Re Mexico City airgram 9/12/57 advising Bureau of subject's alleged return to Mexico City and hospitalization.

A pretext telephone call to the subject's residence at Calle Country Club No. 67, Mexico, D. F., developed information to the effect that he is not yet at home but is expected within a few days.

On 11/27/57 [CIA Representative] ^(S) THOMAS J. HAZLETT advised that BAYO was still hospitalized at the Spanish Hospital in Mexico City but was much improved and should be released within the near future. He further stated that he had received unconfirmed information to the effect that subject had been contacted by JUAN JOSE MEZA, Nicaraguan revolutionary leader in Mexico City, in behalf of MANUEL GOMEZ FLORES, with a request that BAYO join the latter in Central America in order to assist him with training troops for a projected military action against the current Nicaraguan government.

This office will endeavor to determine further information concerning BAYO's release from the hospital and his movements and will report with respect thereto.

Extra copies hereof are being provided as of possible interest to the New York Office (NY 105-24958), the Miami Office (MM 105-1321), and the Legat at Havana, Cuba (105-214).
