WASHINGTON, D.C. 20515

October 13, 1978

Dear L.J.:

As you know, the Committee is winding down and the decision has been made to terminate your services as of October 31, 1978.

You have been off the Committee payroll since March 1, 1978 due to duplication of salary payments from the New Orleans Police Department.

The following is how I have calculated the Committee's salary settlement with you:

You were hired July 5, 1977 at a salary of \$24,000 and taken off the payroll February 28, 1978. Your W-2 statement for 1977 gave a salary of \$11,815.27 from the New Orleans Police Department. The monthly amount would be \$984.61 ($\$11,815.27 \div 12$). Prorating this amount would give \$7,745.60 while on the payroll of the Committee. (\$984.61 per month for the period July 5, 1977 to February 28, 1978).

You have been due \$1,015.39 per month from the Committee since March 1, 1978. (The difference between your Committee salary of \$2,000.00 per month and \$984.61). Dividing \$1,015.39 into \$7,745.60 (the overpayment referred to above) would carry you seven months and nineteen days or through September 19, 1978.

Accordingly, you would be due a gross salary of \$1,387.70 for the period September 20-October 31, 1978 (at \$1,015.39). However, because you completed a year of service on August 1, you were entitled to a 7% salary increase or \$1,700.00 annually. This would provide an additional amount of \$425.00 for the period August 1 - October 31 so the total amount due you would be \$1,812.70.

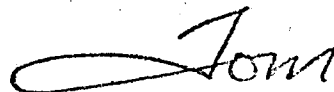

Further, recognizing the difference between your monthly income from your W-2 of \$984.61 and that of \$821.00 stated as your base pay by your commanding officer, I am recommending that the Committee settlement be in the gross amount of \$3,000.00.

page 2

This will be accomplished by restoring you to the payroll for the period October 16 to November 30 at a gross monthly salary of \$2,000.00 (\$24,000.00 annually).

Please complete the enclosed payroll forms. If you have any questions, give me a call.

Sincerely,

Thomas Howarth
Budget Officer

Re: Termination of Lawrence J. Delsa

We have reached the time when action must be taken to terminate the services of Delsa or restore him to the payroll.

Delsa was hired July 5, 1977 at a salary of \$24,000.00 and taken off the payroll February 28, 1978. His W-2 statement for 1977 gave a salary of \$11,815.27 from the New Orleans Police Department. Prorating this amount would give \$7,745.60 while on the payroll of the Committee. The monthly amount would be \$984.61.

He has been due \$1,015.39 per month from the Committee since March 1, 1978. (The difference between his Committee salary of \$2,000 and \$984.61.) Dividing \$1,015.39 into his 1977 overpayment of \$7,745.60 would carry him for seven months and nineteen days or until September 19, 1978.

In the case of Robert Buras, his salary was greater from the New Orleans Police Department, thus is overpayment from the Committee his larger and the differential due him since March 1, 1978 is smaller. Applying the same calculations to him as was done for Delsa would carry him for fourteen months or until April 30, 1979.

Returning to Delsa's case, if the decision is made to terminate him, some salary adjustment should be made as we have gone by the date (September 19, 1978) when he should have been terminated.

It is recommended that Lawrence J. Delsa be considered for immediate appointment to the position of Senior Investigator. His personal character and work experience reflects the knowledge and experience important to the purposes of our investigation.
