STANDARD FORM NO. 64

Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, CI/OA

DATE 10 JAN 1957

FROM : Deputy Director of Security (Investigations and Support)

SUBJECT: C-56246  
#153126

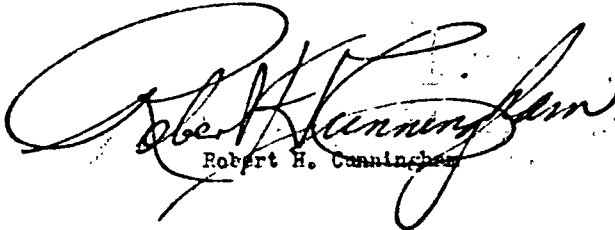

1. Reference is made to your memorandum dated 30 November 1956 wherein a Provisional Covert Security Approval and a Covert Security Approval were requested for initial evaluation and employment of Subject under Project HNILKA/JPGREED.

2. Your attention is directed to information available to your office located in RI file #200-7-32-66 which is the result of FBI investigation dated 26 October 1948 under Subject's name. In short, this file reflects information regarding Subject's interest in, sympathy for, and recruitment by the Jewish Zionist movement. His recruitment as a fighter pilot and undercover man in Palestine was terminated on 12 May 1948 due to the fact that he was arrested on the Sullivan Act in New York City on that date. Additionally, RI file #201-1424 contains FBI reports dated in 1950 and 1951 wherein questionable information regarding Subject's activities and mental competence is set forth.

3. In view of the information set forth above, a Provisional Covert Security Approval cannot be granted prior to completion of extensive inquiries in this case. In light of the highly questionable information as set forth in RI sources, it is requested that the interested division give due consideration to the feasibility of continuing interest in retaining Subject's services.

4. Pending your advice as to the continuance of the division's interest in this case, no further action is contemplated by this office.

40. Any additional information which you may wish to add:

The applicant is well aware that the work record herein goes back but one year. I'd be glad to furnish the Company an exhaustive account of my employment back to 1935 when I ran away from an orphanage. There is little purpose to be served in this, however, never have I held a position for longer than one year (i.e.: a contract with Flota Aerea Mercante de Argentina '49-'50). There is no way that I can deny an obvious fact: I seem a poor risk for consideration as a permanent employee. Yet time has traumatically cured me of "get rich quick" schemes and I'll not be easy prey of anyone in the Orient who holds out an extra hundred a month as bait. An accutely aware that I'm 32. Too old to be a co-pilot in most countries and unions, seniority rights, et al, are gradually precluding my hiring out as captain. CAT may be my last chance for a fine job. Be that as it may: if you do hire me and I do leave, for whatever reason, there will be little doubt in the minds of those concerned but that I will have done my best.
