PRODUCTION OF INTELLIGENCE, SPECIFIC DETAILS^L OF HOW WE ACCOMPLISH OUR OPS TASKING- SPOTTING, ASSESSMENT, DIRECT CONTACT WITH TARGETS AND USE OF [] STATION BUDGET, ETC., ACTUAL EXAMPLES WERE USED WHENEVER POSSIBLE TO MAKE THE POINT. FOR EXAMPLE, THE PDWHIZ CASE WAS USED TO SHOW HOW THE STATION FOCUSES ON AN INDIVIDUAL, PRIMARY TARGET. IT WAS A LIVELY SESSION, WITH CONGRESSMAN ROBINSON AND SNODGRASS' THE "LIVE WIRES" OF THE GROUP. QUESTIONS WERE OF A ROUTINE NATURE PRIMARILY RELATED TO INCIDENTAL OPS DETAILS. FOR EXAMPLE, CONGRESSMAN ROBINSON NOTED THAT HE FELT IT RATHER EASY TO IDENTIFY

COS RESPONSE WAS THAT SUCH IS OFTEN TRUE, BUT THAT STATIONS AND HQS MANAGEMENT ARE FOCUSING ON THAT SPECIFIC PROBLEM, AND THAT THE [] INCIDENT HAS CERTAINLY ACCELERATED OUR EFFORTS IN THAT REGARD.

SNODGRASS WAS THE FOCAL POINT OF THAT EXCHANGE, AND IT IS REPORTED IN SEPARATE CABLE [REDACTED] 21027). AT [REDACTED] (IN 793209) SNODGRASS' REQUEST STATION HAD ARRANGED A SPECIAL MEETING WITH A SELECT GROUP OF [REDACTED] OFFICIALS, THE DETAILS OF THAT MEETING AND AN ADDITIONAL ONE EARLIER IN THE AFTERNOON OF THE 13TH WITH DEFENSE ARE ALSO DETAILED IN [REDACTED] 21029. (IN) * BECAUSE OF SOME RATHER UNUSUAL DEVELOPMENTS IN THESE MEETINGS, SUGGEST [REDACTED] REVIEW REFERENCED CABLE. THE CABLE WAS GIVEN RESTRICTED HANDLING BY STATION BECAUSE OF THE SENSITIVITY OF ITS CONTENT.

4. THE MEETING LASTED THE FULL HOUR AND THE CONGRESS^S-MEN INDICATED THAT THEY WERE WELL-SATISFIED WITH WHAT HAD BEEN COVERED. CDS STRESSED THAT WE WERE AVAILABLE TO CONTINUE ON THE SUBJECT AFTER THE FORMAL AGENDA OF THE DAY WAS COMPLETED, BUT THEY INDICATED THE SUBJECT HAD BEEN ADEQUATELY COVERED. 2. MR. SNOUGRASS ALSO VOLUNTERED THAT THE BRIEFING HAD IMPACTED FAVORABLY ON THE DELEGATION AND THAT THEY WERE SURPRISED AND PLEASED TO GET SUCH STRAIGHTFORWARD ANSWERS TO THEIR QUESTIONS. HE ADDED THAT WHAT OFTEN GAVE HIM TROUBLE WAS STATEMENTS BY AGENCY OFFICERS THAT THEY HAD BEEN PURSUING SOVIET OFFICIALS FOR TEN YEARS OR MORE AND HAD NOT YET RECRUITED ONE. HE ALLUDED TO THIS AS THE BUREAUCRAT'S DREAM, BEING PERPETUALLY PAID FOR SEEKING THE HOLY GRAIL WITHOUT EVER FINDING IT. COS POINTED OUT TO MR. RECRUITMENT APPROACH, IN COST EFFECTIVENESS TERMS, ALSO POINTED OUT THAT THE RECRUITMENT OF A SINGLE SOVIET COULD AND DOES RESULT IN A MORE ACCURATE APPRAISAL OF THE SOVIET THREAT AND THUS A MORE RELISTIC ALLOCATION OF FUNDS TO MEET IT. MR. SNOGRASS ADMITTED THAT THIS WAS SO BUT ADDED HIS OPINION THAT MORE RATHER THAN LESS CONGRESSIONAL CONTACT WITH CIA FIELD PERSONNEL AS IN [REDACTED] WOULD BE A PLUS FOR THE AGENCY AND GIVE THE CONGRESS A BETTER FEEL FOR OUR ENDEAVORS AND PROBLEMS.

3. MR. CAREY ALSO SAID THAT ON THE BASIS OF HIS TALKS WITH MEMBERS OF THE DELEGATION IT APPEARED THAT THE BRIEFING HAD GONE DOWN WELL AND THAT THEY FELT THEY WERE BEING GIVEN AN ACCURATE AND INTERESTING INSIGHT.

DISCUSS THIS WITH THE CHARGE, BUT OFFERED AS A PERSONAL OPINION THAT IT WOULD DO NO HARM AND MIGHT DO SOME VERY REAL GOOD FOR CONGRESSMEN TO LET THEIR FEELINGS BE KNOWN ON THIS SUBJECT.

COS ADDED THAT HE HAD FREQUENTLY TOLD HIS

THAT IT DID NO GOOD FOR ASIAN LEADERS TO SAY PRIVATELY THAT THEY DIDN'T REALLY MEAN WHAT THEY DID SAY PUBLICLY SINCE THE PUBLIC STATEMENTS WERE ON THE RECORD AND THE PRIVATE ONES WERE NOT.

4. THESE GENTLEMEN ARE HARD BITTEN, PROFESSIONAL POLITICIANS. GENERALLY THEY APPEARED TO FAVOR A CONTINUING ROLE FOR THE U.S. IN ASIAN AFFAIRS, INCLUDING CONTINUING MILITARY ASSISTANCE. THEY ARE, HOWEVER, DEEPLY SUSPICIOUS OF ASIAN LEADERS, THEIR WILL AND ABILITY TO SURVIVE AGAINST DETERMINED COMMUNIST SUBVERSION, AND THEIR PERSONAL INTEGRITY, CONGRESSMAN WILSON RECOUNTED THAT HE HAD BEEN PRESENT WHEN ADDRESSED A JOINT SESSION OF THE CONGRESS AND WAS HAILED AS A GREAT NATIONALIST LEADER. HE ADDED, "LOOK AT WHAT THAT (EXPLETIVE DELETED) DID TO US!" THEY EXPRESSED VERY LITTLE OF THEIR OPINIONS CONCERNING THE AGENCY, ALTHOUGH BOTH SEEMED TO ATTEMPT TO ELICIT STATEMENTS FROM COS CRITICAL OF MR. HELMS. IN THIS, OF COURSE, THEY WERE UNSUCCESSFUL. BOTH EXPRESSED ADMIRATION FOR THE CONDUCT OF MR. COLBY.

3. MILFORD WAS ^V SERIOUS, ATTENTIVE AND INTERESTED LISTENER. IN STATION'S [] PROGRAM AND AN EVALUATION OF THE STABILITY AND EFFECTIVENESS OF THE [] GOVERNMENT. HIS ATTITUDE WAS POSITIVE THROUGHOUT AND HE INDICATED THAT HE HAD HIGH ADMIRATION FOR THE AGENCY AND BELIEVED THAT NEGATIVE CONGRESSIONAL ATTITUDES WERE LARGELY BASED ON IGNORANCE. HE SAID ALSO THAT THE CONGRESS SO FAR HAD BEEN LOOKING AT THE AGENCY'S "OLD CATS" AND THAT EVEN SOME OF THE "RAVING LIBERALS" WOULD TAKE ANOTHER VIEW OF THE AGENCY IF THEY TOOK THE TIME TO INFORM THEMSELVES OF THE MANY POSITIVE CONTRIBUTIONS MADE BY THE AGENCY, AND PARTICULARLY BY THE DDO. HE ALSO EVIDENCED CONSIDERABLE INTEREST IN ECONOMIC INTELLIGENCE, SAYING THAT HE FELT THIS TO BE AN IMPORTANT MISSION OF THE AGENCY AND NEEDED TO BE EMPHASIZED MORE. COS OUTLINED A FEW STATION ACCOMPLISHMENTS IN THIS FIELD THAT SEEMED TO PLEASE HIM.

OFF THE RECORD, CONGRESSMAN MILFORD SAID HE HAD IN MIND PREPARING A MINORITY REPORT AND SPONSORING A BILL WHEREBY A SINGLE HOUSE COMMITTEE ON AGENCY OVERSIGHT WOULD BE FORMED. F. REPRESENTATIVE MILFORD EXPRESSED GREAT DEAL OF INTEREST IN THE INTELLIGENCE PROCESS AND ASKED THAT IF AT ALL POSSIBLE, PARTICULARLY IN [] HE WOULD LIKE TO MEET WITH MEMBERS OF [] LIAISON SERVICES. REPRESENTATIVE MILFORD MADE POINT THAT SUCH MEETINGS WOULD BE USEFUL TO HIM IN CONTEXT OF HIS PIKE COMMITTEE DUTIES BECAUSE HE COULD THEN COMMENT ON LIAISON SERVICES' REACTIONS TO CURRENT CONGRESSIONAL INQUIRIES INTO CIA. MILFORD'S INTEREST AS STATED BY HIM WILL BE IN SEEING HOW THE INTELLIGENCE PROCESS WORKS FROM THE GROUND UP. HE WANTS TO ACQUIRE BACKGROUND KNOWLEDGE ON THIS PROCESS SO THAT WHEN THE FINAL COMMITTEE REPORT IS MADE HE CAN USE HIS INFLUENCE TO SEE THAT IT IS A BALANCED ONE. CONGRESSMAN MILFORD DOES NOT LIKE FORMAL BRIEFINGS AND DOES NOT WANT CHARTS.4

3. SINCE HOUSE COMMITTEE ON INTELLIGENCE IS VERY INTERESTED IN COMMAND AND CONTROL ASPECTS OF HOW THE AGENCY FUNCTIONS, IT IS LIKELY THAT CONGRESSMAN MILFORD WILL FOCUS ON THIS ASPECT OF STATION ACTIVITIES DURING HIS VISIT.

A. MANAGEMENT BY OBJECTIVES: STATIONS PROBABLY CAN DEAL WITH THE CONGRESSMAN'S DESIRE TO UNDERSTAND THE INTELLIGENCE PROCESS FROM THE GROUND UP BY BRIEFING HIM ON HOW MANAGEMENT BY OBJECTIVES FUNCTIONS. STATION CAN OUTLINE OPERATIONAL DIRECTIVE PROCESS I.E., HOW STATION RECEIVES OD FROM HEADQUARTERS AND COMMENTS ON IT. ONCE AGREEMENT REACHED ON OD DIALOGUE FOLLOWS ON AG'S WHICH RELATE TO SPECIFIC OBJECTIVES. THINK IT WOULD BE USEFUL TO FOCUS ON KEY OBJECTIVES IN GENERAL AND THEN NARROW DISCUSSION

GENERAL HOLLINGSWORTH AND I WERE EXTREMELY PLEASED AT THE INTEREST YOU SHOWED IN THE PROBLEMS WE FACE HERE IN KOREA. I AM ONLY SORRY THAT OUR SCHEDULES DID NOT PERMIT US TO EXPLORE THE CHALLENGES WE FACE HERE AND OUR CAPABILITIES TO DEAL WITH THEM IN GREATER DETAIL. THIS LETTER INCORPORATES BOTH GENERAL HOLLINGSWORTH'S AND MY VIEWS.

AS FIELD COMMANDERS, WE ARE DEEPLY INVOLVED IN THE AREA OF INTELLIGENCE - AND FOR GOOD REASONS. A COMMANDER HAS A FUNDAMENTAL INTEREST IN PROTECTING HIS COMMAND AND ASSURING THAT, SHOULD HOSTILITIES OCCUR, HIS COMBAT RECOURSES ARE EMPLOYED IN THE MOST EFFECTIVE MANNER POSSIBLE.

ORGANIZATIONALLY, THE US INTELLIGENCE SETUP IN KOREA IS VIABLE. THE RESIDENT REPRESENTATIVES OF THE NATIONAL INTELLIGENCE AGENCIES, I.E., CENTRAL INTELLIGENCE AGENCY (CIA), DEFENSE INTELLIGENCE AGENCY (DIA), AND NATIONAL SECURITY AGENCY (NSA) WORK EFFECTIVELY IN CONCERT WITH OUR INTELLIGENCE STAFFS AND THOSE COLLECTION ELEMENTS WHICH ARE UNDER OUR CONTROL TO PROVIDE AN INTEGRATED AND EFFICIENT FLOW OF INTELLIGENCE. WE HAVE BEEN MOST IMPRESSED WITH THE DEDICATION AND PROFESSIONALISM OF THE INTELLIGENCE OFFICERS ASSIGNED TO THOSE NATIONAL AGENCIES; AND WE HAVE EQUALLY HIGH RESPECT FOR OUR

OWN PEOPLE. THIS TEAM IS RESPONSIVE AND GIVES US A GREAT DEAL OF QUALITY INTELLIGENCE.

LIKE ALL COMMANDERS, HOWEVER, WE ARE NOT FULLY SATISFIED WITH ALL ASPECTS OF THE INTELLIGENCE EFFORT. THE PRIMARY NEED IS FOR RELIABLE WARNING INTELLIGENCE. BECAUSE OF OUR PROXIMITY TO THE ENEMY'S AIRFIELDS, AND THE FACT THAT MANY OF OUR TROOPS LIVE WITHIN THE RANGE FANS OF HIS EMPLACED WEAPONS SYSTEMS, WE MUST CONSTANTLY BE ALERT FOR THOSE ANOMALIES IN HIS BEHAVIOR WHICH WOULD TIP US OFF TO IMPENDING ATTACK. UNFORTUNATELY, BECAUSE OF HIS READINESS AND THE FORWARD DISPOSITION OF HIS FORCES, INCLUDING FORWARD POSITIONING OF SUPPLIES, WE DO NOT HAVE A HIGH DEGREE OF ASSURANCE THAT WE WILL HAVE MUCH WARNING. WHILE WE MIGHT HAVE DAYS OR WEEKS, IT IS MORE PROBABLE THAT WE WOULD HAVE ONLY HOURS. TO PARTIALLY OFFSET THIS, US AND ROK FORCES MAINTAIN A HIGH DEGREE OF ALERT, PREPARED TO QUICKLY ENGAGE THE FORCES OF THE NORTH SHOULD THEY INITIATE AN ATTACK. CONCURRENTLY, WE AND THE NATIONAL LEVEL INTELLIGENCE COMMUNITY ARE SEEKING WAYS TO IMPROVE OUR SYSTEMS AND METHODOLOGIES TO INCREASE OUR ASSURANCE OF TIMELY WARNING.

NATIONALLY MANAGED COLLECTION PROGRAMS GIVE US INVALUABLE INTELLIGENCE ON THE DISPOSITIONS OF THE POTENTIAL ENEMY. YET WE

STILL HAVE SIGNIFICANT GAPS IN OUR HOLDINGS ON THE ACTUAL LOCATIONS AND IDENTITIES OF HIS UNITS, HIS COMMAND AND CONTROL STRUCTURE AND HIS WAR PLANS. IT SHOULD BE NOTED THAT WHILE THE EXCELLENT TECHNICAL COLLECTION PROGRAMS IN PHOTOGRAPHY AND ELECTRONIC INTELLIGENCE ^{EMIC SU} SUPPLY A GREAT DEAL OF INFORMATION ON THE ENEMY'S CAPABILITIES, WE ARE STILL LACKING INTELLIGENCE ON HIS INTENTIONS. UNFORTUNATELY, INTELLIGENCE ON WHAT HE IS THINKING AND PLANNING WOULD COME LARGELY FROM HUMAN SOURCES, AND GIVEN THE CLOSED NATURE OF HIS SOCIETY AND HIS STRICT AND EFFECTIVE SECURITY MEASURES, IT IS VERY DIFFICULT TO COLLECT THIS KIND OF INFORMATION.

THE PREPONDERANCE OF REQUIREMENTS FOR HUMAN SOURCE CLANDESTINE INTELLIGENCE FALL WITHIN THE PROPER PURVIEW OF THE CENTRAL INTELLIGENCE AGENCY; AND THAT AGENCY IS UNIQUELY QUALIFIED TO PERFORM THIS VITAL FUNCTION. AT THE SAME TIME, THERE IS A NEED FOR A CAREFULLY MANAGED, LIMITED MILITARY EFFORT TO FOCUS ON STRICTLY MILITARY REQUIREMENTS. A PRIMARY MILITARY TARGET OF THIS NATURE IS THE [REDACTED]

IN FORWARDING OF INTELLIGENCE,

C. NEW LEGISLATION AND NEW PERMANENT, PREFERABLE
JOINT OVERSIGHT COMMITTEE ARE REQUIRED.

2. THE CONGRESSMAN STATED THAT THE COMMITTEE
INQUIRIES ARE POLITICAL IN NATURE AND IN HIS OPINION
THERE IS NO PRETENSE OF OBJECTIVITY. TIME FACTORS
DID NOT PERMIT HIM OR OTHER MEMBERS TO PERSONALLY
OR SERIOUSLY ADDRESS THE QUESTIONS INVOLVED SO
THAT FOR PRACTICAL PURPOSES, MOST MEMBERS WERE "PRISONERS
OF THE COMMITTEE STAFF". HE HAS NOT BEEN HAPPY WITH
THIS SITUATION AND HAD INITIALLY PROPOSED THAT EACH
COMMITTEE MEMBER BE PERMITTED TO PERSONALLY SELECT
ONE STAFF MEMBER FOR ASSIGNMENT TO THE COMMITTEE,
HE HAD LINED UP A TOTAL OF SIX MEMBERS TO BACK THIS
APPROACH, WHEN THE CHAIRMAN AGREED TO LET HIM SELECT
ONE STAFF MEMBER IF HE IN TURN WOULD DROP HIS SPONSORSHIP
OF THIS PROPOSAL, HE AGREED, BUT SAID THAT HE HAD AS
YET BEEN UNABLE TO IDENTIFY AN APPROPRIATE CANDIDATE.
HE DISMISSED THE CURRENT COMMITTEE STAFF AS STARRY-EYED
LIBERALS OUT TO MAKE A NAME FOR THEMSELVES. HE IS

ACTIVELY SEEKING A CANDIDATE FOR EMPLOYMENT AS HIS STAFF ASSISTANT ON THE COMMITTEE, BUT DID NOT APPEAR SANGUINE THAT HE WOULD COME UP WITH THE RIGHT MAN,

3. COS NOTED THAT DIRECTOR COLBY WOULD BE THOROUGHLY DELIGHTED WITH THE ESTABLISHMENT OF A JOINT CONGRESSIONAL OVERSIGHT COMMITTEE SINCE HE WAS NOW OBLIGED TO REPORT TO SIX SEPARATE COMMITTEES. COS EVIDENCED SOME SKEPTICISM THAT A JOINT OVERSIGHT COMMITTEE WOULD BE ESTABLISHED. THE CONGRESSMAN WAS NOT OPTIMISTIC IN THE SHORT TERM BUT BELIEVED THAT A JOINT COMMITTEE WILL EVENTUALLY BE ESTABLISHED. HE SAID THAT RIGHT NOW THE AGENCY IS ESSENTIALLY IN AN UNDERDOG POSITION AND IS GOOD COPY, HOWEVER, OVER THE LONGER TERM, INTELLIGENCE COMMITTEE MEMBERSHIP SCORES NO POINTS WITH THE FOLKS BACK IN HOMETOWN USA SO THAT IN TIME CONGRESSMEN WILL NAMEUVER TO AVOID THE ASSIGNMENT.

4. THE REAL PROBLEM AS HE SEES IT IS TO FORM A COMMITTEE THAT WOULD HAVE CREDIBILITY IN THE EYES OF THE HOUSE AND HAVE PROCEDURES THAT WOULD PERMIT EFFECTIVE

5. THE PRESENT HOUSE SELECT COMMITTEE (HSC) IS TO BE PHASED OUT AS OF 31 JANUARY, THE CONGRESSMAN WAS OF TWO MINDS AS TO WHETHER THE COMMITTEE'S LIFE SHOULD BE EXTENDED. IF TERMINATED ON SCHEDULE, THE SPOTLIGHT WOULD FADE AWAY BUT THE RESULT WOULD BE VARIOUS RECOMMENDATIONS FOR "BAD" LEGISLATION. IF CONTINUED, THE POLITICALLY INSPIRED MANIPULATION OF THE COMMITTEE WILL CONTINUE SEEKING SENSATIONAL HEADLINES. HE SAID THAT HE FRANKLY DID NOT KNOW WHICH WAS WORSE.

A DISSENTING MINORITY REPORT FOCUSING IN A POSITIVE MANNER ON THE CONTEMPORARY SITUATION RATHER THAN THE HISTORICAL ISSUES THAT THE COMMITTEE HAS FOCUSED IN A NON-OBJECTIVE MANNER, HOWEVER, SINCE DECEMBER IS FOR PRACTICAL PURPOSES NOT A WORKING MONTH, THIS GIVES HIM ONLY THIRTY DAYS TO PUT TOGETHER A REPORT. SINCE HE IS A MEMBER OF THREE HOUSE COMMITTEES AND CHAIRMAN OF ONE SUB-COMMITTEE WITH NOT EVEN ONE STAFF ASSISTANT ON THE SELECT COMMITTEE HE IS FINDING IT ALMOST IMPOSSIBLE TO DEVELOP A MINORITY REPORT. HE TURNED ASIDE THE SUGGESTION THAT FAVORABLE WITNESSES BE CALLED AS IMPRACTICAL. HE SAID, FOR EXAMPLE, THAT IF HE ASKED GENERAL WALTERS OR PRESTIGIOUS AND KNOWLEDGEABLE PERSONALITIES WITH INTELLIGENCE BACKGROUNDS TO APPEAR, THEY WOULD NOT BE PERMITTED TO MAKE AN OBJECTIVE AND BALANCED PRESENTATION, THE COMMITTEE'S LINE OF QUESTIONING WOULD BE CONFINED TO THEIR KNOWLEDGE OF THE "DEAD CATS" OF TEN TO FIFTEEN YEARS AGO.  HAD TAKEN A CURRENT LOOK AT THE INTEL COMMUNITY IN A

 THAT WHAT HE NEEDED WAS SOME "VEHICLE" TO TIE THIS

 THAT USIB IN WASHINGTON HAS RECENTLY COMPLETED A
 COMPREHENSIVE ALBEIT HIGHLY CLASSIFIED REVIEW AND
 ASSESSMENT OF THE KOREAN TARGET IN A EFFORT TO
 IDENTIFY ANY PROBLEM AREAS AND TO TAKE PROPER

 HIMSELF OF THE ADEQUACY OF OUR IN-COUNTRY PROGRAMS.

8. THE CONGRESSMAN COMMENTED THAT THE SECURITY OF CLASSIFIED MATERIAL IN THE COMMITTEE'S HANDS IS A MAJOR PROBLEM, THE HSC RULES STATE CLASSIFIED MATERIAL MUST NOT BE RELEASED BUT THESE RESTRICTIONS DIRECTLY CONTRAVENE HOUSE REGULATIONS ON THIS POINT AND WOULD NOT BE SUSTAINED IF CHALLENGED, HOWEVER, SINCE THE HARRINGTON EPISODE HE DOUBTED THAT THE HSC'S SPECIAL RULE WOULD BE CHALLENGED (ACCORDING TO THE CURRENT HOUSE RULES ANY MEMBER CAN ASK FOR A COMPLETE TRANSCRIPT OF ANY CLOSED COMMITTEE HEARING AND USE IT ALMOST WITH IMPUNITY).

DEVELOPED, AND UNDER THE CIRCUMSTANCES IT WAS BELIEVED BEST TO GIVE THE CONGRESSMAN THE OPPORTUNITY TO CHART THE COURSE. IN SO DOING IT BECAME ABUNDANTLY CLEAR THAT HIS INTEREST LAY IN THE AGENCY'S ROLE VIS-A-VIS THE INTEL COMMUNITY IN THE FIELD. HE WANTED TO KNOW HOW COORDINATION AND CONTROL WAS EXERCISED IN THE FIELD. COS EXPLAINED THE CHIEF OF STATION'S RESPONSIBILITY AND AUTHORITY IN THE COORDINATION OF CLANDESTINE COLLECTION PORGRAMS. IN DISCUSSING COORDINATION OF MILITARY COLLECTION AGENCIES COS IN DUE COURSE SUGGESTED THAT MILITARY REPRESENTATIONS MIGHT PROFITABLY BE INVITED TO JOIN IN THE DISCUSSION. TELEPHONE CALLS BROUGHT THE 8TH ARMY J-2, CAPTAIN ALBERT M. HUNT, THE DEPUTY J-2 COLONEL ARTHUR W. LONG AND

[REDACTED] INTO

THE DISCUSSION. THE COMMAND AND COORDINATION CHANNELS WERE OUTLINED, AND THE STATION'S ROLE WAS ENDORSED BY THE MILITARY REPS TO ALMOST AN EMBARRASSING DEGREE. COS EXPLAINED THE DCID'S, AND IN THIS INSTANCE DCID 5/1, EXPLAINED HOW THE FIELD CLEARANCE,

NEVER HEARD OF THE DCID'S, HE NOTED THE SUGGESTION
AND WILL IN ALL PROBABILITY FOLLOW UP UPON HIS

10. THE CONGRESSMAN WAS CONCERNED THAT THERE
WAS A DUPLICATION OF EFFORT AND INTENTLY QUESTIONED
THE MULTICHANNEL NATURE OF REPORTING WHEN ONLY ONE
DECISION COULD BE TAKEN. COL. LONG, THE DEPUTY
J-2, WAS PARTICULARLY ELOQUENT IN DEFENSE OF
MULTIPLE REPORTING CHANNELS, POINTING OUT THE
SPEED AND ASSURANCE OF COVERAGE WHEN SUCH WERE
EMPLOYED. HE ADDED THAT PLACING A UNIFYING LAYER
OF BUREAUCRACY ON TOP WOULD TEND: TO DELAY THE
MORE RAPID TRANSMISSION OF INTELLIGENCE; TO STIFLE
DISSENTING VIEWS; AND TO CREATE A MONSTROUS SIZED
SUPER-AGENCY WHICH MIGHT PROVE LESS SUSCEPTIBLE
TO CONTROL AND REVIEW. THE CONGRESSMAN WAS PARTICULARLY

STRUCK WITH THIS LATER POINT WHICH HE CONSIDERED
A PARTICULARLY PERSUASIVE ARGUMENT FOR MULTICHANNEL

ON HIS "WILD-EYED" LIBERAL PEERS.

11. COS REVIEWED IN DETAIL AND ESTABLISHMENT OF
NATIONAL INTELLIGENCE OFFICER SYSTEM AS A DEVELOPMENT
WITHIN THE PAST SEVERAL YEARS AND DEVELOPED BY THE
DCI TO FURTHER REFINE THE COMMUNITY EVALUATION
SYSTEM AS WELL AS TO ENSURE EVEN MORE EFFECTIVE
COORDINATION AND UNDERSTANDING WITHIN THE COMMUNITY.
IT WAS NOTED THAT THE NIO FOR NORTH ASIA AND THE
PACIFIC, MRS. EVELYN COLBERT, IS A SENIOR CAREER
STATE DEPARTMENT OFFICER, WHILE COL. LONG'S PREVIOUS
ASSIGNMENT HAD BEEN AS THE DEPUTY NIO FOR LATIN
AMERICA. IT WAS EXPLAINED THAT THE SYSTEM PERMITS
THE DCI TO ESTABLISH AN ORDER OF NATIONAL PRIORITIES
AND TO EXAMINE THE PRODUCT OF AN ENTIRE MISSION, AN
INTELLIGENCE SERVICE, OR A SERVICE COMPONENT TO SEE
HOW WELL IT IS ADDRESSING THE KEY INTELLIGENCE
QUESTIONS. THE EVALUATIONS OF THE NIO SYSTEM REPRESENTS

A MAJOR ADDITIONAL STEP IN MANAGEMENT OF THE COMMUNITY. COS ALSO NOTED THAT PERHAPS AN EVEN MORE IMPORTANT STEP TAKEN BY THE DCI IN EFFECTING COMMUNITY CONTROL WAS THE ESTABLISHMENT OF INTER-AGENCY RESOURCES ALLOCATION COMMITTEE (IRAC) WHICH PERMITS THE DCI TO MAKE RECOMMENDATIONS ON THE BUDGETS OF THE RESPECTIVE INTELLIGENCE AGENCIES. THE CONGRESSMAN WAS QUICK TO PERCEIVE THE USEFULNESS OF IRAC.

12. COS REVIEWED THE AGENCY SYSTEM OF MANAGEMENT BY OBJECTIVE AND THE FIELD INTEL PROCESS IN SOME DETAIL NOTING THE AUTOMATIC SIMULTANEOUS RELEASE TO CUSTOMERS IN WASHINGTON AS WELL AS THE FIELD. LOCAL COORDINATION WAS EXPLAINED AND THE ABSOLUTE INTEGRITY OF STATION'S REPORTING WAS STRESSED. COS STATED THAT HE WAS UNAWARE OF A SINGLE INCIDENT DURING HIS CAREER IN WHICH AN AMBASSADOR OR GENERAL OR ANY OFFICER HAD PREVENTED THE DISSEMINATION OF A SINGLE REPORT FOR POLITICAL OR OTHER REASONS. 16. DCOS BRIEFED THE AMBASSADOR ON THE EVENING OF 25 OCTOBER ON THE NATURE OF THE CONGRESSMAN'S INTERESTS AND THE SUBSTANCE OF THE DAY'S DISCUSSIONS. THE AMBASSADOR SAID THAT HE WOULD BE HAPPY TO DISCUSS THESE CONCERNS WITH THE CONGRESSMAN ON SUNDAY OR MONDAY. THE AMBASSADOR SAW CONGRESSMAN

THE CONGRESSMAN LATER STATED THAT THE DISCUSSIONS WERE QUITE HELPFUL AND THE AMBASSADOR AGREED TO FORWARD A LETTER ON THE EFFECTIVENESS OF LOCAL INTELLIGENCE SUPPORT WHICH WOULD BE OF ASSISTANCE TO HIS PROPOSED MINORITY REPORT.

17. IN A STATION-ARRANGED ONE HOUR MEETING WITH LT. GEN. HOLLINGSWORTH ON 26 OCTOBER IN WHICH DCOS PARTICIPATED, THE CONGRESSMAN RESTATED THE NATURE OF HIS CONCERNS IN SEEKING POSITIVE CONTRIBUTIONS TO A MINORITY REPORT. HE THEN ASKED GEN. HOLLINGSWORTH WHAT INTELLIGENCE SUPPORT HE NEEDED AS A FIELD ARMY COMMANDER AND HOW HE WOULD CHARACTERIZE THE SUPPORT HE WAS CURRENTLY OBTAINING FROM THE INTELLIGENCE COMMUNITY. HOLLINGSWORTH RESPONDED WITH A CRUSTY BUT IMPASSIONED LECTURE ON THE NEED FOR ADDITIONAL CONGRESSIONAL SUPPORT TO CIA AND NSA. 1. IN VIEW OF CONGRESSMAN MILFORD'S INTENTION AS EXPRESSED IN REF A TO SPEND ONE IF NOT SEVERAL DAYS IN DISCUSSION OF FIELD STATION ACTIVITIES, BELIEVE SEOUL STATION SHOULD APPROACH THIS TASK WITH FOLLOWING DATA IN MIND: Y

A. BACKGROUND. HOUSE COMMITTEE IN ITS ENTIRETY IS KEENLY INTERESTED IN COMMAND AND CONTROL ASPECTS OF HOW CIA FUNCTIONS. IT MOST LIKELY CONGRESSMAN MILFORD'S WILL BE FOCUSED PRIMARILY ON COMMAND AND CONTROL ASPECTS OF FIELD STATION ACTIVITIES DURING HIS VISIT TO SEOUL. Y

B. MANAGEMENT BY OBJECTIVE. BELIEVE MUCH OF WHAT CONGRESSMAN MILFORD CALLS "START OF THE INTELLIGENCE COLLECTION PROCESS IN THE FIELD" CAN BE DEALT WITH IF STATION STARTS ITS BRIEFING WITH PRESENTATION ON HOW MANAGEMENT BY OBJECTIVE FUNCTIONS. SUGGEST STATION OUTLINE

HE ASKED WHETHER IN COS'S JUDGMENT IT WOULD BE AN IMPROVEMENT ON PRESENT PROCEDURES FOR THE STATE DEPARTMENT TO REQUIRE PRIOR CLEARANCE WITH OUR AMBASSADORS OF ALL INTELLIGENCE AND ACTION OPERATIONS. 1. MR. DAVID AARON OF SENATE SELECT COMMITTEE BRIEFED BY STIGGINS [REDACTED] FOR TWO HOURS MORNING 15 OCTOBER. AARON HAD LUNCH WITH [REDACTED] AND NEWLY ARRIVED ARMY ATTACHE COLONEL OLIVER RAY. HE MET FOR OVER HOUR WITH AMBASSADOR HILLENBRAND AFTERNOON 15 OCTOBER BEFORE DEPARTING FOR LONDON.

2. LARGE PART OF MORNING BRIEFING DEVOTED TO MILITARY INTELLIGENCE AFFAIRS IN GERMANY. AARON ASKED FOR DEFINITION OF HOW AND TO WHAT EXTENT COS SUPERVISED MILITARY INTELLIGENCE EFFORT WHICH EXPLAINED TO HIM IN SOME DETAIL. AARON ASKED NUMBER QUESTIONS ABOUT COORDINATION PROCESS AND HOW THIS IMPLEMENTED. HE WANTED KNOW IF THE COORDINATION PROCESS EXTENDED TO A REVIEW OF REQUIREMENTS AND OF THE VALUE OF MILITARY COLLECTION ACTIVITIES AS REFLECTED IN ITS PRODUCT AND TOLD THAT OUR COORDINATION OF MILITARY ACTIVITIES GENERALLY CONFINED TO INSURING THAT MILITARY TRADECRAFT MET OUR STANDARDS, AND THAT POLITICAL RISKS ACCEPTABLE; IN PRACTICE, WE DID NOT REVIEW PRODUCTION OF MILITARY OPERATIONS. WE MENTIONED THAT MILITARY COLLECTION IN RECENT YEARS WAS ON RELATIVELY MODEST SCALE AND THAT THERE HAD BEEN NO FLAPS IN RECENT YEARS.

3. MR. AARON SAID THAT THE SENATORS ON HIS COMMITTEE HAD BEEN SURPRISED TO FIND THAT MILITARY WAS ACTIVELY ENGAGED IN COLLECTION ACTIVITY SINCE THIS NOT COVERED IN ANY LEGISLATION, BUT ACKNOWLEDGED THAT SUCH ACTIVITY AUTHORIZED IN NONSKIDS. STIGGINS MADE POINT THAT MILITARY IN GERMANY STRUCTURED ALONG COMBAT INTELLIGENCE LINES AND IN EFFECT ENGAGED IN MILITARY COLLECTION OF TACTICAL NATURE AS TRAINING EXERCISE APPROPRIATE TO THEIR POTENTIAL WARTIME MISSION. MR. AARON SEVERAL TIMES SUGGESTED MILITARY OPS AND PERSONNEL COULD BE ASSIGNED TO CIA OPERATIONAL

CONTROL IN FIELD. WE OPINED THIS IS TO SOME EXTENT DIRECTION IN WHICH COORDINATION HAS TRENDED OVER THE YEARS BUT LOCAL COMMANDERS PROBABLY FEEL HIS CONTROL UNDERMINED THEREBY.

4. TURNING TO BKHERALD OPS, MR. AARON SAID HE RECALLED FROM WASHINGTON BRIEFING THAT GERMAN STATION HAD SIZEABLE ALLOTMENT FOR OFFICER ENGAGED IN POLITICAL COVERT ACTION ON REGIONAL BASIS. WE EXPLAINED THAT MONIES IN THIS PROJECT ALMOST EXCLUSIVELY FOR SALARY AND EXTENSIVE TRAVEL OF OFFICER (HERZFANZ NOT MENTIONED BY NAME) AND NOT USED FOR AGENT PAYMENT OR OTHER PURPOSES. THIS SEEMED TO SATISFY AARON.

5. HE ASKED NUMBER QUESTIONS ABOUT "FANCY" POLITICAL SOURCES, ALONG LINE THAT THESE COULD PERHAPS BE HANDLED AS NORMAL DIPLOMATIC CONTACTS AND ASKED WHETHER THESE CONTACTS DID NOT REPRESENT HIGH RISK IF EXPOSED. STIGGINS EXPLAINED AT SOME LENGTH THAT THESE SOURCES VERY FEW IN NUMBER, AND WERE PRODUCT OF SEVERAL FACTORS, INCLUDING MANY YEARS CONTACT WITH SPECIFIC CIA OFFICERS, MAKING POINT THAT AGENTS CONFIDENCE IN CIA BASED ON MANY YEARS ASSOCIATION. WE ESTIMATED FLAP POTENTIAL SLIGHT THESE LONG-STANDING CONTACTS, WHICH COULD BE EXPLAINED AS OLD FRIENDSHIPS. FOR REASON THAT THEY WERE, IN FACT SUCH, THESE RELATIONSHIPS COULD NOT BE TRANSFERRED TO STATE DEPARTMENT OFFICERS. WE MENTIONED THAT SOME OF THE LOWER-LEVEL DEVELOPMENTAL OPERATIONS ACTUALLY REPRESENTED HIGHER RISK AND CITED GENERAL OUTLINE OF "HILTON AFFAIR" (WITHOUT NAMES) AS EXAMPLE HOW DEVELOPMENTAL CASE COULD BE TROUBLESOME. EMPHASIZED THERE HAD BEEN FEW OF THESE OVER YEARS.

6. AARON ASKED SOME QUESTIONS ABOUT FEDREP REACTION IN EVENT OUR INCOMPATIBLE SOURCES EXPOSED. WE RESPONDED THAT IN GENERAL GERMANS WERE NOT INTERESTED IN EMBARRASSING US AND THAT THIS KEY ELEMENT, PLUS FACTOR THAT WE HANDLED ALL INCOMPATIBLE ACTIVITY VERY CAREFULLY, LED US TO CONCLUSION THAT WE WERE NOT RUNNING RISK MAJOR EMBARRASSMENT BY CONDUCTING LIMITED NUMBER OF THESE OPERATIONS. POINTED OUT THAT A CERTAIN NUMBER OF THESE OPERATIONS ESSENTIAL TO PROVIDE COVERAGE THOSE AREAS IN EAST-WEST RELATIONS AND SOME ECONOMIC FIELDS WHERE GERMANS NOT COMPLETELY CANDID WITH US EMBASSY RE THEIR ACTIVITIES.

PAGE 3 BONN 43387 S E C R E T

7. MR. AARON ASKED ABOUT EXTENT WE KEPT AMBASSADOR INFORMED ON OUR ACTIVITIES IN [REDACTED] FIELD. WE REPLIED THAT AMBASSADOR SAW VIRTUALLY ALL REPORTING AND THEREFORE KNEW WHERE SOURCES LOCATED BUT THAT AS RULE WE DID NOT CLEAR WITH HIM ON INDIVIDUAL CONTACTS, MAKING REFERENCE TO "SOURCES AND METHODS" PROVISION OF OUR REGULATION AND STATUTORY PROVISIONS. POINTED OUT THAT EACH CASE TREATED SEPARATELY BUT THAT AMBASSADOR AND EMBASSY/CONSULATES HAVE NOT HAD INTEREST IN DEVELOPMENTAL CONTACT WITH YOUNGER POLITICAL FIGURES OUTSIDE BONN AREA. ON OTHER HAND HE CLEARLY QUITE CONCERNED WITH FOREIGN MINISTRY WITH RESULT THAT WE GENERALLY ASSUMED HANDS-OFF ATTITUDE ON FONMIN.

8. MR. AARON INQUIRED RE STATION CASE OFFICER STRENGTH AND GIVEN FIGURES CITED IN POSITION REPORT DATED OCTOBER 74 (FORWARDED HQS BY TM DATED 25 SEPT 74.) WE EXPLAINED THAT BREAKDOWN SOMEWHAT ARBITRARY AND SAID THAT FOR NUMBER OFFICERS (THOSE ENGAGED IN LIAISON, SUPPORT, ANALYSIS, FOR INSTANCE) IT NOT ALWAYS EASY TO CATEGORIZE THEIR EFFORTS.

9. HE PROBED IN SOME DETAIL ON OUR [REDACTED] STRENGTH AND WE ANSWERED CANDIDLY. MR. AARON SEEMED SURPRISED AT SMALL NUMBERS [REDACTED] OFFICERS IN STATION AND SAID HAD HEARD OPINION FROM SOME CIA OFFICERS THAT [REDACTED] PREFERABLE TO [REDACTED]. WE SAID FELT THIS DEPENDENT ON LOCATION AND CIRCUMSTANCES AND THAT HERE IN [REDACTED] [REDACTED] READILY AVAILABLE, GENERALLY QUITE SATISFACTORY AND COST CONSIDERABLY LESS THAN [REDACTED]. AARON ASKED SEVERAL QUESTIONS RE REASONS WE WOULD PUT OFFICER IN [REDACTED] UNDER [REDACTED] WE EXPLAINED [REDACTED] PRIMARILY USED FOR PERSONNEL WE PLANNED KEEP ASSIGNED [REDACTED] SEVERAL YEARS AND WHERE [REDACTED] PROBABLY MORE SECURE AND FOR INSTANCES WHERE IT PROVIDED BETTER ACCESS. WHEN HE PUSHED FOR FURTHER EXAMPLES WE MENTIONED HAD RECENTLY CONSIDERED PUTTING OFFICER UNDER [REDACTED] IN [REDACTED] WHERE OFFICIAL CHINESE [REDACTED] SIGNIFICANT TARGET REPRESENTED BUT THAT THIS PLAN DROPPED FOR ADMINISTRATIVE REASONS. WE MADE NO MENTION USE [REDACTED] AND DID NOT IDENTIFY ANY [REDACTED] BY NAME.

10. AARON ASKED STIGGINS WHICH OF WHAT AARONS ENVISAGED AS THREE PRINCIPAL DUTIES TOOK MOST TIME. AARON OUTLINED COS DUTIES AS MANAGEMENT OF STATION, [REDACTED] AND COORDINATION OF MILITARY INTELLIGENCE ACTIVITIES. STIGGINS SAID MANAGEMENT OF

PAGE 4 BONN 43387 S E C R E T

STATION CLEARLY REQUIRED MOST TIME AND FURTHER THAT WITHIN STATION THE EFFORT AGAINST THE HARD TARGETS CONSUMED THE MAJOR PART OF HIS TIME AND EFFORT.

11. AMBASSADOR BRIEFED ON OUR DISCUSSIONS WITH AARON PRIOR TO HIS SESSION WITH HIM. E2 IMPDET.

Para 5

1. AMBASSADOR BRIEFED COS AFTERNOON 16 OCT ON HIS HOUR AND ONE-HALF SESSION WITH MR. AARON ON 15 OCT. DISCUSSION COVERED THREE MAIN TOPICS: (A) RISKS AND NEED FOR "FANCY POLITICAL SOURCES" IN BONN; (B) COVERT ACTION OPERATIONS; AND (C) DEGREE TO WHICH AMBASSADOR COGNIZANT OF STATION ACTIVITIES.

R

2. ON POINT ¹MA. AMBASSADOR STATED THAT MOST STATION POLITICAL SOURCES WERE OF LONG-STANDING AND COMMENCED IN THE EARLY POSTWAR/OCCUPATION ERA. THEY WERE BASED ON PERSONAL FRIENDSHIPS AND UNIQUE CHARACTER OF THE EARLY POSTWAR YEARS AND WERE IN HIS BELIEF LIKELY TO PROVE IRREPLACEABLE. THAT IS, AMBASSADOR OPINED THAT SIMILAR CLOSE ASSOCIATIONS COULD NOT BE ESTABLISHED BY STATION IN TODAY'S POLITICAL CLIMATE AND IMPLIED THAT HE EXPECTED COVERAGE TO GRADUALLY WITHER AWAY. BECAUSE OF THE ORIGIN AND NATURE OF THE RELATIONSHIPS, AMBASSADOR BELIEVED RISK WAS VERY LOW AND STATED THAT.

THE COVERAGE PROVIDED BY THESE SOURCES WAS OF DEFINITE VALUE SINCE THE INFORMATION WAS NOT OBTAINED BY OFFICIAL EMBASSY CONTACTS.

3. REGARDING PARA 1.B., AMBASSADOR CONFIRMED TO AARON THAT IT WAS HIS UNDERSTANDING THAT STATION WAS NO LONGER INVOLVED IN LARGE-SCALE COVERT ACTION OPERATIONS AND THAT HE ASSUMED EXPLANATION PER PARA 4 REF WAS IN ACCORD WITH FACTS. COS EMPHATICALLY ASSURED THE AMBASSADOR THAT THERE WERE NO COVERT ACTION FUNDING OPERATIONS BEING UNDERTAKEN BY THE STATION, AND THAT WE HAD BEEN MYSTIFIED BY MR. AARON'S REFERENCE TO THE LARGE BUDGET FOR SUCH ACTIVITIES BUT HAD CONCLUDED THAT IT MUST APPLY TO SALARY AND EXPENSES OF HERZFANZ WITH WHICH AARON SEEMED TO AGREE.

4. WITH RESPECT TO THE AMBASSADOR'S KNOWLEDGE OF SPECIFICS OF STATION ACTIVITY, THE AMBASSADOR STATED FIRST THAT HE OF COURSE "HAD A PRETTY GOOD IDEA" ABOUT THE IDENTITY OF SOME OF OUR SOURCES BUT HAD NOT BEEN SPECIFICALLY ADVISED OF THE IDENTITIES OF ANY OF THEM, HE FOUND THE SITUATION ACCEPTABLE HOWEVER, FIRST BECAUSE HE HAD BEEN ASSOCIATED WITH COS PERSONALLY FOR THE LAST TWENTY YEARS AND HAD CONFIDENCE THAT

COS WOULD ADVISE HIM OF ANYTHING HE OUGHT TO KNOW. LOOKING BACK ON THE RECORD OF THE PAST TWENTY-FIVE YEARS, THE AMBASSADOR SAID HE CONCLUDES THAT IN FACT THE AMBASSADORS IN BONN HAD BEEN KEPT APPROPRIATELY ADVISED AND THE ABSENCE OF FLAPS WOULD SUBSTANTIATE THE JUDGMENT EXERCISED BY THE RESPECTIVE STATION CHIEFS OVER THE YEARS.

5. MR. AARON DISCUSSED AT SOME LENGTH WITH THE AMBASSADOR THE FEASIBILITY OF CHARGING THE AMBASSADOR WITH GREATER DIRECT RESPONSIBILITY FOR SUPERVISION OF THE CLANDESTINE EFFORT. AMBASSADOR STATED THAT IF IT WERE ASSIGNED TO HIM AS A MISSION HE WOULD MANIFESTLY HAVE TO DISCHARGE IT AND WOULD AS HE SAW IT PROBABLY NEED A STAFF OF AT LEAST TWO COMPETENT OFFICERS TO CARRY OUT THE PRACTICAL STAFF WORK ON HIS BEHALF. MR. AARON THEN RAISED THE QUESTION OF THE BRITISH SYSTEM ABOUT WHICH THE AMBASSADOR MADE THE PERTINENT OBSERVATION THAT IT WAS A QUESTION FOR THE GOVERNMENT TO DECIDE. IF IT WAS DECIDED TO SUBORDINATE CLANDESTINE INTELLIGENCE OPERATIONS IN THE FIELD DIRECTLY TO THE AMBASSADOR, ANY APPROPRIATE ARRANGEMENT COULD AND WOULD BE MADE. 1. COS HAD TWO-HOUR SESSION WITH TRUEHART AND AARON LATE MORNING 24 SEPTEMBER, GENERAL IMPRESSION IS THAT BOTH WERE BUSINESS-LIKE; QUESTIONS WERE INCISIVE AND DESIGNED TO ASCERTAIN HOW A STATION FUNCTIONS IN AN EMBASSY, PARTICULARLY VIS-A-VIS THE AMBASSADOR, RATHER THAN HOW [] STATION IS FUNCTIONING IN [], HENCE MANY QUESTIONS WERE HIGHLY HYPOTHETICAL. MOST IMPORTANT IMPRESSION WAS THAT FORMER AMBASSADOR TRUEHART (WHOM COS HAD MET IN [] YEARS AGO) FEELS THAT AN AMBASSADOR SHOULD BE FAR MORE KNOWLEDGEABLE ABOUT ALL REPEAT ALL STATION OPERATIONS IN ORDER TO JUDGE POSSIBLE "FLAP POTENTIAL".

2. COS DID NOT SHOW OD TO VISITORS SINCE THEY DID NOT ASK TO READ IT BUT INSTEAD READ PORTIONS OF IT TO THEM AND DISCUSSED IT WITH THEM.

3. THEY ASKED INITIALLY WHAT THE AMBASSADORS INJUNCTIONS WERE WITH RESPECT TO PROHIBITED OPERATIONS, COS SAID

4. BOTH AARON AND TRUEHART QUESTIONED AT LENGTH WHAT KIND OF THINGS WE COORDINATE WITH THE AMBASSADOR AND IN WHAT DEPTH PRIOR TO INITIATION OF AN OPERATION. WHAT KIND OF AGENTS WOULD WE IDENTIFY BY NAME TO THE AMBASSADOR? COS SAID HE WOULD BE INCLINED TO REVEAL TO THE AMBASSADOR THE NAME OF ANY SENIOR GOVERNMENT OFFICIAL WITH WHOM THE AMBASSADOR WAS DEALING OFFICIALLY AND INTIMATELY, BUT THIS WOULD IN LARGE PART DEPEND ON THE AMBASSADORS WISHES HIMSELF. WOULD WE INFORM THE POLITICAL SECTION CHIEF OF THE IDENTITY OF ONE OF OUR AGENTS WHOM THE POLITICAL OFFICER WAS TRYING TO DEVELOP?

MEMORANDUM FOR: Chief, LA Division

SUBJECT : Transmittal of SSC Memo Announcing
the Intention of SSC Staffers to
Visit Latin America

1. Attached is a xerox of a letter from the SSC Staff Director (Review Staff 75-2399) describing travel plans to Latin America on the part of SSC Staffers. This is for your information. You will be alerted when this becomes firm and an itinerary is established.

2. Also attached is an agreed upon memo giving guidelines of such trips. Supplementing this should be a briefing of the travelling of SSC Staffers before they go and a notification of the stations involved as to what the guidelines are.

**SUBJECT: Guidelines for Members of the Select Committee and
Their Staffs While Traveling Abroad**

There have been already and there will continue to be members of the Senate Select Committee (SSC) who wish to travel abroad and talk to U.S. embassy and intelligence personnel. It is essential that we agree on guidelines to avoid serious diplomatic and security problems. The following specific guidelines are applicable.

**I. MEMBERS AND STAFF OF THE SSC SHOULD NOT PUBLICLY APPEAR TO BE
ABROAD FOR THE PURPOSE OF INVESTIGATING U.S. INTELLIGENCE
INSTALLATIONS.**

Most of these installations, including all CIA stations abroad, for example, are under some form of cover, or are maintaining a low profile. Certainly all have and need varying degrees of protection from exposure. At one extreme are U.S. intelligence activities behind the iron curtain. These clearly need maximum protection. The mere visit of SSC representatives could be noted as evidence of U.S. intelligence presence within the country. Even in those countries where U.S. intelligence efforts enjoy the shielding and other benefits flowing from close liaison with the host government, care is required to avoid the potentially grave political repercussions

6/25/75

that could result to U.S. and host country activities from exposure of such liaison. Many countries that wish to cooperate with the United States in intelligence endeavors simply cannot afford public exposure of such relationships. To help maintain the discreet nature of the visit, it would be preferable if some reason other than SSC business could be given to explain any visits by SSC members and staff. No deliberate contact should be made with the local press, nor should comments on SSC matters be supplied if investigating officers are contacted by the press. Local press publicity pertaining to an SSC investigation abroad would in almost all cases be distasteful to the host government.

In sum, except in the case of especially sensitive areas, discreet arrangements can be made for SSC visits to certain U.S. intelligence activities overseas on a case by case basis, and with senior officers within the covering embassies. Such visits are contingent upon the SSC member not publicly declaring himself to be on SSC business at the time of the visit or upon his return, and his proceeding on a basis satisfactory to the Ambassador.

II. THE AMBASSADOR AT THE EMBASSY VISITED WILL BE IN CHARGE OF THE VISIT.

All arrangements and contacts will be made by him, and because of his knowledge of local situations, his advice will be binding.

III. FIELD DISCUSSIONS WITH U.S. INTELLIGENCE PERSONNEL SHOULD BE CONDUCTED ONLY IN GENERAL TERMS.

It is more fitting that Washington be the place where operational details are conveyed to the SSC. Field intelligence elements will only discuss operations in general terms--operational priorities, the kinds of operations conducted, the operational environment, relationships with the Embassy and defense attaches, etc. In all cases, such discussions will only be conducted in physical surroundings which meet appropriate security standards.

Members and staff of the SSC should refrain from asking to see texts of or general notes on intelligence agreements between the U.S. and the host government. These are usually considered by the host government as extremely sensitive, politically and operationally, and cannot be divulged without the consent of the host government.

IV. MEMBERS AND STAFF OF THE SSC WILL NOT INTERVIEW AGENT PERSONNEL.

Foreign agent personnel frequently are under hostile or local service scrutiny. For them to be placed in touch with SSC members would be to run an unacceptable risk. Moreover, serious damage would be done to agent morale and motivation if their identity were to be revealed to Members or staff of the SSC.

V. MEMBERS OF HOST COUNTRY INTELLIGENCE OR SECURITY SERVICES
WILL BE CONTACTED ONLY IN EXCEPTIONAL CASES.

Many foreign intelligence services will find contact with the SSC politically difficult and will avoid it. They further regard that their relationships with U.S. intelligence activities, the information they pass, and the cooperation extended are all most sensitive matters. Regardless what assurances are given them, they would find it difficult and awkward to discuss these matters with members or staff of the SSC. The very fact that such matters were under investigation could well cause the host service to reassess the desirability of a relationship with U.S. intelligence activities.

VI. MEMBERS AND STAFF OF THE SSC SHOULD NOT VISIT FOREIGN
TECHNICAL INTELLIGENCE INSTALLATIONS.

In those countries in which we operate joint technical collection sites, the host would be firmly opposed to access by U.S. Congressional representatives, especially where there is public knowledge of the Congressional investigating interests. If such a visit is considered essential, a special request must be negotiated with the host country in advance.

VII. AN ORIENTATION BRIEFING WILL BE PROVIDED ALL MEMBERS AND STAFF, PRIOR TO DEPARTURE.

This briefing will be conducted by the DCI and other representatives of the Intelligence Community (CIA, NSA, DIA, State, etc.), as appropriate. The purpose of this briefing is to familiarize the visitor with the types of activities conducted at each location, the restraints which are imposed upon U.S. activities in each case and the considerations which preclude the discussion of operational details, names and terms in an overseas environment.

Members and staff of the SSC should bear in mind at all times that they and their activities are matters of great interest to opposition intelligence services, as well as to the press. Committee and staff members, particularly those who are publicly prominent, can hardly travel inconspicuously and will be easily recognized.

Dear Mr. Bolten:

This letter is to confirm an oral request by Committee staff
 for an orientation briefing for a visit to South America which two
 members of the staff, David Aaron and William Trueheart, have been
 asked to make next month.

Although plans are not yet firm, it is expected that they will
 be free to travel during the second and third weeks of September.

Messrs. Aaron and Trueheart are not expected to consult with
 officials of the host government and, so far as the Committee is
 concerned, the latter need not be informed of the visit.

Sincerely yours,

SUBJECT : Covert Action Operations Against Right

1. Attached are revisions of the descriptions of the three covert action operations [redacted] cited in your memorandum to Mr. John Waller dated 18 July 1975.

2. In the case of [redacted] we understand from your discussions with Mr. Clifton Strathern that the [redacted] has not been eliminated from your list but that the Director will request that discussion of it be limited to the Chairman and Vice-Chairman only of the Senate Select Committee. The Director should be informed of the potentially embarrassing procedural errors in the presentation and review of this project before the 303 Committee, and the risks of exposure to two former assets who have been jailed by the [redacted] regime.

3. [redacted] was undertaken without 303 Committee knowledge or approval. Subsequently, the project was presented to the 303 Committee on 22 August 1967 and Mr. Walt Rostow, then Chairman of the Security Council, asked why it had not been brought before the Committee before. He was told that for projects costing [redacted] it had been the DCI's discretion to determine if a given project was sufficiently politically sensitive to warrant bringing it before the committee. Mr. Rostow directed that the 303 Committee should examine all political action projects. Nevertheless, the project was not submitted to the Committee for review in 1968, 1969 or 1973.

4. In addition to these procedural errors, the arrest in 1974 and continued detention of [redacted] who are former assets under this project, and accusations in

Neither of the former assets was arrested because of his CIA connections, and neither of the two assets nor the [] have been accused of CIA involvement. The Director should be briefed on [] and its range of activities on behalf of CIA if he has not already been informed.

REFERENCE : Chief, SS/CAG Memorandum, dated
18 July 1975
Subject: "Summary of Covert Action
Operations Against Right Wing Governments"

1. EA Division is concerned about Reference and its possible use in briefing the Senate Select Committee. Specifically, our concern centers on describing the EA operations contained in the attachment to Reference as "were mounted against" "right wing governments". None of the EA operations -- DNSCOOP, DNSPROUT (both of which took place in [] and TUMIX (which took place in [] -- were or should be so described as being mounted against the government then in power. In fact, just the opposite is true. All of these operations, while covert in the sense that the U.S. Government had never disclosed, were primarily designed to broaden the base of the governments in power and enhance its stayability by providing advice and support to "grass root elements" in an attempt to get these elements to function as a more cohesive organization in seeking participation in the governmental process.

2. While all of the operations have been terminated, the DNSCOOP operation is perhaps the most sensitive of the three, in that it represented an initial effort by the Agency to establish contact with opposition elements in []. As noted above, the purpose of this contact was not to overthrow the ruling government but rather to assist the opposition in establishing itself as a more viable force in its effort to establish a two-party system in []. The Agency today

maintains contact with the major opposition leaders in [redacted] and this contact is well known to and approved by the U. S. Ambassador in [redacted] as well as the Assistant Secretary for East Asia and Pacific Affairs, Department of State.

3. We see no real value to be gained if any of these operations were to be raised with the Senate Select Committee.

SUBJECT: Guidelines for Members of the Select
Committee and Their Staffs While
Traveling Abroad

There have been already and there will continue to be members of the Senate Select Committee (SSC) who wish to travel abroad and be in conversation with our Stations. It is important that we agree on guidelines to avoid serious security problems from arising. The following specific guidelines are considered important:

- Members of the SSC and members of its staff should not publicly appear to be abroad for purposes of investigating CIA installations. CIA Stations abroad, all of which are under some form of cover, have and need varying degrees of protection from exposure. At one extreme are Stations behind the iron curtain or in other particularly sensitive areas which need maximum protection. At the other extreme are Stations which enjoy close liaison with the host government and are thus less sensitive. In the first case, Stations existing under strict cover conditions in sensitive environments, the very presence of SSC members could be highly provocative by flaunting the fact of CIA's presence. But even in countries in which we enjoy a good liaison with the host country's security service, there remains a need to be discreet. Many countries whose services want to be cooperative with CIA cannot afford public or parliamentary exposure of the relationship. Local press publicity pertaining to an SSC investigation abroad would in almost all cases be distasteful to a host government.

SECRET

SECRET

- 2 -

In sum, except in the case of very sensitive areas, discreet arrangements can be arranged for SSC visits to CIA's overseas stations and with senior officers within the covering Embassy provided the SSC member does not publicly declare himself to be on SSC business and maintains his Station contacts on a discreet basis.

-- Members of the SSC and their staff should not question Station personnel on specific operational detail. It is more fitting that Washington be the place where operational details are conveyed to the SSC. It is at Headquarters where the guidelines are best understood, where the most complete and authentic records are kept (many Stations finding themselves in dangerous crisis situations, have periodically destroyed their files). There is no reason, however, that Station Chiefs should not discuss operations in general terms -- operational priorities, the kinds of operations, the operational environment, relationships with the Embassy, the service attaches, etc.

-- Members of the SSC and their staff should not interview agent personnel. Foreign agent personnel frequently are under hostile or local service scrutiny. For them to be placed in touch with SSC members would be to run an unacceptable risk. Moreover, serious damage could be done to agent morale and motivation if they were to think their role had been revealed to members of Congress.

-- Members of the SSC and their staff should not in most cases be in contact with members of host country's intelligence or security services. Many services will find contact with the SSC politically difficult and will avoid it. They further regard that their relationships with CIA, the information they pass us and the sort of cooperation extended as a most sensitive matter.

SECRET

SECRET

- 3 -

No matter what assurances are given them, they would find it difficult and awkward to discuss these matters with the SSC or its staff, and the very fact that such matters were under investigation could well cause them to reassess the desirability of a relationship with CIA or other U.S. intelligence agencies. Exceptions can perhaps be made in special cases.

-- Members of the SSC and their staff should not visit foreign technical intelligence installations. Again there may be exceptions to this which can be arranged, but in most countries in which we operate joint technical collection sites, the host service would be opposed to access by Congressional representatives.

MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : Senator Gary Hart's Request to Talk
to QJWIN While Traveling in Europe

This is for your information concerning Senator Gary Hart's request to talk to a former agent while the senator is traveling in Europe.

The agent is QJWIN. He was first approached in 1958 through the head of the [redacted]. At first he was used mainly to spot potential agents in various European countries. Later he became the major asset under ZRRIFLE. In this capacity he made a brief visit to the Congo, but took no actions.

On the weekend of 7 June 1975, members of the Senate Select Committee staff spent many hours at Headquarters reading files, including QJWIN and ZRRIFLE, among others. QJWIN's true name contract is in the file which they read. So is a street and post office address as of 1964, the time when we ended our contract with this agent. We have not contacted him since.

We have heard that David Aaron of the Senate Select Committee staff telephoned QJWIN. This report remains unconfirmed. We have protested to Bill Miller.

It is difficult to imagine how a U.S. senator could talk to a former agent without arousing the interest of the local intelligence service [redacted] and of the host government who might wonder about the propriety of investigations being conducted on their territory and involving one of their citizens.

In any event, an approach of this nature would be of interest to the Department of State, and the senator might wish to consult with the Department before proceeding.

SECRETTalking Points For Use With Senator Gary Hart On His Proposed
Contact With QJWYN

1. Senatorial contact with a former CIA agent would run the risk of his exposure to his local government and the press. Because of his former activities and relationships he might be subjected to reprisals from abroad, possible prosecution for espionage at home from his local government and harassment from the media.
2. Active as well as former CIA agents abroad would have further cause to believe that the American intelligence service is incapable of protecting its informants from disclosure. Contacting an agent under the insecure conditions involved would violate the Agency's promise to this former informant to protect the confidentiality of the relationship.
3. Foreign intelligence services with which the CIA is in liaison would find this approach highly unprofessional and risky. It is bound to raise further questions about the dangers of continued confidential cooperation with the CIA.
4. It is possible that the local government involved might lodge a formal protest to the US mission protesting the unusual procedure of a Senate investigating committee interrogating its nationals in violation of its sovereignty without requesting formal permission.

MEMORANDUM FOR: Director of Central Intelligence

This is for your information concerning Senator Gary Hart's request to talk to a former agent of ours while traveling in Europe.

You should know that we have been told that the Senate Select Committee staff has already been in touch with this agent by telephone. We do not know how they learned his true name or his whereabouts. We have already advised David Aaron of the Senate Select Committee staff of a potential problem area in connection with such a proposed meeting. The agent in question is, of course, a subject of interest to the local intelligence service and we doubt that the host government or the intelligence service would agree that a United States senator, especially a member of the Senate Select Committee, may appropriately conduct such investigations within its territory without clearance to do so.

In any event, an approach of this nature would be of interest and indeed of concern to the Department of State and the senator might be well advised to consult with them before proceeding.

For your information, the agent referred to is QJWIN and we have not been in touch with him since about 1951.

WITHIN THE HEAVY
BRACKETS,

SUBJECT: GUIDELINES FOR MEMBERS OF THE SELECT COMMITTEE AND
THEIR STAFFS WHILE TRAVELING ABROAD

There have been already and there will continue to be members of the Senate Select Committee (SSC) who wish to travel abroad and talk to U.S. embassy and intelligence personnel. It is essential that we agree on guidelines to avoid serious diplomatic and security problems. The following specific guidelines are applicable.

I. MEMBERS AND STAFF OF THE SSC SHOULD NOT PUBLICLY APPEAR TO BE ABROAD FOR THE PURPOSE OF INVESTIGATING U.S. INTELLIGENCE INSTALLATIONS.

Most of these installations, including all CIA stations abroad, for example, are under some form of cover, or are maintaining a low profile. Certainly all have and need varying degrees of protection from exposure. At one extreme are U.S. intelligence activities behind the iron curtain. These clearly need maximum protection. Their mere visit of SSC representatives could be noted as evidence of U.S. intelligence presence within the country. Even in those countries where U.S. intelligence efforts enjoy the shielding and other benefits flowing from close liaison with the host government, care is required to avoid the potentially grave political repercussions that

25 June - latest version, incorporating
proposed changes by DoD.

could result to U.S. and host country activities from exposure of such liaison. [Several foreign governments or entities thereof now willing to cooperate privately with the U.S. in intelligence agreements-exchanges maintain strong^{ly} neutral or anti-U.S. foreign policies; continuation of such agreements-exchanges is therefore dependent upon avoidance of their public disclosure. In many cases termination of such agreements would result in the loss of unique strategic intelligence, and alternate collection methods are either not available or are prohibitively expensive.]

To help maintain the discreet nature of the visit, it would be preferable if some reason other than SSC business could be given to explain any visits by SSC members and staff. No deliberate contact should be made with the local press, nor should comments on SSC matters be supplied if investigating officers are contacted by the press. Local press publicity pertaining to an SSC investigation abroad would in almost all cases be distasteful to the host government.

In sum, except in the case of especially sensitive areas, discreet arrangements can be made for SSC visits to certain U.S. intelligence activities overseas on a case by case basis, and with senior officers within the covering embassies. Such visits are contingent upon the SSC member not publicly declaring himself to be on SSC business at the time of the visit or upon his return, and his proceeding on a basis satisfactory to the Ambassador.

II. THE AMBASSADOR AT THE EMBASSY VISITED WILL BE IN CHARGE OF THE VISIT.

All arrangements and contacts will be made by him, and because of his knowledge of local situations, his advice will be binding.

Agreement
III. FIELD DISCUSSIONS WITH U.S. INTELLIGENCE PERSONNEL SHOULD BE CONDUCTED ONLY IN GENERAL TERMS.

Bar
It is more fitting that Washington be the place where operational details are conveyed to the SSC. Field intelligence elements will only discuss operations in general terms--operational priorities, the kinds of operations conducted, the operational environment, relationships with the Embassy and defense attaches, etc. In all cases, such discussions will only be conducted in physical surroundings which meet appropriate security standards.

Members and staff of the SSC should refrain from asking to see texts of or general notes on intelligence agreements between the U.S. and the host government. These are usually considered by the host government as extremely sensitive, politically and operationally, and cannot be divulged without the consent of the host government.

IV. MEMBERS AND STAFF OF THE SSC WILL NOT INTERVIEW AGENT PERSONNEL.

Foreign agent personnel frequently are under hostile or local service scrutiny. For them to be placed in touch with SSC members

would be to run an unacceptable risk. Moreover, serious damage would be done to agent morale and motivation if their identity were to be revealed to Members or staff of the SSC.

V. MEMBERS OF HOST COUNTRY INTELLIGENCE OR SECURITY SERVICES WILL BE CONTACTED ONLY IN EXCEPTIONAL CASES.

Many foreign intelligence services will find contact with the SSC politically difficult and will avoid it. They further regard that their relationships with U.S. intelligence activities, the information they pass, and the cooperation extended are all most sensitive matters. Regardless what assurances are given them, they would find it difficult and awkward to discuss these matters with members or staff of the SSC. The very fact that such matters were under investigation could well cause the host service to reassess the desirability of a relationship with U.S. intelligence activities.

VI. MEMBERS AND STAFF OF THE SSC SHOULD NOT VISIT FOREIGN TECHNICAL INTELLIGENCE INSTALLATIONS.

In those countries in which we operate joint technical collection sites, the host would be firmly opposed to access by U.S. Congressional representatives, especially where there is public knowledge of the Congressional investigating interests. If such

a visit is considered essential, a special request must be negotiated with the host country in advance.

[Senate Select Committee principals and staff should understand the distinction between U.S. intelligence installations abroad and joint U.S.-foreign intelligence installations or foreign intelligence installations supported by the U.S. intelligence community. Access to the former is at the discretion of the U.S. Ambassador; access to the latter two is at the discretion of the foreign government involved.]

VII. AN ORIENTATION BRIEFING WILL BE PROVIDED ALL MEMBERS AND STAFF, PRIOR TO DEPARTURE.

This briefing will be conducted by the DCI and other representatives of the Intelligence Community (CIA, NSA, DIA, State, etc.), as appropriate. The purpose of this briefing is to familiarize the visitor with the types of activities conducted at each location, the restraints which are imposed upon U.S. activities in each case and the considerations which preclude the discussion of operational details, names and terms in an overseas environment.

Members and staff of the SSC should bear in mind at all times that they and their activities are matters of great interest to opposition intelligence services, as well as to the press. Committee and staff members, particularly those who are publicly prominent, can hardly travel inconspicuously and will be easily recognized.

MEMORANDUM OF CONVERSATION

DATE AND PLACE: 17 June 1975 1000 - 1100
Room 2E-45

SUBJECT: Conversation by Mr. John Waller, SA/DDO with Mr. David Aaron, member of Senator Mondale's staff, with Regard to the Senator's Proposed Trip to Europe

1. According to Mr. Aaron the Senator and Mr. Aaron's itinerary, while not yet fixed, will be along the following lines:

- a. 30 June - 1 July: London
- b. Monday, 7 June: Vienna, for one day
- c. Paris and Bonn. Although the order has not yet been determined, the Bonn stop would be two days and the Paris stop, one day.

In the period between London and Vienna, the party intends to visit Oslo and Helsinki. The purpose of this part of the trip, however, has nothing to do with the SSC and the party does not want or need

2. Mr. Aaron agrees that in discussions with Stations, the party should not get into specific operational cases. They want to discuss "more generic" subjects: operational priorities, relations with the Embassy, problems, scope of liaison, operating conditions, etc. Their basic interests are related to "command and control". It had occurred to Aaron that Vienna would be a good example of a Station which concentrates on "East - West" operations (read third country, Sov and Sov Bloc operations). He recognized London was a liaison station. Mondale, however, was anxious to talk to Cord Meyer.

Paris, he felt, would provide some understanding of "third world" operations. Bonn, he felt, would be a good example of the inter-relations of a CIA Station with the Military and the Foreign Service.

3. Mr. Aaron stated that he had already sought out [redacted] of the [redacted] Embassy, requesting that contacts be arranged in [redacted] with the appropriate Foreign Office or Intelligence Offices in order to discuss the [redacted] experiences in "command and control". Aaron is also interested in how the [redacted] works. He had heard that it was proving inadequate. Mr. Aaron stated that [redacted] had not been enthusiastic about the idea but promised to look into it. Aaron felt that it had been better to work directly with [redacted] whom he claimed to know, than to involve the Agency's go-between.

4. Mr. Aaron intended to make a similar approach to the German Embassy.

5. Mr. Waller commented that such approaches to foreign governments would make our liaison services uneasy and could adversely affect their willingness to cooperate. To this reason, we did not favor involving foreign governments -- at whatever level or wherever in the bureaucracy. Moreover, contacts with foreign governments increased the likelihood that the true purpose of the Senator's trip could leak to the press. Mr. Waller mentioned that he would want to bring this to the attention of others.

6. Mr. Aaron agreed that the Senator, through press conferences or otherwise, would not make public the fact that his trip was connected with Select Committee investigations.

7. Mr. Aaron said that he and the Senator were in touch with Mr. Hyland of the State Department with regard to this trip. He also suggested that they might get in touch with military intelligence services in Washington and in the field. He made specific reference to "Naval Intelligence".

8. Mr. Aaron stressed the fact that the itinerary was still tentative and subject to change.

SECRET

- 3 -

9. At one point, Mr. Aaron asked if CIA had any aircraft in Europe which could be put at Senator Mondale's disposal. Mr. Waller replied negatively.

10. Mr. Aaron felt that it was unlikely that Mr. Bader would be a member of the Senator's party.

SUBJECT: Guidelines for Members of the Select
Committee and Their Staffs While
Traveling Abroad

There have been already and there will continue to be members of the Senate Select Committee (SSC) who wish to travel abroad and be in conversation with our Stations. It is important that we agree on guidelines to avoid serious security problems from arising. The following specific guidelines are considered important:

- Members of the SSC and members of its staff should not publicly appear to be abroad for purposes of investigating CIA installations. CIA Stations abroad, all of which are under some form of cover, have and need varying degrees of protection from exposure. At one extreme are Stations behind the iron curtain or in other particularly sensitive areas which need maximum protection. At the other extreme are Stations which enjoy close liaison with the host government and are thus less sensitive. In the first case, Stations existing under strict cover conditions in sensitive environments, the very presence of SSC members could be highly provocative by flaunting the fact of CIA's presence. But even in countries in which we enjoy a good liaison with the host country's security service, there remains a need to be discreet. Many countries whose services want to be cooperative with CIA cannot afford public or parliamentary exposure of the relationship. Local press publicity pertaining to an SSC investigation abroad would in almost all cases be distasteful to a host government.

SECRET

SECRET

- 2 -

In sum, except in the case of very sensitive areas, discreet arrangements can be arranged for SSC visits to CIA's overseas stations and with senior officers within the covering Embassy provided the SSC member does not publicly declare himself to be on SSC business and maintains his Station contacts on a discreet basis.

-- Members of the SSC and their staff should not question Station personnel on specific operational detail. It is more fitting that Washington be the place where operational details are conveyed to the SSC. It is at Headquarters where the guidelines are best understood, where the most complete and authentic records are kept (many Stations finding themselves in dangerous crisis situations, have periodically destroyed their files). There is no reason, however, that Station Chiefs should not discuss operations in general terms -- operational priorities, the kinds of operations, the operational environment, relationships with the Embassy, the service attaches, etc.

-- Members of the SSC and their staff should not interview agent personnel. Foreign agent personnel frequently are under hostile or local service scrutiny. For them to be placed in touch with SSC members would be to run an unacceptable risk. Moreover, serious damage could be done to agent morale and motivation if they were to think their role had been revealed to members of Congress.

-- Members of the SSC and their staff should not in most cases be in contact with members of host country's intelligence or security services. Many services will find contact with the SSC politically difficult and will avoid it. They further regard that their relationships with CIA, the information they pass us and the sort of cooperation extended as a most sensitive matter.

SECRET

SECRET

- 3 -

No matter what assurances are given them, they would find it difficult and awkward to discuss these matters with the SSC or its staff, and the very fact that such matters were under investigation could well cause them to reassess the desirability of a relationship with CIA or other U.S. intelligence agencies. Exceptions can perhaps be made in special cases.

-- Members of the SSC and their staff should not visit foreign technical intelligence installations. Again there may be exceptions to this which can be arranged, but in most countries in which we operate joint technical collection sites, the host service would be opposed to access by Congressional representatives.

SUBJECT: Guidelines for Members of the Select Committee and
Their Staffs While Traveling Abroad

There have been already and there will continue to be members of the Senate Select Committee (SSC) who wish to travel abroad and talk to U.S. embassy and intelligence personnel. It is essential that we agree on guidelines to avoid serious diplomatic and security problems. The following specific guidelines are applicable.

I. MEMBERS AND STAFF OF THE SSC SHOULD PUBLICLY APPEAR TO BE ABROAD FOR SOME PURPOSE OTHER THAN THE INVESTIGATION OF U.S. INTELLIGENCE INSTALLATIONS.

Most of these installations, including all CIA stations abroad, for example, are under some form of cover, or are maintaining a low profile. Certainly all have and need varying degrees of protection from exposure. At one extreme are U.S. intelligence activities behind the iron curtain. These clearly need maximum protection. The mere visit of SSC representatives could be noted as evidence of U.S. intelligence presence within the country. Even in those countries where U.S. intelligence efforts enjoy the shielding and other benefits flowing from close liaison with the host government, care is required to avoid the potentially grave political repercussions

that could result to U.S. and host country activities from exposure of such liaison. Many countries that wish to cooperate with the United States in intelligence endeavors simply cannot afford public exposure of such relationships. Some reason other than SSC business should be given to explain any visits by SSC members and staff to help maintain the discreet nature of the visit. No deliberate contact should be made with the local press, nor should comments on SSC matters be supplied if investigating officers are contacted by the press. Local press publicity pertaining to an SSC investigation abroad would in almost all cases be distasteful to the host government.

In sum, except in the case of especially sensitive areas, discreet arrangements can be made for SSC visits to certain U.S. intelligence activities overseas on a case by case basis, and with senior officers within the covering embassies. Such visits are contingent upon the SSC member not publicly declaring himself to be on SSC business at the time of the visit or upon his return, and his proceeding on a basis satisfactory to the Ambassador.

II. THE AMBASSADOR AT THE EMBASSY VISITED WILL BE IN CHARGE OF THE VISIT.

All arrangements and contacts will be made by him, and because of his knowledge of local situations, his advice will be binding.

III. FIELD DISCUSSIONS WITH U. S. INTELLIGENCE PERSONNEL SHOULD BE CONDUCTED ONLY IN GENERAL TERMS.

It is more fitting that Washington be the place where operational details are conveyed to the SSC. Field intelligence elements will only discuss operations in general terms -- operational priorities, the kinds of operations conducted, the operational environment, relationships with the Embassy and defense attaches, etc. In all cases, such discussions will only be conducted in physical surroundings which meet appropriate security standards.

Members and staff of the SSC should refrain from asking to see texts of, or general notes on intelligence agreements between the U.S. and the host government. These are usually considered by the host government as extremely sensitive, politically and operationally, and cannot be divulged without the consent of the host government.

IV. MEMBERS AND STAFF OF THE SSC WILL NOT INTERVIEW AGENT PERSONNEL.

Foreign agent personnel frequently are under hostile or local service scrutiny. For them to be placed in touch with SSC members would be

to run an unacceptable risk. Moreover, serious damage would be done to agent morale and motivation if their identity were to be revealed to Members or staff of the SSC.

V. MEMBERS OF HOST COUNTRY INTELLIGENCE OR SECURITY SERVICES WILL BE CONTACTED ONLY IN EXCEPTIONAL CASES.

Many foreign intelligence services will find contact with the SSC politically difficult and will avoid it. They further regard that their relationships with U.S. intelligence activities, the information they pass, and the cooperation extended are all most sensitive matters. Regardless what assurances are given them, they would find it difficult and awkward to discuss these matters with members or staff of the SSC. The very fact that such matters were under investigation could well cause the host service to reassess the desirability of a relationship with U.S. intelligence activities.

VI. MEMBERS AND STAFF OF THE SSC SHOULD NOT VISIT FOREIGN TECHNICAL INTELLIGENCE INSTALLATIONS.

In those countries in which we operate joint technical collection sites, the host would be firmly opposed to access by U.S. Congressional representatives, especially where there is public knowledge of the Congressional investigating interests. If such a visit is considered

essential, a special request must be negotiated with the host country in advance.

VII. AN ORIENTATION BRIEFING WILL BE PROVIDED ALL MEMBERS AND STAFF, PRIOR TO DEPARTURE.

This briefing will be conducted by the DCI and other representatives of the Intelligence Community (CIA, NSA, DIA, State, etc.), as appropriate. The purpose of this briefing is to familiarize the visitor with the types of activities conducted at each location, the restraints which are imposed upon U.S. activities in each case and the considerations which preclude the discussion of operational details, names and terms in an overseas environment.

Members and staff of the SSC should bear in mind at all times that they and their activities are matters of great interest to opposition intelligence services, as well as to the press. Committee and staff members, particularly those who are publicly prominent, can hardly travel inconspicuously and will be easily recognized.
