[Redacted] SUGGESTIONS FOR STATEMENT ON OUTER SPACE ISSUE

[Redacted]

4 Dec 63
Very Urgent

Msg Nr: 1034

Reference your Nr. 1962((A)).

1. There is no objection on the whole, but in Paragraph 39 "entire resources" sounds too strong and might better be "toned down".

2. In Paragraph 30, the passage from "the government of [Redacted] to "program" is not quite accurate. We suggest substituting something like the reference to [Redacted] statement in the First Committee last December.

3. In the first part of Paragraph 33, the reference to the launching of [Redacted] should be corrected to [B val one], and the payload of the [Redacted] should be corrected to [Redacted].

4. Regarding Paragraphs 34 and 35, recent developments are as follows:

(a) The [Redacted] Space Center will conduct its second test on [Redacted].

(b) There were successful [Redacted] on 23 and 26 November. [Redacted] on 23 November conveyed the sad news of the assassination of President KENNEDY.
