1. Transmitted herewith are two reports dealing with Danialars  
KUCIENSKI and one report on Chester KUCIENSKI.

2. Headquarters' files contain no additional information on  
KUCIENSKI.

3. The attached reports present the highlights of KUCIENSKI's  
activities which are pertinent to our current interests; however, the  
following item of information leads evidence to the supposition that  
KUCIENSKI has had connections with the US: A report dated 4 August  
1977 from an official British Service states that KUCIENSKI, then  
Charge d'Affaires at the Polish Legation in Teheran, was known to have  
made a "recruitment" approach while on a trip to Kabul, Afghanistan, in  
mid-1977.
