DATE: 15 March 1971

SUBJECT: **Jeremy K. BENADUM, Retirement**

1. Per our telecon this morning, I have sent over to you a copy of the cable from Mexico City (IN 266625) which stated BENADUM had elected not to make the payment as described in our outgoing cable which your office coordinated with on Friday.

2. It is understood that necessary papers will be forwarded from your office to Miss Harrison in the Office of Finance today. I have called Miss Harrison and she advised that upon receipt of the papers from you there would be no difficulty in insuring that BENADUM's actual annuity is computed including the retroactive portion for January and February and included in the check for March.

1 July 1937 through 14 July 1937

1 December 1939 through 30 June 1940

This service totals one and one-half months less than that claimed by BENADUM.

The amount of \$307.00 will be required to purchase credit for this period. If not paid, Subject's annuity will be reduced by 10 per cent of the amount owed or \$31.00 per year. If Subject elects to make payment, his check should be made payable to the Treasurer of the United States and forwarded to Headquarters soonest.

3. Annuity estimates recomputed to reflect change in creditable military service and effect of payment or non-payment for uncovered period of civilian service. If paid, annuity will be \$1,196 per month. If not paid, annuity reduced to \$1,194.

4. Advise Headquarters BENADUM's election on payment vs non-payment option.

MEMORANDUM FOR THE RECORD

SUBJECT: Jeremy K. BENADUM, Payment of Annuity

REF: DIRECTOR 104776

1. At the time of transmittal of Reference, I had been informed that the military service still had not been verified. In talking about this matter with Mr. Sidel, I asked if he would request MMPD, possibly through some ~~sergeant~~ sergeant to sergeant or colonel whether the matter could be expedited. He assured me he would give this an all-out try and agreed to let me know during the forthcoming week.

2. In checking this morning I find that Mr. Sidel is out on leave and going into training for at least the next week. In asking how to get in touch with Mr. Sidel, eventually Mrs. ~~Sidel~~ came on the line. She advised that nothing new was in the record and there was no info on the verification of the military service and wished to assure me that just because someone was on leave or was out that a case was not dropped. I asked then if any effort has been made to contact MMPD. She said the file didn't reflect anything and agreed to check MMPD and let me know.

Retirement application and related information - Jeremy K. BENADUM

Reference: HMMS-10467

1. Since Jeremy K. BENADUM has expressed a desire to retire in December 1970, he should complete and return to Headquarters the attached application for Retirement form. He may have his annuity checks sent directly to his bank for deposit if he wishes. This should be arranged with whatever bank is designated under Item 4 on the application. His checking account number should be recorded following the name of the bank. Items B-1 through B-4 may be left blank to be filled in at Headquarters. Since Subject's annuity will begin on the first day of the month following retirement, it is considered advantageous to make his retirement effective as of the last day of the month. In this way his annuity would commence the day following his last day as an employee.

2. When BENADUM retires, his regular Federal Employees Group Life Insurance (without accidental death and dismemberment benefits) will be continued at the same amount without further cost. The cost of the optional FEGLI, which he is eligible to continue, will be deducted from his annuity until he reaches age 65. These insurances will retain face value until BENADUM reaches age 65 at which time they will reduce at the rate of 2 per cent per month until they reach 25 per cent of their face value. If he wishes, Subject may elect at the time of retirement to convert to an individual life insurance policy in order to retain lifetime coverage in an amount equal to his present insurance. He must pay the premium applicable to the type of policy selected. A medical examination will not be required under the conversion privilege.

3. Subject may also continue his enrollment under his health benefits plan. Premiums will continue at the same rate as that for employees and will be withheld from his monthly annuity payments.

4. Under the provisions of 5 USC 20-1 4b(2) Subject's prospective retirement precludes him from becoming eligible for home leave upon completion of his present tour.

5. BENABUM's request for retirement will be processed as expeditiously as possible following receipt of his completed application form. Upon approval of his retirement by Chief, JKLANCE, Subject will be notified.

Action Required: Para 3
Reference : HMET-10,467, Para 3

1. Reference indicated: Jeremy K. BENADUM advises his present plans call for him residing in the U.S. for a period of six months each year; he plans to return to the U.S. after 31 December 1970 and has asked the Station about reimbursement for the travel for himself and his family.

Ref asked whether return travel is authorized.

2. FR 22-2 provides: "Upon retirement while assigned abroad, ..., travel and transportation expenses from the last post of assignment to the place where the employee will reside in the U.S., ..." FR 22-2i specifies the time limit within which travel must be performed.

The above does permit BENADUM to be reimbursed for travel of self and authorized dependents after his retirement (31 Dec 70) to the place in the U.S. where he will reside.

3. STATION ACTION:

It is suggested BENADUM be asked to submit a written request for transmittal to Headquarters in which he cites the place in the U.S. where he will reside, the names of the dependents who will travel with him, mode of travel and, if known, the itinerary.

Upon receipt of the above, Headquarters will process a Request for Travel Orders and, upon approval, will advise the Station.

1. After careful review at the Station and discussions with Jeremy K. BENADUM, we have concluded that the most amicable and efficient separation date for BENADUM would be 31 December 1970. In our review of costs, we find the additional benefits to BENADUM result primarily from his additional two months of service increasing his retirement benefits.

2. Based on this decision we plan on having him begin leave on 14 August 1970 and are therefore submitting the following papers as requested in reference.

- a) Attached is the signed original copy of an amendment contract which provides for his participation in the Organization Retirement Program.
- b) A memo prepared by BENADUM requesting approval for him to retire 31 December 1970, and which is concurred in by the Chief of Station.
- c) A statement in lieu of a copy of his discharge papers. As outlined in this statement, BENADUM indicates he never received an official discharge.

d)

3. BENADUM has indicated his present plans call for him residing in the U.S. for a period of six months each year. He plans to return to the States after 31 December 1970 and has queried the Station regarding reimbursement for return travel to the U.S. for himself and family. In future correspondence please indicate whether return travel is authorized.

MEMORANDUM IN LIEU OF FITNESS REPORT

SUBJECT: Cover Agent Jeremy K. BENADUM

During the past three months I have had the opportunity to work with and direct the activities of Jeremy K. BENADUM. Within a few months he will be retired from further service and it is appropriate now to review his past performance and present status in order that this remain a permanent part of his record.

BENADUM, during the past ten years, has performed as the outside case officer for the LITEMPO Project. He was pressed into service after resigning his position with LNERGO, for whom he worked for a period of twenty years.

His past evaluations are still valid, however, during the past three months he has gradually been phased out of

Although his retirement is not voluntary, he has good-naturedly assisted the Station in this very sensitive and delicate changeover. He will [redacted] after his retirement and has offered his assistance if needed. He presents no overriding handling problem, reports promptly and does a good job in submitting his monthly accountings.

SUBJECT : Jeremy K. BENADUM, Terminal
Annual Leave

REFERENCE : HR 20-30 c (4)

1. It is requested that approval be granted for Jeremy K. BENADUM, Career Agent, to use accumulated annual leave prior to his retirement on 31 December 1970.

2. BENADUM has been assigned PCS to Mexico City [redacted] and will retire in place. He has a maximum leave carryover of 560 hours plus leave accrued during 1970. BENADUM's request that he be permitted to use accrued annual leave in lieu of a lump-sum payment was endorsed by the Mexico City Station.

1. Pseudonym and salary: Jeremy K. BENADUM, GS-15, \$14,055.
2. Division or Staff and city: WH Division, Mexico City.
3. Operational duties:

5. Division's assessment: Subject is an experienced, well-trained, serious intelligence officer, capable of spotting, assessing, recruiting and handling agents. Most of his experience and capability is in the field of collection of FI intelligence and operational support, the latter being his most outstanding area of contribution to Station objectives. He would also be capable of running CI operations. His knowledge of CA type work, however, cannot be assessed at Headquarters.

Subject's cover is a natural one and poses no difficulties. Since Subject has been in the intelligence field for over 20 years, he is psychologically prepared for his dual role in intelligence operations and is well qualified to operate without strong Station support.

Headquarters is not in a position to comment on the timeliness or quality of his operational reporting, but no defects in this regard have been noted nor have any been brought to the attention of Headquarters by the Station.

Subject needs no training.

ACTION REQUIRED - REFERENCES

Reference: Mexico City 3340

1. Reference indicated Jeremy K. BENADUM had proposed an extension of his retirement from 31 October to an appropriate date in December 1970 in order for him to use his annual leave in lieu of lump sum payment.

2. Shortly before the COS left Headquarters for Mexico, a meeting was held during which the Branch Chief discussed contract personnel of the Station.

Ref was discussed and it was the COS's desire for there to be an amicable separation at the time of BENADUM's retirement. If, therefore, the extra two months would accomplish this, then the added costs would be worthwhile.

3. The following annuity figures have been provided by the Retirement Office and are predicated on a retirement date of 31 December 1970. Please keep in mind, the figures must be considered as estimates and subject to verification of service and final computations. Retirement would be under the Organization Program.

4. The Retirement Office also advised that in order for BENADUM to be accorded use of his accumulated annual leave he should begin the leave on fourteen (14) August. This is based on his carryover into 1970 of 560 hours and his accrual during 1970. The figures are on the basis that no leave other than that reported to Headquarters has been taken.

5. In order to start the retirement processing, the following actions should be effected by the Station and the papers concerned returned to Headquarters, Attention, WH/Contracts.

a. Contract Amendment

Attached is the original and one copy of an amendment effective 24 August 1969 to BENADUM's contract which provides for his participation in the Organization Retirement Program.

The original and copy are to be signed by BENADUM. The copy is for Station retention.

b. Retirement Request

BENADUM is to submit a signed memo requesting approval for him to retire 31 December 1970. The request should be concurred with by the COS by the use of a concurrence line on the memo.

c. Military Service

Please obtain from BENADUM a copy of his discharge from the military service for transmittal to Headquarters. In the event he does not have the paper readily available, please do not delay transmittal of "a" and "b" above.

Upon receipt in Headquarters of the above papers, they will be processed by and thru offices concerned. The Retirement Office will, after completing service verification, etc., forward a dispatch which will provide BENADUM with detailed retirement type info including insurances.

MEMORANDUM IN LIEU OF FITNESS REPORT

SUBJECT: Cover Agent Jeremy K. BENADUM

During the past three months I have had the opportunity to work with and direct the activities of Jeremy K. BENADUM. Within a few months he will be retired from further service and it is appropriate now to review his past performance and present status in order that this remain a permanent part of his record.

BENADUM, during the past ten years, has performed as the outside case officer for the LITEMPO Project. He was pressed into service after resigning his position with LNERGO, for whom he worked for a period of twenty years.

His past evaluations are still valid, however, during the past three months he has gradually been phased out of

Although his retirement is not voluntary, he has good-naturedly assisted the Station in this very sensitive and delicate changeover. He will [redacted] after his retirement and has offered his assistance if needed. He presents no overriding handling problem, reports promptly and does a good job in submitting his monthly accountings.

Jeremy K. BENADUM, Quarters Allowance

Reference: HMMT-10052

1. Reference asked Headquarters guidance in determining possible adjustment in the Quarters Allowance for Jeremy K. BENADUM, Career Agent. Reference stated:

--BENADUM purchased his local residence 1 December 1964 for \$50,200 and cost of utilities average \$98 monthly.

--Although the current maximum Quarters Allowance for BENADUM is \$4,700 per annum, the Station has been paying at the rate of \$4,128.96 per annum.

--Reference forwarded a list of BENADUM's estimates of utilities costs and a LNPURE memo on personally owned quarters.

2. The formula described in Para 3 of the LNPURE memo has been used in prior cases and is that which is also used by the Allowance Committee. Based on this formula, 10% of \$50,200 (original purchase price) plus \$1,176 (yearly utilities), total \$6,196. The amount granted BENADUM would presumably be the maximum unless the Station had determined a lesser rate was applicable due

3. Using the effective date (5 October 1969) of the current Quarters Allowance rate \$4,700 (\$4,100 plus \$600 for dependents) minus the rate being paid, \$4,128.96 represents an increase of \$571.04 per year or \$47.58 per month.

For the period 1 December - 31 March
BENADUM was paid quarters at the rate of \$4,024.92 although
the maximum allowance was \$3,700 per annum. For the four
months, BENADUM was overpaid \$108.26 (\$27.07 x 4).

Presuming the project has sufficient funds and the
COS decides the maximum rate is applicable, the overpayment
is to be offset against the increase.

MEMORANDUM FOR : **Jeremy K. BENADUM**
THROUGH : Head of Career Service
SUBJECT : Retirement Planning

1. In order to assist employees in planning for their eventual retirement, it is the practice of the Agency to notify each employee at a point in service five years prior to the date of scheduled retirement. I am, therefore, taking this opportunity to advise you that you are scheduled to retire in August 1975.

2. The prospect of retirement from the Agency deserves serious thought and careful planning so that you may make the transition to the next phase of life with purpose and confidence. To assist you in this regard, the Agency will make available to you various resources which are attuned to the needs of prospective retirees. In October 1970, the Agency will conduct a Retirement Information Seminar to which you will be invited. Your spouse, if you are married, may accompany you to this seminar. Following the seminar, you will be invited by the Retirement Counselor for your Directorate to an individual pre-retirement counseling session (or more than one, if you wish); this phase of retirement planning will be tailored solely to your own particular situation and circumstances and will be within the context of the retirement system under which you will retire. The individual counseling sessions are intended to give you a wide range of information on such matters as estimates of your annuity, survivor benefits, life and health insurance, Social Security, taxes, relocation and movement of household effects and assistance in obtaining other employment, if appropriate. In addition to the sessions with your Retirement Counselor, you will be invited to avail yourself of selected literature on all aspects of retirement.

3. Some persons who wish to retire voluntarily prior to the scheduled date, or who wish to commence their planning as early as possible, prefer to work with their Retirement Counselor well before the time he would normally contact them. If you believe you would benefit from such an earlier start on your personal planning, you are invited to contact the Retirement Counselor responsible for your Directorate. He is assigned from your Directorate to the Retirement Affairs Division, 212 Magazine Building in Rosslyn, on telephone extension 3328.

4. Experience has amply demonstrated that careful planning facilitates the transition to retirement. I recommend, strongly, that you avail yourself of the services the Agency offers you in planning your own retirement.

3. Water: In writer's "colonia" there are no water meters. The cost of water, garbage collection, street lighting and cleaning etc. is included in a monthly quota which is paid to the Association of Colonias. The quota was raised in September, 1969, from 75.00 to 200.00 pesos per month.
4. Fuel Oil: Writer found only one receipt during the period in question. Two more are attached to indicate the monthly expense.
5. Firewood: Writer has contracted with an Indian with two burros to deliver wood twice each month. Each delivery is 56.00. The Indian is illiterate and receipts are not feasible.

PERSONALLY-OWNED QUARTERS

Because of the number of inquiries received regarding personally-owned quarters, the following memorandum which has been sent to a number of posts may be useful as a guide to our policy on the subject:

When an employee occupies personally owned quarters his SF-1190 should show in Section 21 (5) the initial purchase price as shown by the deed. Section 21 (6) (7) and (8) should show annual rates for utilities as authorized by Section 132.5 of the Standardized Regulations (Government Civilians, Foreign Areas). These are the only items of cost to be considered.

When the quarters allowance system provided for reimbursement for quarters costs within a predetermined maximum, the regulations provided that the allowance for personally owned quarters should not exceed 10 percent of the purchase price, converted to dollars at the exchange rate available at the time of purchase, plus allowable utilities. The 10 percent of purchase price was ample to take care of taxes, depreciation, repairs, interest on investment, and amortization of the costs within a reasonable period of time by U. S. standards. Only light, fuel, and water could be added in arriving at the allowance.

Under the current quarters allowance system, it is expected that the flat rate will be paid unless the authorizing officer believes it necessary to reduce the payment under Section 134.2 of the Standardized Regulations. The employee in personally owned quarters would be treated the same as any other (except that he cannot receive advance payment of quarters allowances under Section 113 of the Standardized Regulations). This makes unnecessary a special rate for personally owned quarters. The requirement to report the purchase price on SF-1190 is to provide the authorizing officer additional information to be considered, together with any other pertinent local circumstances, in deciding whether reduction of the allowance is necessary and, if so, how much. Only the utilities costs are to be considered in addition to the purchase price except in those rare instances where land rent is involved. Because of varying conditions between posts and individuals, it was not considered advisable to specify any certain percentage of the purchase price that should be considered.

In addition to the information on the SF-1190, the authorizing officer should consider local circumstances, which vary greatly from post to post, in deciding whether the occupant of personally owned quarters should be treated any differently than the employee in rented quarters and receiving the flat rate allowance.

1. Reference is made to conversations COS, Mexico City, had at Headquarters on 26 May and 27 May 1969 concerning the postponement of the effective date of retirement of Jeremy K. BENADUM until 31 October 1970 in order:

- a). To enable BENADUM to acquire eligibility for WOFIRM retirement; and,
- b). To give the new COS, Mexico City, time to build up relationships with the LITEMPOS (the LITEMPO Project) with whom BENADUM now has excellent, close and long-standing relationships.

2. Headquarters suggested that:

- a). BENADUM sign the regular "Service Agreement" form by which he requests that he become a member of the WOFIRM "Organization Retirement and Disability System"; and, that
- b). BENADUM write a memorandum requesting that his date of retirement be postponed from 30 June 1969 until 31 October 1970.

3. These two forms are attached, in the original and one copy each.

SUBJECT : Jeremy K. BENADUM - Request for Retirement

1. I herewith request that the effective date of my retirement be set as of 31 October 1970 instead of 30 June 1969.
2. This request is based primarily upon my desire to complete ten years of service in the Agency as is required by law in order to be eligible for Agency Retirement instead of being retired under Civil Services Statutes.
3. Secondly, however, I believe that by remaining in my present position until 31 October 1970 I can assure a better turn-over of contacts I have with a great deal less loss to the Agency.
4. I should appreciate a reply as soon as possible, since if my proposal is not accepted, I shall plan to accept other employment on 1 July 1969.

SUBJECT: Retirement

1. Reference is made to our conversations concerning the possibility of your retirement from our service.

2. I discussed this matter, along with all other personnel matters, while in Washington in March 1969; and the authorities indicated that they would like your retirement to become effective on 30 June 1969.

3. For your information, a drive is on to have officers over fifty years of age take advantage of the early retirement program, in order to:

a. Allow younger officers to move into active operational assignments;

b. Reduce expenses, by getting rid of the higher ranking (older) officers;

and

c. Put the early retirement program into effective use and make it customary for fifty year old officers to retire.

4. In order to carry out your retirement, I would appreciate it if you would submit your letter confirming that you are in accord with this plan to place you on retired status.

6. I regret that you will be unable to take home leave at Government expense; but regulations prohibit the payment of home leave expenses for persons within two years of effective retirement date.

7. The amount of your annual annuity, the pay allowable for your accumulated annual leave and other data relative to your retirement will be discussed in memoranda to follow.

9. Please sign this memorandum and return it to me.

24 April, 1969

SUBJECT: Involuntary Retirement

1. A desk officer from Headquarters visited the México City Station during mid-November, 1968. While here, the visiting officer talked with the writer for approximately one hour regarding the operation of the Litempo project and writer's plans for the future. The following points were discussed:

(a) The fact that the project was considered to be an important and successful one.

(b) Writer was specifically asked if he had any plans for an early retirement. Writer replied in the negative. The visiting officer indicated complete satisfaction with writer's desire to continue in the service, and noted that it would be

(c) When the visiting officer asked whether the writer had ever visited Headquarters during his career with the service, and found that he had not done so, the officer asked whether writer could arrange to visit Headquarters for a week or ten days during his next home leave, which would take place in August, 1969. Writer indicated that he would be most pleased to do so.

2. Based on the foregoing, writer made plans to proceed to the United States on home leave in early August, 1969, to return in mid-September, 1969. Since such matters cannot be handled on short notice, writer has already rented a house in San Francisco, California for the period in question.

3. This is where matters stood, when, on 7 April, last, writer was advised that he would be retired, effective 30 June, 1969, in accordance with various changes of policy. He was also asked to confirm in writing that he is in accord with the plan to place him on retired status as of 30 June, next.

4. While the reasoning behind what appears to be a complete reversal of policy, vis-a-vis the writer, may be crystal clear to the responsible officials at Headquarters, writer is at a complete loss to understand.

For the writer to indicate his agreement with a plan which appears to him to be arbitrary, short-sighted and irrational, would be completely out of character for a person who has spent almost thirty years in the intelligence field, and has a justifiable pride in his status as a professional intelligence officer. As a professional, writer also realizes when the handwriting, however illegible it might be, is on the wall, and, that if the decision has already been made to retire him involuntarily, then retired he will be --- involuntarily. Little as it may matter, writer desires to emphasize that nothing in this memorandum should be construed to indicate writer's personal accord or approval.

5. According to writer's records, as of 30 June, next, he will have completed the following government service:

	<u>Yrs.</u>	<u>Mos.</u>	<u>Days</u>
(a) Military: 2nd. Lt., 30th U.S. Infantry; Presidio, San Francisco, 26 Oct., 1939 to 31 July, 1940.....	9		6
(b) Special Agent, 12 Aug., 1940 to 31 October, 1960.....	20	2	18
(c) Career Agent, 1 Nov., 1960 to 30 June, 1969.....	8		8
(d) Accumulated A/L as of 30 June, 1969, - 656 hrs.		<u>3</u>	<u>22</u>
Total Service	29	11	16

Writer desires to complete thirty years' service, and requests that the effective date for his involuntary retirement be set accordingly.

6. Home Leave: While writer readily understands the rationale of a ruling preventing the taking of home leave at government expense within two years of voluntary retirement, he does not see that the interests of fairness, justice or decency are being served in attempting to apply the same ruling to writer's involuntary retirement. As a matter of possible historical interest, writer desires to point out that, when he joined the service in 1940, he voluntarily gave up the home leave which he had earned with the (3 years). Writer has

taken home leave in 1962, 1964 and 1966, in accordance with regulations. In line with what appeared to be Agency policy as of November, 1968, writer has made plans for home leave from 5 August to 15 September, 1969. Writer feels most strongly that he and his family should be allowed to take this leave at government expense.

8. In conclusion, writer wishes to state that he has thoroughly enjoyed his association with the Agency during the past nine years, and is proud of his part in the accomplishments of the México City Station. Owing to the nature of writer's position, his personal contacts have been largely limited to the personnel of the Station here. The writer has the highest professional and personal regard for the Chief of Station, with whom he has been privileged to serve, as well as the highly competent case officers who have worked with writer on the project.

It is a source of great satisfaction and pride to the writer to have known and worked with a truly great American, Mr. Allen W. Dulles, whom the "San Francisco Chronicle" (generally a hostile critic of the Agency) described posthumously as "...The most creative, powerful and eminent U.S. intelligence officer of modern times". And, as one's career comes to a close, the words of President Nixon, in describing Mr. Dulles' great contribution to his country, have a very particular significance: "...In the nature of his task, his achievements were known to only a few. But, because of him, the world is a safer place today".

MEMORANDUM FOR: Jersey K. BENADUM (p)

SUBJECT: Federal Tax Obligation - Letter of Instruction

1. Based on the tax briefing held on 16 February 1966 by a representative of the Organization's Tax Committee, the Committee approved a flat rate assessment of your [redacted] Federal tax obligation.

[redacted] your future year tax position and is based on an average of your annual Organizational income of \$19,305.60 developed from a two-year projection of your earnings, beginning with tax year 1966.

2. Effective 30 December 1964, the beginning of tax year 1965, the Organization has applied a tax percentage of thirty (30.0) per cent to the gross taxable compensation paid by the Organization in 1965. Effective 19 December 1965, the beginning of tax year 1966, this percentage will be decreased to twenty-three and four-tenths (23.4) per cent.

3. The application of the percentage assessment to tax year 1965 results in a tax liability of \$5,490.96 (30% of \$18,303.20). After applying the tax withheld of \$2,562.49, an additional payment of \$2,928.47 is required. However, future changes in your income or tax status may justify a future revision of the assessment rate. In this event, this agreement would be amended accordingly.

4. The Tax Committee has granted you a basic \$250.00 tax credit in computing the percentage rate. This credit is granted to give reasonable assurance that you will not pay higher tax than you would under ordinary reporting procedures. The computations of these percentage rates are attached.

5. The retroactive satisfaction of this assessment from 19 December 1965 will be made by attaching the Federal tax withholdings available in your pay account. You will be advised as to the effect of this payroll account adjustment. You must file a tax return directly with Internal Revenue consistent with your overt tax status and provide the Tax Committee with a certified true copy. It is extremely important for you to exercise care and accuracy in preparing this return. Provided below are specific criteria to assist you:

You will continue to file a tax return directly with Internal Revenue, reporting other income (interest, dividends, rental, etc.) and computing tax thereon. [redacted]

7. Please acknowledge the original of this letter and return to Headquarters, attention: Covert Tax Committee.

REFERENCE: HMMA 24477

Action Required: Cable Reply to paragraph 3

1. Reference is made to paragraph 3 of ISBW 12349, 28 February 1964, which suggested that KUZARK training for BENADUM might be beneficial, and to page 8 paragraph 3 of HMMA 24477, the LITENPO Project Renewal Request, which also indicated that a two-week intensive field training course would be valuable for BENADUM.

2. Headquarters has discussed this possibility with KURCAR, and they are prepared to send a trainer to Mexico City for two weeks beginning 18 January 1965. Headquarters has suggested that the trainer be prepared to cover positive intelligence and operational reporting, requirements, and elicitation from his contacts and agents.

3. Please cable whether the dates 18 - 29 January are convenient and whether the subjects to be covered are those envisioned by the Station.

4. Headquarters added to the Project Renewal request \$748.95 to cover the per diem and travel of the TDY trainer.

ACTION REQUIRED: Information

1. During Robert L. EASBY's recent TDY at Headquarters, he informed Howard D. MYNARD that the last Legislative Pay Adjustment had not been granted to the following named Career Agents at the Station. He was advised that follow-up action would be taken and information forwarded to the Station.

✓ Jeremy K. BENADUM
Douglas J. FREAPANE
Victor W. OBOLD
Wallace C. RIKON
Donald E. VELAZQUEZ
David H. WILSTED

2. The contract for each of the above named individuals except VELAZQUEZ contains the provision he shall receive any Legislative Pay Adjustment adopted by KUBARK. As the provision is a contractual item, the individual will automatically receive the increase without any requirement for a specific request or justification. Although not on the above list, the same information also pertains to Leo C. EDELICH. VELAZQUEZ, a Contract Employee, was authorized the increase (Phase II) by an amendment effective 14 October 1962 as his contract does not provide for automatic entitlement.

3. The Payroll Branch advised that except for BENADUM, the increase was reflected in the pay period ending 18 January 1964 as indicated in the earnings statement provided each individual. HOSIS-3534, 28 May, was sent to the Station by Payroll to increase BENADUM's field allotment in accordance with the pay adjustment.

1. The Station was surprised to receive the reference, which stated that BENADUM's life insurance application had not been received in Finance Division as of 15 June 1962. Recently we received HBM-S-2450, dated 14 June 1962, which requested that the Station collect from BENADUM the premiums for his life insurance, and no mention was made of payroll deductions we had requested in HBM-T-2800. Therefore, the Station collected the sum of \$72.00 from BENADUM in payment of 6 months premiums. This payment was forwarded to Headquarters under HBM-T-2892.

2. No action will be taken by the Station to change BENADUM's field allotment until notification is received from Headquarters. It would appear that the easiest means of now adjusting his pay account would be to refund the pre-paid premiums and begin payroll deductions for the life insurance.
