1. Station fully agrees with Headquarters concerning the value of concentrating LIFEAT or LIENVOY coverage on suspected and/or known Soviet, Satellite and Cuban agents residing in Mexico City. The Station in the past has undertaken this type coverage and will continue such coverage in the future as LIFEAT and LIENVOY facilities become available for assignment to these targets. As Headquarters is aware, this Station can and will cover any possible target Headquarters considers of high enough priority to cover.
2. For example, Carmen BRUFAU Civit was covered for 1956, 1957, 1960 and 1961; the results were not considered of sufficient value to continue the coverage.
3. Presently, Elena VASQUEZ Gomez, one of the persons referred to in reference, works for General Lazaro CARDENAS del Rio, pro-Communist former President of Mexico. Coverage of CARDENAS by LIENVOY means a certain amount of coverage of VASQUEZ Gomez.
