.

We have been in Bulgaria for three days now: one day in Sofia
and two in Varna in the guest house of the Bulgarian Ministry.
The trip went fine, but it was very fatiguing; we couldn't
sleep because it wasn't night -- at 9 the sun set and at 12
came out again. In Prague we spent one day while waiting
for the plane to Sofia. We are living like Counts of Luxem-
bourg in a luxury hotel. In Sofia everything is fine. It
is quite hot during the day, but the nights are very cold.
Here in Varna it's the same story, but all the hotels are
full of tourists who get brave and go swimming in the cold
sea. As for us, we haven't gone swimming yet. And generally
after Cuba I am indifferent to the sea. Luis, until later.

Buenos días, Luis! ¿Cómo andas?

Nosotros estamos bien recordamos frecuentemente a La Habana y a nuestros amigos (yo - a un hombre, aburrido también). Después del día Negro estuvimos una semana en Sofía, y la semana siguiente descansamos en la casa turística de la Radio-Sofía (antes de salir por Cuba yo trabajaba en la Radio-Sofía), situada en la montaña Petroska, cerca de Sofía. Los búlgaros llaman esa montaña "pulmónes de la capital". Es un lugar muy bonito, donde vivir en las ciudades olvidamos frecuentemente las alegrías simples - acostarnos en la hierba y mirar el cielo, escuchar el silencio - ¿verdad? En Petroska recordamos todo eso. Ahora estamos en Sofía preparándonos para continuar nuestro turismo por las montañas. A mí me gusta mucho andar y estar trabajando - más allá (2000 m.) es difícil - no es tan alto. Quiéreme en Bulgaria, pero según mi opinión le faltan muchas cosas contemplativas - la naturaleza - pero es demasiado próximo. Hasta luego, Luis!

Good morning, Luis! How are you? We are well. We frequently think of Havana and of our friends (I - of a "bored" man too). After the Black Sea we spent one week in Sofia, and the following week we relaxed at the Radio Sofia tourist house (before leaving for Cuba I worked for Radio Sofia), located on the Vitusha, near Sofia. The Bulgarians call this mountain "lungs of the capital". It's a very lovely place. Living in cities, we frequently forget simple pleasures -- lying down in the grass and looking at the sky, listening to the silence. Isn't that true? On Vitusha (sic) we remembered all that. We are now in Sofia, preparing to continue our tour through the mountains. I like to walk a lot, and now I have the opportunity. We plan to climb the highest peak in Bulgaria -- Mus-ala (2925 meters). It isn't difficult -- it's not very high. What a good country Bulgaria is, but in my opinion she lacks contemplative men. Yes, yes, that's true. They are all too practical. Until later, Luis!

¡Puestas nocivas, huir!
 ¿Cómo ha estado Ud.? Como siempre, trabajando
 mucho? Qué hacer - de dos opiniones sobre el
 trabajo ("y caballos mueren del trabajo" y "el
 trabajo creó al Hombre") es mejor seleccionar
 la segunda, verdad?

¡Ojalá estemos en Varua, más exacto -
 a unos 15 km de la ciudad de Varua, eso
 no importa porque todo aquí es la zona de
 playas, hoteles etc. El tiempo hizo bueno, y ahora
 nosotros nos bañamos y tomamos sol, pero lo
 hacemos sin afán - somos mimados ^{para siempre} por las
 playas Santa María y Atlántico y por el sol
 cubano! Al mismo tiempo es muy agradable que
 aquí no hay tiburones y se puede nadar
 dondequiera.

Durante 2 años nosotros olvidamos muchas
 cosas y ahora ^{nos} admiramos del clima, de la na-
 turaliza etc. Es verdad - aquí el aire mismo es
 absolutamente distinto. fresco, sano, lleno de olo-
 res de la hierba y de los árboles. A unas 300-
 400 m de la costa comienzan las montañas, cubier-

tos de los quees. Teniente medio de guerra. Ud. haís
que pueda ser todo eso, pero soy optimista.
y estoy segura que desde o temprano Ud. visita
en Bulgaria. ¡Salte te que encontrar a personas
de la formación del país. - Cuanto Dios está

de. La tierra entre los ingleses, franceses y
otros, el bulgano no puede venir porque está
tratamiento. Entonces cuando vino, ya no ha-
ría traer. Dios le regañó, pero tú me que
hacer algo. Entonces el tema es sencillo y
este para el bulgano un pedregajo del pa-
cífico.

No voy a en realidad. La carta del Mar-
tín en Bulgaria es muy buena. Ahora que
están de vacaciones desde 25-30 miles de extra-
ños. Si te que es muy interesante. - La mayo-
ría eran de los países capitalistas. Ahora
para se que el francés, alemán, turco. Tenemos
un concepto - directos de uno de los hoteles, él,
por ejemplo, dice que en su hotel viene por
los días algunas familias de Suiza y de Bélgica
y que todos están muy contentos, diciendo que él

descanso en Bulgaria es agradable y barato. Al-
gunos tiempo, más barato que en el Mar o en
Italia. ¡Bulgaria maravillosa! Interven-
ción el turismo internacional y estar solo,
para nosotros.

¿Pero qué cosas ofrecen en el país? Estoy segura
que Ud. ya tiene un. De ninguna manera
quiero que Ud. piense que son los ejercicios de
español para no olvidarlo. Simplemente para
contar algunas de mis impresiones y observa-
ciones y Ud. me dirá tal bueno y pine, puede
comprenderlo, ¿verdad?

Una cosa interesante más acerca del servicio
turístico aquí. Están ofreciendo algunas re-
staurantes típicos nacionales donde se manifi-
esta la fantástica Bulgaria. Por ejemplo, una
representa en Turgu, donde están ofreciendo (ver se-
como se llama en español), es un patito
diciendo en patios pequeños, todo como en el pueblo, hay
un poco de piedra en el suelo, donde tienen algo en
un caso grande, hay cocina de piedra también con
el fuego eléctrico, hay algunas construcciones de campo

- todo verdadero. Para que el cuadro sea completo en uno de los patios pequeños se encuentra un burro, en otro algunas ovejas y todos respiran un olor terrible! Después, Luis. Le estrecho la mano. *La carta - ultra nous*

Translation of a letter from Mira KOSOVSKA to LITAVIL-9. Mira is the wife of Angel KOSOVSKI, who was a Second Secretary in the Bulgarian Embassy in Havana as of October 1965. They are now back in Sofia, Bulgaria. The letter was mailed from Bulgaria to Cuba.

Good evening, Luis! How have you been? Working a lot, as always? Which to choose -- of two opinions on work ("horses die from working" and "work created Man") it is better to choose the second, isn't it?

We are still in Varna, more exactly some 15 kilometers from the city of Varna; this doesn't matter because everything here is the area of beaches, hotels, etc. The weather improved, and now we go swimming and sunbathing, but we do so without eagerness -- we are spoiled permanently by the Santa Maria and Atlantic beaches and by the Cuban sun! At the same time it is very nice that here there are no sharks and one can swim anywhere one wants.

In the course of two years we forgot many things and now we are enjoying the climate, nature, etc. It's true -- here even the air is absolutely different: fresh, healthful, full of the odors of grass and trees. Some 300 - 400 meters from the coast the mountains, covered with forests, begin. I am very sorry that you, Luis, cannot see all this, but I am an optimist and I am sure that sooner or later you will visit Bulgaria. Do you know what they say about the formation of the country? When God was dividing the Earth among the English, the French, and others, the Bulgarian could not come because he was working. Then when he came, there was no land left. God scolded him, but he had to do something. So he took a knife and cut a little piece of paradise for the Bulgarian.

I am not exaggerating -- really the coast of the Black Sea in Bulgaria is very pretty. Now there are about 25 - 30 thousand foreigners here on vacation. And what is very interesting -- the majority from the capitalistic countries. At every step one hears French, German, Swedish. We have an acquaintance -- the manager of one of the hotels; he, for example, says that some families from Switzerland and from Belgium have been living in his hotel for 28 days, and that all are very happy, saying that the vacation in Bulgaria is pleasant and inexpensive at the same time, less expensive than in Nice or Italy. Thus Bulgaria is developing interna-

tional tourism intensively and, of course, is bringing in a lot of money.

But what be ing things I'm writing! I'm sure that you are already sleepy. Not by any means do I want you to think that these are exercises in Spanish so as not to forget it. I simply want to relate some of my impressions and observations, and you, a man so good and fine, can understand, can't you?

One more interesting thing about the tourist service here. There are some typical national restaurants open where Bulgarian fantasy is represented. For example, one represents a place where there are sheep (I don't know what it is in Spanish). It's a large patio divided into small patios, everything like in a town. There is a stone hearth in the floor, where something boils in a big basket. There is a stone stove, also with a fire inside. There are some farm buildings, everything true to life. To make the picture complete, in one of the small patios there is a burro, in another, some sheep, and ... they all have a terrible odor! But everybody is happy and taking pictures, etc. The waiters are dressed in national costumes and the national orchestra plays too. Can you imagine it, Luis? It's very nice! The other restaurant, for example, represents the interior of (I don't know in Spanish, in French -- the mill). There is the stone for grinding, there are filled sacks where you sit, etc., etc. The food is served in national dishes ... but let's not talk about food -- there is everything in abundance. After the first admirations ("what delicious cherries!", "what big peaches!", etc.), I discovered a great danger for me in all this. If, for example, Angel gains 2 - 4 pounds, it's no problem but for me it's problem #1!

I'll close now. Before closing I'll tell you a joke (appropriate!). A family went to bed one night. Suddenly a loud noise was heard -- the cat knocked something over in the kitchen. But the frightened woman cried: "Run, my husband is coming!" and her husband, frightened also, jumped out of the window in his pajamas.

Until later, Luis. I give you my hand. The letter -- between us, is that all right?

<p>1. LITAMIL-9 seems to be trapped inside PBRUMEN. On 18 August the Case Officer met with LITAMIL-17 (L-9's brother) to review two letters received from L-9. One of these, dated 15 July and mailed at Gander, Newfoundland (presumably by an airline crew member), used the term "de lo mas bien." This is an indicator meaning "I expect to leave within a year." In another (undated) letter L-9 reports that he has been promoted to "Secretario de Segunda."</p>				
<p>2. L-9 asked for a large quantity of art supplies and mentioned that he is doing a lot of painting since he has not yet gone back to work. The quantity of material requested indicates that he expects to remain inside for some time.</p>				
<p>3. The C/O asked L-17 to phone L-9, ostensibly to request further detail on how to ship the art supplies. In the course of the conversation L-17 was to ask L-9 how long he expected to remain in PBRUMEN. L-17 reported on 28 August that he had spoken with L-9. L-9 said he did not expect to leave for "a long time."</p>				
<p>4. With the recent defections of AMWASP-1 and a PBRUMEN Ambassador in Europe it may be difficult for L-9 to obtain a foreign post. It is not likely that he could seriously be considered politically reliable by the PBRUMEN Government. With the return of his mother and sister from Spain he no longer has an excuse to request permission to visit Madrid. The only bright spot on the horizon is his sister-in-law's close relationship to AMTHUG. L-17 feels that it is to her advantage to have L-9 abroad so L-9 can send her consumer goods which are unobtainable in PBRUMEN.</p>				
<p>5. At present the Station has no reason to believe L-9 will be able to leave PBRUMEN any time soon.</p>

Querido Luis, ¿cómo está Ud?
Antes de salir yo le llamé para precisar su dirección y, claro está, para decir el último adiós (por 3 meses!), pero Ud. no estaba. Seguramente Ud. estuvo de caza al campo después del ciclón. Si es así, le deseo que Ud. suba como un puma la gran cima de Jirón, en la sierra muy bella.
Hace ya 3 días que estamos en Bulgaria: un día en Sofía y dos - en Varna, en la casa de descanso del MINREX búlgaro. El viaje pasó bien, pero muy fatigante, no pudimos dormir nada en la noche y a las 9 se cerró el sol y a las 12 salió de nuevo. En Puzh' estuvimos un día, esperando del avión para ir a vivirnos como turistas de Luxemburgo en un hotel-bor. En Sofía hizo esta bien. Hace bastante calor durante el día, pero las noches son muy frías. Tuvi un verano de verano histórico, pero todos los días se desatan lluvias de lluvias que se parecen volcánicas y si bien en el país frío, nosotros no nos damos cuenta de nada. Si el país de los volcanes es muy interesante el mundo de los volcanes.

Dear Luis, how are you? Before leaving I called you to verify your address and, of course, to say "the last goodbye" (for three months!), but you weren't there. Surely you had your mind on the countryside after the hurricane. If you did, I wish that you could climb like during the fifteen days of Girón, that would suit you very well.

We have been in Bulgaria for three days now: one day in Sofia and two in Varna in the guest house of the Bulgarian MINREX. The trip went fine, but it was very fatiguing; we couldn't sleep because it wasn't night -- at 9 the sun set and at 12 came out again. In Prague we spent one day while waiting for the plane to Sofia. We are living like Counts of Luxembourg in a luxury hotel. In Sofia everything is fine. It is quite hot during the day, but the nights are very cold. Here in Varna it's the same story, but all the hotels are full of tourists who get brave and go swimming in the cold sea. As for us, we haven't gone swimming yet. And generally after Cuba I am indifferent to the sea. Luis, until later.

Buenos días, Luis! ¿Cómo andas?

¡Vosotros estamos bien, recordamos frecuentemente a La Habana y a nuestros amigos (yo - a un hombre, aburrido también). Después del Week-End Agosto estuvimos una semana en Sofía, y la semana siguiente descansamos en la casa turística de la Radio-Sofía (antes de salir para Cuba yo trabajaba en la Radio-Sofía), situada en la montaña Titoshka, cerca de Sofía. Los búlgaros llaman esa montaña "pulmónes de la capital". Es un lugar muy bonito, nosotros viviendo en las ciudades, olvidamos frecuentemente las alegrías simples - acostarnos en la hierba y mirar el cielo, escuchar el silencio - ¿verdad? En Titoshka recordamos todo eso. Ahora estamos en Sofía preparando para continuar nuestra turismo por las montañas. A mí me gusta mucho andar y ahora tengo esta posibilidad. Pensamos subir al pico más alto en Bulgaria - Musala (2925 m.). No es difícil - no es tan alto. Quié le acompaña en Bulgaria, pero según mi opinión le faltan muchas contemplaciones - de diversidad - para un demasiado precioso. ¡Hasta siempre, Luis!

Good morning, Luis! How are you? We are well. We frequently
think of Havana and of our friends (I - of a "bored" man too).
After the Black Sea we spent one week in Sofia, and the fol-
lowing week we relaxed at the Radio Sofia tourist house (be-
fore leaving for Cuba I worked for Radio Sofia), located on
the Vitusha, near Sofia. The Bulgarians call this mountain
"lungs of the capital". It's a very lovely place. Living in
cities, we frequently forget simple pleasures -- lying down
in the grass and looking at the sky, listening to the silence.
Isn't that true? On Vitusha (sic) we remembered all that.
We are now in Sofia, preparing to continue our tour through
the mountains. I like to walk a lot, and now I have the op-
portunity. We plan to climb the highest peak in Bulgaria --
Mus-ala (2925 meters). It isn't difficult -- it's not very
high. What a good country Bulgaria is, but in my opinion she
lacks contemplative men. Yes, yes, that's true. They are
all too practical. Until later, Luis!

Una cosa interesante más acerca del servicio

Pero todos están contentos y sacan fotografías etc. Los camareros están vestidos en trajes nacionales y toca la orquesta nacional también. ¿Luz? ¿Luz? Es muy simpático!

El otro restaurante, por ejemplo, representa el interior de (su sé en español, en francés - *de moulin*) hay la piedra para moler, hay sacos llenos donde se siembra etc., etc. La comida se sirve en platos nacionales... pero no hallamos de la comida - muy todo en abundancia. Aquí termine. Para terminar la cuenta me existe (convenientemente!) Una familia se acostó una noche. De pronto se oyó un ruido fuerte - el gato chocó algo en la cocina. Pero la mujer asustada gritó: "¡Corre mi marido viene!" y su esposo asustado también, salió corriendo por la ventana en pijama.

Translation of a letter from Kira KOSOVSKA to LITVIL-9. Kira is the wife of Anael KOSOVSKI, who was a Second Secretary in the Bulgarian Embassy in Havana as of October 1965. They are now back in Sofia, Bulgaria. The letter was mailed from Bulgaria to Cuba.

Good evening, Luis! How have you been? Working a lot, as always? Which to choose -- of two opinions on work ("horses die from working" and "work created man") it is better to choose the second, isn't it?

We are still in Varna, more exactly some 15 kilometers from the city of Varna; this doesn't matter because everything here is the area of beaches, hotels, etc. The weather improved, and now we go swimming and sunbathing, but we do so without eagerness -- we are spoiled permanently by the Santa Maria and Atlantic beaches and by the Cuban sun! At the same time it is very nice that here there are no sharks and one can swim anywhere one wants.

In the course of two years we forgot many things and now we are enjoying the climate, nature, etc. It's true -- here even the air is absolutely different: fresh, healthful, full of the odors of grass and trees. Some 500 - 400 meters from the coast the mountains, covered with forests, begin. I am very sorry that you, Luis, cannot see all this, but I am an optimist and I am sure that sooner or later you will visit Bulgaria. Do you know what they say about the formation of the country? When God was dividing the Earth among the English, the French, and others, the Bulgarian could not come because he was working. Then when he came, there was no land left. God scolded him, but he had to do something. So he took a knife and cut a little piece of paradise for the Bulgarian.

I am not exaggerating -- really the coast of the Black Sea in Bulgaria is very pretty. Now there are about 25 - 30 thousand foreigners here on vacation. And what is very interesting -- the majority from the capitalistic countries. At every step one hears French, German, Swedish. We have an acquaintance -- the manager of one of the hotels; he, for example, says that some families from Switzerland and from Belgium have been living in his hotel for 28 days, and that all are very happy, saying that the vacation in Bulgaria is pleasant and inexpensive at the same time, less expensive than in Nice or Italy. Thus Bulgaria is developing interna-

tional tourism intensively and, of course, is bringing in a lot of money.

But what boring things I'm writing! I'm sure that you are already sleepy. Not by any means do I want you to think that these are exercises in Spanish so as not to forget it. I simply want to relate some of my impressions and observations, and you, a man so good and fine, can understand, can't you?

One more interesting thing about the tourist service here. There are some typical national restaurants open where Bulgarian fantasy is represented. For example, one represents a place where there are sheep (I don't know what it is in Spanish). It's a large patio divided into small patios, everything like in a town. There is a stone hearth in the floor, where something boils in a big basket. There is a stone stove, also with a fire inside. There are some farm buildings, everything true to life. To make the picture complete, in one of the small patios there is a burro, in another, some sheep, and ... they all have a terrible odor! But everybody is happy and taking pictures, etc. The waiters are dressed in national costumes and the national orchestra plays too. Can you imagine it, Luis? It's very nice! The other restaurant, for example, represents the interior of (I don't know in Spanish, in French -- the mill). There is the stone for grinding, there are filled sacks where you sit, etc., etc. The food is served in national dishes ... but let's not talk about food -- there is everything in abundance. After the first admirations ("what delicious cherries!", "what big peaches!", etc.), I discovered a great danger for me in all this. If, for example, Anguel gains 2 - 4 pounds, it's no problem but for me it's problem #1!

I'll close now. Before closing I'll tell you a joke (appropriate!). A family went to bed one night. Suddenly a loud noise was heard -- the cat knocked something over in the kitchen. But the frightened woman cried: "Run, my husband is coming!" and her husband, frightened also, jumped out of the window in his pajamas.

Until later, Luis. I give you my hand. The letter -- between us, is that all right?

<p>1. LITAMIL-9 seems to be trapped inside PBRUMEN. On 18 August the Case Officer met with LITAMIL-17 (L-9's brother) to review two letters received from L-9. One of these, dated 15 July and mailed at Gander, Newfoundland (presumably by an airline crew member), used the term "de lo mas bien." This is an indicator meaning "I expect to leave within a year." In another (undated) letter L-9 reports that he has been promoted to "Secretario de Segunda."</p> <p>2. L-9 asked for a large quantity of art supplies and mentioned that he is doing a lot of painting since he has not yet gone back to work. The quantity of material requested indicates that he expects to remain inside for some time.</p> <p>3. The C/O asked L-17 to phone L-9, ostensibly to request further detail on how to ship the art supplies. In the course of the conversation L-17 was to ask L-9 how long he expected to remain in PBRUMEN. L-17 reported on 28 August that he had spoken with L-9. L-9 said he did not expect to leave for "a long time."</p> <p>4. With the recent defections of AMNASP-1 and a PBRUMEN Ambassador in Europe it may be difficult for L-9 to obtain a foreign post. It is not likely that he could seriously be considered politically reliable by the PBRUMEN Government. With the return of his mother and sister from Spain he no longer has an excuse to request permission to visit Madrid. The only bright spot on the horizon is his sister-in-law's close relationship to AMTHUG. L-17 feels that it is to her advantage to have L-9 abroad so L-9 can send her consumer goods which are unobtainable in PBRUMEN.</p> <p>5. At present the Station has no reason to believe L-9 will be able to leave PBRUMEN any time soon.</p>

1. LITAMIL-9 remains in PBRUMEN. On 19 June 1965 the C/O met with L-9's brother who reported he had talked with L-9 by telephone about 1 June. At that time L-9 was in good health and spirits and key words in his conversation indicated that he had not been bothered in any way by the PBRUMEN Security Service since his return. L-9 said that he expected to leave in early July for about 3 months at which time he would probably be given a new assignment. He did not reveal whether he expected this to be a foreign assignment.
2. A PRQ Part II on L-9's brother was recently submitted with a request for Operational Approval. As noted therein, it is contemplated that he will be used only as a channel for communications to/from L-9.
3. Any new developments in this operation will be reported promptly.

In the interim, between September and January, CR's for the following meetings were placed in Station files: 10 September 64, 21 September 64, 1 October 64, 4 October 64, 23 October 64, 29 October 64, 5 November 64, and 16 November 64.

3. It is realized that an operational progress report and a contact report are two different items; however, in view of the detailed nature of the LITAMIL-9 CR's the Station has felt that their submission has satisfied the requirements of operational reporting. The criticism of reference is all the more puzzling since such visitors to the Station as Chester D. Dainold, Chief, WED; [redacted], erstwhile Chief of Operations, WED; and Thomas W. Land, present Mexico Branch Chief, have all expressed their approval of the detailed operational reporting on this operation during visits they have made to the Station at which time the reports in question have been brought to their attention.

4. When LITAMIL-9 next exits PERUVEN, the Station will begin to prepare formal operational progress reports on the operation.

5. As for the questions raised in paragraph 2 of reference regarding operational security, advance information on LITAMIL-9's recall came from LIENVOY but he was not informed of the imminence of his transfer until it was reported routinely by LITAMIL-7 and was generally known by his colleagues. As for the implication that LITAMIL-9 was informed of the Station's capability to intercept Embassy telephone conversations, a careful re-reading of the Memorandum under critique will show that no such acknowledgement was made. LITAMIL-9 was informed that "we have a good chance of being told about such a conversation by one of our friends," i.e. that word will probably get around in Embassy circles that LITAMIL-9 is about to travel to such-and-such a point.

As for the speculation that LITAMIL-9 suspects that Embassy phones are tapped, he has indicated his belief that this is the case ever since he was taken over by the present C/O. In fact, he is prone to say "I called so-and-so on such-and-such a matter, using the phone instead of the intercom so you could hear it." In cases wherein he has spoken this way, he has been told that chances are we will never hear about the matter discussed unless he reports on it specifically in his meetings with his C/O.

MEMORANDUM FOR: C/CI/OA

SUBJECT : Operational Approval for LITAMIL-9

1. An Operational Approval is requested for LITAMIL-9, who has recently returned to Cuba, and has accepted an FI mission from Mexico Station. The Station has expressed its reluctance to interview a Mexican officer who alleged in 1959 that LITAMIL-9 was a Communist, since this course of action would unnecessarily draw attention of this officer to our interest in LITAMIL-9. WH/1 has concurred in this decision, and considers that this unevaluated derogatory information on LITAMIL-9 is far outweighed by his performance record.

2. Realizing the risk involved in working with any Cuban national, WH/1 feels that LITAMIL-9's excellent record of cooperation, plus his acceptance of the idea of continued cooperation in a denied area favor consideration of an Operational Approval. Additionally, we have had audio coverage through the telephone in LITAMIL-9's office for the past two years or more, and during this time the Station has used the installation for spot checking his information, and is satisfied that there are no reasons to question his veracity and security or suspect that he is under control of the Cuban service.

3. Attached for your review are several contact reports of LITAMIL-9, as requested by Mr. Lally. Their prompt return will be appreciated. This office will be pleased to cooperate in any further review of this case which will facilitate the OA.

4. This all, of course, again raises the practical difficulties encountered in trying to provide meaningful support to the Station when proper operational reporting is consistently neglected as in the case in the LITAMIL-9 op. Consistency has virtue only when in the right direction. While we are on it, please note that Cuban op dispatches should be addressed to C/WII; the branch will see that all items reach other interested components.

SOURCE: [Redacted]

1. Since mid-February 1963 Mexican immigration authorities have placed stamps in the passports of travellers to and from Cuba which read "Arrived from Cuba" and "Left for Cuba". The stamps are placed on the page with the picture.¹
2. All requests for Mexican tourist visas in Cuba must be approved in Mexico before they are issued in Habana.²

Field Comments

1. Cuban visas are often issued on a separate piece of paper and not stamped in the passport, so that the passport would not show that the bearer had travelled to Cuba.
2. This regulation was first noticed in February 1963.

Documentation for travel from Mexico to Cuba does not differ from that needed for travel to other Latin American countries. The traveller must have a passport or other travel document, with a valid visa. Mexican citizens within the specified age group must also carry a cartilla militar.

Mexican security services do not screen applications for travel to Cuba. Although the Mexican Government has taken no action to prevent travel to Cuba, it has discouraged government employees from accepting invitations to Cuban-sponsored activities. It also appears to want to avoid recognition of Cuban Government activities by not sending government-sponsored delegations. These steps, plus the bothersome baggage searches, photographs, and questioning by Mexican immigration authorities have probably curtailed travel to Cuba.

DATE OF INFO.	18 February 1963		
PLACE & DATE ACQ.	Mexico, Mexico City (20 February 1963)

THIS IS UNEVALUATED INFORMATION. SOURCE GRADING AND CLASSIFICATION

SOURCE:

1. On 18 February 1963 Sori Coulibaly, the Ambassador of the Republic of Mali to the United Nations and to Cuba, and Mamadou Traore, Deputy Permanent Representative of the Mali Mission to the United Nations, arrived in Mexico from Habana, Cuba. Coulibaly told members of the Cuban Embassy in Mexico City that he had spoken with Raul Roa, Cuban Foreign Minister, who asked Coulibaly to take steps to have the Government of Mali send a resident Ambassador to Cuba.
2. Coulibaly said that the Cubans had put pressure on him to open an office in Habana and that they had in fact given him a building for this purpose. However, Coulibaly said that he did not see how Mali could afford to open an office in Habana, in view of the fact that he had hardly enough money to operate the Mali Mission to the United Nations.
3. Coulibaly and Traore left Mexico City on 20 February for New York. Coulibaly carried Mali diplomatic passport No. 23; Traore carried diplomatic passport No. 42.
 1. Headquarters Comment. Coulibaly presented his credentials in Cuba on 13 February 1963.
 2. Source Comment. Coulibaly confided that he had requested 50 million Mali francs (about \$203,000.00) as an annual budget for the operation of the Mali Mission to the United Nations; that he had been allotted only one-tenth of that amount for the first quarter of 1963; and that he had not received even that.

SAS - H.E. Malloy

NUMBER	c-101331	
SUBJECT	LITAMIL/9	
REFERENCE:	Your Memorandum, Date: 25 July 1962	

A Provisional Operational Approval is granted for the use of this Subject as set forth below.

A Provisional Operational Approval issued by CI Staff grants the same authority, on a temporary basis, for the use of an individual as the authority granted in an Operational Approval unless otherwise specified by CI/OA. It is based, however, only on preliminary file checks and investigation and is subject to a further final review when all investigation is completed.

POA is granted only for training of Subject.

Approval for operational use of Subject is deferred pending satisfactory resolution of derogatory information, which CI Staff does not consider to have been accomplished.

NEXT - 1506

To process the Operational Approval, full information (completed PRQ Parts I and II) must be submitted as soon as possible and not later than six (6) months from this date. An Operational Approval will follow when all investigation is completed and upon the receipt of satisfactory PRQ Parts I and II. Cancellation must be requested if use of Subject by interested Divisions ceases.

<p>14.</p> <p>SINOBAS CASARU, PANAMA (201-334249) WAS DELIGHTED WITH THE RECEPTION GIVEN BY PRES LOPEZ MATEOS ON 3 JAN AT THE PRESIDENTIAL PALACE. SINOBAS TOLD L-9, ANDRÉS ARMONA AND MANUEL SANCHEZ, WHO ACCOMPANIED HIM TO THE PALACE (SANCHEZ AS CHAUFFEUR), THAT PRES. LOPEZ MATEOS DID NOT GIVE HIM A CHANCE TO SEND GREETINGS FROM THE CUBAN REVOLUTIONARY GOV'T BUT RATHER INTERRUPTED HIM TO SAY TRASMITA MIS SALUDOS A FIDEL CASTRO AND PRES. DOPTICOS. SINOBAS SAID THAT IN HIS OPINION LOPEZ HAD PREPARED THIS MESSAGE AND WAS WAITING FOR HIM. L-9 SAID THAT HE NOTICED THAT MOST OF THE DIPLOMATS WERE MERELY SHAKING HANDS AND SAYING A FEW WORDS, HOWEVER, IN THE CASE OF SINOBAS HE REMAINED WITH LOPEZ LONGER THAN MOST OF THE OTHER DIPLOMATS. AT ANY RATE, SINOBAS WAS TICKLED PINK BY WHAT LOPEZ MATEOS TOLD HIM. ON THE WAY TO THE AIRPORT SINOBAS WHO IS A DIPLOMATIC SNOB TOLD ARMONA AND L-9 THAT THE CHANGES TO TAKE PLACE IN THE FOREIGN OFFICE WOULD MEAN THAT THEY (ARMONA AND L-9) WOULD NO LONGER BE DIPLOMATS AS SUCH, I.E. WHILE IN HAVANA THEY WOULD LOSE THEIR DIPLOMATIC STATUS. HE SAID THAT L-9 WOULD FALL UNDER THE MINISTRY OF EDUCATION, CULTURAL SECTION AND WOULD THEREFORE BE A DIPLOMAT ONLY IN A FOREIGN POST. THE SAME WITH ARMONA, WHO FALLS UNDER THE FOREIGN COMMERCE DEPT. L-9 SAID THAT SINOBAS IS ALWAYS TRYING TO IMPRESS OTHER MEMS OF THE EMB STAFF WITH HIS PAUK AND THIS WAS ANOTHER EXAMPLE. L-9 CAN'T STAND SINOBAS BECAUSE OF HIS BARELY EGOTISTICAL AIR, BUT IS SATISFIED WITH HIS FLIGHT BECAUSE HE FEELS THAT SINOBAS IS TAKING HIM INTO HIS CONFIDENCE MORE AND MORE AS TIME GOES ON. L-9 DESCRIBED SINOBAS' WIFE AS STRICTLY LOW CLASS WITH NOTHING TO OFFER JAN 63.</p> <p style="text-align: right;"><i>LITMAIL-9</i></p>

Cultural Attaché, Embassy at Mexico City

Cultural Attaché Luis Alberu arrived in Mexico in October 1959, the first Cuban representative since the fall of Batista. Early in 1962 he was transferred to the United Nations section of the Foreign Ministry but returned to Mexico on 16 March 1962 because "conditions were terrible in Cuba." He is reported to be mistrusted by other members of the Embassy.

In 1953 Alberu was identified as an artist residing in Mexico. He is possibly the brother of Mariluz Alberu Souto, Consular employee in Vigo, Spain.

Compañero:

Con el interés del joven tunecino que Vd. nos trae, el cual desea venir a Cuba a estudiar Música, le informo lo siguiente:

El plan de becas de la Escuela Nacional de Arte no considera hasta ahora, becados extranjeros que vienen de otros países para estudiar en ese Centro.

El MINED sí tiene, a través de Convenios, becados de países del campo socialista que vienen a estudiar según planes del referido Ministerio.

Como Vd. recordará hubo el caso de un grupo de estudiantes de Guana que vinieron por el MINED a estudiar Idiomas y solicitaron además estudiar Música. Eso se resolvió manteniéndolos como becados de Educación (alojamiento, ropa, manutención y enseñanza del Idioma Español) y matriculándolos en uno de los Conservatorios de La Habana, donde asisten los días y horas en que tienen sus clases.

Esa sería la forma de tratar el asunto que Vd. nos plantea, asegurando ustedes en primer lugar con el MINED que ellos lo absorberán como becado; aunque en este caso no se puede resolver por Convenio ya que el interesado no procede de un país del campo socialista.

Las Organizaciones de Masa del Consejo Nacional de Cultura, en saludo al VI Aniversario de la Federación de Mujeres Cubanas, presentarán a la cantante norteamericana BARBARA DANE el próximo viernes 19 a las 4:30 pm.

La Sra. Dane que se encuentra en Cuba invitada por nuestro organismo viaja acompañada del folklorista y editor IRWIN SILBER. Ambos han burlado las leyes del Dpto. de Estado norteamericano que prohíbe a los ciudadanos de ese país viajar a Cuba. Han llegado con la idea de conocer por ellos mismos nuestra Revolución.

Es compromiso de todos nosotros como revolucionarios - recibir dignamente a estos ciudadanos norteamericanos representantes de la más valiosa clase artística de su país.

Al finalizar la presentación se ofrecerá un brindis a invitados y empleados.

Excelentísimo Embajador de los E.U. Mexicanos, Sres. Miembros
del Cuerpo Diplomático

Sras y Sres.

Es para mí un honor que en ocasión como esta, represente al Consejo Nacional de Cultura en que se inaugura la exposición "Caleidoscopio Fotográfico" del artista mexicano Nacho López.

Creo sinceramente, que el gran artista Nacho López, no necesita presentación, su arte es muy conocido en Cuba a través de revistas internacionales y periódicas que con frecuencia reproducen su trabajo artístico; además no es la primera vez que tengamos el gusto de tenerlo entre nosotros así como a otros tantos mexicanos ilustres que nos han visitado desde el triunfo de la Revolución.

Aquí en esta sala encontraremos un exponente gráfico de lo que tan acertadamente nos dice en su introspectiva el artista que nos ocupa.

"El placer en sí - más no la diversión - de producir imágenes que despierten ideas y emociones en el espectador, pretendo hacerlo consciente que el mundo no son cuatro paredes, trabajo y familia; sino que hay otras formas bellas y horribles, otros rostros que también viven, respiran y mueren, en busca de las mismas necesidades eternas: trabajo, vestido, comida y dignidad.

La exposición que nos disponemos a admirar estrecha aún más los lazos que nos une con el gran país hermano México, y no quisiera dejar de destacar en esta oportunidad, la satisfacción que nos produce cooperar con la Embajada de México que ha hecho posible la exposición que se ofrece conjuntamente con la Sociedad Cubano-Mexicana de Relaciones Culturales y el Consejo Nacional de Cultura (Delegación Provincial)

Muchas gracias,

Luis Alberd,

Action Required: See paragraph 1.

Reference : HMMW-15933, 16 November 1967

1. Forwarded as Attachment One, herewith, is a PRQ Part II on LITAMIL-9. Forwarded as Attachment Two, under separate cover, is the Part I of the same DRQ. As previously reported, Station meets very infrequently with LITAMIL-9, who is very busy, spends most of his time outside Mexico City, and is largely out of touch with PBRUMEN and LIRING. He has, for example, only visited LIRING twice in the last six months. Contacts which LITAMIL-9 made during a recent trip to Europe with PBRUMEN officials stationed in that area were unproductive. Since occasional contact is still desired, however, it is requested that a new OA be processed on LITAMIL-9 to cover his use as outlined in the Part II of the PRQ.

2. Traces were rerun on Subject through LNPURE and the Station, and no derogatory information was turned up except for that mentioned in HMMW-11988, which cannot be resolved any further than the Station's comments in MEXICO CITY-3497 of 19 February 1963.

SUBJECT : LITAMIL-9
201-329609

1. LITAMIL-9 returned to Mexico from Cuba in October 1966. On 8 November he was arrested and held at the Marine City Station. Throughout the month of November he debated the question of whether or not he should return to Cuba. In the first week of December 1966, he decided to remain in Mexico.

2. Since it was believed that LITAMIL-9 would have little access to LITAMIL or to persons of interest in Mexico, he was terminated and the balance of his escrow account was paid to him on 9 December 1966. However, it has since become apparent that from time to time it would be valuable to WACT to contact LITAMIL-9 for information on PHARMEN personalities. He is acquainted with a large number of persons who themselves are of interest to WACT or who could supply information on third persons on whom information is needed.

3. Therefore, provisional operational approval and subsequent operational approval for such occasional contact with LITAMIL-9 is requested. It is not planned to pay him a salary or formalize an agent relationship. LITAMIL-9 would only be contacted when specific needs for information arise and the possibility exists that he has or could obtain the information.

SUBJECT : LIRAVINE Project Renewal

1. Reference is made to your Staff Review (Form 826) of the LIRAVINE Project Renewal Request. In response to your requests, attached are one copy of the report on the 3-6 June 1966 debriefing of Morris J. URPLET and one copy of the results of his 7 June 1966 SCSTEL. Copies of these reports are being forwarded to CI/OA with a request for clearance for URPLET's current use in Mexico.

2. A request for operational approval for LITANIL-9 was submitted on 16 December 1965, but was not granted because of derogatory information which could not be resolved. However, LITANIL-9's location and use have changed since that time and a new request for operational approval for his current use will be submitted.

3. A request for operational approval was submitted for LIRING-3 on 27 May 1965. Approval was not granted and he is being handled as a double-agent.

<p>1. Forwarded attached is a memorandum covering a succession of meetings held with LITAMIL-9 in connection with the Latin American Writers Congress in Mexico and it's Cuban delegation.</p> <p>2. In addition to the meetings mentioned in the attached memorandum, the Case Officer, Raymond A. FRADYER, also met L-9 on 28 March. He knew from LIENVOY that Ambassador Joaquin HERNANDEZ Armas was having a reception that night at the Cuban Embassy in honor of Alejandro CARPENTIER Belmont. He also knew that CARPENTIER had agreed to meet L-9 earlier that day. FRADYER therefore assumed that L-9 had probably been invited to the Embassy affair. FRADYER had spent some time at his last meeting with L-9 briefing the latter on elicitation techniques and how he felt L-9 would safely bring up the subjects of the Vietnam war and French-Cuban relations, two topics on which CARPENTIER could provide interesting information. FRADYER was disappointed when L-9 told him that he had left his house that morning at 7A.M. and had been at his brother's plant in Toluca the entire day. L-9 added that he would have to spend the next day in Toluca and thus would be unable to talk to CARPENTIER before the latter left.</p> <p>CONTINUED . . .</p> <p>Attachment: MFR HEREWITH</p> <p>Distribution: ② - C/WHD w/att 1 - C/WH/COG w/o att 1 - COS/JMWAVE w/att 6 - FILES</p>

<p>3. FRADYER is very much aware of Headquarters interest in L-9. Although he plans to meet L-9 regularly, he doubts (as previously mentioned to Clyde K. SHRYOCK when the latter recently visited Mexico) that L-9 will live up to Headquarters expectations. As mentioned by L-9 himself:</p> <ul style="list-style-type: none"> - A. He is acting as the general manager of the coffee grounds to edible plant in Toluca in which he and his brother own shares. Not only is this a new firm, but the raw material and process used to make the oil are somewhat of a novelty. The plant is deeply in the red (L-9 has yet to receive a salary and commutes to Toluca by bus) and requires close and time consuming attention. With the best of will, it is and will be difficult for L-9 to get away whenever he is needed by this Station. - B. As pointed out by L-9 himself, L-9 has now been in Mexico for some six months and has succeeded in obtaining from Gobernacion his reinstatement as a resident alien. It must be increasingly evident to the Cubans (despite L-9's request for extended leave from his job in Cuba) that the latter will probably not go back to Cuba. In other words, the Cubans probably view him more and more as an exile. - C. Because he spends most of his time away from Mexico City and because his Cuban friends are becoming more reserved with him, L-9 has less and less contacts with visiting Cubans. In fact, only one, the Subject of Mexico City 0783, has phoned him when visiting Mexico since L-9's return to this country. L-9, who senses that he is now an exile in the eyes of many of his friends in Cuba, is even reluctant to write to them. He feels, for example, that little would be accomplished by writing to Eusebio AZCUE Lopez, as the latter would probably not leave Cuba because of his young wife and child, even though he is fed-up with the Castro regime. On the contrary, L-9 feels that he might not be going AZCUE any favor by writing to him as the latter who is not known for being an enthusiastic supporter of the regime may be under some observation from the Cuban authorities. <p>4. Information obtained by L-9 from CARPENTIER, Lizandro OTERO and Nicolas GUILLEN indicates</p> <ul style="list-style-type: none"> - A. Together with information from other sources that the Cubans probably prearranged to take over the Congress of Latin American Writers with the help of the other Communists and use it for political purposes. - B. That Cintio VITIER is obviously not trusted by the Castro regime and may be in trouble. - C. That the Cubans are making a major effort, in line with their pro-French policy to show themselves in Paris under the best light possible. - D. That CARPENTIER obviously enjoys the confidence of the regime. His trip to Hanoi had certainly nothing to do with cultural affairs. It is regretted that L-9 did not elicit further information from CARPENTIER on his visit to North Vietnam. <p>CONTINUED PAGE TWO</p>

MEMORANDUM FOR THE RECORD
FROM

SUBJECT: LITAMIL-9 and the Latin American Writers Congress
in Mexico

1. The undersigned reviewed the list of delegates attending the Latin American Writer's Congress with L-9 on 19 March 1967. The latter indicated he knew all the members of the Cuban delegation - Alejo CARPENTIER Belmont, Roberto FERNANDEZ Retamar, Lizandro OTERO, Nicolas GUILLEN and Pablo NEREDA, a Chilean writer whom he first met some 25 years ago and saw again about 1962. L-9 stressed he did not know the Cuban delegates to the point of calling anyone of them a personal friend as his dealings with them had been confined to professional contacts when he worked for the National Cultural Council. He had never been invited to their homes or invited them to his. The delegate he felt most at ease with was Alejo CARPENTIER with whom he felt he had more in common than with the others. CARPENTIER who has a French father and white Russian mother lived many years in France and spent some time in South America. L-9 considered him to be an intellectual of definite "bourgeois" background and tastes. Not only is CARPENTIER well known

for his novels (L-9 recalled that his name had once been mentioned in connection with the Nobel Prize for literature) and his journalistic writing (L-9 still remembered some of the articles regularly written by him in Paris for the "El Mundo" daily in the pre Castro era) but he is also an established music critic and a connoisseur of modern painting, all in all a talented and most impressive man now in his sixties.

2. L-9 had on many occasions offered to help WOFAC^P in any way possible. The undersigned pointed out that he now had a unique opportunity to do this with the Writer's Congress. WOFAC was interested in assessing the Cuban representatives at this Congress to determine their possible vulnerability to recruitment. It was also interested in hearing from the Cuban delegates what they thought of the Congress and its accomplishments since it was apparent that the great majority of its members were Communist sympathizers and would probably use the Congress for political purposes. Any information on the situation in Cuba and on Cuban Government organizations, particularly on the incorporation of the National Cultural Council into the Ministry of Education would be appreciated. It would also be interesting to know why Cintio VITIER who was scheduled to come to the Congress did not show up. L-9 said he was willing to help but was extremely busy with his brother's edible oil business in Toluca. It would be

- difficult for him to find time to talk with the Cuban
- delegates, he felt in addition, that it would be difficult
- for him to simply walk in on the delegates if he could not
- be invited, officially, to the Congress or to a social
- affair connected with it. Finally, L-9 pointed out that
- he had now been in Mexico for nearly six months, that
- "everyone" knew that he had no intention of returning to
- Cuba and that, for these reasons, the Cuban delegates to
- the Congress might not be anxious to talk to him. After
- a long "pep" talk by the undersigned and some discussion
- it was decided that L-9 would call the next morning on
- Ambassador Joaquin HERNANDEZ Armas who had just returned
- from Cuba. L-9 would pay his respects and find out if the
- Embassy planned some social function at which he could
- openly meet the Cuban delegates (he felt he might wrangle
- an invitation to such an affair either directly from the
- Ambassador or from Heberto JORRIN, the ex-Embassy portero
- whom he has known for years). It was further decided that
- L-9 would concentrate on CARPENTIER with whom he felt he
- had the best rapport and who was in his view the delegate
- with the most "bourgeois" background.

- 3. At a meeting held on 21 March L-9 related that he
- had seen Ambassador HERNANDEZ earlier that morning (the
- delegates to the Writer's Congress which had been held for
- the last few days in Guadalajara were scheduled to return
- the next day). He had found the Ambassador nervous and pre-
- occupied. The latter told him almost mechanically that

everything in Cuba (political and economic situation, sugar harvest, etc) was fine. He informed L-9 that he did not have the opportunity to see L-9's sister-in-law and that he had given a letter, which L-9 had asked him to deliver to her for passage to the National Cultural Council, to Marta GONZALEZ of the International Relations Bureau of the Council. L-9, in this letter, asked that his three month leave from the Cultural Council be greatly extended. The Ambassador said he ignored what reaction the Cultural people had to his letter. He explained that the Cultural Council is now part of a Bureau headed by Lisandro OTERO. *(L-9 asked if OTERO is V-P of CNC - how would he be able to deliver letter to CNC?)* Carlos LECHUGA Hevia, the previous head of the council has been reassigned to the Tri-Continental conference as a member of the Secretariat of that organization. He was replaced as the head of the council by fnu MUZYLO, ex rector of the University of Oriente. The Ambassador insisted that, in spite of this, the National Cultural Council still kept some degree of autonomy. He was rather evasive when L-9 mentioned his desire to call on the Cuban delegates to the Writer's Congress. He said that he did not think that a party would be held at the Embassy for the delegates and did not offer to put L-9 in contact with the people he wanted to see. Since he did not seem to have gotten anywhere with the Ambassador, the undersigned asked L-9 to call ^{the next morning} on the Congress

delegates at the Del Prado Hotel where they were staying. The next morning L-9 seemed reluctant at first, but finally agreed to do this if he did not have any more luck in contacting the Cuban delegates some other way. L-9 proposed to visit the Embassy the next day and talk to JORRIN about the Congress. The latter might be able to place him in contact with the Cuban visitors.

4. The undersigned met L-9 again on 22 March. L-9 stated that he had visited the Cuban Embassy early that day but had to wait for JORRIN who was out for about 20 minutes. The latter was ~~so~~ busy after his return that L-9 had only a few minutes of conversation with him. JORRIN confirmed that the Embassy would not have a party for the Congress delegates "because of the Semana Santa," and said he did not know exactly when the delegates would drop in the Embassy following their return from Guadalajara. Upon leaving JORRIN, L-9 went to the Del Prado where he was told that the Congress delegates would only return to Mexico late that day. A few blocks from the hotel L-9 ran into Nicolas GUILLEN who greeted him by saying "here is L-9 in his ambiente Mexicano." The two men walked together back to the Del Prado. GUILLEN turned down L-9's invitation for a cup of coffee saying he had to visit someone. He did mention that the Congress, as far as he was concerned, was "una basura" and told L-9 that he had flown from Guadalajara

- to Mexico City (he did not say why) ahead of the other
- Cuban delegates who were returning by road later that day.
- GUILLEN told L-9 that he would be in the same neighborhood
- early next day and would be glad to have coffee with him if
- L-9 could meet him then. Anyway, he added, he would be
- staying in Mexico for another two weeks at the request of
- the Ambassador. They could see each other again later on
- before he left. As they were about to cross a busy street
- shortly before parting, L-9 took GUILLEN by the arm in a
- friendly gesture. The latter pulled away and L-9 had the
- feeling that GUILLEN did not want to let L-9 be friendly
- with him.

- 5. The next meeting with L-9 was held on 24 March.
- L-9 said that he had not been able to call on the Cubans
- at the Del Prado until earlier that day. He had run into
- Licandro OTERO while in the lobby. The latter told him he
- was about to leave. When L-9 said "already?" OTERO pointed
- out that he had been in Mexico for two weeks already.
- L-9 repeated the derogatory remarks made about the Congress
- by GUILLEN. OTERO said that, on the contrary, this had
- been a successful meeting. A letter of protest had been
- sent to President Johnson and the Congress had taken a
- firm position against the "Imperialists." After relating
- the above, L-9 recalled that a rumor circulated in Havana,
- shortly before his departure from Cuba, to the effect that

- Marcia LEISECA, OTERO's wife (a woman of about 34 who
- worked at the Casa de las Americas) was about to divorce
- OTERO to marry Osmani CIENFUEGOS. L-9 added that Marcia
- had relatives in Mexico whom she visited in 1962 and 1965.
- After leaving OTERO, L-9 phoned CARPENTIER and was told
- by the latter to meet him the next day.

- 6. L-9 and CARPENTIER met for breakfast on 24 March.
- When L-9 asked him for news about the National Cultural
- Council, CARPENTIER said that L-9 knew certainly more about
- that than he did as he had been in France since last November.
- CARPENTIER claimed that he had been called in by DORTICOS
- last October and told that Baudilio CASTILLANOS, the current
- Cuban Ambassador in Paris, had requested his nomination to
- the Paris Embassy as Minister Cancellor. CARPENTIER said
- he tried to get out of this two year assignment which he
- found too long, but was told by DORTICOS that there was no
- way out of it. The Cuban Government, said DORTICOS, was
- out to make it's representation in Paris "an absolutely
- first class Embassy". DORTICOS added that CARPENTIER would
- not be so busy in Paris that he would not find time to write.
- Whether he found time to write CARPENTIER did not say.
- What he did say was that the Ambassador, who was doing a
- very good job, did an enormous amount of work and usually
- worked late at night. He also mentioned that while in
- Paris or shortly before arriving there he had gone to Hanoi

on an official mission. CARPENTIER gave no details other than to say that that horrible war was probably going to last, and that U.S. planes had flown right over his head during his stay. L-9 did not press him for more information but gathered that CARPENTIER remained in North Vietnam two or three weeks.

7. L-9 asked why VITIER had not attended the Congress. CARPENTIER replied that VITIER was "in a special situation in Cuba" as he was not in accord with the revolution. He had been given the opportunity to go to Spain for the Cuban Government but had refused to go. VITIER undoubtedly knew, from the background of the delegates, that the Writer's Congress in Mexico would be a leftist affair. CARPENTIER guessed that he probably declined to come because of this. Talking about himself, CARPENTIER said (without further details) that he would be going to Moscow in May. He announced that a film based on his novel "Los Pasos Perdidos" would be made this year, probably half in France and half in Cuba (negotiations with the French are still going on). Finally, he mentioned that he was trying to convince the Cuban Government to create a centralized publishing department and that as Director of the Cuban National printing office, before leaving Cuba, he had succeeded in getting some 70 million books printed. He mentioned, incidentally,

that his publisher in Mexico is Arnaldo ORFILA, ex director of the Mexico City Fondo del Cultura Economica whom CARPENTIER said he was on his way to see to collect royalties. CARPENTIER said he would leave Mexico on 29 March via SABENA and agreed to get together with L-9 on 27 March.

B. LITANIL-9. LITANIL-9, who some years ago worked at LIRING, has now been back from PBRUSEN for about six months and has been reinstated by the Mexican authorities as a resident alien in Mexico. Although LITANIL-9 has no intention to go back to PBRUSEN, he has done his best to keep the PBRUSEN door open. He has for example requested that his leave from his job in PBRUSEN (originally for LIRING duties) be extended to allow him to return to his business in Mexico. The fact is that with each week that goes by LITANIL-9 looks more and more like an exile in the eyes of the LIRING staff. Of the people who served with him at the

Memorandum for the Record

9 November 1966

Subject: Meeting with LITAMEL-9

PER telecon on the morning of 8 November, the undersigned met with LITAMEL-9 at 2100 at the Gutenberg/Thiers' glorietta. L-9 was taken to the home of Gene F. BRADOCK, where the meeting was held. The meeting lasted until 0200 on 9 Nov 66. NO SECURITY PROBLEMS NOTED.

An interesting and fantastic incident occurred on the night of 7 Nov. L-9 said he saw the undersigned walking by his apartment when for some unknown reason he got up to look out the window. The undersigned did, in fact, walk by L-9's apartment on the night of the 7th at about 2300. L-9 was, of course, very impressed with this quirk of fate as was the undersigned. Three years in time, a city of 5 million people etc. At approximately 2245, the undersigned called L-9 and a woman answered the phone. Nothing was said by the undersigned and the phone was hung up. It is possible that this call, if the number was correct, had some influence on his appearance at the window. However, L-9 made no mention of a woman at his place but said he had been reading and got up to look out.

PERSONAL PROBLEMS:

L-9 is very concerned about having lost his Mexican residence permit. ~~RECENTLY~~ According to L-9, the Mexican Govt took away his residence permit because he broke Mexican laws. L-9 travelled to Cuba several times without advising the proper authorities during the last several years. L-9 always travelled to Cuba as a Cuban diplomat and not as a Mexican resident therefore there was no record of his travel. This was obviously against the rules and L-9 has to pay for it. L-9 went to see Coty SOLORZANO re this problem and she told him to get in touch with Ignacio "La cho" ACOSTA Lagunas. ACOSTA took L-9 to Gobernacion but he was unable to see the Official Mayor, GALVEZ, Sr. They talked with another official who gave them little hope. ACOSTA said he would go to see GALVEZ, himself, on the following Monday but again, he was unable to get to see GALVEZ. (Lic. Carlos GALVEZ Betancourt).

File - 201 - Litame 9

cont.

L-9 went to see Amb. Joaquin HERNANDEZ Arras after AXOSTA failed to help him and HERNANDEZ told him he would talk with Ing. Jorge TAMAYO, that TAMAYO was the man who would be able to help. L-9 is pretty shook up about this problem because he was told at Gobernacion that he would have to reapply again and therefore go through the same ~~XXXXXXXX~~ red tape as before, i.e. five years, restricted travel etc. L-9, of course, has now hope with his contact with us but ~~XXXXXX~~ ~~HE~~ he was told that only as a last resort would the U.S. get involved in order to protect the operation.

L-9 again went into the business of his brother's request and that of his friend in the States, who is financing the deal, for him to remain in Mexico as the company's administrator. L-9 stated as he has done in the past that he is being pulled in both directions, i.e. toward Mexico by his brother etc and ~~XXXXXX~~ toward Cuba by the U.S. Govt. He did not make it clear which of the two pressures he expects to succumb to. The undersigned did not push the issue at this meeting hoping to get into this matter at a later meeting.

L-9, just before he got out of the car, mentioned that he was in need of money and wanted to get spare parts etc to send back to Cuba with Orlando SUAREZ, who is scheduled to leave for Habana on Monday. The undersigned said he would get L-9 some money for the next meeting.

L-9 was in good spirits, very proud of his files and anxious to to please. HE described himself during the last year or so in Cuba as "un soldado en su puesto" ready to serve when the time came. He was pleased, of course, to have contact again with ~~XXXXXX~~ and indicated he was a little shook up because his brother was "fall over the place" and therefore not a good contact point. He was concerned about how he was going to make contact.

L-9's post with the Consejo is: Jefe de Protocolo and Liaison officer with the Foreign embassies in Habana.

7. Manuel VEGA Pérez - VEGA was named to his present post in the Consejo by Carlos LECHUGA. VEGA, although not a cultured man, has a "big face" charm about him that gets him through. I mentioned to L-9 that VEGA was formerly G-2 in Mexico and he agreed but gave little attention to this in terms of his new role.
8. Eduardo CERONA - L-9 said that the removal of CERONA from his post was looked upon very critically by members of the dip corps. CERONA, an extremely well educated and knowledgeable type was replaced by Manuel VEGA Pérez. CERONA, acc L-9, was removed from the post in order to give him more time to work on the new Constitution. CERONA is also a prof at the U. of Havana. L-9 changed CERONA's despedida address because, acc L-9, the way CERONA had written it, it looked as though CERONA had been fired. L-9 commented thusly to CERONA.
9. Carlos LECHUGA - L-9 said LECHUGA is very happy in his job and ~~HEAVEN~~ his wife is a different woman. She is very much at ease, apparently the marital problems have been solved etc. She is writing articles for "El Mundo". LECHUGA, acc L-9 was apparently scheduled to go to Paris but CASTELLANOS went in his stead. LECHUGA was actually studying French for the job. LECHUGA comments often on the personnel who were in Mexico and are now in the CONSEJO. ~~HEAVEN~~ L-9, Jose Luis ROSADA, Manuel VEGA, LECHUGA etc., among others.
10. Jose Luis ROSADA - ROSADA is in the Consejo de Cultura and will fill in for L-9 while he is away.
11. Paul ROA Garcia - ROA is way down on the totem pole of power and has enemies throughout the govt. ROA was operated on by Dr. SANCHEZ, inu for prostate trouble.

3.

L-9 strikes ~~XXXXXX~~ into ~~XXXXXX~~-3 on the street and L-9 has been trying to talk with him. L-9 said he is somewhat embarrassed and asked about the propriety of getting in touch with him. He was told to go ahead but to merely discuss the amenities of life and not get into ~~XXXXXXXXXX~~ discussion to which he agreed heartily.

L-9 explained how he requested "leave without pay" etc through Manuel ~~XXXX~~ but this is spelled out in docs L-9 provided us on 8 November. Copies of all these docs re L-9's departure, illness etc will be copied.

12. Carlos ~~FRANQUI~~ - L-9 knows nothing about ~~FRANQUI~~ but did comment that when Wilfredo ~~LAMY~~, colored painter, arrived in Habana for the ~~TRICON~~, ~~FRANQUI~~ was at the airport and in an aside told ~~LAMY~~ that he should avoid getting ~~XXXXXXXXXX~~ ^{subsequently} involved with Marty ~~FRA YEE~~ because she was ~~XXXXXXXXXX~~ anti-regime.
13. Marta ~~FRALLE~~ - ~~FRALLE~~, acc L-9, is known to be anti-~~CASTRO~~ and she makes no bones about it.
14. Fidel ~~CASTRO~~ - ~~CASTRO~~, acc L-9, is in trouble but his security forces keep things under control. ~~XXXXXXXXXXXXXXXXXXXX~~ ~~CASTRO~~ says, according ~~CON-~~chita ~~PERMANEZ~~ that he has to depend on his young scholarship students. He can't trust anyone else. He is obviously turning toward sugar after having turned toward industry etc. Graciela ~~BISES~~, demonstrated a bit of anti-~~CASTRO~~ feeling when at 24 July fiesta the crowds applauded ~~CASTRO~~. ~~BISES~~ commented in a sarcastic tone: "Aplaudiran", aplaxiran". L-9 recalls that ~~CASTRO~~ was operated on for rectum trouble but he does not recall when. He believes Dr. ~~RORDIGUEZ~~ Diaz was the surgeon.

4.

PERSONALITIES

- 1) Teresa PRINZA - L-9 said that when PRINZA left Mexico for Habana she was very unhappy and was cursing everybody. When L-9 arrived in La Habana he was told that PRINZA had been involved in "un asunto grave" with CROCI and that she was being held. He said the latest information, about 2 months ago, is that she is under house arrest at Santa Maria del Mar, a beach resort outside Habana. Little comment is made re PRINZA in Habana.
- 2) Joaquin CROCI and his wife, Edith BUSTOS de C. - CROCI is still being held but his wife is allowed to go out on the street, accompanied by someone.
- 3) Marcia REISER - According to L-9, REISER and Lisandro OTTEO are now divorced and rumors have it that REISER is going to marry Israni CIENFUEGOS. REISER, acc L-9, is an important personality, particularly in the cultural field, i.e. at the Casa de las Americas.
4. Joaquin HERNANDEZ Armas - HERNANDEZ has been very friendly with L-9 since the arrival of the latter. HERNANDEZ acc L-9 is much more at ease now than when L-9 was here last. He is relaxed and sure of himself.
5. Pablo ALDAMA Acosta - ALDAMA was fired from MURPHY and he was very unhappy about it. He does not have a job but is on govt payroll. ALDAMA told L-9 he was "teed off" and name Luis GOMEZ B. as the man who was getting the breaks and that GOMEZ did nothing for the revolution etc.
6. Evelio CASTRO Rodriguez - Acc L-9, CASTRO's name was brought up by Augusto ARCOS, a cousin of Gustavo, when he was with Conchita FERNANDEZ ~~XXX~~ A. ARCOS said it was known that CASTRO was going to "jump" and yet he was allowed to leave with his family for some unknown reason. A real enigma.

15. Gustavo ARCOS - Nothing except he arrested. Will query again re ARCOS.
16. Mercedes MERLES Carrillo - SecGen of the Casa Ocho/Mexico in Habana.
MERLES acc L-9, cut him L-9 out of the Mexican picture.
17. Gen. Fernando RAMANES - RAMANES is very close to Hilda de FRANCO in more ways than one. It is the talk of the town. In fact, it was rumored that RAMANES was going to marry Hilda PEREZ de F. He is with her frequently and in public.
18. Celia SANCHEZ - Acc L-9, SANCHEZ plans on inviting Coty JOLORZANO to Cuba sometime around end of year.
19. Haydee SANTAMARIA - SANTAMARIA, it is rumored, will take over Carlos LECHERA's post at some time in the near future. At least, that's the rumor.
20. Agustin Guerra Piedra - GUERRA went to Spain recently with his wife, who is going blind. Acc L-9, Dr. BARRIQUE, son, of Barcelona told PIEDRA he couldn't do a thing for his wife, and GUERRA returned. Acc GUERRA, he wanted his daughter to accompany them to Spain but the Cuban Govt would not grant permission. GUERRA is anti-CASTRO complete, but he's going to stay through it all.
21. Mariaco RODRIGUEZ - RODRIGUEZ is a painter who recently went to Rome. The Casa de las Americas suggested he go Spain, France etc to make contact with friends of Cuba but Consejo turned the suggestion down. It was then given to the Foreign office and they approved the travel.
22. Lidara SANCHEZ - SANCHEZ has been fired from MEXREX and she is not happy about it.

L-9 has contact with the following Embassies in Habana:

Italy - Santoro and Roqui (sic) - Very good relations here.
Francia - Leomuye (sic)
Beligica - FORM R Arb.
Canada - Arb/ McOlean - Svoboda (not fond of Svoboda)
Hungaros - Actay (sic)
Czechos -
Polish - Koboito - Second Sec/Cultural Att.
British - BELL
Rumanian -

L-9 said his relations with Italians is excellent. He has never been invited to the Sov Embassy , in fact, it's the only one.

The Casa/Cuba-Mexico

President: Juan MANINELLO V.
~~XXXXXXXXXX~~ Secret Executiva - Mercedes MORALES C.

L-9 said the President of the Institute in Merida was in Cuba, in July 66.

22 November 1966

Memorandum for the Record

SUBJECT: Fidel CASTRO Ruz

On 9-10 November 1966, LITAMIL-9 reported the following

re Fidel CASTRO Ruz:

- a) LITAMIL-9 was not aware of any problem that CASTRO might have had during the period May-June 1966, when he failed to appear publicly. L-9 believes that he would have heard about any serious problem through "Conchita" FERNANDEZ had there been one. On this score, L-9 said that we should not pay much attention to reports that CASTRO is losing power or turning it over to the Party because, although he remains out of the limelight for a time, he bounces back bigger and more popular than ever. L-9 did recall that CASTRO was operated on by Dr. RODRIGUEZ Diaz, fmu, for a rectal problem but he believes this was in 1966.
- b) CASTRO has changed his mind about voluntary labor and now feels that those assigned to the tasks given them should get the job done without voluntary assistance. L-9 believes that Celia SANCHEZ reflected this policy when she recently told "Conchita" FERNANDEZ not to volunteer her services. L-9 believes that CASTRO has recognized his folly in the case of voluntary labor and realizes now that this merely provokes his minions into creating problems in areas where they should not be, i.e. lack of personnel at times when they needed in specific job. L-9 believes Cubans are taking advantage of voluntary labor to be missing from own assigned tasks in a form of clandestine subtle sabotage operation. It is this that CASTRO is also beginning to realize.
- c) CASTRO termination of militia courses per memo also shows a switch in attitude of CASTRO, who may also see counterproductive results of indoctrinating Cubans across the board. This happened about two months ago.

Compañero:

Por este medio tengo el gusto de informarle que con motivo de realizar un viaje a México, en misión cultural, debidamente autorizado por el Consejo Nacional de Cultura, donde ostento el cargo de Jefe de Protocolo de la Dirección de Relaciones Internacionales; solicito de usted la debida autorización para poder llevarme algunos libros y revistas de mi propiedad, que tratan sobre pintura. Estos libros los he adquirido aquí, y se son necesarios para realizar mi trabajo como pintor. Desearía también llevar unos tabacos, para lo cual le estoy solicitando la autorización correspondiente.

Le adjunto la relación de los libros que deseo llevarme, notándole que saldré del país el próximo viernes, día 7, en el vuelo No. 464, para México.

ASUNTO SOLICITUD DE LICENCIA

Estimado compañero:

Por medio de la presente tengo el gusto de dirigirme a Ud, al efecto de exponerle que con motivo de mis vacaciones, quisiera aprovechar esa oportunidad, para solicitarle se me conceda licencia para viajar a la ciudad de México por el término de tres meses y a partir de la primera quincena del próximo mes de Septiembre, al objeto de terminar los cuadros que se encuentran inconclusos en mi estudio de aquella ciudad, en razón de mi traslado a Cuba y de estar desempeñando funciones en el Consejo Nacional de Cultura, que con gran satisfacción para mi modesta persona, se han sido encomendadas a los fines de mayor servir a la Revolución.

Aprovechando el tiempo que por vacaciones me pueda corresponder, le ruego atentamente, considere dar curso a esta solicitud, no sin antes según tengo entendido, si el tiempo solicitado no cubre totalmente las vacaciones que actualmente me puedan corresponder, se tenga en cuenta un anticipo, en base de las que me correspondan en el futuro próximo.

Al mismo tiempo deseo exponerle también, que los gastos relativos a mi estancia, no serían un obstáculo, dado que en México cuento con familiares directos y nacidos en aquel país. Quisiera que si se concede a mi solicitud, se me facilitaran o me indicaran los trámites usuales a realizar para poder pagar el pasaje de ida y vuelta en moneda nacional, así como la autorización correspondiente para poder llevar unos libros que he comprado, los cuales utilizaría para terminar los cuadros de referencia.

Con gracias anticipadas por la atención que preste a esta solicitud, me reitero de Ud, con saludos revolucionarios de "PATRIA O LIBERTAD", "VENCANEMOS",

fraternamente,

Luis Alberd,

These two books have been found unsuitable for use with system #99 ink. However, the book "Maceo", which I have retained, gives excellent results. The first two pages of the book "Maceo", which are a blank page followed by a title page, would be ideal for placement of Sd.

Tengo el gusto de acusarle recibo de la comunicación No. R.S.294 de fecha 5 de Mayo del corriente; la cual acompaña documentación del Consejo Internacional de Música, Rotterdam, Países Bajos.

En relación a dicha documentación, esta nos ha sido remitida con fecha 5 de Mayo; resultando por lo tanto demasiado tarde para cumplimentar la invitación que se nos hace.

It is recalled that when LITAMIL-9 left Mexico for PERUMEN in March 1965 he told his C/O he would, by hook or by crook, find some way to get back to Mexico within 23 months lest he lose his immigrado status in Mexico. It is assumed that he is exploring every angle to make his escape and one possibility that comes to mind is that he might try to wangle a connection with the PERUMEN pavilion at the 1967 Canadian International Fair in an effort to break out. SECRETARIA DEL EMBAJADOR

La Habana, 18 de Julio de 1966

Estimado embajador:

Tengo el gusto de dirigirme a Ud., para informarle de las actividades culturales que se llevaron a cabo recientemente por este Consejo, con motivo del mes de Julio, Semana Nacional del Canal.

Algunas actividades culturales se realizaron conjuntamente con la Embajada de ese país, como las tertulias de poesía que se ofrecen lo indican, interpretándose por la Orquesta Sinfónica Nacional y en el Teatro Amadeo Noguera, en el concierto dedicado a la festividad de referencia, la obra Trois Pieces, del compositor canadiense Jean Papineau Cantone.

Por otra parte, en el mismo mes, se halla actualmente y en una de las salas del Palacio Nacional de Bellas Artes, una exposición de Grabados Maquimales, la cual fue inaugurada el mes de Julio por el Encargado de Negocios a.i., de la Embajada del Canadá, Sr. Alan McLaine, y quien gentilmente destacó en su intervención su contento por la realización de las dos actividades de referencia. En su intervención, el compañero Sr. ... a la sazón Director de esta Dirección, expresó, igualmente, su satisfacción a la fecha de celebración que estas dos actividades de arte y cultura, estrechen las relaciones culturales entre los dos países.

El Embajador Diplomático, fue especialmente invitado, y recordamos entre los que estuvieron presentes, tanto en el concierto como en el acto de inauguración, al diplomático canadiense Sr. ... de quien nos hemos referido; a los Embajadores de ... y de Yugoslavia; a los Encar-

Por felicitación y en programa dedicado al cine, se recibió parte del programa del Amadeo Koldán y que incluye la obra Teatro Píndico. Para la inauguración de la exposición de los programas, la Embajada ofreció un cóctel, proyectándose a continuación y en el teatro que se halla en el mismo edificio, un documental a colores con temas esquinales, a la que concurrió la mayoría del público que estuvo en dicha hora indicada.

La Embajada, se muestra complacida por las atenciones recibidas en ambas actividades culturales señaladas, las que seguramente serán, un incentivo, para el acrecentamiento de las relaciones culturales entre Cuba y el Canadá.

A:

Compañero Dr. Hernández:

A continuación traducción por Ud. solicitada de la carta escrita en inglés, y la cual tiene fecha 14 de Febrero de 1966.

Estimado Sr.

Nos tomamos la libertad de dirigirnos a usted sobre un asunto por el cual sentimos vivo interés.

Somos una Compañía, cuyo negocio consiste en comprar derechos, para producir obras, presentar actores, promover y llevar adelante Festivales en los cuales toman parte artistas extranjeros e israelíes.

Por lo cual le estaríamos muy agradecidos si nos expresa su opinión sobre que artistas cubanos podríamos invitar para que visiten Israel y actúen aquí. Nosotros podríamos encontrar la forma viable para intercambiar cantantes, músicos etc, y así ampliar las Relaciones Culturales entre Israel y Cuba, algo que mucho nos concierne.

Como para la próxima Primavera estamos planeando un Festival Internacional de Folklore, mucho lo agradeceríamos su pronta respuesta.

Su seguro servido,

Al Sr. Corona
Le carta para hacer la traducción.

Québec, Canadá, 24 de Marzo de 1966

Estimado Dr. Corona:

Le ruego me excuse por mi tardanza en enviarle esta carta de agradecimiento a Ud. por el esfuerzo que realizó, e hizo posible pudísemos tocar para su pueblo.

Aun conservamos plenamente, un vívido y feliz recuerdo del viaje. Las cajas de tabacos que Ud. nos dió en el aeropuerto, fueron sumamente apreciadas por mi maestro Efren Zimbalist, quien ha sido por años un apasionado del tabaco habanero.

Para el próximo verano estamos planeando regresar al Japón, para una gira de conciertos, y la Sociedad de Amistad Japón-Cuba en Tokyo, nos ha ofrecido organizar la gira.

Me parece que si Ud, pudiese escribir una carta de recomendación o endorsement, con las impresiones de Ud. sobre nuestras actuaciones en Cuba, sería de gran valor para nosotros, para que la gira en el Japón se haga posible.

Le rogamos haga llegar a su familia, nuestros más cálidos saludos y muy especialmente para Elpidio.

Confiamos en que ya Ud. sea un orgulloso abuelo. Estamos esperando por su carta muy pronto.

Al mismo tiempo, reciba nuestros mejores parabienes y sentimientos de aprecio.

Muy sinceramente suyo,

Estimado Sr.

Estoy representando la Hutchinsons Publishing, la cual está de lo más interesada en las posibilidades de publicar traducciones de obras de poesía y ficción.

Estas traducciones aparecerán regularmente bajo una denominación - posiblemente, "The Latin American Library", y con la continuación de series como la "Library" lo desea, creemos dará una coherencia a las publicaciones de Literatura Latino-Americana, de la cual carece al presente.

Por lo momento estoy tratando de recopilar tanta información como sea posible. Le estaré de lo más agradecido por cualquier ayuda que me pueda dar. Preferentemente desearía los nombres de destacados autores cubanos - clásicos y contemporáneos - títulos de las obras de ficción y de poesía, y una información que indique hasta que punto pueden ser traducidas al inglés.

Doy a Ud. las gracias anticipadas por su cortesía y ayuda.

De Ud. sinceramente,
