On 4/2/62, NY 3368-C-TE advised SA WARREN J. DONOVAN, that prior to leaving Miami, Fla., after a recent visit, he had occasion to visit with AL BERLIN, who was connected with the Teamsters Local and operates the South Florida Labor Journal.

NY 3368-C-TE stated that while talking with BERLIN, the latter told him that SALVATORE GRANELLO also known as Sally Burns, made a great deal of money running guns to Cuba and is a very wealthy individual in his own right. BURNS is allegedly the sole owner of the Marlboro House at 50th Street and Collins Avenue, Miami Beach, Fla. He stated that SALLY BURNS was partners with JOE RIVERS and (FNU) ROTHMAN in transporting guns to Havana, Cuba, during the time of BATISTA. ROTHMAN's son owns the Candy Stick, a "Twist Joint" in Miami Beach. The informant stated that BERLIN told him that ROTHMAN was convicted of gun running, but that SALLY BURNS and JOE RIVERS went free due to an alleged pay-off of \$20,000 to the Federal Agency which investigated this matter. There, apparently was, according to BERLIN, a suppression of evidence.

BURNS was said to be banished from the neighborhood and is believed to be living in exile in Florida. An individual, believed by NY T-2 to be a brother-in-law of BURNS, and whose name is thought to be SOLLY MARTIN, has also been banished from the area for selling narcotics. According to NY T-2, MARTIN is supposed to have incurred the deep displeasure of the underworld powers in the area.

On April 30, 1962, Detective TIM TALTY, 5th Squad, New York City Police Department, advised he recalls conducting an investigation concerning the alleged rape of a young girl by the subject, sometime in 1959. The incident was supposed to have taken place at the subject's summer residence at Greenwood Lake, New York, where the victim was visiting the subject's daughter.

TALTY identified the girl as FLORA ANN BILETTO, 52 West Oakdale Street, Brentwood, Long Island, New York, but at the time of the incident, she resided at 274 Mott Street, New York City. TALTY stated he recalls interviewing the girl, her mother, and her aunt. The father was an elevator operator on 58th Street, New York City.

Detective TALTY stated he could not recall any additional details regarding the incident, but believes that it was his conclusion that the allegation did not warrant any further investigation. He stated the complete results of the investigation are on file with the Fifth Squad, New York City Police Department.

Detective TALTY added that the subject is still an accepted member of the criminal element on the Lower East Side of New York City, although he very infrequently visits the neighborhood.
