TO SAN FRANCISCO

A set of four photographs of TRAFFICANTE, taken in 1962 which are excellent likenesses of the subject.

ADMINISTRATIVE:

On 11/23/66, NO 1457-C-TE advised SA PATRICK J. COLLINS, JR., that he had determined that it was sometime in early June, 1966 when CARLOS MARCELLO, his brother, JOSEPH, and their respective spouses visited with TRAFFICANTE in Florida. He stated that the MARCELLOs flew from New Orleans to Tampa and had been met at the airport by PRIMO LAZZARA and his wife, ALICE. He related that apparently LAZZARA has been recently commuting frequently between New Orleans and Tampa, acting as a middle man between TRAFFICANTE and CARLOS MARCELLO, and that PRIMO and his wife have often socially visited Mr. and Mrs. JOSEPH MARCELLO.

Source remarked that when the LAZZARAs met the MARCELLOs at the Tampa Airport, they took them to TRAFFICANTE's Tampa residence, where they remained overnight and early the next morning, the LAZZARAs drove the MARCELLOs and TRAFFICANTE to the TRAFFICANTE beach house at St. Petersburg, Florida, where CARLOS and his wife resided with SANTO while the other MARCELLO couple stayed at a nearby motel, name of motel not known at this time.

*member of the LA Cosa Nostra NY*

Source related that regarding TRAFFICANTE's July 4th weekend visit to New Orleans, he knows that TRAFFICANTE was at the Churchill Farms Estate of CARLOS MARCELLO during the early afternoon of July 4th, does not know exactly when TRAFFICANTE arrived, but was of the opinion he had stayed overnight. Source remarked that early on the morning of 7/6/66, CARLOS, his brother, JOSEPH, their respective

spouses and TRAFFICANTE drove across Lake Pontchartrain to the home CARLOS rents in Covington, La. Source related that the MARCELLOS and TRAFFICANTE left Covington during the early evening hours of 7/6/66 and source has no additional information concerning the activities, but that he did see CARLOS and JOSEPH during the evening of 7/7/66.

Investigation to verify JOSEPH MARCELLO and his wife's stay at a St. Petersburg motel during early part of 6/66 is being conducted in the investigation captioned "AUGUSTINE PRIMO LAZZARA, TP 162-6, Bufile 162-128", and results of such investigation will also be reported subsequently in this case.

Information from records of Central Bank of Tampa was made available by Mr. ROBERT TINNARO, Cashier.

Information from records of General Telephone Company of Florida, Tampa, Florida, was made available on 11/23/66 and 12/5/66 by Mr. ALTON M. BRYANT, Security Director and on 11/29/66 and 12/2/66, by Mrs. SHIRLEY NONNENBURG, Centralized Toll Investigations.

Information from records of State Beverage Department, Tampa, Fla., was made available by Mr. FLOYD GOLDEN.

On 12/5/66, Mr. EDDIE ADAIR, Special Agent, Intelligence Unit, IRS, Tampa, Fla., confidentially advised SA JOHN A. AMBLER that

No leads are being set forth at this time to interview individuals who may be subscribers to telephone numbers which are contained in a list which was on TRAFFI-

CANTE's person at the time of his arrest in New York during 9/66, until such time as Tampa completes a review as to all of the possible locations where the telephone numbers could exist, as it is believed that from some of the personal notations made by TRAFFICANTE, they do not apply to individuals identified as subscribers to the same telephone numbers in the Miami and Tampa, Florida areas.

Pretext used by SA JOHN P. MC GUIRE, Brunswick, Georgia, was to inquire regarding the whereabouts of JOHN BRANCH, a non-existent individual.

On November 22, 1966, ROBERT W. HUNDLEY, Chief Agent, Security Division, Southern Bell Telephone and Telegraph Company, (Protect Identity) made available a list of subscribers to numerous telephone numbers in Florida which he had identified at the request of Mr. PIZZA, Assistant District Attorney, Queens County, New York, during September, 1966.

HUNDLEY advised that he understands that the telephone numbers are pertinent to the investigation of SANTO TRAFFICANTE, JR., following his arrest at New York City on September 22, 1966, along with a number of alleged Mafia members.

HUNDLEY advised that this information was subsequently furnished to telephone company officials at New York City who in turn reportedly made this information available to Mr. PIZZA

For the information of the Norfolk, Richmond and San Francisco Offices, TRAFFICANTE has been identified as the boss of the Florida family of La Cosa Nostra, and during 9/66, was located in Queens, N. Y., in the company of CARLOS MARCELLO, CARLO GAMBINO, JOE COLOMBO, and nine other individuals, allegedly members of La Cosa Nostra.

Extended investigative period is due to desire to include results of an accounting-type review of bank record information, which was not available at time of last report.

JACKSONVILLE DIVISION

AT DAYTONA BEACH, FLA.

Will, if no reason precludes same, interview GEORGE POLERA, American Tallow Corporation, concerning his association with TRAFFICANTE and other TRAFFICANTE associates. National Airlines flight 25, from Miami, Fla., arrived on 9/11/66. Will thereafter attempt to determine if TRAFFICANTE obtained rental car from Airport rental car firms, or if secured taxi or limousine service. It is noted TRAFFICANTE made this trip, apparently using the name JOSE FERNANDEZ.

(2) Will, after arrival time determined, check logical hotels and motels for a 9/11/66 arrival of an individual using the name JOSE FERNANDEZ.

MIAMI DIVISION

AT MIAMI, FLA.

(1) Will, at National Airlines, contact C. R. SANKS, Manager, Auditing and Security, and request that he review National Airlines ticket No. 283 403 406, as it appears that the return portion of this ticket was not used, in view of TRAFFICANTE's apparent usage of ticket No. 10:121 408 306, when returning from the West during 9/66. It is noted that the ticket ending 306 was for Flight 46, 9/15/66, from San Francisco to Miami, with arrival early a.m. of 9/16/66. Will also, when reviewing ticket ending 406, attempt to obtain any information which would show contact number in Las Vegas or San Francisco, how traveled from Las Vegas to San Francisco and any other information deemed pertinent.

(2) Will identify subscriber to telephone number 751-8148, it being noted this number called from TRAFFICANTE's St. Petersburg Beach residence on 7/4/66. It is further noted that it appears that TRAFFICANTE was in the New Orleans, La. area sometime during 7/4/66 weekend.

Will after identity established, conduct credit and criminal record checks and then, if deemed feasible, interview to determine association.

(3) Will further identify JOSE RODRIGUEZ, allegedly an independent bolita operator formerly connected with GINES RIVERO, Tampa, Fla. associate of TRAFFICANTE, and interview this individual concerning any knowledge he may furnish pertaining to either TRAFFICANTE or RIVERO.

TP 92-1

AT FLORIDA CITY, FLA.

Will, through discreet inquiry, identify the motel allegedly owned by Chief of Police and if possible, conduct additional discreet inquiry in an effort to substantiate that TRAFFICANTE spends a considerable portion of time at this motel. Will, of course, if able to substantiate such allegation, determine who visits TRAFFICANTE and/or reason for TRAFFICANTE's presence.

Will report results of Customs Service search of TRAFFICANTE upon his return to the U. S., 11/28/66.

NORFOLK DIVISION

Will, after subscriber identified, conduct credit and criminal record checks and thereafter, if deemed feasible, interview to determine degree of association.

RICHMOND DIVISION

AT ALEXANDRIA, VA.

If ADAMSON indicates knowledge of TRAFFICANTE or TRAFFICANTE's close relatives, will obtain all information available.

TAMPA DIVISION

AT TAMPA, FLA.

(1) Will, at General Telephone Company, review toll tickets No. 82630678, 82630693 and 83461872, to establish identity of person calling or person being called, and any other information available from such review.

(2) Will also determine when GLEN JIVIDEN, 6717 W. Clifton, had a change of telephone number from 877-4958 to his present number, 884-4335, in an effort to determine who at the former number may have placed a call to Miami hoodlum and TRAFFICANTE associate, DINO CELLINI.

At Miami, Florida:

The following investigation was conducted by SA WENDELL W. HALL, JR. on the dates indicated:

MISCELLANEOUS ACTIVITIES

On October 19, 1966, (TP) T-7 advised that prior to October, 1966, SANTO TRAFFICANTE, DAVE SHIFRIN, JIMMY DEE and a "runner" for TRAFFICANTE met every other Thursday at 3:00 PM in the Jury Room Club located at 1641 S. W. 32nd Avenue, Miami. Source stated that State Attorney RICHARD GERSTEIN has also been seen at this bar on various occasions.

Spot check surveillances at 3:00 PM on November 3 and November 9, 1966, reflected no known automobiles of any Miami area hoodlums. It is to be noted, however, that this club is well known as a hangout for local hoodlums. On November 17, 1966, it was noted that TRAFFICANTE was not in the Miami area.

On November 3, 1966, (TP) T-8 advised that SANTO TRAFFICANTE's "man" in the Miami area was JIMMY DUCA. DUCA allegedly is the man to see if someone wanted to get in touch with SANTO and DUCA also allegedly handles much of TRAFFICANTE's "public relations."

Source stated that OAKLEY SMITH was formerly the attorney for SANTO in Miami and also handled affairs for other bolita operators in the Miami area, including JOSE M. RODRIGUEZ, an independent bolita operator who formerly was connected with GINES RIVERO of Tampa.

Source stated that besides RODRIGUEZ, MANUEL MENENDEZ, who originally came from Tampa and at one time was secretary to three police chiefs in Tampa, prior to his

having been run out of Tampa during a crime clean-up, and formerly handled a bolita operation in Miami for GINES RIVERO during the late 1940's and 1950's. MENENDEZ gambled heavily and lost all of his funds and now is working in a leather company owned by SIMON GRIMALDI, a local shylock. GRIMALDI is a brother to the GRIMALDI family of Tampa who owned the Columbia Bank of Tampa.

Source stated that SANTO TRAFFICANTE controls the Cuban bolita in Miami which source stated has no connection with the bolita operation handled by the American gamblers in the Miami area. Source stated that the two gambling operations are separate and distinct.

On November 4, 1966, TP T-8 advised that he had heard years ago that SANTO TRAFFICANTE was rumored to have been responsible for the unsolved murder of CHARLIE WALL in Tampa. WALL allegedly controlled gambling in Florida and formerly was a close friend and associate of SANTO TRAFFICANTE, SR. After the death of TRAFFICANTE, SR., WALL was murdered and his body mutilated. Subsequent to his death, TRAFFICANTE, JR. became the gambling power in Florida.

Source stated that JIMMY DUCA, the local "buffer" for TRAFFICANTE in Miami, recently purchased the La Minerva Restaurant located on N. E. First Street. DUCA was married to a Spanish girl whose parents have operated Spanish restaurants for years and who are now in this business with DUCA.

EVARISTO GARCIA VIDAL is the overseer in Miami for TRAFFICANTE's Cuban bolita operation. LAZARO MILIAN, a partner of EVARISTO GARCIA VIDAL, is in the bolita operation, was rumored to be operating the Capri's Dry Cleaners on 36th Street and the Lindsley Cleaners on Flagler Street for EVARISTO GARCIA VIDAL. These cleaners are reported to be a front of considerable gambling activity. MILIAN is allegedly operating card games throughout the Miami area, is deeply

TP 92-1

involved in narcotics, as well as holding a nightly bolita drawing over and above the weekly Cuba and Puerto Rico lottery drawings.

On November 22, 1966, TP T-8 advised that JIMMIE DUCA, who currently is running the La Minerva Restaurant with his in-laws in Miami, was formerly very active in bolita activities in Miami and worked for GINES RIVERO, of Tampa. He had an undetermined falling out with RIVERO some years in the past and in the last few years, has been working with "FOOTS" STALLINGS in Miami.

E. POSSIBLE TRAVEL TO WEST COAST, SEPTEMBER, 1966

On November 22, 1966, TP T-3 advised that National Airlines ticket No. 283 403 406 was purchased September 11, 1966, for the original destination of Miami to Los Angeles and return. There was no space available for this trip on that date and the reservations were changed to Miami to Las Vegas and return. The passenger, JOE FERNANDEZ, traveled on National Airlines Flight No. 25, leaving Miami on September 11, 1966, at 4:40 p.m., traveling first-class. The return portion of the ticket was left open.

This reservation was made by telephone, by EVARISTA GARCIA VIDAL, and the local telephone number on this reservation was HI 8-6279, GARCIA VIDAL's residence.

On November 29, 1966, WILLIAM CHRISTIAN, Investigator, National Airlines Security Office, Miami, reviewed his records and found that National Airlines ticket number 283 403 406 was issued by the Caribbean Travel Agency, Miami, to JOSE FERNANDEZ, for a round trip ticket, Miami to Las Vegas to Miami, National flight 25, September 11, 1966, departing at 4:40 p.m. The total price was \$368.02.

The records further indicated that National Airlines ticket 10:121 408 306, was issued September 13, 1966, by the National Airlines ticket office, San Francisco, California, to JOSE FERNANDEZ, for a flight from San Francisco to Miami, Flight No. 44, scheduled September 14, 1966, departing San Francisco at 11:00 p.m. The ticket was actually used on Flight No. 46, September 15, 1966, which arrived in Miami at 9:50 p.m., on September 15, 1966.

Mr. CHRISTIAN stated that the originals of these tickets are kept on file by National Airlines.

F. MISCELLANEOUS

On November 25, 1966, Inspector LEE NAPIER, Miami Police Department, Intelligence Unit, advised SA EDWIN J. SHARP that he had learned from an unconfirmed source that SANTO TRAFFICANTE was alleged to spend some time at an unknown motel in Florida City, Florida, which is owned by the Chief of Police of Florida City.

On December 1, 1966, the records of the Dade County Courthouse reflected the following information concerning the house and property purchased by JUDITH SALVAT CARDO.

Book 2725, on Page 111, reflected that FRANK RAGANO, Trustee, sold a house and property to JUDITH SALVAT CARDO, of 657 West 34th Street, Hialeah, on April 27, 1961. This property was described as Lot 17, Block 11, Industrial Center, in Plat Book 14, on page 18. The State documentary stamps attached to this deed amounted to \$17.00. The purchase price for this house was \$5,666.00. The documentary stamp tax is figured at three cents per every \$100 of sale price. Witnesses to this transaction were DOLORES STEPHENS and GLORIA HACKWORTH, Notary.

Book 2446, at page 663, reflected a sale on December 30, 1960 from SALVATORE G. SCALIA, and his wife, MARTHA M., to FRANK RAGANO, Trustee, Tampa. This sale occurred December 30, 1960, and State documentary stamps attached amounted to \$6.00. The purchase price of this house, based on the documentary stamps, would be \$2,000.

A mortgage dated January 16, 1961, was entered into between FRANK RAGANO and LILLIAN G. FRUMKAS. It was a balloon mortgage amounting to \$3,000.00, payable on maturity, August 1, 1965. The mortgage called for a 10% interest rate per month, and the interest was due and payable the first day of each month at the law office of JACK A. ABBOTT, 420 Lincoln Road, Miami Beach. Witnesses to this mortgage were HENRY GONZALEZ and GLORIA HACKWORTH.

C. LUIGI PIETRO COLICCHIA, also known as,  
LOUIS P. BRADY

On November 10, 1966, TP T-9 advised that PETER MILANO of the Clark County Vending Company, Las Vegas, Nevada, was of the opinion that BRADY, who was last known to be residing in the Miami, Florida area, had been "knocked off" by the "outfit". TP T-9 stated that MILANO was of the opinion that BRADY had been going around borrowing money and had "clipped some of the big boys". TP T-9 stated that MILANO felt that TRAFFICANTE and another individual had "wined and dined" BRADY, after which they had disposed of him, and had placed his body in a Florida swamp. TP T-9 stated he gathered that this alleged killing had been within the last one to three years ago.

V. INVESTIGATION CONDUCTED AT TAMPA, FLA.

A. ESTABLISHING TRAFFICANTE'S PRESENCE IN TAMPA, FLA.

On November 1, 1966, TP T-10 advised that sometime around 1:45 p.m., TRAFFICANTE had been observed in the vicinity of East Broadway and 22nd Street.

On November 8, 1966, TP T-1 advised that on either Tuesday or Wednesday, November 1 or 2, 1966, SANTO had met JIMMY LONGO at the Tampa International Airport and had apparently flown to Miami, Florida. TP T-1 added that TRAFFICANTE had returned to Tampa either late Friday night, November 4, or early Saturday morning, November 5, 1966, and had spent the remainder of the weekend at his Tampa, Florida residence. TP T-1 added that he knows that during this period of time, the only known visitor to the Tampa, Florida residence was Mrs. TRAFFICANTE's father.

TP 92-1

On November 5, 1966, TP T-10 advised that around 1:00 p.m., TRAFFICANTE had been observed in the vicinity of 22nd Street and East Broadway.

On November 7, 1966, SAs JOHN R. BRETT, JOHN A. AMBLER and PATRICK T. LAFFEY observed SANTO TRAFFICANTE, Mrs. TRAFFICANTE and their grandson, SANTOS PANIELLO, depart from the TRAFFICANTE Tampa residence in the 1964 Chevelle, with SANTO driving and proceed via a circuitous route to the SANTO TRAFFICANTE St. Petersburg Beach residence, located at 3610 El Centro.

On November 8, 1966, TP T-1 advised that on Monday, November 7, 1966, SANTO, Mrs. TRAFFICANTE, and their grandchild, SANTOS PANIELLO, had gone to the St. Petersburg Beach residence in the Chevelle and when they had left, they had apparently planned to stay the remainder of the week. TP T-1 added, however, that sometime during the early afternoon of November 7, 1966, TRAFFICANTE's daughter, MARY JO, received a long distance telephone call and that subsequently, TP T-1 learned that Mr. and Mrs. TRAFFICANTE had, during the late evening of November 7, 1966 or early morning of November 8, 1966, traveled to Miami, Florida.

On November 14, 1966, TP T-1 advised that SANTO and Mrs. TRAFFICANTE had returned to Tampa from Miami during the weekend of November 12-13, 1966. On November 15, 1966, TP T-1 advised that on the afternoon of November 15, 1966, MARY JO PANIELLO and Mrs. TRAFFICANTE had gone to St. Joseph's Hospital where Mrs. TRAFFICANTE was to be confined for some type of operation or examination. TP T-1 added that SANTO, although in Tampa, had not accompanied his wife to the hospital, and had apparently been out with some of his friends, celebrating his birthday.

On November 15, 1966, TP T-10 advised that sometime around 1:30 p.m., TRAFFICANTE had been in the vicinity of East Broadway and 22nd Street. TP T-10 added that subsequently, around 9:00 p.m., TRAFFICANTE, JIMMY LONGO, LONGO's son-in-law, FRANK RAGANO, and two other unidentified males had had a party in the Don Quixote Room of the Columbia Restaurant and that some of the individuals were accompanied by females, but that Mrs. TRAFFICANTE was not present.

On November 15, 1966, at 12:40 p.m., SA PATRICK T. LAFFEY observed TRAFFICANTE driving the Chevelle, bearing 1966 Florida license 3-12630, in the vicinity of 8th Avenue and 18th Street, Ybor City, and later observed TRAFFICANTE park in a parking lot adjacent to the grocery store located

TP 92-1

at the corner of 22nd Street and 8th Avenue.

On November 17, 1966, TP T-1 advised that although TRAFFICANTE had not been observed on November 17, 1966, TP T-1 was certain that TRAFFICANTE was somewhere in the Tampa area on the evening of November 17, 1966. TP T-1 added that on the morning of November 16, 1966, sometime around 10:30 a.m., TRAFFICANTE had apparently been in contact with FRANK RAGANO, and had shortly thereafter, left his residence.

On November 17, 1966, Sgt. PETE AYALA, Hillsborough County Authority Airport Police, advised that at 1:50 p.m., he had observed FRANK RAGANO and SANTO TRAFFICANTE at the Airport Terminal Building, and although he did not see what airline or airplane they had arrived on, he knows that they were just arriving from some flight. Mr. AYALA advised that they were wearing no top coats, had no apparent luggage, and that each was carrying an attache case. Mr. AYALA advised that the two left the Airport Terminal Building, walking toward the airport parking lot.

On November 18, 1966, TP T-10 advised that on the morning of November 18, 1966, sometime around 10:00, TRAFFICANTE had been observed in the vicinity of 22nd Street and East Broadway in the company of CASEY HERNANDEZ.

On November 18, 1966, at 11:10 a.m., SA JOHN A. AMBLER observed TRAFFICANTE to park the Chevelle in the driveway adjacent to his Tampa residence and thereafter, was observed to walk into the front door of the residence.

On November 20, 1966, TP T-1 advised that TRAFFICANTE had left Tampa sometime during the day, presumably flying to Miami.

On November 21, 1966, at 3:25 p.m., an old model green Chevrolet, bearing 1966 Florida license 3-53046, was observed by SA AMBLER parked at the TRAFFICANTE residence. Records of the Hillsborough County Auto Tag Agency reflect that the above license is issued to PETRINO GULLO, 1011 No. Armenia, for a 1958 four-door Chevrolet. This individual has previously been interviewed and has been identified as the sister of JAMES COSTA LONGO.

On December 5, 1966, TP T-1 advised that TRAFFICANTE apparently has not been back in the Tampa, Florida area since he left his Tampa residence a couple of days

TP 92-1

before Thanksgiving. TP T-1 added that Mrs. TRAFFICANTE continues to be at the Tampa, Florida residence on a daily basis.

On November 18, 1966, TP T-11 advised that during the early 1960s, the Boston Bar, which is located at 2113 E. Columbus Drive, was owned and operated by JOHN RIVERA. TP T-11 stated that following the Cuban government being seized by FIDEL CASTRO, an individual who had been some type of official in the BATISTA government, and who is known as FRANCISCO MARTINEZ, also known as PACHO, had become financially involved with RIVERA, in the operation of the Boston Bar. TP T-11 stated that to his knowledge, this is the only individual having the name of MARTINEZ, who was in any way, associated with the Boston Bar during the early 1960s. TP T-11 added that he is acquainted with most of the individuals frequenting the Boston Bar during the early 1960s, and he knows of no one named WILLIAM MARTINEZ, who might have been a frequent habitue of the bar.

(2) HERMAN SOUTH

On November 16, 1966, TP T-10 advised that he knows HERMAN SOUTH as a hoodlum in the Tampa, Florida area, but has never heard it mentioned that SOUTH was involved financially in any endeavor in which SANTO TRAFFICANTE might also have had an interest.

On November 21, 1966, TP T-12 advised that from his close association with liquor store operations in the Tampa, Florida area, he has never gained any information which would indicate that SANTO TRAFFICANTE, JR. and HERMAN SOUTH have ever had any mutual financial endeavor. TP T-12 stated that he has never heard of either SOUTH or TRAFFICANTE being involved in any wholesale liquor distributorship, and that the only instance in which he is aware that SOUTH was ever involved in any type of retail liquor operation was that of SOUTH's association with former night club operator, BEN KOLSKY.

On November 23, 1966, TP T-16 advised that he has no recollection of ever having heard HERMAN SOUTH's name mentioned in connection with any financial venture with SANTO TRAFFICANTE, JR. TP T-16 stated that from association with individuals whom he knows are personally acquainted with TRAFFICANTE, he has never heard anything which would indicate that SOUTH is associated in any financial venture with TRAFFICANTE.

On November 21, 1966, TP T-17 advised that in years past, although he himself was never involved in any business venture with TRAFFICANTE, he does have knowledge of

TP 92-1

individuals who were associated with TRAFFICANTE. TP T-17 stated he is certain that HERMAN SOUTH has never been so involved and since TRAFFICANTE returned to the United States from Cuba during the beginning of the CASTRO regime, he, TP T-17, has no personal knowledge that TRAFFICANTE has been involved in any financial venture with SOUTH. TP T-17 added, however, that from his personal knowledge of TRAFFICANTE and TRAFFICANTE's close associates, he feels that one of the last persons that TRAFFICANTE would become involved with would be a person like HERMAN SOUTH. TP T-17 related that he has never heard anything concerning TRAFFICANTE that would indicate that TRAFFICANTE has any financial investment of any type in any liquor business, other than possibly being involved in the ownership of the Dream Bar.

On November 23, 1966, TP T-18 advised that from past association with SANTO TRAFFICANTE, JR., and from present association with TRAFFICANTE's brothers, SAM and FRANK, he has never gained any indication that any of the TRAFFICANTEs have, at any time, been involved in any financial venture with HERMAN SOUTH. TP T-18 stated that he is not personally acquainted with SOUTH, although he has, of course, heard of SOUTH, and doubts that SANTO TRAFFICANTE, JR. has any more than a possible mere speaking acquaintance with SOUTH.

On November 23, 1966, TP T-20 advised that although he is not presently closely associated with SANTO TRAFFICANTE, he has, in the past, been closely associated with TRAFFICANTE, and from such association, has absolutely no reason whatsoever to believe that SANTO TRAFFICANTE would ever be involved in any type of a financial venture with an individual having the reputation such as HERMAN SOUTH.

On November 30, 1966, TP T-11 advised that from his own personal acquaintance and association with SANTO TRAFFICANTE and SANTO's brothers, and from his own association with the liquor business, he is absolutely positive that SANTO TRAFFICANTE has never been involved in any liquor venture with HERMAN SOUTH. TP T-11 was also of the opinion that TRAFFICANTE himself was not engaged in any financial venture involving either a retail or wholesale liquor organization. TP T-11 stated that SOUTH has a reputation of being a "petty" hoodlum, and he does not believe that TRAFFICANTE would be in any way associated in any manner with the likes of SOUTH.

C. LA COSA NOSTRA

On October 26, 1966, TP T-14 advised that ART PRICE, true name, ARTURO MISURACA, continues to deny his own membership in La Cosa Nostra, either in the past or the present, and also continues to disclaim any personal knowledge concerning La Cosa Nostra, and has even gone so far as to deny any personal knowledge that any of his brothers have any affiliation with the La Cosa Nostra. TP T-14 added that PRICE has given no indication of having recently been in any type of contact with SANTO TRAFFICANTE, JR.

TP T-14 did state that PRICE had recently been visited by his brother, JOHN MISURACA, but gave no indication that JOHN MISURACA is acquainted with SANTO TRAFFICANTE or had any contact with TRAFFICANTE during JOHN MISURACA's stay in the Tampa, Florida area.

On November 16, 1966, TP T-15 advised that ANDRE DANTE MAGRINI has made the claim that his father, who was a barber by trade, and who resided in New York, had been a member of La Cosa Nostra, and was a "worker" or "button man". MAGRINI has mentioned that his father, although obviously a lower echelon member of La Cosa Nostra, had told him prior to his death that SANTO TRAFFICANTE, JR. was the highest ranking La Cosa Nostra member in Florida.

On November 16, 1966, TP T-21 related that AL SCAGLIONE, brother of SANTO TRAFFICANTE associate, NICK SCAGLIONE, continues to disclaim that either he or his brother, NICK, were ever members of La Cosa Nostra, and AL also disclaims any personal knowledge as to the past or current membership of this organization.

TP T-21 stated that AL SCAGLIONE has inferred, however, that if such an organization does exist, in the Tampa area, then certainly, SANTO TRAFFICANTE would be the head of any such organization.

On November 4, 1966, Assistant District Attorney STEPHEN BURGIO, Queens County, New York, advised that the appearance of the attendees of the La Cosa Nostra meeting in Queens during September, 1966, before Judge, Queens County Court, had been postponed from November 9, 1966 to November 29, 1966, and that the postponement had been necessitated by the incapacitation of one of the attorneys

representing one of the unidentified attendees.

On November 25, 1966, Chief Assistant District Attorney, HOWARD CERNY, Queens County, advised that at the request of the attorney representing COLOMBO and MIRANDA, he had requested a continuance from November 29 to December 16, 1966.

On December 1, 1966, CERNY advised that on November 30, 1966, he had been informed by Queens County Judge SHAPIRO, that he, CERNY, was instructed to inform the respective attorneys that the date of the hearing scheduled for December 16, 1966, had been changed to December 15, 1966, and that Judge SHAPIRO had given no explanation for the changed date. CERNY indicated that the attendees with the exception of GAMBINO, will be ordered to show cause on December 15, 1966, why they should not be punished for refusing to testify before the Queens County Grand Jury, after being granted immunity.

D. MISCELLANEOUS

On November 17, 1966, TP T-13 advised that from continual contact with the Tampa and nearby Polk County criminal element, he is of the opinion that SANTO TRAFFICANTE's brother, SAM, is "Mr. Big" in Florida, and uses SANTO as a front man. TP T-13 stated that he is of the opinion that SANTO is on an expense account and is used to divert attention from the TRAFFICANTE family activity in Tampa, and also to handle any necessary travel. TP T-13 stated that years ago, he had been engaged in the numbers racket in Polk County, and was at that time, part of the TRAFFICANTE operation. TP T-13 stated that he is on a first-name basis with SAM, and has entertained SAM in TP T-13's home on several occasions over the past few years.

## FEDERAL BUREAU OF INVESTIGATION

Date December 2, 19661

JACK PARRINO, 4701 Willis, was contacted at his residence and an attempt was made to advise PARRINO of his rights and an attempt was made to furnish him with a copy of his rights for his signature and he refused to accept the paper and refused to allow SA JOHN A. AMBLER advise him of his rights. PARRINO claimed that he was a very busy man, that he was in the process of cleaning up, including shaving and that he did not have time to talk to the FBI.

A photograph of ALBERT VALENTI, St. Louis, Missouri Police Department Number 102329, taken November, 1965, was exhibited to PARRINO by SA AMBLER holding it in his hand at approximately an arm's length from PARRINO as PARRINO refused to hold the photograph in his hand. PARRINO denied that he knew anyone named VALENTI from St. Louis, Missouri and to the question did he knew anyone named VALENTI from any locality other than Tampa, he shook his head negatively. PARRINO at this point began to close the door of his residence in SA AMBLER and SA PATRICK T. LAFFEY's face and therefore the interview was terminated.

TP 92-1

On November 16, 1966, TP T-21 related that from association with AL SCAGLIONE, he knows that AL SCAGLIONE and his brother, NICK, had formerly been involved in years past, with SANTO TRAFFICANTE, but is fairly certain that the SCAGLIONES no longer are a part of any TRAFFICANTE gambling operation. TP T-21 added that although TRAFFICANTE does not appear to be the controlling figure in the active Tampa gambling, it is apparent that TRAFFICANTE himself, gets a piece of the action, both from his brother, SAM's, operation, and from an operation which is believed to be that of TRAFFICANTE's associate, GINES "CALIFORNIA" RIVERO. TP T-21 stated he is of the opinion that SANTO is more active in other hoodlum activities than gambling, although TP T-21 has no personal knowledge on which to base this assumption.

TP T-21 identified TRAFFICANTE's Tampa close associate as JIMMY LONGO, and stated that in years past, HARLAN BLACKBURN, commonly known as "The Colonel", was active in the TRAFFICANTE organization, but that at present time, there does not appear to be any association at all between BLACKBURN in Orlando and any of the TRAFFICANTES, including SANTO. TP T-21 stated that the rumor is that BLACKBURN apparently fell out with TRAFFICANTE during the period of time when SANTO was involved in the operation of gambling casinos in Havana, Cuba.
