5. I told the members of the Agency (sic) at a meeting held in January 1961 attended by [redacted] (Covert Tax Branch), [redacted] (General Counsel Office) and [redacted] (Chief, Support, AMIA) it was decided that payments made to designated dependents of trainees were not salary payments but were subsistence payments not taxable. At this meeting, Mr. [redacted] stated that any salaries paid to council members of AMIA would be the personal responsibility of the individual receiving the salary and that reporting to Internal Revenue would be in accordance with existing laws. He also stated there was no policing to be made by this Agency. (b) No withholdings for taxes were made by AMIA. (c) AMIA has no official or corporate status in the U.S. (d) Subsistence payments represented living allowances to dependents of foreign nationals who were training for the project primarily outside of the U.S. (e) There was no evidence of official notice to AMIA of any tax liability.

6. After a general discussion as to how Representative Karsten would be briefed to his satisfaction, the meeting was adjourned.
