* Referenced DIR 48744 which WAVE interpreted as new designation of ODACID
agency to handle AMBUD and considered encouraging development from WAVE standpoint
since would clear up confusion caused by previous multiple channels. Asked
questions re ODACID contact with AMBUD in WAVE area and whether ODACID would handle
6- AMIROW. Para 2 said WAVE preferred, for security reasons, not discuss with
6-AMIROW matter of transferring AMIROW personnel from San Pedro Sula to Tegucigalpa
as requested by Station TEGU.
