The SAS of the FBI attended the public meeting of the Monroe Defense Committee on 10/5/61 in NYC and are ANTHONY E. CONSTANTINO and PHILIP H. SHERIDAN.

Concerning the attempt to identify RONALD GRAHAM, who was called from the subject's telephone on 5/19/61 at TH 1-7598, as set out for San Francisco in report of 10/5/61, San Francisco letter to New York, dated 11/22/61, reflects the May, 1961, Oakland telephone directory, which covers the Berkeley, California, area, reflects that RONALD GRAHAM, the resident at 1863 La Loma Avenue, Berkeley, has telephone TH 1-7598. It is noted that he is the only RONALD GRAHAM listed in this directory.

Background investigation concerning this individual developed that he is RONALD LEWIS GRAHAM, a WMA, born 10/31/35, at Taft, California. He is a graduate student at the University of California, Berkeley, working toward his M.A. and Ph.D. in Mathematics. Indices of the San Francisco Division were negative concerning him.

It is believed that when GIBSON made the call on 5/19/61, to RONALD GRAHAM, he was attempting to call RONALD ARTHUR GRAHAM, who is the subject of SF 100-47554, and not the above RONALD LEWIS GRAHAM.

On 6/26/61, ^{California} ~~RONALD ARTHUR~~ GRAHAM was identified by PSI EUGENE OAKLEY as the person who was at the 6/3/61 meeting in San Francisco, of the Bay Area Fair Play for Cuba Committee, which GIBSON addressed, and a later reception for GIBSON at a private residence. The informant advised that GIBSON resided in Oakland with GRAHAM on the night of 6/3/61, although GRAHAM did not appear to be well acquainted with GIBSON or the other at these functions. (u) X
