MEMORANDUM FOR THE RECORD

SUBJECT: Briefing of Victor D. BALSANELLO (P) Regarding Project ALWIDE

1. On 8 October accompanied by George Powell, Central Cover Staff, Covert Tax Unit, we met with Victor D. BALSANELLO (P) at the Holiday Inn in Rosslyn for the purpose of briefing him regarding his tax and cover status. Upon arrival we discovered he was just being shown his contract by the case officer and a representative of WH Personnel. After a cursory review of his contract, BALSANELLO (P) stated that he refused to commit himself for a period of more than one year inasmuch as this was a losing proposition for him financially. After a brief discussion, it was agreed that the contract could be amended to cover a period of thirteen months under which he still maintains the same benefits which were set forth in the original agreement. He then voiced objections to the use of his assigned pseudonym and gave the general impression or reluctance to become associated under any terms of agreement.

2. He advised that he had been invited to Florida in August and had a resulting medical problem consisting of fungus which developed on this trip. He stated that at noon on 9 October, he was to receive the results of tests run by two independent doctors whom he had consulted and therefore was in no position to morally commit himself to this contract under any terms. Fortunately Powell and I were introduced in alias and at this point we departed from the meeting.

3. We later learned that the subject had been given the true name of the ~~ALWIDE~~ proprietary during the above-mentioned visit in Florida. *ALWIDE*

MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with John Thomas Duncan: Project AMWIDE Candidate (1145 - 1515 hours, 8 October 1968; Rosslyn, Virginia)

63

1. (Donald Winters) and I met briefly with "Tom" Duncan in the lobby of the Holiday Inn, Rosslyn, Virginia, after which Duncan and I had lunch at the Orleans House. The purpose of the meeting was to discuss any problem areas or questions which Duncan may have had incident to his coming "on board." Further, I was to remain with Duncan until such time as he would be introduced to (John Martin) that afternoon. (NOTE: The latter session was arranged for the purpose of having Duncan sign the contract which had been prepared for him, and to explain his cover arrangement and other pertinent administrative details.)

2. During the earlier discussion, (Winters) Duncan and I chatted for nearly thirty minutes; though Duncan mentioned (1) the skin fungus which he had contracted during an earlier visit to Florida; and (2) his desire to confer by telephone with his doctors concerning the results of recent skin tests, Duncan did not give any indication that he intended to refuse the position for which he had been selected. Having still another appointment, (Winters) excused himself at about 1230 hours and told Duncan that he hoped they might have an opportunity to get together prior to Duncan's departure.

3. Subsequently, Duncan and I lunched together, during which time the conversation turned to Duncan's recent travels and his several visits to university campuses while enroute to Washington. He mentioned that he had found the doctoral program at the University of Minnesota particularly attractive. He did not say that he intended to enroll at that institution, but he several times alluded to "picking up the doctorate" at some future date. With reference to the aforementioned AMWIDE position, Duncan stated that he could not do anything -- (while in the Agency's employ) -- which might run counter to his

SECRET

"principles" or set of values. I assured him that it was extremely unlikely that he would experience any difficulty in that regard, and I recalled at that time how casual he seemed throughout our brief discussion of his forthcoming affiliation with the Agency. In retrospect, it seems quite clear that Duncan was not really interested in being reassured; his decision to refuse the Agency's offer of employment had likely been reached days before.

4. During the course of the afternoon meeting with ⁰³(Martin), and later with George Powell and Richard Biladeau, it was my impression that neither the terms of the contract nor the assignment of a pseudonym was of paramount concern. Rather, Duncan's expressed misgivings were only superficial excuses for backing out of a relationship which he had come to view as untenable. Doubtless, his skin condition was a factor, however, had Duncan been sufficiently enthusiastic about joining the AMWIDE project, it is my feeling that he would have done so despite his malady. (NOTE: The doctors reportedly told Duncan that many people living in Florida had the same problem, and that Duncan "could live with it.")

5. In sum, it is my opinion that Duncan was unwilling to accept the job regardless of the terms which he might be able to exact, e. g., thirteen months as opposed to two-years, etc. It is conceivable that had it not been for Duncan's desire to visit relatives in the Washington, D. C., area, he may not have presented himself at all. Why Duncan agreed to meet with ⁰³(Martin), Powell and Biladeau remains something of a mystery to me. He may have felt some obligation to ⁰³(Winters) for whom he expressed high regard, or he may have done so simply out of curiosity.

6. Security Implications: Known to Duncan are the true name and address of AMWIDE's production facility, and the true name of Cedric D. BARTILUCCI. Though it is not believed that Duncan will cause this information to become known, Station JMCOBRA has been alerted to the possibility.

1. Following are Headquarters traces on personalities involved in the Robert K. BROWN Case requested in Reference A, keyed to the order in which they are listed in the reference.

A. Paul RICHARDSON - This person may be identifiable with Paul RICHARDSON (201-111-86), alias for Paul Kuhlman HEIM, DPOB: 18 April 1930, Greensville, Pennsylvania. He was described in 1968 as white, 6 ft., 2-3 inches; 175 pounds; black hair, greying and balding on top; blue eyes, wears glasses for reading; lean build; appeared in good physical condition and dressed well. Was an aviation consultant and pilot. He was dropped from LNLEVY on 1 May 1967 with prejudice. In March 1967 HEIM advertised in a U.S. aviation trade newspaper for a co-pilot or co-pilot mechanic to fly primarily in Europe. HEIM inferred to a candidate (informant) that he was connected with JKLANCE overseas and that he was an officer in the LNLEVY reserve. Upon arrival in Zurich, Switzerland in April 1967, HEIM told the candidate that he would not be employed by Transair as previously indicated,

The 11 June 1971 issue of the Washington Post carried the obituary for Arnaldo M O N D A D O R I, Italy's number one publisher who retired two years previously leaving the publishing house in the hands of his son Georgio. Yearly sales were said to average \$120 million dollars. On the above mentioned trip to Zurich, H E I M was involved in smuggling a large trunk (contents unknown) through customs in Torino, Italy by bribing the officials. H E I M purchased a King Air Beechcraft in May 1966 valued at approximately \$500,000, which was registered to him for tax purposes but owned by two wealthy Italians. H E I M's U. S. business address in 1968 was Paul K. H E I M, Aviation Consultant, Hays Street, Gettysburg, Pa. 17325. The foregoing was based on LNERGO reports.

D. Pauladine Press (formerly Panther Publications).
By memo dated November 1967, V O M A C E requested LNERGO to procure a list of toll calls made from the office of Panther Publications in Boulder, Colorado, and a similar list of toll calls made from the home of Robert K. Brown. This request was made as a result of Brown's harrassment of JKLANCE with the avowed intent of publishing a book exposing JKLANCE operations. LNERGO advised that there was not sufficient indication to justify an investigation falling within LNERGO jurisdiction, thus the request was never serviced.

H. William J D E M P S E Y. It appears likely that this subject may be identifiable with one William John D E M P S E Y, aka Bill, DPOB: 19 February 1941, Canada. In May 1969 he was described as blond hair; single; maintenance worker; Canadian citizen; left arm 4 inches shorter than right arm. He went to the Miami area in about 1961. Claimed to be a veteran of the Canadian Army. He became involved with American mercenaries and adventurers who formed a group under Gerald Patrick H E M M I N G, veteran of the U. S. Marine Corps, previously reported in Brown traffic. This group volunteered their services to various Cuban exiles who were then planning military expeditions to overthrow the Government of Cuba. Most of the persons in the group had criminal records and under police pressure left the Miami area. D E M P S E Y has been involved in Cuban and Haitian matters since that time. He has been a technical advisor to many Cuban exile groups concerning plans to infiltrate and launch missions against Cuba. Was involved with Rolando M A S F E R R E R Rojas, et al, in planned invasion of Haiti in 1966. The participants were arrested by LNYAPA officials, but D E M P S E Y evaded apprehension. In March 1969

he was arrested and incarcerated in Monroe County Jail, Key West, Florida, along with eleven other persons, in connection with an accident at a secret military camp discovered in the Florida Everglades, allegedly being used by Haitian exiles preparing to invade Haiti. D E M P S E Y was the commander in charge of operations and training. D E M P S E Y and the other camp commander, Edmund K O L B Y, were in charge of disbursements. In June 1969 D E M P S E Y participated in a bombing mission at Port-Au-Prince, Haiti, was deported from the Bahamas to Miami and arrested there by LNYAPA agents. He later was returned to Canada but was not prosecuted. In September 1969 D E M P S E Y advised an LNERGO informant that he still resided in Canada and was associated with an American (not further identified) who was then writing a book about the assassination of President Kennedy.

I. (Mrs.) M. *De M E L L O - This no doubt is the Mrs. Manuel De M E L L O given by B R O W N as his mother and emergency addressee when B R O W N was issued a regular passport in September 1966 for travel to Denmark, England and France on business. See paragraph 4, JMWAVE 9087 dated 1 September 1967 (201-189473).

N. *Military Armament Company - as of December 1970 had about 12 employees including four machinists who worked under the direction of Gordon I N G R A M. It is a subsidiary of Environmental Industries, Inc. a Washington, D. C. corporation reportedly bankrolled by some of the East's most prominent investment houses. Also tied in with Environmental Industries is SIONICS (Studies in Operational Negotiation of Insurgency and Countersubversion), organized in 1967, also located in Powder Springs, Ga., which makes specialized light weapons for LNGLUE and other counterinsurgency forces around the world. Director of international operations of Environmental Industries, Inc. President of Military Armaments Co, and Vice-President of SIONICS is one Mitchell Livingston V E R B E L L III (201-259910) well-known to JKLANCE and characterized as unscrupulous, a "wheeler-dealer" and a promoter of grandiose schemes. V E R B E L L initiated contact with both overt and covert JKLANCE officers in the later 1950's and mid-1960's to pass information on revolutionary matters in the Caribbean area which was of little value. On occasion he has intimated JKLANCE support or affiliation but has never been used by JKLANCE. Has appeared in Brown traffic re anti-Castro activities from Miami.

P. Simon & Schuster, Inc. An LNERGO report dated January 1953 reflects that the Simon & Schuster firm in New York City had a contract with an Amos L A N D M A N, U. Q. Publishers Development Corporation - NPIL.

S. John T.* D U N C A N -

A Tom D U N C A N is cited in previous S L A F T E R traffic (DBA-28117, 19 November 1962) (201-309125) as one of a group of men headed by Gerald Patrick H E M M I N G training on the key. He was the owner of a newspaper in Moore Haven, Florida and appeared to be handling publicity and public relations for the group.

One John Thomas D U N C A N (201-841921) was contacted and assessed in July 1968 for use as a reporter/announcer for the AMWIDE production facility. D U N C A N accepted the AMWIDE job after a visit to Miami in August 1968 and discussion with JKLANCE officers; however, in a follow-up contact with a Headquarters officer in October 1968, declined the position.

One Richard D U N C A N (UFAT-345, 6 January 1968) associated with Time Magazine, Columbus, Georgia, assisted B R O V N in regard to research work in the Miami area re Melmar and Zenith Corporations. Also see UFGA-29143, 18 December 1967 (201-823964).

T. Vet Offset Publication Corp & Web Paper Sales Co. - NPIL.

U. ^{EC}C&P Telephone Company, Washington, D. C., - NPIL. The telephone number cited in ref A is not listed in the Washington, D. C., Virginia or Maryland Directories; however, two different calls placed to that number identified it as a D. C. C&P Telephone number, office of Miss T H O R N. A Miss R O S S answered the phone.

V. Varren J H I N C K L E. This undoubtedly is Varren James H I N C K L E (201-817303), born 12 October 1938, San Francisco, California, graduate of the University of San Francisco; editor of Ramparts Magazine in 1964; and elected President in a bitter intramural struggle for control of Ramparts in May 1967. The cover of the December 1967 issue showed the burning of draft cards of H I N C K L E and three other Ramparts officials. H I N C K L E was presented the Emergency Civil Liberty Committee's (ECLC) Tom Payne Award at the annual ECLC Bill of Rights Dinner in New York City in December 1967. He reportedly spent some weeks in Prague prior to Rampart's exposure of JKLANCE and upon his return the Rampart's deficit was settled. He resigned as President and Editorial Director of Ramparts in January 1969 when the magazine went bankrupt. He began the new monthly magazine, Scanlan, with two New York Times staffers. The first issue was published in March 1970. He reportedly is a heavy drinker of scotch whiskey.

OPERATIONS CONTACT REPORT**SUBJECT: Meeting with IDEN and Wife****DATE AND PLACE: 23 July 1968, 1000 - 2000 Hours, Albuquerque,
New Mexico**

1. Clyde B. MEGENNTY first met IDEN alone during the morning of 23 July; the meeting was held in MEGENNTY's hotel room. MEGENNTY introduced himself as a representative of LNHARP, indicating to IDEN that he was involved in work of a confidential nature for LNHARP. IDEN was then given the broad outline of the AMWIDE job. This included location in the JMCOBRA area, work as a producer/script writer, possible travel throughout the Caribbean, and a general salary bracket around \$10,000. IDEN was also told that LNHARP would pay his transportation and moving costs to the JMCOBRA area.

2. IDEN stated that he had already intended to submit (on 1 August) a thirty day resignation notice from his current job at the University of New Mexico's TV Studio. He indicated that he and his wife planned to go to Europe and spend approximately six months studying and travelling. IDEN is interested in studying broadcasting techniques and operations in Switzerland. He indicated some regret over the possibility of having to cancel these plans, however acknowledged the career job opportunities that the AMWIDE offer would afford him.

3. In answering additional questions about the job itself, IDEN was told that he would be working ostensibly for a commercial company engaged in the preparation of program materials for the Latin American audience. IDEN was advised that these programs would be of social/economic nature, designed to be progressive and reformist in tone. IDEN seemed most interested in the concept and, according to several remarks he made throughout the day, the nature of the broadcasts fits in quite well with his own political thinking concerning the Latin America area.

4. At noon time MEGENNITY met IDEN's wife. She is an intelligent and vivacious person who obviously would be very much interested in, and involved in, anything her husband would be doing. She was given more or less the same cover run down concerning the AMWIDE job. She expressed great interest and asked if there was any role she could do in this venture.

5. During the afternoon IDEN and his wife drove MEGENNITY throughout the Albuquerque and Santa Fe area showing him several sights, but also discussing the overall job considerations and ramifications.

6. IDEN indicated to MEGENNITY that his Spanish was adequate for handling virtually all situations. He feels completely at ease verbally with the language and indicated he could conduct Spanish interviews and personal reporting jobs for AMWIDE. It did not seem appropriate to test his Spanish capability. His wife has little or no Spanish. Neither IDEN nor his wife has travelled or lived in the eastern United States. The idea of going to the JMCOBRA area obviously is new to them and they approached it with some reservations. MEGENNITY indicated that if a short visit to the JMCOBRA area might satisfy their curiosity, and assist them in making a decision concerning the acceptance of the AMWIDE job, that such a visit could probably be arranged.

7. It is MEGENNITY's opinion that both these individuals are highly suited for the AMWIDE job. They are curious intellectually, have a very pragmatic outlook on political matters, are most enthusiastic about things which interest them, and seem like a fine team asset to have at the AMWIDE Facility. MEGENNITY feels, wherever possible, we should make inducements to insure that IDEN and his wife decide favorably in acceptance of the AMWIDE job. MEGENNITY urged them to call him at any time they had questions and considerations and, above all, not to make any final decision (particularly negative) without discussing it with MEGENNITY (what MEGENNITY had in mind here, was the flexibility to suggest that they might go to Europe for as long as three months and then return to start at the AMWIDE job around 1 December).

8. The experience in visiting the IDENS, both of whom are young, without roots - either family or professionally - and who are already giving up their current jobs, indicates that the problem of recruiting personnel for AMWIDE is indeed going to be a difficult one. It is MEGENNITY's opinion that from all the other candidates we will hardly find

1. STATION OFFICERS MET WITH MR. DUNCAN 5 AND 6 AUGUST. WE FOUND HIM COMPETENT AND SELF POSSESSED IN THIS PRIMARY FIELD OF INTEREST, BROADCASTING. HIS INTEREST AND BENT IN POLITICS WERE LESS DISCERNIBLE. ON BALANCE, WE WILL BE GAMBLING THAT HIS OBVIOUSLY HIGH INATE INTELLIGENCE CAN ENCOMPASS DEVELOPMENT OF A MORE FULLY ARTICULATE POLITICAL SENSE. WHETHER OR NOT HE ACCEPTS THE JOB (HE PROMISED TO NOTIFY MR. SAINEN OF HIS DECISION WITHING THE COMING WEEK) WE WILL STILL REQUIRE A NON-US NATIVE SPANISH SPEAKING NEWSMAN AS DESCRIBED REF B. WE WILL THEREFORE REVIEW AND EXPAND APPEAL FOR SUCH TALENT.

2. MR. DUNCAN MET FOLLOWING STATION OFFICERS, ATT USING ALIASES NOTED: NEBECKER (LARRY STAUNTON), BARTILUCCI (ANDY PIERCE), LAUNEAUX (RAY ARNOLD), COPSIADAS (JIM LANE), AND ZEEPHAT (JOHN KENNINGTON). HE WAS PAID \$280.40 FOR AIR TICKETS AND EXPENSES.
