MEMORANDUM FOR: Chief, EAB/PSD/OS

ATTENTION : Mr. Harry Dugan

SUBJECT : Employment of Spouse - Mrs. Dorothy L. Hunt

1. For the past seven months my wife has been employed locally by Communications Consultants International (CCI), a public relations subsidiary of McCann-Erickson, the New York advertising firm.

2. McCann-Erickson, through CCI, has held the <sup>24</sup>(Spanish Embassy) public relations account for the past year, but the <sup>24</sup>(Spanish Government) is about to cancel the account and do the work itself. Acquaintances at the <sup>24</sup>(Spanish Embassy) have suggested that my wife help them on a part-time basis by doing translations, statistical research and occasional letters for the <sup>24</sup>(Spanish Ambassador). Most of the work could be accomplished at home and at my wife's convenience, making the employment desirable and almost unique as jobs for women go.

3. With Agency concurrence, my wife worked for the <sup>24</sup>(Argentine Ambassador in Tokyo) 1955-56, and though her currently-projected <sup>24</sup>employment would not hold the intelligence implications of her <sup>24</sup>(Argentine Embassy) employment, I am assuming that there would be no objection to her performing the part-time work described.

4. The concurrence of your office is requested.
