MEMORANDUM FOR THE RECORD

SUBJECT: AMWHIP/1 Telephone Call to Manuel RODRIGUEZ

REFERENCE: See Para 2-g of AMWHIP/1 Contact Report,
dated 28 August 1964

After being told that it was probably unwise from a security point of view for KUBARK to attempt to get AMLASH/1 an invitation to the 16th National Assembly of Surgeons in Mexico City in November, and after clearing the action with the undersigned, AMWHIP/1 called Manuel RODRIGUEZ in Mexico at his last known address (his father's); AMWHIP/1 reached RODRIGUEZ in Cuernavaca (phone 22317), Mexico. He learned that RODRIGUEZ is now married, has two children, and is director of the govt hospital in Cuernavaca. AMWHIP explained the situation, giving as his reason for wanting to see AMLASH/1 the fact that he had some family business he wished to discuss with the former, and asked RODRIGUEZ's help in getting an invitation to the above Assembly. RODRIGUEZ said that he was going to Mexico City on Monday and would see what he could do on Monday, 31 August. He will call AMWHIP/1 in New York either Monday or Tuesday. AMWHIP/1 will put off his European trip until he hears from RODRIGUEZ.
