Indicate significant strengths of weaknesses demonstrated in current position by direct superior, perspective, merit, contribution to overall performance. State suggestions made for improvement of work performance. Give recommendations for training. Comment on foreign language competence, if required for current position. Any title or explicit remarks given in Section B to provide basis for determining future personnel action. If extra space is needed to complete Section C, attach a separate sheet of paper.

During the period under review, Subject managed to gain full-time employment as a senior executive of an industrial government subsidized scientific publication at a time of economic slowdown when jobs were not easy to get. He did this without help from Headquarters or the Station. Such an achievement is a tribute to subject's fluency in French, his ability to write, his general scientific know-how and his good business sense. Our hold of his salary therefore is now paid by this company. In converting to full-time employment, a major adjustment, subject's contribution to the Station operations in the HUMAN and TROST fields against which he is budgeted temporarily decreased somewhat. Subject continued, however, to maintain contact with three local HUMAN officials and initiated contact with three others. He also continued to search for new leads to personalities in the priority areas assigned to him. Subject has the capability to call on local scientists or technicians of just about any nationality with the possible exception of TROST officials. He has used this near-unique potential well.

Subject has had occasional difficulty switching from "professional" or intellectual subjects in his development of HUMAN personalities or access prospects to more down-to-earth interests necessary --con't--

The Station submitted comments on Subject's dossier recently in CRT-16549 (8 April 1971), to which we should add that Subject has, largely on his own merits, acquired a solid and potentially highly useful cover employment. However, this new employment will demand a very substantial amount of time and energy from Subject, and the unanswered question at the moment relates to his availability for organizational tasks. We shall need additional time and careful working with this officer to determine the answer, since the fiscal cutback from the Organization to support his continued stay in Paris is still quite

to the development of human relations. His forte in theaters was in the field of plotting and making operational contacts than in that of more than short-range operational involvement. Subject's operational situation makes it impossible for him to attempt recruitments. Thus, his very real achievements are not by essence of the spectacular variety.

Subject's reporting has been satisfactory and continues to be copious. He could, however, further improve the selectivity of the leads provided the station and make more of an effort to "digest" the information contained in his reports.

Although Subject has, at present, no supervisory function, he has repeatedly requested such a responsibility. He is careful with operational expenses and has exercised good security.

During the period under review, additional efforts have been made to make full use of subject's potential and integrate him further in the work of the station component with which he works. He is a particularly valuable asset for the station programs directed against the local business and tourist targets.

substantial. In a word, is it worth for. We do not yet know, although our initial impressions are favorable.

On the fitness report itself, this writer would have preferred an "A" rating for specific duty number one. Subject may ultimately deserve an "A", but it does not seem warranted at the present time. However, I believe the overall rating would more properly have been in the higher range of the "B" category, rather than "B", but it is of course a subjective judgment of the rating officer, who is more intimately and directly involved with Subject on a frequent basis.

In sum, the cover is superb, and only time will reveal to what extent the cover requirements permit a full measure on behalf of the Organization. We are following this aspect closely and will be commenting upon it subsequently as we gain experience and knowledge.

...to suggest... overall performance... basis for determining future personnel action... Section C, attach a separate sheet of paper.

The comments of the rating officer are limited to the period from October 1969 to March 1970 during which he worked with Subject. The previous rating officer has added his comments to allow coverage of the total indicated period from April 1969 to March 1970. During this period Subject was integrated in a new team assigned to the local SGT and Commercial MEMBERSHIP target. Subject's recent activity has been very productive indeed. Subject used the excellent potential given to him by his cover to skillfully spot and assess access agent candidates. As Subject's operational situation in Paris precludes making recruitment, the most promising of these candidates was placed in contact with a Station officer during social events Subject organized. At the same time, Subject continued his efforts to develop personal relationship with several MEMBERSHIPS. The beginning of personal, as opposed to purely professional, relations with a major MEMBERSHIP target enabled him to obtain instant insight into the target's beliefs and personality which was the best the Station had to date. Subject also managed to establish contact with two other MEMBERSHIP representatives of interest. This, in one case, required almost six months to accomplish via a combination of patience, skill and determination. Subject is an experienced officer. He is cost conscious and practices good security. The Station has no other asset with the necessary scientific and editorial know-how, fluent French and local knowledge to replace Subject. In view of this, and the recent progress made by Subject in response to very specific requirements and his willingness to try to establish personal and, hopefully, social relations with access prospects and MEMBERSHIP targets, the Station recently recommended that he be expanded in Paris. At the same time, the Station recommended that Subject's cover be reinforced by full-time employment with Subject's current cover.

<p>As previous Station correspondence and file reports will reflect, this officer has been the subject of varying evaluations and projections in recent years. In fairness to him, however, it is equally true that an officer under non-official cover reflects, in the level and quality of his performance, the amount and type of guidance, direction and push he receives from the responsible inside case officer. Making allowance for these variables, this officer's past record has not been impressive; however, it is also correct to note that he has improved substantially during the latter part of the period under review, and that if the Station can work out some special arrangement which will reduce the heavy financial input</p>

from the Organization, his continued presence at this Station definitely appears to be warranted for a suitable period to reach more definite conclusions concerning the level of sustained performance over a somewhat longer period than that reflected by this report.

On balance, we are pleased that this officer has responded so well to greater case officer direction and that he has undertaken somewhat more aggressive efforts to expand his range of contacts in immediate proximity to the primary Station targets. This officer does bring many talents to bear on his operational activity: he has effectively silent branch, a solid and ample table cover, and a vast range of contacts in the local community. Nonetheless, it will require additional time to explore these contacts in depth, select those which appear to be a practically viable, and pursue them actively either to the point of recruitment by another officer or elimination from further development, for whatever reason.

In sum, in spite of the recognized but commendable improvement in this officer's performance during the period under review, the reviewer submits that the letter grade for specific duties 3 and 4 would more properly have been a "P", and that the overall rating, at this point, would more accurately be set at a level between "P" and "S", probably closer to the former than the latter.

This reviewing comment has been read by the officers who prepared the Fitness Report.

NARRATIVE COMMENTS

The assignment of this employee to the field under non-official cover was designed to compensate for the loss of an employee in an official cover slot which was cut from the Station's ODSIED allotment of personnel positions.

During the reporting period this employee has accomplished with success the convincing establishment of his cover in a complex milieu, and has been accepted as legitimate by his professional colleagues, the persons whom he meets under cover, and the French authorities. It should be noted that his ability to assume his cover has been largely the result of his own efforts over a period of years to acquire and maintain a familiarity with the general scientific field.

During the reporting period he has developed a wide circle of contacts in the scientific and journalistic milieu and applies a long background in a variety of assignments in HUSOWA to the determination and assessment of operational potential among these contacts. At the same time his cover organization, in which only four persons are knowing of his actual status, has shown itself to be more than satisfied with his performance of his cover duties.

This employee requires a minimum of detailed operational supervision; it is necessary in specific cases only to indicate the operational or informational objectives.

From the point of view of administrative support, his attention to detail and meticulousness reduce the problems of his support by the Station to a minimum.

This employee uses the French language continuously, and his facility in such as to permit him to handle himself consistently in a broad range of complex technical subjects. He has in addition undertaken specialized French language training to develop this capability further. His operational reporting is excellent both with regard to clarity and pertinence.

In the immediate future he will be assigned case work, for the most part in fields where it will complement, and be complemented by, his independent operational activities and cover work.

NARRATIVE COMMENTS

Indicate significant strengths or weaknesses demonstrated in current position keeping in proper perspective their relationship to overall performance. State suggestions made for improvement of work performance. Give recommendations for training. Comment on foreign language competence, if required for current position. Amplify or explain ratings given in Section B to provide basis for determining future personnel action. Manner of performance of managerial or supervisory duties and cost consciousness in the use of personnel, space, equipment and funds, must be commented on, if applicable. If extra space is needed to complete Section C, attach a separate sheet of paper.

During the period under review, Subject managed to gain full-time employment as a senior executive of an HBSPRITE government subsidized scientific publication at a time of economic slowdown when jobs were not easy to get. He did this without help from Headquarters or the Station. Such an achievement is a tribute to Subject's fluency in French, his ability to write, his general scientific know-how and his good business sense. Over half of his salary therefore is now paid by this company. In converting to full-time employment, a major adjustment, Subject's contribution to the Station operations in the MHHARSH and TPFASST fields against which he is targetted temporarily decreased somewhat. Subject continued, however, to maintain contact with three local MHHARSH officials and initiated contact with three others. He also continued to search for new leads to personalities in the priority areas assigned to him. Subject has the capability to call on local scientists or technicians of just about any nationality with the possible exception of TPFASST citizens. He has used this near-unique potential well.

Subject has had occasional difficulty switching from "professional" or intellectual subjects in his development of MHHARSH personalities or access prospects to more down-to-earth interests necessary --con't--

COMMENTS OF REVIEWING OFFICIAL		
The Station submitted comments on Subject officer recently in OPPT-16549 (6 April 1971), to which we should add that Subject has, largely on his own merits, acquired a solid and potentially highly useful cover employment. However, this new employment will demand a very substantial amount of time and energy from Subject, and the unanswerable question at the moment relates to his availability for organizational tasks. We shall need additional time and careful working with this officer to determine the answer, since the fiscal outlay from the Organization to support his continued stay in Paris is still quite

Section C (continued)

to the development of human relations. His forte is therefore more in the field of spotting and making operational contacts than in that of more than short-range operational development. Subject's operational situation makes it impossible for him to attempt recruitments. Thus, his very real achievements are not by essence of the spectacular variety.

Subject's reporting has been satisfactory and continue to be copious. He could, however, further improve the selectivity of the leads provided the Station and make more of an effort to "digest" the information contained in his reports.

Although Subject has, at present, no supervisory function, he has repeatedly requested such a responsibility. He is careful with operational expenses and has exercised good security.

During the period under review, additional efforts have been made to make full use of Subject's potential and integrate him further in the work of the station component with which he works. He is a particularly valuable asset for the Station programs directed against the local MHIARSH and TPFAS targets.

substantial. In a word, is it worth it? We do not yet know, although our initial impressions are favorable.

On the fitness report itself, this rater would have preferred an "S" rating for specific duty number one; Subject may ultimately deserve an "O", but it does not seem warranted at the present time. Moreover, I believe the overall rating would more properly have been in the higher range of the "P" category, rather than "S", but it is of course a subjective judgment of the rating officer, who is more intimately and directly involved with Subject on a frequent basis.

In sum, the cover is superb, and only time will reveal to what extent the cover requirements permit a full measure on behalf of the Organization. We are following this aspect closely and will be commenting upon it subsequently as we gain experience and knowledge.

**SECTION C NARRATIVE COMMENTS**

Indicate significant strengths or weaknesses demonstrated in current position keeping in proper perspective their relationship to overall performance. State suggestions made for improvement of work performance. Give recommendations for training. Comment on foreign language competence, if required for current position. Amplify or explain ratings given in Section B to provide basis for determining future personnel action. Manner of performance of managerial or supervisory duties and cost consciousness in the use of personnel, space, equipment and funds, must be commented on, if applicable. If extra space is needed to complete Section C, attach a separate sheet of paper.

The comments of the rating officer are limited to the period from October 1969 to March 1970 during which he worked with Subject. The previous rating officer has added his comments to allow coverage of the total indicated period from April 1969 to March 1970. During this period Subject was integrated in a new team assigned to the local S&T and Commercial MHWARSH target. Subject's recent activity has been very productive indeed. Subject used the excellent potential given to him by his cover to skillfully spot and assess access agent candidates. As Subject's operational situation in Paris precludes making recruitment, the most promising of these candidates was placed in contact with a Station officer during social events Subject organized. At the same time, Subject continued his efforts to develop personal relationship with several MHWARSHers. The beginning of personal, as opposed to purely professional, relations with a major MHWARSH target enabled him to obtain insight into the target's beliefs and personality which was the best the Station had to date. Subject also managed to establish contact with two other MHWARSH representatives of interest. This, in one case, required almost six months to accomplish via a combination of patience, skill and determination. Subject is an experienced officer. He is cost conscious and practices good security. The Station has no other asset with the necessary scientific and editorial know-how, fluent French and local knowledge to replace Subject. In view of this and the recent progress made by Subject in response to very specific requirements and his willingness to try to establish personal and, hopefully, social relations with access prospects and MHWARSH targets, the Station recently recommended that he be extended in Paris. At the same time, the Station recommended that Subject's cover be reinforced by full-time employment with Subject's current WOLADY part-time employer.

COMMENTS OF REVIEWING OFFICIAL:

As previous Station correspondence and fitness reports will reflect, this officer has been the subject of varying evaluations and projections in recent years. In fairness to him, however, it is equally true that an officer under non-official cover reflects, in the level and quality of his performance, the amount and type of guidance, direction and push he receives from the responsible inside case officer. Making allowances for these variables, this officer's past record has not been impressive; however, it is also correct to note that he has improved substantially during the latter part of the period under review, and that if the Station can work out some fiscal arrangement which will reduce the heavy financial input

from the Organization, his continued presence at this Station definitely appears to be warranted for a sufficient period to reach more definite conclusions concerning the level of sustained performance over a somewhat longer period than that reflected by this report.

On balance, we are pleased that this officer has responded so well to greater case officer direction and that he has undertaken somewhat more aggressive efforts to expand his range of contacts in immediate proximity to the primary Station targets. This officer does bring many talents to bear on his operational activity: he has absolutely fluent French, a solid and exploitable cover, and a vast range of contacts in the local community. Nonetheless, it will require additional time to explore these contacts in depth, select those which appear to be operationally viable, and pursue them actively either to the point of recruitment by another officer or elimination from further development, for whatever reason.

In sum, in spite of the recognized and commendable improvement in this officer's performance during the period under review, the reviewer submits that the letter grade for specific duties 2 and 4 would more properly have been a "P", and that the overall rating, at this point, would more accurately be set at a level between "P" and "S", probably closer to the former than the latter.

This reviewing comment has been read by the officers who prepared the Fitness Report.

Since the last reporting period <sup>Sec 151, 347 in 60</sup> subject's efforts were directed by the Station toward the spotting, developing and assessing WOLADY S&T agent candidates in terms of recruitment and inclusion in the Station's S&T spotting network.

Subject has done thorough and at times imaginative spade work in this field despite the fact that the mission was not as successful as anticipated. Recent progress however would indicate that the next reporting period would be more productive.

Subject continues to respond to ad-hoc specific assignments in an exemplary manner.

Because of the nature of his cover assignment Subject is not authorized to make recruitments.

Subject has a high degree of cost consciousness. He does not exercise any supervisory responsibilities under his cover assignment.

ADDENDUM, Form 45 (Fitness Report), for period March 67-March 68.

Section D

As the individual being rated, I would like to add some remarks to those prepared by the rating officer.

The assignment I have includes managerial responsibilities which (a) are essential to the continued existence and security of the cover mechanism as a vehicle for operational exploitation, and (b) are not necessarily visible to those "on the inside."

In the case of (a), I must engage in a constant orchestration of the cover and the facilities it offers. This means maintaining a managerial equilibrium to insure that cover work will not become, of itself, so demanding that it negates the cover's utility to the CS. In effect, the top officers and middle managers of the cover corporation [who are not cleared and witting] have to be satisfied that their demands are met (or cannot be), or else manipulated in order to neutralize or reject their demands. After all, the cover position is to them a legitimate, normal, workaday post in their firm. What work is done at their bidding, it follows, must be accomplished according to the high standards of thoroughness and accuracy which they have set.

In the case of (b) -- which derives from (a) -- and can prove to be so demanding that the needs of the CS could no longer be served, the incumbent is required to manage a span of human contacts at several levels in order to preserve his cover position and enhance its value to the CS. This means planning, directing and managing the work of multinational, multicultural teams of technical correspondents, as well as meetings and negotiations to improve the [cover firm's] relations with similarly widespread individuals at the levels of editor-in-chief, publisher, corporate vice-president, president, and chairman of the board. These levels are scattered not only through industry, but have their analogs as well in government, higher education, and professional societies.

Having previously managed both a CS base and the principal denied-areas operating component of a major field Station, I can report quite honestly that my present managerial responsibilities exceed the former -- despite the apparent lack of "supervisory responsibilities" in my present position.

SECRET

3. It is difficult to place in the proper perspective the contribution of this senior staff agent to Paris Station operations. On the one hand, Subject has established superb cover in the scientific and technical field which should have afforded him virtually unlimited access to persons of interest to us, both Soviet and potential access agents. In evaluating the manner in which the employee set up and managed this cover, I would tend to agree with his comments to the fitness report on the managerial demands on him, although these comments are somewhat overdrawn.

The principal difficulty has been the time it has taken to relate the cover potential to the specific operational requirements of the Station. We have not received from CASISIN as many leads and assessment reports to persons of operational interest in the SSR field as we think he could have produced. It may be that the earlier listing of the project (viewed as a regional undertaking) contributed to this.

Recently we have noted significant improvement in that we have received responses to requests we have made for assessment and development of potential access agents within a cover context. We hope, therefore, that this last year of CASISIN's stay will be the most productive ever. It is unfortunate that the cover must end because of the cover company's decisions over which we had no control.

COMMENTS OF REVIEWING OFFICIAL		
I rarely see the written product of this employee's efforts and know little of his work except as I am informed of it by his supervisor in the Station. I have the impression, however, that the employee is responding to his supervisor's guidance and is not by any means simply drifting along paths indicated by his cover work, which can be a temptation when an employee has, as is true in this case, rather limited contact with his colleagues who work under official cover on the same target. I thus concur in the evaluation on the basis of limited knowledge.

NARRATIVE COMMENTS

Indicate significant strengths or weaknesses demonstrated in current position keeping in proper perspective their relationship to overall performance. State suggestions made for improvement of work performance. Give recommendations for training. Comment on foreign language competence, if required for current position. Amplify or explain ratings given in Section B to provide basis for determining future personnel action. Manner of performance of managerial or supervisory duties described, if applicable. During the reporting period this employee as a staff agent has continued the solidification of his cover and the expansion of his operational activity within his cover to a point where he represents as deeply buried a staff officer. No access can be found in anyone with his past organizational background. From the point of view of the host country authorities he appears to be completely legitimate. From the more important point of view of his targets, he also apparently has been accepted, and not through a lack of opportunity for scrutiny, for what he claims to be. He thus represents for KUBARK an asset who has not only solid status and access cover, but also the demonstrated capability for exploiting his cover for specific and aggressive operational undertakings. As has been stated in past fitness reports, his present capability directly and openly to approach operational targets through the vehicle of his cover is the result of his own efforts, in which he has devoted a tremendous amount of work not only to establish and enhance the foundations of the cover, which requires a considerable amount of work for the cover company, but to devise and exploit ways and means by which the cover activity may be applied directly to operational tasks and programs. In addition to operational activity in his country of assignment, he has also been used in Hqs-directed activity in other countries, usually involving direct contact with target individuals, and in addition he has contributed greatly to the acquisition of operational information for the use of Hqs components in their overall approach to Soviet scientific and technical targets.

It would be difficult to fault this employee with respect to energy, professional skills, and mental capacity. He is a keen student of his operational environment and very skillful in analyzing the possibilities it offers for application toward operational objectives. He shows considerable resourcefulness in devising logical and credible (continued)

Since the Reviewing Officer in the field has not indicated his views on this Fitness Report, I would like to make a comment of my own. Without wishing to detract from anything the Supervisor has said about Subject's performance, I feel obliged to note that the ratings given him in this report are higher than those given, for example, to any Branch Chief in this Division, and, as such, are inconsistent with the grading pattern of the Division as a whole.

approaches to operational problems and personalities, and expends considerable effort in maintaining a level of specialized knowledge sufficient to backstop his cover and to ensure the maximum exploitation of his contacts with target organizations and individuals. His command of spoken, written, and technical French is excellent.

From the point of view of supervision, this employee in his present position requires guidance only insofar as to identify specific targets and for him to protect himself in situations where he does not have, by virtue of his not having access to official files, specialized information. Otherwise, he requires no supervision other than the periodic provision of policy and operational directives.

This employee has always been conscientious and punctilious in his preparation of operational and administrative reports, including financial accountings, and his reporting in general, despite the burdens imposed by the necessity for minimizing the risks inherent in the lack of access to classified storage, leaves nothing to be desired.

Other than the funds for operational activities, this employee currently has no responsibility for the programming and use of personnel, space, equipment, and funds.

With respect to dedication to his job, this employee has practically speaking single-handedly built his present cover/operational position despite a number of negative factors inherent to his situation such as relative isolation, meager opportunity for contact with his professional group, and expensive area of assignment, and an exposed cover situation where the necessity for living cover is compounded by the necessity of avoiding mistakes which might jeopardize cover. His dedication to and enthusiasm for accepting the challenge of this assignment, and his willingness to continue on in it, deserve particular mention, particularly since he would perhaps justifiably feel that his present assignment may leave him outside the mainstream of competitive organization progression.

This employee's health and family situations leave nothing to be desired, as his proven mobility in the execution of operational assignments attests.

It should further be noted that with respect to the problem endemic to deep-cover assignments of allocation of time between cover work and operational activity, this employee comes very close to the happy norm of making cover work complement operational work, and making operational work contribute where possible to the enhancement of cover.

While this employee's assignment to date has essentially been a one-man show, it is recommended that serious consideration be given to expanding the operational complex which he has created in order to capitalize on his experience, the work he has put in to date, and his own management capabilities.

\*(Section B) - No special recognition of Subject's "Outstanding" overall performance is being requested at this time.

JUN 25 11 26 AM '64  
This employee combines the relatively rare combination of a senior and broadly experienced intelligence officer under working cover providing both long-term status in his country of residence (and in Europe in general) and access for a variety of operational functions, including spotting, assessing, contact with Soviet bloc nationals of specific interest, investigative measures, assessment in depth of ostensibly cover-company hired persons, and attendance at a broad range of national and international specialized meetings. Development of the capability operationally to exploit his cover has been the achievement of the employee himself. In so doing he has at the same time achieved genuine acceptance by his cover company associates (most of whom are unwitting) and his colleagues in his cover profession and related professions.

In undertaking operational tasks this employee has consistently shown initiative imagination, security consciousness, and application of both operational and substantive background to the problem at hand. He has put a conscious effort into improving his already excellent command of the French language, and his grasp of a variety of specialized scientific and technical fields has been achieved basically as a result of his own efforts.

His management of operational reporting, finances, and the administrative problems connected with his cover status has been exemplary.

It should be noted that during the reporting period, this employee has not had the benefit at all times of specific pinpointed operational direction. As of the end of the reporting period, Headquarters assumed control of his activities against

NAHRATIVE COMMENTS

SECTION C

The assignment of this employee to the field under non-official cover was designed to compensate for the loss of an employee in an official cover slot which was cut from the Station's ODACID allotment of personnel positions.

During the reporting period this employee has accomplished with success the convincing establishment of his cover in a complex milieu, and has been accepted as legitimate by his professional colleagues, the persons whom he meets under cover, and the French authorities. It should be noted that his ability to assume his cover has been largely the result of his own efforts over a period of years to acquire and maintain a familiarity with the general scientific field.

During the reporting period he has developed a wide circle of contacts in the scientific and journalistic fields and applies a long background in a variety of assignments in KUDOVE to the determination and assessment of operational potential among these contacts. At the same time his cover organization, in which only four persons are witting of his actual status, has shown itself to be more than satisfied with his performance of his cover duties.

This employee requires a minimum of detailed operational supervision; it is necessary in specific cases only to indicate the operational or informational objectives.

From the point of view of administrative support, his attention to detail and meticulousness reduce the problems of his support by the Station to a minimum.

This employee uses the French language continuously, and his facility is such as to permit him to handle himself excellently in a broad range of complex technical subjects. He has in addition undertaken specialized French language training to develop this capability further. His operational reporting is excellent both with regard to clarity and pertinence.

In the immediate future he will be assigned case work, for the most part in fields where it will complement, and be complemented by, his independent operational activities and cover work.

Amplify or explain, if appropriate, ratings given in SECTIONS B, C, and D to provide the best basis for determining future personnel actions.</p>			
<p>In most respects, this officer is one of the best I have known in this agency. He has a broad and deep knowledge of his target area, as well as of his "host" country; an excellent and proven degree of operational "know-how"; the ability to write and speak lucidly and effectively and with apparent ease; and a very high degree of motivation and devotion to duty. He can be expected to continue his dynamic and imaginative pursuit of a most difficult target. It is my opinion that this officer has great potential and is ready for increased responsibilities which would involve the promotion for which he has been recommended. As for training, a good managerial course might help to bring into even sharper focus his many talents.</p>			
<div style="border: 1px solid black; padding: 5px; width: fit-content; margin: auto;"> <p>This report has been prepared in accordance with FE Division standards which recognize the principle of rating the individual against the group. Thus an 'average' rating reflects an entirely satisfactory performance.</p> </div>

Subject continues as one of the most capable, professional, and hard working of the branch clerks in the Station. Working against a tough denied area problem, he demonstrates imagination, drive, excellent area background and knowledge, and a high degree of productivity. He definitely has the potential for an even more responsible position.

#### SECTION C. JOB PERFORMANCE EVALUATION

1. RATING ON GENERAL PERFORMANCE OF DUTIES:

DIRECTIONS: Consider ONLY the productivity and effectiveness with which the individual being rated has performed his duties during the rating period. Compare him ONLY with others doing similar work at a similar level of responsibility. Factors other than productivity will be taken into account later in Section D.

- 1. DOES NOT PERFORM DUTIES ADEQUATELY. HE IS INCOMPETENT.
- 2. BARELY ADEQUATE IN PERFORMANCE; ALTHOUGH HE HAS HAD SPECIFIC GUIDANCE OR TRAINING, HE OFTEN FAILS TO CARRY OUT RESPONSIBILITIES.
- 3. PERFORMS MOST OF HIS DUTIES ACCEPTABLY. OCCASIONALLY REVEALS SOME AREA OF WEAKNESS.
- 4. PERFORMS DUTIES IN A COMPETENT, EFFECTIVE MANNER.
- 5. A FINE PERFORMANCE; CARRIES OUT MANY OF HIS RESPONSIBILITIES EXCEPTIONALLY WELL.
- 6. PERFORMS HIS DUTIES IN SUCH AN OUTSTANDING MANNER THAT HE IS EQUALLED BY FEW OTHER PERSONS KNOWN TO THE SUPERVISOR.

**2. RATINGS ON PERFORMANCE OF SPECIFIC DUTIES**

**DIRECTIONS:**

a. State in the spaces below up to six of the more important SPECIFIC duties performed during this rating period. Place the most important first. Do not include minor or unimportant duties.

b. Rate performance on each specific duty considering ONLY effectiveness in performance of this specific duty.

c. For supervisors, ability to supervise will always be rated as a specific duty (do not rate as supervisors those who supervise a secretary only).

d. Compare in your mind, when possible, the individual being rated with the same duty at a similar level of responsibility.

e. Two individuals with the same job title may be performing different duties. If so, rate them on different duties.

f. Be specific. Examples of the kind of duties that might be rated are:

ORAL BRIEFING	HAS AND USES AREA KNOWLEDGE	MAIL ROOM INTERROGATIONS
GIVING LECTURES	DEVELOPS NEW PROGRAMS	PREPARES SUMMARIES
CONDUCTING SEMINARS	ANALYZES INDUSTRIAL REPORTS	TRANSLATES GERMAN
WRITING TECHNICAL REPORTS	MANAGES FILES	DEBRIEFING SOURCES
CONDUCTING EXTERNAL LIAISON	OPERATES RADIO	KEEPS BOOKS
TYPING	COORDINATES WITH OTHER OFFICES	DRIVES TRUCK
TAKING DICTATION	WRITES REGULATIONS	MAINTAINS AIR CONDITIONING
SUPERVISING	PREPARES CORRESPONDENCE	EVALUATES SIGNIFICANCE OF DATA

g. For some jobs, duties may be broken down even further if supervisor considers it advisable, e.g., combined key and phone operation, in the case of a radio operator.

DESCRIPTIVE RATING NUMBER	1 - INCOMPETENT IN THE PERFORMANCE OF THIS DUTY	6 - PERFORMS THIS DUTY IN AN OUTSTANDING MANNER FOUND IN VERY FEW INDIVIDUALS HOLDING SIMILAR JOBS
	2 - BARELY ADEQUATE IN THE PERFORMANCE OF THIS DUTY	7 - EXCELS ANYONE I KNOW IN THE PERFORMANCE OF THIS DUTY
	3 - PERFORMS THIS DUTY ACCEPTABLY	
	4 - PERFORMS THIS DUTY IN A COMPETENT MANNER	
	5 - PERFORMS THIS DUTY IN SUCH A FINE MANNER THAT HE IS A DISTINCT ASSET ON HIS JOB

**3. NARRATIVE DESCRIPTION OF MANNER OF JOB PERFORMANCE**

**DIRECTIONS:** Stress strengths and weaknesses, particularly those which affect development on present job.

Subject is an exceedingly well-equipped operations officer. He is mature, intelligent, has a thorough background in operations in his area and the ability to grow in his job. His operational planning and execution is usually impeccable. He has the loyalty of his subordinates and the respect of his equals and supervisors. He is particularly effective in dealing in the liaison field where his good sense and disinterest in "fighting the problem" produces a maximum of cooperation and good will. If he has any minor fault as a supervisor, it is not in impatience with his subordinates, as reflected in previous evaluations, but in an occasional unwillingness to say no to them.

**SECTION D. SUITABILITY FOR CURRENT JOB IN ORGANIZATION**

**DIRECTIONS:** Take into account here everything you know about the individual...productivity, conduct in the job, pertinent personal characteristics or habits, special defects or talents...and how he fits in with your team. Compare him with others doing similar work of about the same level.

RATING NUMBER <b>6</b>	1 - DEFINITELY UNSUITABLE - HE SHOULD BE SEPARATED
	2 - OF DOUBTFUL SUITABILITY...WOULD NOT HAVE ACCEPTED HIM IF I HAD KNOWN WHAT I KNOW NOW
	3 - A BARELY ACCEPTABLE EMPLOYEE...BELOW AVERAGE BUT WITH NO WEAKNESSES SUFFICIENTLY OUTSTANDING TO WARRANT HIS SEPARATION
	4 - OF THE SAME SUITABILITY AS MOST PEOPLE I KNOW IN THE ORGANIZATION
	5 - A FINE EMPLOYEE - HAS SOME OUTSTANDING STRENGTHS
	6 - AN UNUSUALLY STRONG PERSON IN TERMS OF THE REQUIREMENTS OF THE ORGANIZATION
	7 - EXCELLED BY ONLY A FEW IN SUITABILITY FOR WORK IN THE ORGANIZATION

IS THIS INDIVIDUAL BETTER SUITED FOR WORK IN SOME OTHER POSITION IN THE ORGANIZATION?  YES  NO. IF YES, EXPLAIN FULLY:

**DIRECTIONS:** Stress strengths and weaknesses, particularly those which affect development on present job.

Subject has excellent natural equipment for employment in this organization in terms of his intelligence and natural aptitudes. Additionally, he brings a great deal of area knowledge and language ability to his present assignment. During the period covered by this report he has displayed great industry and devotion to duty in a variety of circumstances and achieved notable results in production and in the creation of both short and long-term assets for his unit. On the debit side I would say that he is somewhat too businesslike in many personal situations to the point of being almost humourless. This, however, is a quality which he does not permit to intrude upon the necessities of his operational work although it often shows in office relationships.

**SECTION D. SUITABILITY FOR CURRENT JOB IN ORGANIZATION**

GRADE OF PERSONNEL

This section is provided as an aid in describing the individual. Your description is not favorable or unfavorable in itself but acquires its meaning in relation to a particular job or assignment. The descriptive words are to be interpreted literally.

On the left hand side of the page below are a series of statements that apply to most people. On the right hand side of the page are four major categories of descriptions. The last column category is divided into three small blocks; this is to allow you to make finer distinctions if you so desire. Look at the statement on the left - then check the category on the right which best tells how much the statement applies to the person you are rating. Placing an "X" in the "Not Observed" column means you have no opinion on whether a phrase applies to an individual. Placing an "X" in the "Does Not Apply" column means you have the definite opinion that the description is not at all suited to the individual.

Read all descriptions before rating. Place "X" in the most appropriate box under subsections A, B, C, & D

A. DIRECTIONS: Consider only the skill with which the person has performed the duties of his job and rate him accordingly.

- 1. DOES NOT PERFORM DUTIES ADEQUATELY; HE IS INCOMPETENT.
- 2. BARELY ADEQUATE IN PERFORMANCE; ALTHOUGH HE HAS HAD SPECIFIC GUIDANCE OR TRAINING, HE OFTEN FAILS TO CARRY OUT RESPONSIBILITIES COMPETENTLY.
- 3. PERFORMS MOST OF HIS DUTIES ACCEPTABLY; OCCASIONALLY REVEALS SOME AREA OF WEAKNESS.
- 4. PERFORMS DUTIES IN A TYPICALLY COMPETENT, EFFECTIVE MANNER.
- 5. A FINE PERFORMANCE; CARRIES OUT MANY OF HIS RESPONSIBILITIES EXCEPTIONALLY WELL.
- 6. PERFORMS HIS DUTIES IN SUCH AN OUTSTANDING MANNER THAT HE IS EQUALLED BY FEW OTHER PERSONS KNOWN TO THE RATER.

IS THIS INDIVIDUAL BETTER QUALIFIED FOR WORK IN SOME OTHER AREA?  NO  YES. IF YES, WHAT?

C. DIRECTIONS: Based upon what he has said, his actions, and any other indications, give your opinion of this person's attitude toward the organization.

- 1. HAS AN ANTAGONISTIC ATTITUDE TOWARD THE AGENCY... WILL DEFINITELY LEAVE THE ORGANIZATION AT THE FIRST OPPORTUNITY.
- 2. HAS STRONG NEGATIVE ATTITUDE TOWARD ORGANIZATION... IRKED BY RESTRICTIONS... REGARDS AGENCY AS A TEMPORARY STOP UNTIL HE CAN GET SOMETHING BETTER.
- 3. TENDS TO HAVE AN UNFAVORABLE ATTITUDE TOWARD THE ORGANIZATION... MOTTERED BY MINOR FRUSTRATIONS... WILL QUIT IF THESE CONTINUE.
- 4. HIS ATTITUDE TOWARD THE ORGANIZATION IS INDIFFERENT... HAS "WAIT AND SEE" ATTITUDE... WOULD LEAVE IF SOMEONE OFFERED HIM SOMETHING BETTER.
- 5. TENDS TO HAVE FAVORABLE ATTITUDE TOWARD ORGANIZATION... MAKES ALLOWANCES FOR RESTRICTIONS IMPOSED BY WORKING FOR ORGANIZATION... THINKS IN TERMS OF A CAREER IN THE ORGANIZATION.
- 6. DEFINITELY HAS FAVORABLE ATTITUDE TOWARD THE ORGANIZATION... BARRING AN UNEXPECTED OUTSIDE OPPORTUNITY, WILL PROBABLY ENDEAVOR TO MAKE A CAREER IN THE ORGANIZATION.
- 7. HAS AN ENTHUSIASTIC ATTITUDE TOWARD THE ORGANIZATION... WILL PROBABLY NEVER CONSIDER WORKING ANY PLACE BUT IN THE ORGANIZATION.

B. DIRECTIONS: Considering others of this person's grade and type of assignment, how would you rate him on potentiality for assumption of greater responsibilities normally indicated by promotion.

- 1. HAS REACHED THE HIGHEST GRADE LEVEL AT WHICH SATISFACTORY PERFORMANCE CAN BE EXPECTED.
- 2. IS MAKING PROGRESS, BUT NEEDS MORE TIME IN PRESENT GRADE BEFORE PROMOTION TO A HIGHER GRADE CAN BE RECOMMENDED.
- 3. IS READY TO TAKE ON RESPONSIBILITIES OF THE NEXT HIGHER GRADE, BUT MAY NEED TRAINING IN SOME AREAS.
- 4. WILL PROBABLY ADJUST QUICKLY TO THE MORE RESPONSIBLE DUTIES OF THE NEXT HIGHER GRADE.
- 5. IS ALREADY PERFORMING AT THE LEVEL OF THE NEXT HIGHER GRADE.
- 6. AN EXCEPTIONAL PERSON WHO IS ONE OF THE FEW WHO SHOULD BE CONSIDERED FOR RAPID ADVANCEMENT.

D. DIRECTIONS: Consider everything you know about this person in making your rating... skill in job duties, conduct on the job, personal characteristics or habits, and special defects or talents.

- 1. DEFINITELY UNSUITABLE - HE SHOULD BE SEPARATED.
- 2. OF DOUBTFUL SUITABILITY... WOULD NOT HAVE ACCEPTED HIM IF I HAD KNOWN WHAT I KNOW NOW.
- 3. A BARELY ACCEPTABLE EMPLOYEE... DEFINITELY BELOW AVERAGE BUT WITH NO WEAKNESSES SUFFICIENTLY OUTSTANDING TO WARRANT HIS SEPARATION.
- 4. A TYPICAL EMPLOYEE... HE DISPLAYS THE SAME SUITABILITY AS MOST OF THE PEOPLE I KNOW IN THE ORGANIZATION.
- 5. A FINE EMPLOYEE - HAS SOME OUTSTANDING STRENGTHS.
- 6. AN UNUSUALLY STRONG PERSON IN TERMS OF THE REQUIREMENTS OF THE ORGANIZATION.
- 7. EXCELLED BY ONLY A FEW IN SUITABILITY FOR WORK IN THE ORGANIZATION.

12. IN WHAT RESPECT IS THIS PERSON'S PERFORMANCE ON PRESENT JOB MOST NOTICEABLY GOOD OR OUTSTANDING? This officer has been outstanding as a staff officer. 13. ON WHAT ASPECT OF PERFORMANCE SHOULD THIS PERSON CONCENTRATE EFFORT FOR SELF IMPROVEMENT? This officer's devotion to his duties and professional convictions sometimes inclines him toward inflexible declarations of position. This fault, a minor one in officers of considerable potential, will be corrected by increased responsibility and experience.

His supervision of the planning and preparation for approval of basic plans and projects of the seven (7) desk chiefs has been superior. Mr. Richardson also participated in the planning and dispatch of a difficult operational mission, acting in the capacity of Senior Case Officer. 12. IN WHAT RESPECT IS THIS PERSON'S PERFORMANCE ON PRESENT JOB MOST NOTICEABLY GOOD OR OUTSTANDING? Mr. Richardson's performance was noticeably outstanding with respect to his thorough knowledge of every activity of the Branch. He was in position to assume direction of Branch activities at any time. He also kept himself thoroughly briefed on Division policies and planning in order to give timely instruction and guidance to the Branch overseas stations.
13. ON WHAT ASPECT OF PERFORMANCE SHOULD THIS PERSON CONCENTRATE EFFORT FOR SELF IMPROVEMENT? Mr. Richardson has a very thorough background in two (2) languages, French and Japanese. He would benefit substantially by learning the Russian language. He is meticulous with respect to his attention to details, sometimes to the point of concealing the broader picture from his view. It would be well for Mr. Richardson to direct his attention to the broad scope of Branch activities rather than to concentrate on its details.
14. COMMENT ON THIS PERSON'S ABILITY TO HANDLE GREATER RESPONSIBILITIES NOW OR IN THE FUTURE. Mr. Richardson is fully qualified to assume the duties of the chief SR Division representative at a field station. In order to assume this responsibility in the most efficient manner, it is recommended that Mr. Richardson serve a minimum period of time of approximately six (6) months as the assistant to the present chief of the field station.
15. ARE THERE OTHER DUTIES WHICH BETTER SUIT THIS PERSON'S QUALIFICATIONS? (Recommend appropriate reassignment, if possible.) Mr. Richardson could serve effectively in a staff function for either FI or PP activities. This does not mean, however, that his present duties are not better suited to his qualifications.
16. WHAT TRAINING OR ROTATION DO YOU RECOMMEND FOR THIS PERSON? Mr. Richardson has already been recommended for overseas assignment in the Far East during the past year. He has area knowledge and command of the Japanese language, having served in Japan previously with the United States Army. His duties at Headquarters have been so pressing that his departure for overseas assignment is being delayed until an adequate replacement may be trained.
17. IF PERFORMANCE DURING REPORT PERIOD HAS BEEN UNSATISFACTORY, THERE IS ATTACHED COPY OF MEMORANDUM NOTIFYING THIS PERSON OF UNSATISFACTORY PERFORMANCE.
18. THIS PERSONNEL EVALUATION REPORT HAS BEEN DISCUSSED WITH THE PERSON EVALUATED. ADDITIONAL COMMENTS INCLUDING COMMENT ON ITEMS 7, 8 AND 9, ARE SHOWN BELOW UNDER ITEM 20.
<p><u>March 31 1953</u> DATE</p> <p><u>George J. Wisniewski</u> SIGNATURE OF SUPERVISOR</p>

Staff agent assigned to a major overseas station, exploiting the cover provided by a major firm of technical periodical publishers. I take my instructions from a section chief within the station, and report in writing on the progress of my cover development and its operational exploitation.

For operational reasons, I develop and assess operational leads in the FI, CI and CA areas, principally against denied area targets. I also handle local investigations and such cases as the station determines will fit into my cover, or which I can otherwise handle in alias. I travel to other field stations to handle such tasks as they request or Hq directs. I handle all cover tasks as they appear.

3. PREFERENCE FOR NEXT ASSIGNMENT:

A. WRITE A BRIEF DESCRIPTION OF THE TYPE OF WORK YOU WOULD PREFER FOR YOUR NEXT ASSIGNMENT IF IT DIFFERS FROM THAT INDICATED IN ITEM NO. 5. ABOVE. IF YOU HAVE MORE THAN ONE PREFERENCE, INDICATE YOUR CHOICES.

I would like to continue to serve essentially in the same capacity as described above, although I would like eventually to add more supervisory and managerial functions to my responsibilities. I would like to expand the operating base provided by the cover organization by taking on several journeymen case officers to work with me against both denied area and host country targets, and to make the cover facility and the access it provides of more versatile use to both the station and to KUDCOVE as a whole.

My second choice would be to return to Hq, and use the knowledge and experience I have gained in my present job to (1) select staff personnel who will be placed in non-official cover, (2) select the cover mechanisms proper, (3) train our personnel for the proper discharge of their total responsibilities while serving under such cover.

B. INDICATE WHAT TRAINING YOU BELIEVE YOU SHOULD HAVE IN ORDER TO INCREASE YOUR VALUE TO THE ORGANIZATION (refer to catalog of courses, if available):

MEMORANDUM FOR: Secretary, CS/CSB

SUBJECT : Recommendation for Promotion to Grade GS-15 -  
Jacques G. RICHARDSON

REFERENCE : Your memorandum dated 8 October 1958

1. The SR Division and the Chief of Station, Tokyo (FJTT-1950, attached) recommend the promotion of Jacques G. Richardson to GS-15.

2. Mr. Richardson was last promoted 16 January 1955. On 17 February 1955 he arrived in Tokyo to serve as the senior SR officer in the FE field area, his present assignment. In this position he has continued to display qualities of leadership, initiative, imagination and thoroughness which resulted in his rapid rise in the Agency.

3. The very facts of Mr. Richardson's youth in relation to his responsibilities and the fact that promotion to his present level has been rapid, caused the Division and the Chief of Station, Tokyo to hold until this time a recommendation for his promotion which was submitted in June 1957. Most careful consideration has convinced us that not only is Mr. Richardson deserving of the recommended promotion, but his elevation to the higher grade will be in the best interest of the Career Service and meet definite Division requirements for a senior officer at the GS-15 level.

1. In line with paragraph 2 of Reference, after a period of six months we submitted an additional promotion fitness report on ██████████ under cover of RJT-0601 dated 28 May 1958. Inasmuch as ██████████ was then at Headquarters on TDY, we requested that he review this fitness report and assured that in doing so he would also discuss with ██████████'s promotion, which both he and ██████████ felt was to be strongly recommended.

2. ██████████ was, however, not shown this fitness report at Headquarters, nor did he have the opportunity to discuss ██████████'s promotion with ██████████. In reviewing our records we are now concerned at the possibility of some administrative slip-up and would appreciate a word of advice as to how this promotion action is proceeding. We would like to reiterate that we now have not the slightest hesitation in recommending ██████████ for promotion and find that the fitness report submitted with RJT-0601 still reflects our current high appreciation of his abilities and progress.

MEMORANDUM No. 360

18 June 1957

TO : Chief of Station

FROM : Chief, Soviet Branch

SUBJECT: [REDACTED] - Recommendation for Promotion  
② Jacques RICHARDSON

1. [REDACTED] has been under my supervision as Deputy and Case Officer for approximately fifteen months. Based on the knowledge of [REDACTED] as an individual gained during this period and upon his actual performance, I recommend that he be entered for consideration on the SR Division GS-14 to GS-15 promotion list at this time - June 1957. The slot and job which he now occupies, Chief, Soviet Branch, is, of course, adequate to accommodate such a promotion.

2. [REDACTED] operational performance has been outstanding and notably versatile during this period. He has engaged primarily in liaison and has been personally effective in terms of results achieved almost daily, in terms of reports, operational data, and joint enterprises; while, overall, he has established enduring professional relationships from which the organization as a whole should benefit for some time to come. In addition, owing in large part to unique personal talents, linguistic and otherwise, [REDACTED] has handled a number of unilateral cases most effectively. In the office, too, as well as in face-to-face operational situations, [REDACTED] has been outstanding. He has a flair for and a facility with the written word as evidenced by the amount of general and particular correspondence which he has initiated, and he knows the organizational "drill" intimately and from way back. Thus, I feel that he is qualified for the recommended promotion by ability and experience in both the internal and external aspects of the profession.

3. Relative to the more personal characteristics involved in the term managerial ability, judgments are necessarily more subjective but here, too, I consider [REDACTED] to be qualified in maturity, in judgment, and in experience. He would most certainly be a supervisor who could perform all the chores or handle all the situations which he would be calling upon subordinates to take care of, in itself, the beginning of any good supervisory relationship. In actual fact, he has had considerable experience in this regard already and the principal shortcoming I have noticed is a tendency to "carry" others by an extension of his own industry. [REDACTED] is not without his difficulties in the area of personal relationships. He is a purist at times and manifestly impatient in certain human situations where a shrug of the shoulders would be the

best reply. These characteristics do not always make for the best personal relations but are frequently obviated by intellect and above all are correctable and are being corrected.

4. In sum, [redacted] qualifications, broad experience and proven abilities dominate his age, the only factor militating against a promotion at this time. It is therefore my sincere recommendation that a promotion recommendation be forwarded to Headquarters for consideration in the current mid-year lists.

MEMORANDUM FOR: Chairman, CS Career Service Board

SUBJECT : Nominations for Promotion to GS-15

REFERENCE : Memorandum dated 14 May 1958 from  
Secretary, CS Career Service Board

1. After reviewing GS-14 employees assigned to the SR Division, I wish to again recommend the promotion of Jacques Richardson, Chief, Soviet Branch, Tokyo to GS-15. I concur also in the attached recommendation for the promotion of Paul Haines prepared by the Chief of Base, Berlin.

2. The Chief of Station, Tokyo and I recommended Mr. Richardson's promotion in December 1958. This earlier recommendation presented the personal qualities of Mr. Richardson. I wish simply to point out at this time that since early 1954, Mr. Richardson has more than fully discharged responsibilities at the GS-15 level. I believe that it is definitely time to elevate him to the level at which he has been performing more than satisfactorily for over 5½ years.
