MEMORANDUM FOR: Chief, SR/6

SUBJECT : Debriefing of Robert Edward WEBSTER (201 - 265472)

1. Subject, who renounced his US citizenship in 1959 when he defected to the USSR and who returned to the US as an alien under the Soviet quota in May 1962, was debriefed by the undersigned together with OO/Contact Division and Air Force representatives in Pittsburgh, Penna., during 2 - 3 July 1962. (See Attachment A for biographic data on Subject) The undersigned used the pseudonym, Rudy Valentino, while the following used their true names: Messrs. Keller Stewart, Robert Starling and Jack Tague, of the OO office, Pittsburgh; Major E. J. Zvetina and Mr. F. G. Jaycocks, of the Air Force Foreign Technology Division, Wright-Patterson AFB, Ohio. The undersigned's aim was to determine if Subject was knowledgeable regarding detailed operational intelligence and Soviet Realities, while OO processed its normal requirements, including those of TSD, and the Air Force interrogated Subject along technical lines.

2. Because time was short, it was decided that the undersigned would conduct a chronological questioning and the OO and Air Force officials would enter the debriefing as appropriate. Therefore, the undersigned had about eight hours of debriefing opportunity and on this basis recommended that Subject be brought to Washington, D. C. for detailed debriefing.

3. Arrangements for Subject's quarters to be used also for debriefing were made through the Office of Security and Subject stayed at the Marriott Motel, Key Bridge, during 15-28 July 1962. See Enclosure A for a listing of staff personnel who participated in the debriefing of Subject; this listing includes the Aliases staff personnel used and dates on which they had contact with Subject. Enclosure "B" contains the undersigned notations made during various phases of debriefing and are attached for whatever value they may have in the future. Enclosure "C" is a Secrecy Agreement, dated 16 July 1962, signed by Subject and witnessed by the undersigned and Miss Eleanor Reed in pseudo. Enclosure "D", dated 27 July 1962, is a combination Secrecy Agreement and statement of truthfulness signed by Subject and witnessed by the undersigned and Miss Eleanor Reed (in pseudo). Enclosure "E" is a short biography on Subject prepared by Miss Eleanor Reed which can be used in the event of necessity.

B/R

1. Because time was short and three different office participated in the debriefing, <sup>it was decided that</sup> the undersigned would conduct a chronological questioning, on Subject's experience and ~~the~~ CO and AF officials would enter the ~~debriefing~~ questioning whenever appropriate.

AF obtained data from Subject on his employment <sup>and observations on</sup> with the Plastic Institute and factory in Leningrad; copies of their reporting will be forwarded via the Pittsburgh CO/CO office. DICE was primarily interested in all personalities with whom Subject had contact in the Soviet Union; this data plus Subject's documents, letters, etc., some of which Subject permitted The Agency to keep, will be forwarded to SR Division from Pittsburgh.

2. Subject appeared <sup>to be</sup> very cooperative and, in fact, said that he would do any thing to help the US Government ~~to that~~ which would help him in his own mind to erase some of the stigma associated with his defection to the USSR. Although Subject ~~was~~ returned to the US on 20 May 1962, having defected in October 1959, Subject apparently began to forget <sup>details</sup> very quickly; however, his ~~recall~~ ability to recall improved after considerable questioning and conditioning. It was felt that Subject can provide a great deal of OI and realities data and arrangements were made to have him

travel to Washington, D.C. on 15 July 1962 where he will remain ~~at~~ up to two weeks if necessary. Office <sup>where it</sup> participated in the debriefing are Sr/6 (including the SRC <sup>staff</sup>), Sr/CA,

Sr/CI, TSD/BAB, TSD/PAB, TSD/ ; CA/PROP, and, if necessary, <sup>Office of Security</sup> (only graph operators): OS/IGSO/ESS, JX/SII/ and

The following are some <sup>possibly</sup> significant facts derived from the preliminary debriefing: and comments of assessment ~~are~~ <sup>to</sup>

a. Subject stated that he decided to defect because of family problems <sup>personal and financial</sup> with which he could not cope and he took the easy way out. (Apparently his problem was associated with his wife inasmuch as he mentioned she felt he was not paying enough attention to their children.) Subject began thinking of defection during the 2<sup>nd</sup> second in a series of three trips he made to the USSR as a representative of the Kent Development Corp., Cleveland, Ohio, to set up a plastics exhibit. He confided in no one about his plans to defect. The ~~discussion~~ <sup>discussion</sup> between his second and third trips to the USSR, he collected personal items which he ~~wanted~~ <sup>wanted to keep</sup> during his residence in the USSR and ultimately gave full cooperation to Soviet authorities in the defection formalities.

b. A Soviet woman whom Subject met in a Moscow hotel where she was employed ultimately was taken with Subject to Leningrad where they lived.

(sic divorced - Soviet husband.)

~~in common: last marriage and where she gave~~  
~~birth to their child.~~ Analysis of data contained  
on her and Subject's relationship with her  
indicates that she may have played a more sig-  
nificant role vis-a-vis Subject than what ~~she~~  
<sup>Subject believes</sup> ~~the debriefing thus far has produced.~~ (Although  
Subject states he has not yet fixed his plans,  
he ~~is considering~~ may bring her and the child  
to the USA - he said he signed ~~as~~ a Soviet  
affidavit promising support to this child after  
he is gainfully employed in the US. Subject states  
that he has not corresponded with her and does  
not plan to correspond with her except to send  
funds at a later date. (He added he has not  
yet corresponded with anyone in the USSR primarily  
due to his mother's nervous breakdown about  
for which she ~~was~~ recently was released from a  
hospital.)

KEU

Characterized by foll:

1. Blaming, usually, almost everything negative (example) on his wife.
2. Constantly (& frustratingly) avoiding exact dates and names of people, stating "I'm not sure, of exacting wording, it's been a long time".  
"as I remember & the best of my knowledge" necessary always to ask lots many questions or review a situation to help jog his memory.
3. When pressed by the contract agent to try to explain detailed procedures to establish identity during previous situations, KEU became tense and anxious, and sweat a great deal (sweat face & water running down arms from armpits).
4. Life filled w/ impulsive actions & decisions w/o giving each much thought or analysis (examples)
5. Life full of dependence on his parents & in-laws for ~~at first, clothing & money~~ for 2-3 years after his deployment.
6. ~~lacked great decision-making~~ Religious belief only, mental process, but failed to live up to convictions in actions, etc.
7. Tendency to digress from line of thought: in answer to a question, began narrative during which would grasp another subject. Sometimes, because it produced new info (serving as a self-jog) & he would be permitted to digress.

4. " one child " " for mistress

Page 10 of 10  
The subject was a man of about 40 years of age, of medium build, with dark hair and eyes, and a mustache. He was wearing a dark suit and a white shirt. He appeared to have a high degree of intelligence and was speaking as though memories were coming in clear. The only time he became tense, almost stupid or nervous, was when I interrupted the subpoena, at the time he mis-identified YEGOROV saying, YEGOROV <sup>I</sup> asked him why he used I said to him he already had said so. The interview was concluded by the subject to his mind self.

1. ~~What~~ has dual citizenship?

2. Any time press, how do  
think of his wife &  
response to her.

3. She told him she willing have  
abortion - if woman in Sweden  
do a spy, does SIS tell women  
to have an abortion.
