Regs. on 201 openings in 1958; 1960?

Storage of info. - before 201 opening -
When info. came into agency, where was it
stored; i. wouldn't a defector always be
considered of CI interest - would it be handled
by SC or CI division?

1) Explanation of CI/SIG; SP6

2) His responsibilities

Opening of 201 file

Is she responsible for gathering docs. already in possession of CIA?

Where are original docs.?

3) LHO's 201

Explain source doc. in this case

Why wasn't it designated either sensitive or non-sensitive?

What does "AG" under "other info." stand for?

Doc: Why does it indicate LHO in "as of AGO"

Section III: Why are designations under "action desk" & "second country interest"
crossed out?

What does "731" under "action desk" represent?

Permanent change: no - why?

Why restricted file?

What are procedures for restricting a file? How is this designated on
an opening sheet? (Refer to 1944 regs.)
