Dear Dr. Maceo:

Attached please find a quarterly report on the progress of the Vocational Rehabilitation Project of "Brigade 2506".

The report has been compiled with figures as posted in our records as of July 14, 1965. As of that date, there were 22 individuals still in our program. Three of the, however, are not presently enrolled in classes due to illness. They are: (Rolando A. Pozo), (Rigoberto Perez) and (Jesus Molina). All other are attending classes and in the report I have submitted the approximate finishing date of their course as given to me by the schools. Copy of the school letters are also attached.

Sincerely yours,

Gordon D. Smith, Counselor
Vocational Rehabilitation
