MEMORANDUM FOR: Secretary, CSCS Board

SUBJECT: Recommendation for Promotion -
Robert P. Wheeler

1. As one of the final acts in my CIA career I want to bring to your attention and add my strong concurrence and recommendation to two (2) recorded recommendations for the promotion of Robert P. Wheeler to the grade GS-17. I find it hard to imagine a more persuasive recommendation for this action than that forwarded by my predecessor in June 1969 (Attached). I can imagine [redacted] feeling when he prepared the second recommendation in February 1970 (Attached). And yet, I find in February 1971 there has still been no action. In the year that has passed this promotion has become even more deserved, for despite the natural disappointment accompanying such a continuing lack of recognition, there has been no diminution of enthusiasm, no lowering of standards, and the CS is clearly better managed because of his continuing efforts. Were these two previous recommendations not so clear cut and descriptive, I would conclude that those in control simply do not know what this officer does and has done. Knowing what he does and how he does it should not continue to be unrewarded and, hence, I add my strongest recommendation for early and favorable action.

2. This officer has performed in a most outstanding manner, as testified in his fitness reports by my predecessor, and certainly during my tenure as Chief, MPS for the past 12 months.

MEMORANDUM FOR: Secretary, Clandestine Service Career Service Board

SUBJECT: Recommendation for the Promotion of Mr. Robert P. Wheeler to GS-17

1. It is recommended that Mr. Robert P. Wheeler be promoted to GS-17.
2. Mr. Wheeler obtained a B.A. degree in Political Science from the University of California, Berkeley, in 1942 and a M.A. in International Relations from George Washington University, Washington, D.C., in 1946. He entered the U.S. Navy in 1942 and after a concerted course in Japanese served the Navy until 1946 as an Intelligence Specialist, Japanese Language Officer, and the War Department, still as an Intelligence Specialist [redacted] from 1946 to 1952. In September 1952 he joined the Agency for duty [redacted] returned to Headquarters in June 1956 where he served until 1959; left for service [redacted] from June 1959 to October 1964; served [redacted] in [redacted] from August 1964 to August 1966; served at Headquarters with the office of Planning, Programming and Budgeting (CPPB) from August 1966 until January 1968, and with MPS from the latter date to the present.
3. During his career with the Agency he has been a field Operations Officer, Liaison Officer to overseas U.S. agencies and a foreign intelligence service, a supervisor, Deputy Chief of Station [redacted], Chief PI for a division (PB), Chief of Base [redacted], Program Analyst (CPPB), and Program Analyst and Group Chief (MPS).
4. In his present position as Chief of Program Group in the Missions and Programs Staff, Mr. Wheeler is responsible for liaison between the CS and the CPPB on the PPS System and non-budgetary matters; installing the EPB System

within the CS; advising and assisting CS components in the preparation of Operating Directives and the program portions of the annual responses to the Program Call; chairing the Program Review Panel; preparing and/or coordinating special studies and surveys on operational programs; coordinating and preparing the annual DDP report to the PFIAB; preparing the annual DDP briefing of the DCI on CS problems and progress; and, as required, advising CS components on the requirements of PPBS that need to be addressed in CS documents requiring DCI or Executive Director-Comptroller action.

5. In his previous assignment Mr. Wheeler was detailed to OEPB to give that office, in the preparation of Agency programs for submission to the Bureau of the Budget, a better understanding of clandestine collection and covert action, to help that office better review and integrate CS programs in Agency programs, and to give him a broad view of the PPB System and Agency management in both of which he had shown considerable interest. His performance in that office was rated "Strong," and it was on that performance and on his genuine enthusiasm and interest in management generally that his services were sought for OPS.

6. In the performance of his duties as Chief, OPS/PRG he made immediate use of his long experience in and knowledge of CS operations, the experience and knowledge gained in OEPB, his formal education in the PPB System, and a strong belief in and desire to put to work within the CS certain concepts of that system for general and specific management improvement. Given the idiosyncrasies of the CS, he recognized early that in order to make the PPB system work effectively knowledge of the "why" and "how" of that system must be possessed at every decision-making level. With limitless energy and enthusiasm he set about "preaching the gospel" from division chief to case officer. Whenever and wherever a formal group in assembled and management is a topic for discussion, the Office of Training can count on him to drop everything and hold forth on the subject, be it the Senior Management and Planning Course (whether for supergrades or below), Station Chief Conferences, the CS Senior Seminar (now in session) and the like. Acting as the DDP/TRD's right arm to encourage attendance at the Senior Management and Planning Course he has crusaded with division and staff chiefs for the attendance of certain of

their key employees. To date upwards of 100 from the CS have attended that course with many more to follow. With some of those same senior officials he has argued the benefits ultimately to accrue to their components from the temporary assignment of a senior key official for a year or two to MPS and/or CPPB and eventual return to the mother component. One such arrangement, with duty in CPPB, has just been completed. His tactful, understanding, friendly, businesslike, professional and competent handling of the chairmanship of the PRP and the reviews of the Operating Directive and country activities conducted by that Panel leaves little to be desired. Regarding the PPB System, he reads everything, pro and con, that comes to his attention, and he has spent a fair sum out of his own pocket to build a library on the subject. He has persuaded potential converts to the system to read those books, magazines, periodicals and pamphlets to the end that most of that library is on constant loan. His insatiable appetite for news on current as well as historical domestic and foreign matters, his excellent sense of humor, and his genuine friendliness are invaluable assets in his present assignment inasmuch as they have given him such a wide range of acquaintances, in and out of the CS, as to open wide the door for discussion on MPS responsibilities that are anything but soxy. He is so highly regarded by his contacts in the divisions and staffs of the CS and in CPPB that his advice and guidance are constantly sought. He gives of his time and energy willingly, regardless of the grade of the individual or the magnitude of the problem. His enthusiasm is catching and he sets an excellent example for subordinates, equals and superiors as well.

7. In view of the above, Mr. Wheeler, a broadgauged, fast moving, competent, dedicated, sincere and friendly individual who has not yet reached his full potential, whose goal is to make the Clandestine Service the best managed directorate in CIA, and who will soon have served five years in grade, is strongly recommended for promotion to GS-17.

MEMORANDUM FOR: Secretary, Clandestine Service
Career Service Board

SUBJECT: Recommendation for the Promotion
of Mr. Robert P. Wheeler to GS-17

1. It is recommended that Mr. Robert P. Wheeler be promoted to the grade GS-17.
2. By memorandum dated 5 June 1969 the undersigned recommended Mr. Wheeler for promotion. In that memorandum was set out the career of Mr. Wheeler from the date he completed college (1942) until June 1969, and was described his wartime (1942-1946), immediate post-war (1946-1952) and Agency (1952-to June 1969) experience, all in the field of intelligence. Since it is the opinion of the undersigned that the Board should have the benefit of all the facts stated in that memorandum and since there is no change in the contents thereof, I hereby incorporate by reference the memorandum of 5 June 1969, make it part hereof and attach it hereto as a significant part of the present memorandum.
3. The time passed since 5 June 1969 has served only to confirm my conviction in Mr. Wheeler's true value to the CS. He has continued the strong leadership of the Program Review Panel and his subordinates. His unbounded energy and incessant championing of the applicable principles of the PPS System have resulted in office chiefs or other most senior officials appearing before the last Program Review Panel apparently interested and better prepared than ever before. His obvious sincerity and friendly and intelligent approach to the job have convinced many of the need for the better management of their affairs. This is no mean accomplishment in a world where the normal human resents

even constructive criticism. Mr. Wheeler is so dedicated to making the CS the best managed component in the Agency that he continues to spend his own earnings on books and periodicals on the subject of management and to encourage interested parties to read them and pass them on to others.

4. The undersigned is aware that for the past six (6) months a private interest has dangled an impressive carrot in front of Mr. Wheeler in an attempt to induce him to retire and represent overseas the interests of that private concern. This fact is not to be considered by the Board as a sword of Damocles. It is simply to bring to the Board's attention that if a promotion at this time should serve to dissuade Mr. Wheeler from accepting the proffered job, the Board would have been instrumental in retaining for the CS in the management field one of the most dedicated, friendly, readily accepted, knowledgeable, industrious and qualified officers in the Agency.

5. In view of paragraph 3 above, the contents of the attachment hereto, and his potential for further growth, Mr. Wheeler is strongly recommended for promotion to Grade GS-17.

MEMORANDUM FOR : Robert P. Wheeler
THROUGH : Head of Career Service
SUBJECT : Retirement Planning

1. In order to assist employees in planning for their eventual retirement, it is the practice of the Agency to notify each employee at a point in service five years prior to the date of scheduled retirement. I am, therefore, taking this opportunity to advise you that you are scheduled to retire in October 1975.
2. The prospect of retirement from the Agency deserves serious thought and careful planning so that you may make the transition to the next phase of life with purpose and confidence. To assist you in this regard, the Agency will make available to you various resources which are attuned to the needs of prospective retirees. In October 1970, the Agency will conduct a Retirement Information Seminar to which you will be invited. Your spouse, if you are married, may accompany you to this seminar. Following the seminar, you will be invited by the Retirement Counselor for your Directorate to an individual pre-retirement counseling session (or more than one, if you wish); this phase of retirement planning will be tailored solely to your own particular situation and circumstances and will be within the context of the retirement system under which you will retire. The individual counseling sessions are intended to give you a wide range of information on such matters as estimates of your annuity, survivor benefits, life and health insurance, Social Security taxes, relocation and movement of household effects and assistance in obtaining other employment, if appropriate. In addition to the sessions with your Retirement Counselor, you will be invited to avail yourself of selected literature on all aspects of retirement.
3. Some persons who wish to retire voluntarily prior to the scheduled date, or who wish to commence their planning as early as possible, prefer to work with their Retirement Counselor well before the time he would normally contact them. If you believe you would benefit from such an earlier start on your personal planning, you are invited to contact the Retirement Counselor responsible for your Directorate. He is assigned from your Directorate to the Retirement Affairs Division, 212 Magazine Building in Rosslyn, on telephone extension 3328.
4. Experience has amply demonstrated that careful planning facilitates the transition to retirement. I recommend, strongly, that you avail yourself of the services the Agency offers you in planning your own retirement.

MEMORANDUM FOR : Mr. Robert P. Wheeler
THROUGH : Administrative Officer, MPS
SUBJECT : Purchase of Service Credit

1. This is to advise you that your application to purchase service credit under the CIA Retirement and Disability System has been processed. The amount of \$437.00 will be required to purchase credit for the period 18 June 1946 through 17 June 1947 when no deductions were withheld from your salary. Under the current provisions of the CIA Retirement System, payment of the above amount will increase your annuity by approximately 2 per cent of your high-three average salary at the time of retirement. The amount due includes interest to the present date.

2. It should be explained that under the CIA Retirement and Disability System, all periods of creditable Federal civilian service during which retirement deductions were not taken from salary must be purchased by making a deposit in order for the time to be counted in the computation of the retirement annuity. Under the Civil Service Retirement System, such periods of Federal service are always creditable in the computation of annuity, but if not purchased, the annuity is reduced by 10 per cent of the amount due. For example, if a deposit of \$1,000 is required to purchase credit for those periods of service during which no deductions were withheld from salary, and it is not paid, the basic annuity would be reduced by \$100 per year. If the deposit of \$1,000 is paid, the retiree would have to wait 10 years to recover his own deposit before profiting from the payment.

ADMINISTRATIVE - INTERNAL USE ONLY

ADMINISTRATIVE-INTERNAL USE ONLY

-2-

3. The Agency has as an aim: legislatively to secure the Civil Service option, i. e., credit for periods of non-deduction service without prior payment therefor, but with reduction of the basic annuity by 10 per cent of the amount due. Therefore, you may wish to consider deferring payment. You should be aware that the interest on the amount due will continue to accumulate at the rate of 3 per cent compounded annually if you decide to defer. For example, if it would take \$1,000 to purchase credit today, the amount due one year later would be \$1,030.

4. After consideration of the above options, if you wish to purchase credit for the period of non-deduction service noted in paragraph 1, please make your check payable to the Treasurer of the United States and forward it to the Chief, Retirement Operations Branch, 205 Magazine Building. If you prefer, you may make installment payments or arrange for bi-weekly payroll allotments of \$25.00 or multiples thereof. A receipt showing a statement of your account will be sent to you acknowledging each payment.

MEMORANDUM FOR: Secretary, CS Career Service Board

SUBJECT: Recommendation for Promotion to GS-16,
Mr. Robert P. Wheeler

1. It is recommended that Mr. Robert P. Wheeler be promoted to GS-16. He has been in grade since December 1957.

2. Mr. Wheeler is serving as Deputy Chief of [redacted]. To this post he has brought his depth of knowledge of things [redacted] gained over many years of concentration on this subject. He has also brought his operational ability and his personal capability of operating among significant [redacted] leaders. He has been of major value through a most difficult period of very substantial reduction of the station's staff and the termination of many of its functions. While Mr. Wheeler may have spent much of his time on things [redacted] he has also served as Chief, FI, for FE Division in which post he demonstrated his ability to operate on [redacted] matters with force, intelligence and dispatch.

3. For these reasons it is recommended that Mr. Wheeler be promoted to GS-16.

MEMORANDUM FOR: Secretary, CS Career Service Board

**SUBJECT: Recommendation for Promotion to GS-16 --
Mr. Robert P. Wheeler**

1. Mr. Wheeler stands Number Four on the Division's list of recommended promotions to GS-16. Mr. Wheeler is 47 years old and has been in grade since December 1957. Most of Mr. Wheeler's Agency career has been devoted to the [redacted] although he served one tour most commendably as Chief FI for the FE Division. He is now [redacted] and is an operations officer and executive of the highest quality. In addition to bearing a very large share of the administrative burden of a big station, Mr. Wheeler has acquired a collection of [redacted] friends and contacts in important governmental and business circles unequalled, I believe, by any other member of the official American community [redacted]. Although he has exploited these contacts most effectively for Agency and U.S. Governmental purposes, it is the plan of the FE Division to give freer rein to Mr. Wheeler's operations in this field by arranging, carefully and deliberately, [redacted] for Mr. Wheeler which will permit him to devote a greater share of his time to the exploitation of this most important section of [redacted]. We believe that his very considerable talents as an administrator can be adequately replaced but that his standing among the [redacted] and his capability for operational exploitation of his advantages are unique. I believe that Mr. Wheeler can well be considered to be the prototype of the high ranking staff officer who can forego bureaucratic advancement for a purely operational career.

[redacted]

2. On the basis of his proven ability and past performance as well as his seniority I believe Mr. Wheeler to be fully qualified for promotion to GS-16.

Desmond Fitzgerald
Chief, Far East Division

MEMORANDUM FOR: Clandestine Services Career Service Board

SUBJECT: Wheeler, Robert P. -- Recommendation for Promotion
from GS-14 to GS-15

1. Mr. Wheeler entered on duty with CIA on 28 September 1952 as a GS-14. He had, previous to that, served in a distinguished manner with the G-2 Section of the Army in Japan in the early days of the occupation. His name was submitted for promotion by the Chief of the [redacted] in November 1955. He entered on duty at Headquarters as Deputy Chief of the [redacted] in September 1956. In April, 1957 he became Acting Branch Chief and has been serving in this position in a superior manner. He is 41 years of age and has been in grade with the Agency for 4½ years.

2. A review of Mr. Wheeler's Fitness Reports will adequately reflect his strength and weaknesses, with the possible exception of the most recent one dated 7 July 1956, in which, in the undersigned's opinion, the rating officer did not have adequate time to fairly rate Mr. Wheeler. Granting his occasional tendency to [redacted] he is, nevertheless, one of the hardest working and generally capable officers I have been associated with. He has great ability in dealing with people, he is an accurate and meticulous reporter, and he is adjusting rapidly to the requirements of his job in Headquarters and is turning in a most effective performance. In view of the length of time in grade, his age, and above all his performance, I strongly recommend Mr. Wheeler for promotion from GS-14 to GS-15. It is planned in the near future to appoint Mr. Wheeler Chief of the Foreign Intelligence Staff of the FE division, a most responsible GS-15 position.

Robert P. Wheeler

1. The position currently held by incumbent is two-fold: a. Deputy for [redacted]. These two positions will be described separately.

2. Deputy [redacted]

As the title implies, incumbent is Deputy Chief, [redacted] for [redacted] activities, a position comparable to the Deputies for Administration and [redacted] activities. As such, incumbent is the responsible officer for the [redacted] activities of the [redacted] responsible to the Chief and Deputy Chief of Base. These responsibilities include the originating, planning and supervision of the execution of all [redacted] activities under the broad supervision of the Chief of Base, guided and directed by [redacted] regulations such as the [redacted] and the [redacted]. Incumbent supervises the work of approximately twenty persons ranging in grade from GS-13 to GS-5 and including such persons as the [redacted] operations officer, the special projects officer, the chiefs of the [redacted] sections of the Base. It is incumbent's further responsibility, generally on the initiative of the Deputy for Administration, to handle certain personnel matters for [redacted] personnel, matters such as efficiency reports, promotion actions, disciplinary actions, etc. Incumbent also represents the Base on all [redacted] matters, being charged, for example, with most [redacted] relations with higher echelons, such as the Senior Representative, IA, and laterally with [redacted] elements of adjacent Bases. As one of five Deputies, incumbent assists in setting Base policy, determination of personnel assignments, determination of work assignments, determination of Base operational priorities (again under the guidance and direction of KUBARK Headquarters), and, generally with the Chief of Base but often on his own responsibility, represents the [redacted] aspects of the Base and of [redacted] so far as [redacted] is concerned to ODEAMP, ODIREX and ODUNIT.

3. Deputy for Liaison, [redacted] (or Chief, [redacted])

In this capacity incumbent is charged with basic responsibility for all [redacted] liaison activities, with all [redacted] or entities and other ODEKAT Agencies represented in [redacted]. Here incumbent is responsible to the Chief of Base for the origination, planning, supervision and frequently the actual conduct of all Base liaison, under the broad guidance of FR 52-200. Under incumbent's direct supervision are approximately twenty persons, separate from those mentioned above, who range in grade from GS-14 to [redacted] including all Base personnel in any form of liaison activity though their basic assignment may well be in one of the operating sections of the Mission. Being the Senior Liaison person of the Base, incumbent is frequently called upon to conduct liaison activities with such persons, on the one hand, as the Deputy Prime Minister of the host country, the Chiefs of major [redacted] governmental departments, high ranking officials of various branches of the host country, and, on the other, with such persons as the Senior ODEKAT rep executive in the country

and various branch or section heads of the local COMSEC establishment, senior military officers of all three services and various branch and section chiefs of the local military establishments. One segment of these activities involves KUBARK matters of high importance. One of the primary direct responsibilities of incumbent is the origination of KUBARK liaison with these agencies and of equal import is the maintenance of good liaison relationships, stepping in where there is potential trouble, where policy decisions have to be made, where new departures in liaison are necessary (such as joint operational activities with other PACO or other COMSEC agencies).

4. Inherent in both of the current assignments is the planning and review function which are both so necessary to effective and continued operations. This includes the initiation of FPOPs and review of those originated by personnel under the supervision of incumbent; included also is operational review and critical analysis of all [redacted] and [redacted].
5. In addition to the above functions and responsibilities, incumbent is also the case officer for one [redacted].
6. Aside from the above general description of incumbent's duties and responsibilities the following seems pertinent; incumbent has been on duty in [redacted] with minor interruptions, since September 1945 and in this period, seven years was spent with G-2 of the command (throughout its many changes). One result of this service has been an uninterrupted liaison relationship with many [redacted] and more importantly [redacted] while, on the other hand, at the same time there has been a rather unique relationship with the Command and with personnel of the Command (many of the COMSEC personnel with whom KUBARK is now in liaison are persons with whom incumbent has worked intimately at some period throughout the past ten years, making for a naturalness of relationship that has paid innumerable dividends). In addition incumbent has specialized in things [redacted] for some fifteen years, being somewhat more than a neophyte in [redacted] economics, language, and customs and traditions.
7. I certify that the above described duties are true and correct.

1. It is a very real pleasure for me to be able to acknowledge the excellent manner in which you carried out your duties as officer in charge of the direct handling of the POCARGO case. You are to be particularly commended on the manner in which you adjusted to a type of operation with which you had never previously been directly concerned, on the personal rapport which you developed with POCARGO and the good judgment displayed in anticipating and dealing with difficult personality problems, and on your understanding of the broad policy problems implicit in this case.

Name: Robert P. Wheeler (060947)
Date of Birth: 10/04/15
Sex: Male
Grade: GS-17
SD: D
Official Position Title: Ops Officer - Staff Chief
Current Station: Headquarters
Type of Report: Annual
Reporting Period: 1 April 1972 - 8 May 1973

During the past reporting period Mr. Wheeler has served his first full year as Chief of the newly-created [redacted]. He has worked hard and long to improve and simplify the procedures through which we recruit, train, and deploy our nonofficial cover personnel. He has identified accurately the bureaucratic roadblocks that stand in the way of our efficient use of nonofficial cover and if he has not succeeded in removing these barriers he has made some progress. His enthusiasm for the job and his belief that it can be done have been invaluable during a formative period, and his performance on the whole has been a strong one.

[redacted] As Chief, MPS, Mr. Wheeler effectively supervised the important planning and budgetary functions of that office and under his leadership the Clandestine Service has considerably improved its programming presentations to the 7th floor and, due to the effective staff work and Mr. Wheeler's guidance, the area divisions have been largely relieved of the many questionnaires and interventions with which they were once plagued.

MEMORANDUM FOR: Director of Personnel
SUBJECT: Fitness Report (Special) -
Robert P. Wheeler

1. This memorandum is submitted in lieu of the Fitness Report form to cover the performance of Mr. Wheeler from 1 March 1970 through February 1971. It is submitted as the final report of the Rating Officer who is retiring at the end of February 1971.

2. Mr. Wheeler's outstanding characteristics are his integrity and total dedication to the continuing upgrading of management within the CS at all levels. By background, interest and training; by service in OPPE; by full-time participation in the Federal Executive Institute; and by his abiding determination to instill others with a similar will for perfection within the CS, he has made a valuable contribution to the Missions and Programs Staff (MPS) and to the Clandestine Services.

3. As chief of the Program Review Panel he has chaired the hearings of the various divisions with a great degree of sensitivity and knowledge, and has upgraded the quality and substance of those hearings. He has been especially helpful in those instances where divisions have proposed new approaches, as well as in the development of new and effective management techniques designed to simplify control and to coordinate the activities of headquarters elements and field stations.

4. Mr. Wheeler is a natural leader, bright and original. His is a creative mind, and innovative. He is articulate, rational, and thinks and talks sequentially. He has demonstrated clearly his ability to instill enthusiasm and continuing effort on the part of his subordinate officers who, taking their cue from him, are thoughtful, energetic and hard working. His officers demonstrate very high morale and great enjoyment and satisfaction in their work.

5. Mr. Wheeler also has the gift of being able to absorb rapidly and commit to paper accurately and quickly, a characteristic and asset of his which has much to commend it.

6. He has been a superb deputy, acting in this capacity in my absence. He has excellent recall, is a gifted administrator, and has introduced a number of procedural changes that have increased MPS effectiveness. He has been effective in dealing with OPPB and in participation in the briefings of Office of Management and Budget (OMB) personnel. He is very cost conscious and has made several suggestions resulting in the saving of hundreds of thousands of dollars. Mr. Wheeler has always enthusiastically accepted assignments to panels designed to upgrade the quality of various trouble areas, the latest being the searching look into the [redacted] situation within the CS.

7. Mr. Wheeler is a searching individual who is totally committed to the Plans Directorate and has the high regard of most of the elements comprising the Clandestine Services.

8. As I have previously recommended, I believe Mr. Wheeler would make an outstanding Chief of the Missions and Programs Staff.

SUBJECT: Fitness Report (Special) -
Robert P. Wheeler

060747-6514 - MRS - D

1. This memorandum is submitted in lieu of the Fitness Report form to cover the performance of Mr. Wheeler from 1 April 1969 to February 1970. It is submitted as a Special Fitness Report to serve as the final report of the Rating Officer who is retiring at the end of February 1970.

2. As Chief of the Programs Group (PRG) of the Missions and Programs Staff, Mr. Wheeler is responsible for, inter alia, liaison, except on budgetary matters, between the CS and OPPB; installing the Planning, Programming and Budgeting System (PPBS) within the CS; advising and assisting CS components in the preparation of Operating Directives and the program portions of the annual Operating Program response; chairing the Program Review Panel; preparing and/or coordinating special studies and surveys on operational programs; preparing DDP responses to requests of the Executive Director-Comptroller on CS programs, etc.; and, as required, advising CS components on those requirements of the PPBS that need to be addressed in CS documents requiring DCI or Executive Director-Comptroller action.

3. In carrying out the above-stated functions Mr. Wheeler has continued his superb performance in the field of management. His unusual dedication and sensible approach to and great enthusiasm for the tenets of PPBS have contributed immensely to the system's installation in the Clandestine Service. His energy, logical reasoning and sincerity have infected his numerous contacts within the CS and are goals which his officer-subordinates are striving to attain. He is so strong in his determination that good management will prevail in all components of the CS that he

has never passed up an opportunity informally to discuss PPBS, to lecture at formal courses and to assist the DDP/TRO in his exhortations for management training. He has been a strong leader as Chairman of the Program Review Panel and supervisor of his subordinates. He has been outstanding in his ability rapidly to gather facts and produce a document in response to program and management queries levied on MPS. His wide CS experience, affability, sincerity, intelligence and dedication to the missions of the Agency, all of which have continued to be in evidence during the reporting period, make Mr. Wheeler, in the opinion of the Rating Officer, one of the CS' most valuable officers.

MEMORANDUM FOR: Director of Personnel

SUBJECT: Fitness Report (Annual) -
Robert P. Wheeler

1. In compliance with HR 20-20, this memorandum is submitted in lieu of Fitness Report Form 45 covering the performance of Mr. Wheeler from January 1968 to 31 March 1969.

2. In late 1967 it was determined that Mr. Wheeler would be reassigned in June 1968 from the Office of Planning, Programming and Budgeting (OPPB) to the Missions and Programs Staff (MPS). Under an arrangement with the Director of PPB, Mr. Wheeler was lent to MPS on 1 January 1968 for the purpose of preparing himself to assume the functions of Chief of the Programs Group (PRG) in MPS. Accordingly, what follows covers the period of the loan, from 1 January to 11 June 1968, and the period as Chief, PRG, from 12 June 1968 to 31 March 1969.

3. From 1 January to 11 June 1968. During the period of loan to MPS, Mr. Wheeler understudied the then Chief of PRG, acquainted himself with all Group files and responsibilities, attended the Advanced Management (Planning) Seminar and performed numerous ad hoc tasks assigned him by C/MPS. He prepared himself for the new assignment and performed the ad hoc tasks assigned with such dispatch, enthusiasm and intelligence as to augur well for the future. No minor task was too menial; every major task was readily accepted as a challenge. In short, his preparation for the new position soon to be assumed left little to be desired on the part of the Rating Officer.

4. From 12 June 1968 to 31 March 1969. As Chief of PRG, Mr. Wheeler is responsible for, inter alia, liaison on non-budgetary matters between the CS and OPPB; installing the Planning, Programming and Budgeting System (PPBS) within the CS; advising and assisting CS components in the preparation of Operating Directives and the program

portions of the annual Operating Program responses; chairing the Program Review Panel; preparing and/or coordinating special studies and surveys on operational programs; and, as required, advising CS components on the requirements of PPBS that need to be addressed in CS documents requiring DCI or Executive Director-Comptroller action.

5. In carrying out the functions enumerated in paragraph 4, above, Mr. Wheeler has displayed drive, initiative, enthusiasm and understanding. He has pushed within the CS on those concepts of PPBS that are considered applicable to an intelligence organization and has argued with OPPB against forcing the CS to apply those concepts which are not considered to be applicable. He has worked diligently, alone and with the assistance of the DDP/TRO, to spread throughout the CS an understanding of the why and how of PPBS. He has prepared himself well for and has exercised sound judgment and tact in the handling of the chairmanship of the Program Review Panel, on the actions of which he has brought to bear his experiences in OPPB. He has given unstintingly of his time to lecturing at Agency management courses when requested. Although he understands the need for flexibility in the CS, he has to be slowed down at times so anxious is he to make the CS the best managed directorate in the Agency. His sincere interest in good management has made him and the two senior officers he supervises cost conscious. This affable, conscientious, dedicated, highly experienced, intelligent employee, who already has given evidence of a strong performance, is a pleasure to collaborate with and a valuable asset to MPS and the CS.

SUBJECT: Mr. Robert P. Wheeler, GS-16, O/PPB,
Employee Serial No. 060947, D Career Service

REFERENCE: HR 20-20c(2)

1. In accordance with reference, this memorandum is submitted in lieu of a Fitness Report (Form 45). This is an annual report but in view of Mr. Wheeler's transfer to the Missions and Programs Staff, DD/P, in January 1968, it covers only the period April 1967 through December 1967.

2. Mr. Wheeler's assignment as Program Analyst involved: (a) reviewing and evaluating Agency activities, principally covert action programs; (b) participating in special in-depth studies of selected Agency activities; (c) preparing the Covert Action Program Memorandum for the Director's approval and submission to the Bureau of the Budget; (d) keeping abreast of Agency plans, programs, and progress toward defined objectives; (e) providing general staff assistance to the Director/PPB in implementing the Agency planning, programming, and budgeting system; and (f) preparing special presentations and correspondence for the Office of the Director.

3. During the year, Mr. Wheeler participated in a survey by the Inspector General of Agency proprietary organizations. He contributed significantly to the study. In addition, he was the Office monitor for at least two studies for the Bureau of the Budget.

4. Mr. Wheeler was the principal analyst assigned to the review of the Agency's Covert Action Program. He reviewed Directorate program plans and proposals, identified issues to be raised with the Director, and prepared a Program Memorandum for the Director's approval which presented Agency Covert Action plans and programs for the next five years.

5. Mr. Wheeler's long operational experience, extensive contacts throughout the Agency, and exceptional writing ability have contributed to the realistic appraisal of programs and plans and to their effective presentation to the Director and to the Bureau of the Budget. Mr. Wheeler is effective in dealing with other elements of the Agency and has contributed useful suggestions for improving operations and analysis. In summary, Mr. Wheeler made a significant contribution while in the Office. In view of the similarity in functions between the two organizations, I would expect this contribution to be carried forward to his new assignment.

6. I rate Mr. Wheeler's over-all performance during the period as Strong.

7. Mr. Wheeler had no supervisory responsibilities.

I thought that from a broad, general standpoint the orientation was worthwhile but that far more BOB participation would have enhanced the program greatly. There was too much of "we think this is what BOB means" and too little of BOB saying "this is what we mean". I found the movie presentation of Dr. E. S. Quade's speech terrible because of inept projection, faulty audio equipment, and out-of-place music. Dr. Quade had a message and fortunately the CSC planners must have known their film was inadequate, for we were provided with the written text. Outstanding possibly because he stood out so far in comparison to the others was Mr. Peter Szanton from BOB. Dr. Adams from the University of Maryland was quite good and Mr. Greenhouse of VA was one of the few others who really seemed to know what he was talking about beyond immediate low to medium level parochial application.

2. It is against this perspective that Subject's performance during the past year should be evaluated. He approached his job with enthusiasm and vigor but soon found that there were no tangible operational activities he could devote himself or his supporting agents to. He has been frank to state officially and unofficially the absence of any targets to which an operational base could direct itself and has therefore been relatively unoccupied during this period except for an occasional item of local coordination or follow-up on a headquarters task. [REDACTED]
Annual Report For the Period 1 April 1963 - 31 March 1964

In preparing this memorandum in lieu of submitting Fitness Report Form 45, I can only set forth my yearly reiteration that Subject is a senior, well-experienced, well-motivated, high caliber KUBARK officer who has been in his present grade, GS-15, since 1957. His high standard of contribution to the Station as its Deputy Chief of Station continues unfailingly. [REDACTED] operations encompass a broad spectrum of [REDACTED]

[REDACTED] To keep on top of this activity it needs a man of energy backed up by sound operational knowledge and Subject has carried this job capably and with a will. I would certainly grade him "S" in performance evaluation.

[REDACTED] is widely dispersed and I have urged Subject on several occasions to get out to the various operational elements in an attempt to get closer to and stimulate the working case officers. After one or two starts he has not kept this up on a continuing basis, remaining at his [REDACTED] desk and invariably working through the individual branch chiefs. I am convinced more effort on his part in this field could have resulted in more yield to the Station from his long area and operations experience.

Subject actively participates in the operational review and budget preparation of the Station and has shown a definite cost consciousness.

Subject's [REDACTED] are well-known and the pro's and con's of the value of an officer remaining in one area for the major portion of his time with KUBARK (possibly to the detriment of his career) have been discussed to a sufficient degree as to rule out further reference in this memorandum. Subject is scheduled to leave [REDACTED] and enter an assignment where his operational talents will be of great value.

In any considerations concerning Subject being conducted by any personnel board or by any official of the Agency interested in KUBARK personnel, the significant points are Subject is a deeply motivated, highly capable officer who has been in his current grade too long.

A review of the file reflects that [redacted] has been constantly rated as a well-motivated, superior officer always willing to spend the "extra effort" by a variety of supervisors. During the rating period there has been no diminution in the caliber of professionalism or in the time and effort this man has contributed to the work of the [redacted]. He is a distinct asset. Over and above his drive and professionalism, [redacted] brings to the Station a full background concerning intelligence activities having been associated with such activities [redacted] for the last seventeen years, either with the military or as a member of the Agency. All of this time he has been [redacted] except for a period of almost three years in Washington.

[redacted] has a proficiency in [redacted] and due to his long tenure [redacted] has contacts at a variety of levels.

In sum, the Agency has in [redacted] a superior officer with long background and continuity [redacted] who can and is making a highly significant contribution to the Agency's objectives in [redacted].

1. Chief of Station [redacted] was requested to forward a memorandum, in lieu of Fitness Report Form 45, on Mr. Robert P. Wheeler, Deputy Chief of Station, [redacted] to cover the period April 1961 to October 1962. His comments are as stated below:

Mr. Wheeler is a superior operations officer of wide scope, experience and imagination. He has over a period of years been highly successful in a variety of supervisory roles both operational and staff. In addition to these attributes he has unique qualifications of an extensive, continuous operational span of time [redacted] [redacted] contacts at a variety of levels and proficiency in the [redacted] language. Because of these latter aspects of his ability, he is able to contribute extensively to [redacted] CIA operational objectives.

Subject is a superior officer in every important respect. He is intelligent, imaginative, resourceful and has balanced judgment. He understands administrative procedures and knows how to get his work done. As a supervisor, he is firm and fair, and achieves the respect of his subordinates. As a subordinate, he is unfailingly loyal and helpful. He has a good overall grasp of the intelligence business and maintains a healthy attitude of common sense with respect to operations. He is especially useful because of his great knowledge of and long experience in handling personalities and psychology, yet I consider he would be a superior officer and supervisor in any other context. His personal character is of the best.

Describe, if appropriate, his potential for development and for assuming greater responsibilities. Amplify or explain, if appropriate, ratings given in SECTIONS B, C, and D to provide the best basis for determining future personnel actions.

This is the first Fitness Report made by Rating Officer on Subject since the latter assumed duties as Deputy for Operations, [redacted] He has worked out extremely well in this role. He is intelligent, energetic, hard-working and faultlessly loyal. He pays attention to detail while remaining mindful of larger considerations. He is effective as a supervisor and commands the willing allegiance of his subordinates. He has excellent judgment in both administrative and operational matters. Because of his extensive background [redacted] his knowledge of things and people [redacted] and his fair-to-good command of the language, he is particularly well suited for his present position. However, he would be an asset to any station or element of Headquarters in a high supervisory position.

This report has been prepared in accordance with FE Division standards which recognize the principle of rating the individual against the group. Thus an 'average' rating reflects an entirely satisfactory performance.

Subject is a well-seasoned, imaginative operations officer, who is extremely practical in his approach to operational situations. He is especially fine in his dealings with people whether superiors or subordinates. He did an excellent job as a member of the FE Division Staff in improving and expediting the FI and CI activities of the Division. Subject has an excellent background in [redacted] and is extremely adept at building rapport with his counterparts.

MEMORANDUM FOR THE RECORD

SUBJECT: Fitness Report on Robert P. WHEELER

1. The attached Fitness Report should be read with the following facts in mind. The Rating Officer arrived in [redacted] on 21 January 1956. Mr. Wheeler left [redacted] on or about 19 March 1956 and was in the United States on TDY until 8 May 1956. From 8 May until he left [redacted] on 7 June 1956, Mr. Wheeler was unassigned [redacted] while the Rating Officer was Chief of Operations, [redacted]. Mr. Wheeler was in his assigned position simultaneously for less than one month and it is my understanding Mr. Wheeler did not report to Mr. Hecksher, but directly to the Chief of Station.

2. I question, therefore, whether Mr. Wheeler was under the Rating Officer's direct supervision for a sufficient period of time to insure that the attached report is a completely equitable one. Inasmuch as the Chief of Station reviewed this report and made no comment, I am in no position to take issue with it, but suggest that it be viewed in the context of other Fitness Reports on Mr. Wheeler.

SECTION IV

This section is provided as an aid in describing the individual. Your description is not favorable or unfavorable in itself but acquires its meaning in relation to a particular job or assignment. **IN MATTER ROOM** words are to be interpreted literally.

On the left hand side of the page below are a series of statements that apply in some degree to most people. On the right hand side of the page are four major categories of descriptions. The scale within each category is divided into three small blocks; this is to allow you to make finer distinctions if you so desire. Look at the statement on the left - then check the category on the right which best tells how much the statement applies to the person you are rating. Placing an "X" in the "Not Observed" column means you have no opinion on whether a phrase applies to an individual. Placing an "X" in the "Does Not Apply" column means that you have the definite opinion that the description is not at all suited to the individual.

WE WILL BE REPORTING IN ANOTHER FORM OUR ANALYSIS OF THE CASE [redacted] I JUST WANT TO TELL YOU, HOWEVER, THAT WE WOULD NOT RPT NOT HAVE BEEN ABLE TO GET THE RESULTS WE DID IF IT HAD NOT BEEN FOR PETE WHEELER. HE WAS ON THE JOB WITHIN MINUTES AFTER THE MEN WALKED IN, GOT HIS RUSSIAN SPEAKING PEOPLE WORKING QUICKLY, AND HELPED TO HANDLE THE WHOLE AFFAIR WITH EFFICIENCY AND DISPATCH. HIS EXPERIENCE [redacted] AND THE CONFIDENCE WHICH THE [redacted] AUTHORITIES SHOWED IN WORKING WITH HIM WERE A DECISIVE FACTOR IN THE DEFINITE CHANGE WHICH TOOK PLACE OVER THE WEEKEND IN THE [redacted] ATTITUDE ON HOW TO HANDLE CASES LIKE THIS.

HIS CONTRIBUTION HAS BEEN MAJOR AND THE RESULTS WILL BE LONG-LIVED. THIS IS ONLY ANOTHER EXAMPLE OF THE SERVICE WHEELER HAS PERFORMED HERE OVER THE YEARS. WE ARE SORRY TO SEE HIM LEAVE AND WILL MISS HIM VERY MUCH.

17. REMARKS (additional comment):

ATTACHMENT TO FIELD REASSIGNMENT QUESTIONNAIRE:

Re Paragraph C - Preference for Next Assignment:

1. I would like to state that while a tour at Headquarters should be my preference I believe that for me to leave my current assignment at this time for even one year would not be in the best interests of either KUMARK or ODYOKE. Therefore, I request home leave, with approximately one month at Headquarters for requested training and refresher work and one month of leave, returning to current assignment for at least an additional two-year tour with the proviso that after the first year the situation be re-examined with the ultimate view of possibly at that point considering a two-year tour at Headquarters.

2.

I feel that I have been able to provide a certain degree of intelligence continuity which could be spoiled by a two-year break. Realizing that career-wise I should spend at least one tour at Headquarters in the future, I believe that, despite possible reflections against my career, that two year period should be delayed until

3. I believe that by experience, training and inclination I can better serve KUMARK in this country in the type of work in which I am now engaged than by any other assignment currently known to me.

JUN 6 1955

CONFIDENTIAL

NARRATIVE EVALUATION REPORT

Name: [REDACTED] 43-14

Period Covered: 1 June 1953 to 1 June 1954

Occasion for report: Annual X; reassignment of reporting officer _____; proposed reassignment of employee reported on _____; covering initial 90 days of employment _____.

Employee is to be rated upon following factors:

1. Knowledge of the job being performed.
2. Judgment in arriving at logical and workable solutions.
3. Dependability, not only in being on the job, but in accomplishment of assigned tasks within reasonable deadlines.
4. Stability under pressure and ability to adjust to changing conditions and circumstances.
5. Imagination, initiative, and originality.
6. Security consciousness.
7. Tact and diplomacy in dealing with others.

IN FAIRNESS TO EMPLOYEES, COMPLETED NARRATIVE EVALUATIONS
SHOULD BE DISCUSSED WITH EMPLOYEE CONCERNED

1. Employee is well qualified in substantive fields [REDACTED] [REDACTED] [REDACTED]. This knowledge serves him exceedingly well in the performance of assigned duties. What knowledge he lacks concerning KUBARK policies or procedures is fast being supplied by practical field experience.
2. His judgment at arriving at logical solutions is good under normal conditions, and he generally comes up with solutions which are workable and realistic.
3. He is completely dependable and is particularly sensitive to deadlines, which he makes almost a fetish of meeting. In every sense of the word, he is a man of action in terms of treating with the recurring problems of the station.
4. Employee is somewhat excitable and emotional and, thus, at times of unusual pressure, he may require a steadying hand. This is not a serious fault and is one concerning which the employee is aware. He adjusts well to changing conditions and situations.
5. His imagination, initiative, and originality have shown time and again in his dealings with Army personalities [REDACTED] with whom he has maintained excellent relations on behalf of this [REDACTED].

CONFIDENTIAL RYFST

6. Security consciousness is excellent.
7. Tact and diplomacy in dealing with others is superior.

NOTE: See attached sheet for additional comments by Reviewing Officer

Date: 17 June 1954

(If Reviewing Officer or Chief of Station does not concur with this report, exceptions will be stated in space provided below)

CONFIDENTIAL

1. While the Reviewing Officer concurs generally with statements made in this report, it is felt that the over-all impression does not give Subject as much credit as he deserves. In the opinion of the Reviewing Officer, Subject's faults are somewhat over-emphasized. Subject's qualities as exhibited during past months have proven to be outstanding, particularly in his excellent judgment in arriving at logical and workable solutions and in his stability under operational exigencies in which Subject has performed exceedingly well under heavy pressures of both time and responsibility.
2. Working in an area where, in the past, there has been an unfortunate number of misunderstandings between KUFEBE and KUCCAN components, and where there have been the usual difficult personality conflicts, Subject has exhibited not only superior tact and diplomacy, but has also been able to smooth out many difficulties, and modify aggressively offensive actions. He has supplied a needed cooperative spirit and sense of humor to prevent, in many cases, serious antagonisms and unnecessary vituperation so detrimental to a smooth working organization. Subject's contribution to bringing about a friendly, cooperative relationship within the mission and with outside agencies including U.S. military organizations cannot be praised too highly.

INSTRUCTIONS TO APPOINTING OFFICER

The appointing officer before whom the foregoing certificate is made shall determine to his own satisfaction that this appointment would be in conformance with the Civil Service Act, applicable Civil Service Rules and Regulations and Acts of Congress pertaining to appointments.

This form should be checked for nothing of office, pecuniary, suitability in connection with any record of recent discharge or arrest, and particularly for the following:

(1) *Identity of appointee.*—It is the duty of the appointing officer to guard against impersonation and to determine beyond reasonable doubt that the appointee is the same person whose appointment was authorized. The appointee's signature and handwriting are to be compared with the application and the other pertinent papers. If the appointee qualifies in a written examination, the signature on this form should be compared with the signature on the declaration sheet, which was signed in the examination room. The physical appearance may be checked against the medical certificate. The appointee may also be questioned on his personal history for agreement with the previous statements.

(2) *Age.*—If definite age limits have been established for the position, it should be determined that applicant is not outside the age range for appointment. If no such determination is made, the appointment may not be consummated.

(3) *Citizenship.*—The appointing officer is responsible for observing the citizenship provisions of (1) the Civil Service Rules and (2) applicable Acts. Form 21 constitutes an affidavit for both purposes and is acceptable proof of citizenship status in the absence of conflicting evidence. In doubtful cases the appointing officer should be consulted and appropriate action has been secured from the appointing office of the Civil Service Commission.

(4) *Members of Family.*—Section 9 of the Civil Service Act provides that whenever there are already two or more members of a family serving under probational or permanent appointment in the competitive service, no other member of such family is eligible for probational or permanent appointment in the competitive service. The appointments of persons entitled to veteran preference are not subject to this restriction. The members of family previously designated for temporary appointments should not be referred to the appointing office of the Civil Service Commission for discharge.
