Carl: Re attached CO report: There are a number of indications in
RUII 201 that he is DGI. JSMG-1 so identified him in 1960. ^(telephone tap)
... that he stated he was ...
... mentioned that RUII has an (unnamed) brother who works for DGE. ...
... the desk card on an Oswald RUII Form (see #3 of CO report) indicating
that he was a member of DTI in 1960. Would it be worthwhile to ...
Madrid and ask them to keep an eye out for Oswald's arrival?
