DUFFY had in his possession a very poor quality Xerox-type copy of what he claims to be a Government document that was obtained via a Freedom of Information Act (FOIA) request from some Government agency. DUFFY claims he does not know from what Government agency this document originated. This copy was furnished to him by the "National Enquirer" to check out in an effort to determine the background on SOUETRE, aka and why such a dangerous man was in Dallas, Texas, on 11/22/63. DUFFY is pursuing the possibility that SOUETRE was an assassin in Dallas, Texas, on 11/22/63, and might have been responsible for the assassination of President KENNEDY.
