ACTION REQUIRED REFERENCES

**ACTION REQUIRED:** For your information

**REFERENCE :** LOND 8570, 9 April 1964

A review of Subject's file at Headquarters shows that he has been known to the Station since [1951] when FUGARA-7 was in contact with him. (See SAGO-299, August [1951] TCS-1558, TCS-1959, if available.) We note that he has a propensity for "getting into the act." You may want to alert all members of the Station to his plan to return to Chile.
