Dependent Payment for Case #103, Jorge FUNDORA Fernandez

Action: Reply to paragraph three

1. A letter dated 7 May 1967 has been received from Silvia HEREDIA, 180 S.E. 13th Terrace, Miami, Florida, via the AMTIKI-1 facility. Mrs. HEREDIA is the widow of Jorge FUNDORA Fernandez (Hero & Martyr, no 201 number) who is the Subject of Case #103 for which a monthly AMBUD payment of \$175.00 is made to the widow. In her letter, which is attached, Mrs. HEREDIA requests the AMTIKI facility to also send the payment formerly received from AMBIDDY-1 which she claims was terminated in April 1967.

2. This case was one of three cases for which AMBIDDY requested in January 1967 that WOFAC assume the monthly payments being made by his organization. The request by AMBIDDY was the Subject of Reference A which requested data from JMWAVE concerning the cases. The JMWAVE reply, forwarded under Reference B, included a recommendation that no increase in payment be made. Reference C informed the addressee that, under the circumstances, it was not possible for Headquarters to take any action to provide support to the individuals concerned.

3. In view of the background described above, we propose, with Headquarters approval, to have AMTIKI-1 reply to Mrs. HEREDIA stating that no funds are available in addition to the \$175.00 monthly payment which is being made.

4. We are also enclosing copies of the following documentation which has been provided by Mrs. HEREDIA:

Miami, May 7, 1967

Sirs:

By means of these lines I wish to tell you of my present situation with the hope that you can help me.

My name is Silvia HEREDIA, widow of Jorge FUNDORA, and I have been receiving from you a pension of \$175.00 monthly. Since this sum was insufficient to cover the needs of my two children, Eduardo who is 8 years old and Raquel who is 7 years

old, and the psychiatric treatment for myself, AMBIDDY-1, in the name of the , sent me \$125.00 monthly.

In the month of August 1966, that amount (from the) was reduced to \$100.00 for economic reasons and in the month of April 1967 I was notified that this amount would be suspended entirely and that I should not count of this subsidy in the future.

My situation cannot be sustained because due to my health I am not able to work at the moment and I am turning to you with the request that the sum suspended by the AMBIDDY-1 which was sent to me by be assigned to me by you.

Respectfully,

Silvia Heredia Vda. de Fundora

Señores:

Por medio de estas líneas deseo expresarles mi actual situación con la esperanza de que puedan ayudarme. La que suscribe es Silvia Heredia, viuda de Jorge Fundora y que viene recibiendo de ustedes una pensión de \$175.00 mensuales. Como esa cantidad era insuficiente para atender mis dos hijos, Eduardo de 8 años y Raquel de 7 años, así como el tratamiento siquiátrico a que estoy sometida, el

AMBIDY-1
a nombre del ~~INSS~~ me enviaba \$125.00 mensuales. En el mes de Agosto de 1966 dicha cantidad quedó reducida a \$160.00 por reajustes económicos, y el mes de Abril de 1967 se me comunicó que tenía que suspender definitivamente esa cantidad por no contar más con la subvención con que contaba.

Como mi situación se hace insostenible ya que por mi salud no puedo trabajar por el momento acudo a ustedes con el ruego de que se me asigne la cantidad suspendida por el ~~INSS~~ que me hacía llegar el ~~INSS~~. *AMBIDY-1*

De ustedes muy respetuosamente,

Silvia Heredia Vda. de Fundora

MEMORANDUM FOR: Chief, Western Hemisphere Division

SUBJECT: Status Report - Transfer of AMBUD Survivor Benefit Payments to BEC

1. Mr. Ben DeFelice, Chief, Benefits and Services Division, was phoned on 8 May for a reading on the status of the AMBUD case, i.e., researching the possibility of transferring Survivor Benefit payments (which total close to \$500,000.00 per year) to the Bureau of Employee Compensation.

2. Mr. DeFelice assured WH/COG that whatever could be done was being done and a decision on the feasibility of the turnover was being made by the Director, BEC. Sample Survivor cases had been submitted to BEC for review along with the proposed text of a letter which would be addressed to the BEC by the DCI once the course to be followed was agreed upon by both parties. The draft letter had been prepared by Mr. Lawrence Houston.

3. Mr. DeFelice will advise WH/COG as soon as he has word.

1. When Wallace A. GROWERY met with AMBIDY/1 on 13 January 1967 to formally terminate the AMWORLD operation, AMBIDY/1 discussed in detail reference dependents who had been receiving financial assistance from AMWORLD funds and requested that GROWERY explore the possibility of WOFACT financial assistance following termination of their AMWORLD monthly support payments. An investigation was conducted by both JMWAVE and Headquarters to determine if the agents named by AMBIDY/1 had been employed by WOFACT in order to determine what, if any, obligation might exist to provide financial assistance to the dependents. The results of the combined Headquarters investigation, keyed to reference dependents, are summarized below for Station Managua information.

(IDEN A). Subject was a WOFACT agent under contract. His MOC provided payment of his \$400 monthly salary to his dependent parents for two years following possible death while engaged on a WOFACT mission. After Subject's execution in 1962 the parents received his regular monthly salary until 28 June 1963. At that time Headquarters decided to liquidate the remaining balance of \$6400 and paid this amount in a lump sum to the parents. Headquarters considers that all legal and moral obligations have been discharged and is not inclined to assume any further financial obligations to the parents. AMBIDY/1 is apparently unaware that the parents have received approximately \$10,000 from WOFACT.

(IDEN B) Although IDEN C, the husband of IDEN B, was never directly employed by WOFAC, IDEN B receives \$175 per month as a dependent HEROES/MARTYRS widow under the AMBUD program and has been paid a total of \$10,850 from March 1962 to date through the JMWAVE/AMBUD cover mechanism. Presumably AMBIDDY/1 is unaware that this dependent has been receiving regular AMBUD assistance in addition to the \$125 per month received from AMWORLD funds.

(IDEN D) AMBIDDY/1 provided GROWERY with the complete name and details of the activities of IDEN D's husband prior to his arrest and subsequent 6-30 year prison sentence. With this information traces were run on Subject with negative results. Since neither JMWAVE nor Headquarters records produced any evidence Subject had ever been a WOFAC employee, no obligation exists to provide financial assistance to IDEN B.

2. Although reference indicates the discussion between James D. ZABOTH and Ernest A. LUSBY took place after AMBIDDY/1's conversation with GROWERY in January, it is not clear when, or by whom, the subject was originally brought to ZABOTH's attention. If AMBIDDY/1 was the source of ZABOTH's information it is noteworthy that he apparently neglected to mention his prior detailed discussion with GROWERY.

3. Under the circumstances, it is not possible for Headquarters to take any action to provide support to these individuals.

Documentation for Hero and Martyr Dependency Cases

ACTION REQUIRED - REFERENCES

Reference: UFGW-6440, 8 March 1967

1. A review of Station and AMTIKI files confirms a total lack of legal documentation for the Hero and Martyr cases as anticipated by Headquarters in Reference. A report prepared by AMTIKI-1, which is forwarded herewith, describes the content of his files for these cases and includes a copy, where available, of the authorization upon which payment is based.

2. Although the review of Station records for legal documents was unproductive, the following background data was noted as of possible interest to Headquarters in the processing of these problem cases:

a. Children included as dependents:

Case #95:	one child (in U.S.A.)	Total monthly payment	\$25.00
" #97:	two children	" " "	250.00
" #98:	one child	" " "	100.00
" #101:	one child	" " "	100.00
" #102:	one child	" " "	175.00
" #103:	two children	" " "	175.00
" #106:	two children	" " "	175.00
" #107:	two children	" " "	175.00

b. Cases Involving Trustees:

The only instance of a trustee is Case #99 for which AMOT-186 (201-726322) receives a monthly payment of \$66.00 for the widows of Luis MENDEZ and Julio CASIELLES, both of whom are in Cuba. The trustee is not a full-time AMOT and has his own business interests locally. JMWAVE records

indicate that this situation developed from a prior event in Cuba and that several of the Hero and Martyr cases are connected by the personalities involved. UFGA-8317, 1 April 1963, describes four of the several individuals who were involved with AMLEMON-1 in a sabotage attempt against the Cuban Electric Company on 30 November 1960. The four, all former employees of the Electric Company, were captured while attempting to escape from Cuba in a small boat following the sabotage:

William LE SANTE
Luis MENDEZ
Julio CASIELLES Amigo
Armando RODRIGUEZ Vizcaino

LE SANTE is the Subject of Case #106 (Hero and Martyr) who was executed as a result of his participation in the sabotage attempt. MENDEZ and CASIELLES, the Subjects of Case #99, were also executed on the same charges. RODRIGUEZ was sentenced to 30 years imprisonment which is being served in the Islo of Pinos Prison.

The Trustee describes himself, in the HEW Survey form, as a former employee of the Cuban Electric Company and a friend of the Subjects of Case #99. He is mentioned in a 26 September 1962 AMOT report (AA-812; UFG-01672, 12 Oct. '62) as residing in Miami where he received letters, containing information, from source Martha RAMOS Castro in Havana. Traces show RAMOS to be the wife of Armando RODRIGUEZ and the sister-in-law of the widow of Julio CASIELLES. The trustee stated in the HEW Survey form that one year previously he forwarded the accumulated funds and started sending \$33.00 each month to RAMOS in Chicago, per instructions by the CASIELLES widow, and that in May 1965 he stopped sending the \$33.00 payment for the MENDEZ widow to Cuba and started holding it for her. He claimed to have \$165.00 on hand at time of the Survey. It is noted that JANWAVE records contain no mention of payment on behalf of Armando RODRIGUEZ. The payments on behalf of LE SANTE, MENDEZ, and CASIELLES appear to be based upon letters from the COMANDO ELECTRICO DE LIBERACION which are included with the ANTIKI attachment.

In view of the Case #99 widows being in Cuba, and the failure of the trustee to provide the exact date-of-birth for the widows in his 9 December 1966 reply to ANTIKI (UFGA-26626, 15 December 1966), it is not believed that he would have the needed documents. We are, however, through ANTIKI-1 requesting the trustee to provide an explanation of his handling of the payments for both widows, and, via his means of communication with them, to obtain the required documentation.

c. Locality of marriages:

None of the widows/wives who provided information for the HEW Survey described their status as anything but wife or widow. The PHS form for the Subject of Case #97 provides date of marriage as 19 March 1954.

d. Operational Relationship with Subject:

Case #95: No record of use by WOFAC. Traces reflect membership WDM and/or MRR in Cuba. Tried on 19 April 1961 for crime against the Powers of the State and possession explosives and inflammable materials. (UFGA-4162, page 464, 29 May 1962)

Case #96: 201-248158. POA granted 17 March 1961. No record of actual use by WOFACT. UR (or MRR) leader tried and convicted with Subject Case #95 above. Executed 20 April 1961.

Case #97: 201-283995. (AMTRIGON-8) POA granted 13 February 1962 for use as seaman on WOFACT vessel. On 11 August 1962 presumed dead and dependent payment of \$250.00 month via Hero Martyr fund approved by COS. (Note: Subject on own volition infiltrated Cuba with a team which was being landed by Subject's vessel).

Case #98: No record of use by WOFACT. Appears to have been a member of MRR who was executed in 1961.

Case #99: No record of use by WOFACT. See Paragraph 3.b. above.

Case #100/101: POA granted 16 August 1960, apparently to Havana Station. Nothing further to indicate use of Subject.

Case #102: POA granted 23 September 1960 for PM Cadre. Executed 7 March 1961. No further information available.

Case #103: No record of use by WOFACT. MRR leader executed October 1961. One of three cases for which ARTIME requested WOFACT assume monthly payments (UFGA-26878, Para 3.1 February 1967).

Case #104: 201-286541. Brigade member killed in action. Although widow receives "Brigade" payment (Case #59), Case #104 provides payment for mother as a Hero and Martyr case.

Case #105: There is no record of an operational use or interest in the Subject of this case. According to JMWAVE records, his death in Cuba resulted from assistance provided to his father, a former Cuban Airlines Pilot. See letter #12 in ANTIKI attachment.

Case #106: No record of use by WOFACT. See paragraph 3.b. above.

Case #107/108: 201-279298. POA requested May 1960. No record in JMWAVE files of actual use by WOFACT.

Case #109: 201-283865. (AMPANIC-13) POA granted 16 September 1960. WOFACT asset captured during airdrop and executed on 20 April 1961.

Case #110: No record of use by WOFACT. Member of RESCATE who executed 18 January 1961 per WAVE 3074. (Document not available at JMWAVE.)

Case #111: No record of use by WOFACT. Subject was an associate of William Morgan. Executed same day as Morgan, 11 March 1961.

Case #128: No record of use by WOFACT. In HEW survey form widow stated that in 1959 Subject was sentenced to nine years imprisonment which was being served in Isle of Pines Prison.

Case #129: No record of use by WOFACT. Arrested 30 June 1960 with Subject of Case #107/108. Serving 30 years sentence in Isle of Pines Prison. Wife of Subject is listed as LNREAD Source SD 15622 per master list dated 18 April 1966.

Case #130: No record of use by WOFACT. An executive member of Organization AUTENTICA 1960-1963.

SUBJECT: Review of Certain Hero and Martyr Case Files

The "Heroes and Martyrs" cases were not considered under the same regulations as the dependents of the invaders of the Bay of Pigs. The persons supposed to receive payment were designated, in some cases by "the Department" and in other cases by the C.R.C. through its executives. There are cases in which a written memorandum was given to us but there are others in which no memorandum was given. We were instructed to pay no more than \$175.00 monthly to each, and as it can be seen, many cases are receiving lower amounts and never the amount of dependents was taking in consideration. There is only one case receiving a higher amount, Mrs. Hilda R. Carballo (widow of Jesus Delgado), who receives \$250.00 because we were specially instructed to pay this amount.

In regards to documents, the files are very poor, and they mostly have only letters informing changes of address.

ACTION REQUIRED: As stated in paragraph three

1. Biographic data concerning the parents of Subject (201-298852) has been received from the trustee, Raul SANTOVENIA, and is forwarded herewith as Attachment A.

2. A review has been made of JMWAVE, AMTIKI, and ANOT files concerning continued justification for the payment of \$225.00 per month to the trustee on behalf of the parents in Cuba. Significant points resulting from the review are as follows:

a. Subject was executed for a prior crime in Cuba and not because of participation at the Bay of Pigs. (Murder of a Cuban soldier during escape from Cuba in March 1960). See "Bohemia" clipping forwarded herewith as Attachment B.

b. The father of Subject, Pedro KIM, is probably identical to one Pedro KIM who is alleged by AMTIKI-1 to be an active communist in Cuba. A Pedro KIM is also described as an active communist in the following reports: DCE-15460, 16 August 1963; DCE-15946, 26 October 1962.

c. Although it appears that the trustee has efficiently handled the funds forwarded to him (\$12,602.00 in bank account as of December 1965), there is no evidence that any form of assistance has been provided to the dependents in Cuba.

3. In view of the background of this case, as described in paragraph 3 above, it is recommended that all payments for this case be terminated.

Para la mayor tranquilidad de los hombres que lucharon en la "Comando", sería conveniente que esta gente no pasaran hambre y miseria, vean los rostros de sus parientes muertos, o presen a hombres que han servido lealmente a la COPELA y los denuncian de valor y de abnegación, bien distinto de los "nercos" de hoy que van a la television cubana cuando son capturados para hablar mal de la causa anti-comunista de los ERM y de la "REVOLUCION".

Es lo unico que me preocupa de la nueva situacion y para a partir de

1. A REVIEW OF THE SAMPLE HEROES/MARTYRS FILES NO. 100-130 FORWARDED IN REFERENCE INDICATES A SERIOUS LACK OF LEGAL DOCUMENTS SUCH AS MARRIAGE AND BIRTH CERTIFICATES, POWERS OF ATTORNEY, ETC., WHICH MAY BE REQUIRED TO ESTABLISH LEGALITY OF DEPENDENTS' SUPPORT CLAIMS.

2. IN VIEW OF THE GOOD POSSIBILITY HEADQUARTERS WILL BE ABLE TO TRANSFER ALL, OR A LARGE PART, OF THESE SURVIVOR BENEFIT PAYMENTS TO BEC, IT IS REQUESTED THAT AMTIKI REVIEW ALL CASE FILES PERTAINING TO THE MEMBERS OF THE HEROES/MARTYRS GROUP WHOSE DEPENDENTS ARE PRESENTLY RECEIVING MONTHLY SUPPORT PAYMENTS. IN THE EVENT THE FILES DO NOT CONTAIN THE REQUIRED TYPE OF LEGAL DOCUMENTS, AMTIKI SHOULD REQUEST COPIES OF ALL SUCH AVAILABLE DOCUMENTS FROM THE DEPENDENTS. SINCE DOCUMENTS CONCERNING MARRIAGE, BIRTHS AND BAPTISMS ARE CUSTOMARILY CHERISHED AND RETAINED BY FAMILIES, THERE APPEARS TO BE AN EXCELLENT CHANCE THAT THEY CAN BE OBTAINED. IT IS PROBABLE THAT A SIMILAR EXERCISE MAY HAVE TO BE PURSUED AT A LATER DATE TO OBTAIN

MEMORANDUM FOR: Chief, Benefits and Services Division
Office of Personnel

SUBJECT: Samples of 2506 Brigade Working Files

1. Following the 10 February meeting in your office with the Director of BEC, Station Miami was requested to send a representative group of files concerning deceased, missing and imprisoned Cuban Brigade members and their dependents who are presently receiving monthly support payments.
2. Attached is one of the eight files received from Miami for your review. Since all the documents are in Spanish, a resume of those documents considered to be most important for establishing the legal relationship between the deceased and his dependents has been attached for your convenience.
3. An identical resume will be made of the documents in the remaining seven files in order that they may also be reviewed whenever it is convenient for you to schedule a meeting. We may logically assume that a certain number of the remaining files will be lacking some of the vital documents included in the attached file. If these documents are required to meet BEC criteria on an individual basis, they could be obtained in practically all cases from those dependents who reside in the United States.
4. The attached file is a rather impressive example of the type of documented proof we can submit for BEC scrutiny; perhaps we can avoid having to run the gauntlet on an individual basis.

The first of these is the fact that the
 distribution of the population is not uniform
 over the surface of the globe. The density of
 population is highest in the temperate zones
 and lowest in the tropical and arctic zones.
 The reasons for this are many and complex.
 They include differences in climate, soil
 fertility, and the availability of water.
 The fact that the population is concentrated
 in the temperate zones is one of the most
 striking features of the world's population.
 This is due to the fact that the temperate
 zones are the most favorable for human
 habitation. The climate is neither too hot
 nor too cold, and the soil is generally
 fertile. The availability of water is also
 high in these zones.

1. IN ACCORDANCE WITH REFERENCE, A DISCREET INVESTIGATION BY THE AMOTS TO DETERMINE THE PHYSICAL CONDITION OF THE MOTHER OF MANUEL /GUILLOT/ CASTELLANOS /221-281397/ HAS BEEN COMPLETED. THE RESULTS OF A FURTHER, AND INDEPENDENT, CHECK AT THE CITED HOSPITAL BY AMBUD-3 ARE ALSO DESCRIBED IN THE FOLLOWING PARAGRAPHS.

2. THE SOURCE OF THE FOLLOWING INFORMATION IS THE WIFE OF AMOT ASSET LITAMIL/14 -

MRS. VIRGINIA /CASTELLANOS/ DE GUILLOT, THE MOTHER OF MANUEL /GUILLOT/ CASTELLANOS, HAS SUFFERED FROM PARALYSIS SINCE PRIOR TO HER DEPARTURE FROM CUBA. SUBSEQUENT TO HER ARRIVAL IN THE U.S.A., THERE HAS BEEN SURGERY ON HER LEFT BREAST, BECAUSE OF A CANCER CONDITION, WHICH HAS RESULTED IN AN ACUTELY SWOLLEN LEFT ARM THAT IS NOW ALMOST PARALYSED. IN APPROXIMATELY FEBRUARY 1965, SHE EXPERIENCED A FALL WHICH RESULTED IN A FRACTURE OF THE FEMUR. ANOTHER FALL IN JANUARY 1967 DISTURBED THE PINS INSERTED IN THE FIRST OPERATION, AND ON 19 OR 20 JANUARY 1967 SHE UNDERWENT FURTHER SURGERY

MONTES, AT 3488 N.W. 3RD STREET, MIAMI. TELEPHONE NO. 444-1373. ACCORDING TO SOURCE, WHO IS HELPING TO LOOK AFTER MRS. GUILLOT, THERE ARE RUMORS THAT ANY FUNDS RECEIVED BY THE COUPLE ARE 'DISSIPATED' BY THE HUSBAND UNLESS PROVIDED TO THE WIFE, WHICH SOURCE DOES WITH WHATEVER ASSISTANCE SHE IS ABLE TO ARRANGE. IT WAS FURTHER REPORTED THAT 'SEVERAL HUNDREDS OF DOLLARS' RECEIVED BY THE HUSBAND SEVERAL MONTHS AGO HAVE BEEN SPENT AND THAT THEY DO NOT EXPECT TO CONTINUE TO RECEIVE A MONTHLY PAYMENT FROM MANUEL /ARTIME/. THEY ARE PRESENTLY ATTEMPTING TO MOVE TO A LESS EXPENSIVE HOUSE WHERE THE RENT WOULD BE LOWER THAN THE \$85.00 A MONTH NOW BEING PAID. THE AMOT REPORT CONCLUDED WITH A SOURCE COMMENT THAT THE PRESENT PHYSICAL AND FINANCIAL SITUATION OF MRS. GUILLOT IS 'QUITE CALAMITOUS.'

3. A CHECK BY ANBUD/3 WITH DR. CANO AT THE PAN-AMERICAN HOSPITAL RESULTED IN THE FOLLOWING INFORMATION CONCERNING THE CASE-

ALTHOUGH NO SPECIFIC RECORDS WERE AVAILABLE CONCERNING THE BREAST OPERATION, WHICH WAS A TOTAL RESECTION, DR. CANO CONFIRMED THE ORIGINAL BONE OPERATION AS SURGERY FOR A DOUBLE FRACTURE OF THE HIP. HE ALSO CONFIRMED THE RECENT SURGERY FOR RETIREMENT OF THE PINS WHICH HAD BEEN PLACED DURING THE FIRST OPERATION, AND DESCRIBED THE PATIENT'S CONDITION AS 'DELICATE' BUT NOT CRITICAL. REGARDING FINANCES, DR. CANO SAID THAT A PAN-AMERICAN HOSPITAL BILL FOR \$599.70 FOR THE LAST ADMITTANCE REMAINS UNPAID.

1. Both Headquarters and AMTIKI files reflect Subject of para 2(k), reference B (prisoner #37 on reference A list) is indeed a prisoner, not deceased.

2. It is suggested that AMTIKI be requested to review the file for any indication Subject of para 2(a), reference B (prisoner #32 on reference A list) may actually be a prisoner, not deceased as reported.

3. Subject of para 3, reference B (prisoner #36 on reference A list) is a prisoner. Although he is officially listed as a GARCIA LINES crewman, he may also have been one of the Brigade personalities who served as an auxiliary crewman on one of the GARCIA LINES ships lost in the invasion. The dependents of these deceased and imprisoned crewmen are paid by the GARCIA LINES through a special WOFACT funding mechanism. This also applies to the AMBUD-3 case, Faustino MARTINEZ, who receives \$300 per month as a permanent disability case. CELENZA will no doubt recall that during MARGANY's recent TDY to JMWAVE to review the AMBUD dependency cases, MARGANY advised that all GARCIA LINES dependents would be included in the proposed recommendations for future financing of AMBUD dependency payments. Both Subject of para 3, reference B, and Faustino MARTINEZ were included in the recently completed actuarial study to determine the total amount of money required to finance future dependency payments under a proposed trust fund mechanism.

1. In accordance with the paragraph 2, Reference A request for clarification of Case No. 123, a review has been made of JMWAVE records and the following pertinent data is forwarded for Headquarters information:

a. There is no record of Subject's mother being designated as a dependent and it is believed that the AMTIKI-1 request for biographic data concerning her (paragraph 2(a), Reference B) was an error resulting from the large number of similar investigations being handled at that time.

b. The monthly payment to the Trustee conforms with the Reference C authorization by Headquarters for termination of the \$50.00 per month child dependent payment and for the continued payment of \$175.00 per month for the widow as the remaining sole dependent.

2. In conclusion, the Headquarters records for this Case would appear to be correct and our error in correspondence is regretted.

Attention: Mr. Alfredo Garcia, President

Dear Mr. Garcia:

This is to acknowledge receipt of your letters dated December 30, 1966 and January 27, 1967 which contained information concerning the six beneficiaries currently receiving compensation. We are grateful for this information.

With regard to Mr. Alfonso Alberti Garcia, our records show that he completed his rehabilitation training in June 1965 which qualified him as a radio/television repairman. In other words, he has a marketable skill which can provide him with employment.

We would appreciate it if you would terminate the monthly payment of \$275.00 to Mr. Alberti as of March 1, 1967. Please advise Mr. Alberti that since his rehabilitation training and a lengthy period of grace to find employment he will no longer receive any payments. If he should need any social or financial assistance, you might suggest that he apply to a local, state or national welfare agency.

Please keep us advised of any further developments in this case.

Very truly yours,

David B. Challerton

1. For Headquarters information concerning the AMBUD Dependent Payment Program, a listing of prisoners forwarded by Reference A includes 11 of the 19 AMBUD cases contained in Attachment No. 1 to Reference B plus one individual believed to be a GARCIA LINES case. In view of the steps being taken by Headquarters concerning the proposal to transfer administration of the dependents payment Program to WUNUTUAL we are forwarding the results of a review of JMWAVE records pertaining to the individuals included on the Reference A list.

2. The following data is keyed to the case numbers in Attachment No. 1 to Reference B:

a. Case #120: 201-293759. The listing of Subject in attachment No. 1 to Reference B as deceased resulted in the September 1966 termination of payment to the trustee account for which AMTIKI-1 is responsible. We do not plan to make any changes in this account at this time.

b. Case #124: 201-285171. Monthly payment of \$225.00 to wife.

c. Case #126: 201-291258. Monthly payment of \$250.00 to wife.

d. Case #132: 201-300027. Monthly payment of \$225.00 to wife (adjusted from \$250.00 effective with January 1967 payment per UFGW-6306.)

f. Case #135: 201-285157. Payment of \$175.00 per month is being changed from the trustee to the mother who now resides in California.

MEMORANDUM FOR THE RECORD

SUBJECT: Interim Report on Turnover of Survivor Benefit Payments to BEC

PARTICIPANTS: Ben DeFelice, Chief/Personnel Benefits and Services, Office of Personnel
James Ueberhorst, Office of General Counsel
Nancye Gratz, WH/COG
Walter T. Cini, WH/COG/EXO

1. Reviewed a large number of possibilities on the pros and cons of going to BEC on 2 February 1967.
2. DeFelice feels we have conceived a sufficient number of alternatives to contact BEC directly and discuss.
3. A meeting is to be set up next week, possibly 6 February, to discuss with Mr. Tinsley, Director of Bureau of Employees Compensation, who cleared, friendly and very helpful, with regard to BEC accepting one of the following solutions:
 - a. Takeover of all or most of the funding of the regular payments, after he has had a chance to review the files. The Agency would continue to distribute the payments through cover (there is a precedent in the HEW arrangement). This would not create a BEC problem according to DeFelice.
 - b. BEC takes over the majority under present arrangement and the Agency continues to handle those cases which do not qualify under BEC regulations.
 - c. The BEC pays a lump sum to the Agency fund which would continue the payments at the present rate and under the present system until all cases are terminated.
4. One of the most serious problems facing us at present is the five-year statute of limitations. One way to get around this claim would be for the Agency to issue a statement to the effect that, after the elapse of five years, it is prepared to make a statement of presumptive or conclusive finding of death.

SECRET

SECRET

-2-

The Agency has the authority to make such a statement. The BEC could accept the statement as sufficient grounds but would probably require a half-yearly statement prolonging its validity.

5. Anticipated problems:

- a. BEC will require proof of relationship between the deceased or missing and the beneficiary which may not be available or procurable in all cases.
- b. The BEC has a base salary rate of \$240 minimum which is a higher rate than many of the present payments.
- c. If the BEC allocation on the other hand were lower, we could "construct" a salary to up the payment over \$240.
- d. Whatever the rate of GARCIA LINES payments, they are based on legal maritime compensation rates.
- e. The survivor beneficiary in a student status may present a special problem.

Action Required: See Below

1. In accordance with Chief of Station, JMWAVE and Stefan R. LABANOW's telephone conversation on 25 January 1967, we do not plan to take the action requested in the References prior to Headquarters reconsideration of the cases, based on information obtained from a further review of our records.

2. Manuel GUILLOT Castellanos (201-281397). With reference to paragraph 2.A. of Reference B., it is recommended that Headquarters consider the following points in favor of the JMWAVE proposal that no further obligation exists to the dependents of Subject and that payments should not be resumed.

a. Financial: The 1 March 1961 MOC established a monthly salary of \$200.00 per month, payable to GUILLOT's parents during the time he was in Cuba. The 31 October 1961 amendment to the MOC provided for a salary of \$400.00 per month, payable to GUILLOT's parents during the time he was in Cuba. Further, the MOC provided for 2 years payment of salary to the parents from the date of death if due to operational activities. (Executed 30 August 1962). The 18 April 1962 amendment to the MOC provided for a bonus of up to \$750.00 per year if approved by the COS, JMWAVE. In accordance with the MOC, the parents received \$3,200.00 in monthly payments prior to 28 June 1963 when with Headquarters approval (UFGS-2992, 19 April 1963) the amount of \$6,400.00 was accepted by them as the final settlement. This settlement represented monthly payment projected to 30 August 1964. There is no record of payments to dependents other than the parents. It is believed that the financial settlement is in accordance with current JMWAVE policy for the handling of agent death benefits. (JMWAVE Instruction 20-50). JMWAVE records contain nothing subsequent to the final settlement with the parents on 28 June 1963.

b. Operational: Subject was first contacted by a JMWAVE case officer in Miami during July 1960. The last of several missions to Cuba, dating back to 9 December 1960, was the infiltration by JMWAVE on approximately 1 May 1962. Subject was arrested on 29 May 1962 and executed on 30 August 1962.

c. Other: Subject was a friend of Manuel ARTIME prior to early 1959 when Subject joined ARTIME to form the Rural Commands. Subject resumed contact with ARTIME following Subject's arrival in Miami in 1960. Re the ARTIME claim in Reference B that the mother of Subject is in bad health, there is nothing in the file regarding the mother's health, but mention is made of an aunt, Mrs. Eloisa CASTELLANO Rosales, who was in bad health due to liver trouble. According to JMWAVE traces Mrs. CASTELLANO entered the U.S.A. on 3 July 1963 (A13319405). In summary, it is noted that Subject was considered as a valuable asset during the period of his service. However, it is believed that the dependents have been well-paid according to JMWAVE policy, and there is no record of their dissatisfaction with the final settlement. It is further noted that a close and long-time association existed between Subject and Manuel ARTIME, source of the current request for financial assistance to the dependents.

3. Jorge FUNDORA (Hero and Martyr). Reference is made to paragraph 2.B. of Reference B which is concerned with the possible increase of payment to the widow, Silvia HEREDIA. There is nothing in JMWAVE records to indicate that Subject ever worked for WOFACT. However, the original AMBUD arrangement for designation of dependents eligible for benefit payments resulted in the addition of certain non-WOFACT cases to the payment rolls. Further, a review of the original HEW questionnaire shows that Mrs. HEREDIA declared her total income to be the \$175.00 a month AMBUD payment. No mention was made of additional income from the MRR. Unless Headquarters has information not available to JMWAVE, we strongly recommend no increase in payments be made.

4. Francisco ECHEVERRIA Texier is the Subject of paragraph 2.C., Reference B. There is nothing in JMWAVE records to indicate that Subject was ever employed by WOFACT. Unless Headquarters has additional information regarding this case it is recommended that payments not be initiated to the wife.

2. The 30 November letter sent to Trustee of Case No. 123 requested information concerning the mother of deceased (paragraph 2(a), Reference A). According to Case No. 123 study forwarded in Reference C, only the widow and an unidentified child were listed as dependents. The Trustee denied the existence of any child in her original letter to ANTIKI, and Reference D authorized the Station to terminate payment for this child. Deceased's 201 file contains bio data which identifies the mother as reported, but does not reflect she was designated as a dependent. Apparently, information is available at the Station which indicates the mother is the rightful second dependent. Clarification of this case is requested in order that Headquarters data may coincide with that recorded at JMWAVE.

3. Headquarters wishes to express appreciation for the extremely valuable biographic data forwarded to date which was essential for the now completed WUMUTUAL actuary study. The results of this study will be incorporated in recommendations for future financing of this operation which will be submitted to Higher Authority for approval in the immediate future.

1. DURING THE 13 JANUARY 1967 MEETING OF WALLACE A. GROWERY AND MANUEL ARTIME CONCERNING TERMINATION OF WOFACT FINANCIAL SUPPORT TO THE MRR, ARTIME SUBMITTED THE NAMES OF THREE DEPENDENT FAMILIES WHO HAVE BEEN RECEIVING MRR FINANCIAL ASSISTANCE AND REQUESTED THAT WE ARRANGE TO PROVIDE CONTINUING ASSISTANCE TO THESE INDIVIDUALS, PARTICULARLY THE SUBJECTS OF CASE A.

2. IT IS REQUESTED THAT JMWAVE INVESTIGATE THE FOLLOWING CASES REGARDING THEIR FINANCIAL SITUATION AND PRESENT STATE OF HEALTH AND SUBMIT RECOMMENDATIONS CONCERNING THE MINIMUM MONTHLY PAYMENTS REQUIRED TO PROVIDE AN ADEQUATE LEVEL OF SUBSISTENCE AND COVER THE COST OF NECESSARY MEDICAL TREATMENT.

A. MANUEL GUILLOT MONTES AND HIS WIFE, VIRGINIA CASTELLANOS ROSALES DE GUILLOT, PARENTS OF MANUEL GUILLOT CASTELLANOS /201-2813977, MRR MILITARY COORDINATOR WHO WAS EXECUTED 30 AUGUST 1962. ACCORDING TO ARTIME, THE MOTHER IS A PARALYTIC WHO HAS UNDERGONE 3 OPERATIONS AND REQUIRES ANOTHER. APPARENTLY THE FATHER RECEIVES SOME SMALL INCOME FROM A MINOR CLERICAL JOB AND THE MRR HAS BEEN CONTRIBUTING \$300 PER MONTH FINANCIAL ASSISTANCE. ACCORDING TO THE TERMS OF THE DECEASED SON'S MOC, THE PARENTS CONTINUED TO RECEIVE HIS \$400 PER MONTH WOFACT SLARY UNTIL 28 JUNE 1963 WHEN THE BALANCE OF THE AGREED \$9600 DEATH BENEFIT WAS LIQUIDATED THROUGH A LUMP SUM "LIFE INSURANCE" PAYMENT COVERING THE REMAINING \$6400 DUE THE BENEFICIARIES.

PRESUMABLY, THE PROCEEDS OF THIS DEATH BENEFIT PAYMENT HAS BEEN EXHAUSTED BY THE MOTHER'S MEDICAL EXPENSES. HEADQUARTERS DOES NOT FEEL THAT THE DEATH BENEFIT PAYMENT SHOULD NECESSARILY PRECLUDE FURTHER FINANCIAL ASSISTANCE TO DEPENDENTS OF A FORMER VALUABLE AGENT IF IT CAN BE PROVEN THEY WILL BE DESTITUTE AFTER THE TERMINATION OF THE MONTHLY MRR PAYMENTS. THE INVESTIGATOR SHOULD DETERMINE THE PRESENT FINANCIAL CONDITION OF THESE PEOPLE, INCLUDING THE INCOME OF THE FATHER AND ANY CASH ASSETS, THEIR PRESENT SCALE OF LIVING, THE PHYSICAL CONDITION OF BOTH INDIVIDUALS, AND THE MINIMUM AMOUNT REQUIRED FOR LIVING EXPENSES AND PERMANENT MEDICAL CARE ARTIME CLAIMS THE MOTHER REQUIRES. THIS INVESTIGATION IS EXTREMELY URGENT IN ORDER THAT A RECOMMENDATION FOR PAYMENT OF FUNDS, OVER AND ABOVE THE DEATH BENEFIT, MAY BE SUBMITTED FOR SPECIAL APPROVAL.

B. SILVIA HEREDIA, WIDOW OF JORGE FUNDORA WHO PARTICIPATED IN INFILTRATION OPERATIONS BOTH BEFORE AND AFTER THE BAY OF PIGS AND WAS EXECUTED 12 OCTOBER 1961. SUBJECT IS PRESENTLY RECEIVING \$175 PER MONTH UNDER THE AMBUD PROGRAM AS A HEROES/MARTYRS WIDOW /SEE CASE NO. 103/. ACCORDING TO ARTIME, SUBJECT IS UNDER PSYCHIATRIC TREATMENT, WHICH IS ALSO REFLECTED IN REFERENCE CASE STUDY, AND HAS BEEN RECEIVING \$125 PER MONTH FROM THE MRR TO HELP SUPPORT HERSELF AND HER 2 SMALL CHILDREN. REASSESSMENT OF THE CASE IS REQUESTED TO DETERMINE THE DEGREE OF HARDSHIP THAT WILL BE IMPOSED FOLLOWING THE TERMINATION OF THE MRR ALLOWANCE AND AN ESTIMATE MADE OF THE MONTHLY ALLOWANCE NECESSARY TO MAINTAIN AN ADEQUATE EXISTENCE AND MEET MEDICAL COSTS. SUBJECT'S ORIGINAL HEW QUESTIONNAIRE SHOULD BE REVIEWED FOR ANY EVIDENCE SHE DECLARED ANY OUTSIDE INCOME FROM THE MRR OR ANY OTHER SOURCE.

C. *ROSA RABASA, WIFE OF *FRANCISCO ECHEVERRIA TEXIER, WHO ACCORDING TO ARTIME WAS ENGAGED IN TRANSPORTING "COMPANIA" ARMS UNTIL HIS CAPTURE AND SUBSEQUENT 6-30 YEAR PRISON SENTENCE. THE WIDOW, WHO IS DEAF, HAS BEEN RECEIVING \$75 PER MONTH AND PAYMENT OF HER MEDICAL BILLS BY THE MRR TO HELP SUPPORT HERSELF AND HER 2 CHILDREN. SHE AUGMENTS HER SMALL INCOME BY SEWING IN HER HOME. SUBJECT'S HUSBAND IS THE INDIVIDUAL ON WHOM MARGANY REQUESTED TELEPHONE TRACES FROM INGHURST 16 JANUARY.

3. IT IS SUGGESTED THAT THE SAME INVESTIGATIVE FACILITIES EMPLOYED IN THE REFERENCE AMBUD INVESTIGATIONS BE UTILIZED IN THESE CASES. FOR PLAUSIBLE COVER PURPOSES THE INVESTIGATOR SHOULD STATE THAT THEY UNDERSTAND FROM DR. ARTIME THAT HIS ORGANIZATION HAS BEEN GIVING THEM MONTHLY FINANCIAL ASSISTANCE. THAT IT IS NOW PROPOSED THAT THE FIRM OF MCKIRCHER AND AVANT MAY BE RETAINED TO MAKE FUTURE PAYMENTS AND CERTAIN INFORMATION IS NEEDED FOR THEIR RECORDS. IN ADDITION TO OBTAINING THE OTHER INFORMATION REQUIRED THE INVESTIGATOR SHOULD ASK THE AMOUNT OF THE PRESENT MONTHLY PAYMENT IN ORDER TO BE ABLE TO VERIFY THE VERACITY OF THE AMOUNTS ARTIME CLAIMS THEY HAVE BEEN RECEIVING. IN THE CASE OF SILVIA HEREDIA, WHO KNOWS SHE IS RECEIVING MONEY FROM MCKIRCHER AND AVANT, SUGGEST THE INVESTIGATOR TELL HER THEY HAVE BEEN ADVISED OF HER ADDITIONAL MRR INCOME AND HAVE TO BRING HER PRIOR QUESTIONNAIRE UP TO DATE. ALSO, QUESTION HOW SHE WILL BE AFFECTED IF THE MRR PAYMENTS ARE TERMINATED.

4. SINCE MRR FUNDING WAS TERMINATED AS OF 31 DECEMBER 1966, AND ARTIME STATED THESE SPECIAL CASES WOULD BE LEFT IN A DESPERATE SITUATION, A CABLED REPORT OF INVESTIGATIVE FINDINGS IS URGENTLY REQUESTED BY STEFAN R. LABANOW BY COB 25 JANUARY. THE ADDRESSES OF GUILLOT AND RABASA ARE NOT AVAILABLE AT HEADQUARTERS BUT ONE, MANUEL J. GUILLOT, WHO MAY BE IDENTICAL WITH CASE A, IS LISTED IN THE MIAMI TELEPHONE DIRECTORY AS RESIDING AT 1315 NE MIAMI COURT.

SUBJECT: TYPIC/AMBUD/Operational
Termination of Dependency Payment

ACTION REQUIRED - REFERENCES

REFERENCE: UFGW-8306, 8 December 1966

1. In accordance with guidance provided in the Reference concerning Case #94 (201-283357), the monthly payment to the first dependent (mother) Graciela LOVIEROSA for the dependents of 201-283357 was adjusted by terminating the \$50.00 monthly payment for the second dependent (father) in Cuba and continuing payment of \$175.00 monthly to the first dependent. A letter of explanation prepared by the case officer was enclosed in the 31 December 1966 mailing by AMIKI/1 of the January 1967 payment.

2. On 10 January 1967 a reply dated 2 January 1967 was received from Mrs. LOVIEROSA in which resumption of the payment for the second dependent is requested. Ill health of the father and his need for assistance are cited as justification. A copy of the letter is forwarded under separate cover for Headquarters information.

3. In accordance with the recommendation contained in paragraph one of Reference, Stanley JERSAWIT has provided the following background information on the dependents in this case which results from personal direct knowledge of the family:

The mother, Mrs. Graciela LOVIEROSA, comes from one of the wealthiest, if not the most wealthy, family in Camaguey Province. She left Cuba in 1959 or 1960 in anticipation of what has happened, taking all her personal wealth with her. At the same time, her share of the family fortune was forwarded to her in the U.S. as long as this policy continued, perhaps until 1962.

Her husband, Jose A. RODRIGUEZ, did not leave with her because of a mistress in Cuba. Mrs. LOVIEROSA contemplated divorce at that time but no divorce ever came about. Although the father stated numerous times that he intended to leave Cuba, and his name is on the "airlift" listing, he now states that he is not going to leave Cuba because he must stay to

supervise property that has not been confiscated by the state. This is considered by members of the family in the U.S. to be only an excuse for remaining in Cuba.

The father is thought to have a sizeable bank account in the U.S. which was accrued prior to and during the early days of the Castro regime. Although the mother has access to the funds, she is trying to avoid use of the funds for personal reasons.

Mrs. ROVIROSA is believed to be employed by HEW as an IBM key-punch operator in the Refugee Center (JMWAVE has verified the employment as key-punch operator, GS-3, Salary \$4,269.00 per annum. Employed since 14 December 1966 on a temporary basis.)

JERSAVIT has heard nothing concerning the father's alleged ill health. To the contrary, a sister of Mrs. ROVIROSA describes the husband as being very active in Cuba and believes he may possibly have obtained a divorce from Mrs. ROVIROSA.

4. In view of the background information concerning the dependents in this case, JMWAVE does not plan to reply to the letter from Mrs. ROVIROSA.

1. AMTIKI-1 has obtained biographic data on Case No. 17 which is forwarded under separate cover. The case number is keyed to Reference A, attachment No. 1:

a. Case No. 17: Requirement completed.

2. AMTIKI-1 has received interim replies concerning Case Nos. 75, 135 and 143 which are also forwarded for Headquarters information:

a. Case No. 75: The attached letter did not provide the complete date of birth. However, the provision by the trustee of the address for the mother will enable AMTIKI-1 to obtain the data from her. Further, JMWAVE plans to forward monthly payment directly to the dependent, instead of the trustee, effective with the February 1967 payment.

b. Case No. 135: The attached letter did not provide the date of birth. It is planned to handle this case in the same manner as Case No. 75 (described above) by obtaining the data from the mother and subsequently forwarding payment directly to her, instead of the trustee, effective with the February 1967 payment.

c. Case No. 143: The attached letter states that the data requested will be forwarded when received from Cuba.

Mr. Flores,

This morning I received an answer from Mr. Alfredo Garcia, President of the GARCIA LINE, giving the bio data requested on dependents of the crew we are still paying. This completes the bio data required for the actuary study.

When I called Mr. Evan's office to give his secretary the above information concerning the GARCIA people, she told me the computing of the money involved was started yesterday and we may get our total figure within a week. I have the draft memo written by Mr. Millian and the new first page which I revised. As soon as we receive that big, fat figure from WUATUAL the final memo can be typed and we will be in business.

1. Forwarded under separate cover attachment A are the replies received in references from ANTIKI. It is requested that these letters be returned to ANTIKI for retention in individual Subject files.

2. It is recommended that ANTIKI assume responsibility for reviewing the status of minor dependents in order to automatically terminate payments to those individuals who become 21 years of age. This should be done on a regular 30 day basis since many of these dependents will become ineligible for payment during 1967. A list of birthdates compiled by ELLEN F. MARGANY is forwarded under separate cover attachment B to assist ANTIKI in monitoring this operation. Some procedure should also be established by ANTIKI for periodically attempting to establish proof of marriages contracted by dependents.

3. A quarterly Station report is requested on all future payment terminations in order that Headquarter's records may be maintained on a current basis.

FROM: Nancy Grats

1. In order to submit accurate figures for the approved actuary study we must immediately establish some definite criteria for survivor payments in the event the principal dependent is terminated for cause.

2. I find it difficult to accept the inheritance formula that JSHAVE says has been SOP, i. e. when the first dependent is terminated the second dependent inherits the first dependent's share and so on down the line. In the first place, the Station hasn't been consistent in following this procedure and the fact it was originally established by AEBUD is no reason for us to continue it. Regardless of the background for this unrealistic procedure it seems that the whole matter is now at a point where policy governing future payments should be determined at the Headquarters level and the actuary study can't be started until we supply firm figures that are not subject to a variety of changes over the years. Furthermore, the Station views and clarification of the background leading to the present procedure, which was requested over a week ago, has not been forthcoming.

3. I think we can live with the following formula as it isn't too inconsistent with BEC survivorship provisions. I discussed the following with [redacted] who agreed the provisions seemed to be thoroughly practical and realistic if you concur.

OK JH
1/11
(a) In those cases where the parents are the sole beneficiaries, in the event one dies the survivor will be paid the larger of the two payments now received, which would be \$175 instead of the \$225 now received by both of them.

OK JH
1/11
(b) When a widow dies or remarries, her payment will be divided equally among the surviving minor children in lieu of the graduated payments they are now receiving. This may cost us a little more than just lopping off the widow's share and continuing the amounts presently paid to the children but we will minimize possible repercussions from the widow if she is still alive and remarried. It is also much more equitable to the children themselves to share and share alike in the event the mother dies. An additional provision should be that as each child reaches 21 or marries, his payment will be terminated, except in those cases where a child is physically or mentally incapacitated for life. In such cases the child will be paid for life.

In answer to any possible static over these provisions we can always fall back on the original cover story concerning availability of AEBUD funds.

4. May I have your opinion on the above proposal so that I can provide Mr. Evans with the statistics necessary to start the actuary study without further delay?

MEMORANDUM FOR THE RECORD

SUBJECT: Minutes of the WUMUTUAL Investment Committee Meeting Held on 7 December 1966

REFERENCE: Agenda for the Subject Meeting

Minutes of meeting were ratified 6 Jan 1967

1. The Subject meeting was held in the DD/S Conference Room at 10:30 a.m. on 7 December 1966. All members of the Committee were present. Also attending were the Chief, DO Division, the Committee Advisor, the WUMUTUAL Secretariat (Evans and Fielder), and Messrs. [redacted] and Earl Williamson and Mrs. Nancy Gratz representing WH Division. The WH representatives were present in conjunction with Item 3 of the Agenda.
2. Mr. Houston chaired the meeting, and the first item of business discussed was Item 3 of the Agenda, i.e., WH Division's proposal of WUMUTUAL annuities for dependents of the Cuban Brigade. [redacted] gave a summary presentation on the Brigade matter. He stated that the payments to the dependents of the Cuban Brigade have been made since 1961 under Presidential order, which order in effect stated that the payments were to be made until rescinded by the President. Since that time, the Agency has spent approximately \$17,000,000 on the overall program, of which \$12,000,000 represents direct stipends to the beneficiaries. WH Division's FY 1967 budget for this matter is \$397,000, and currently 316 individuals are receiving payments, most of whom are dependents of the Brigade with the balance being dependents of the Heroes and Martyrs Group and certain Garcia Line crewmen. The individuals are presently paid through a cover firm with no official Government attribution. It is WH Division's position that since this program must be continued until terminated by the President, it is a long range, overall Agency obligation which should not be budgeted for nor administered by WH Division. The Division would like to transfer total responsibility for the program to Project WUMUTUAL by a single premium purchase of annuities. If the single premium method is too costly, they would still like to have the responsibility transferred either by an installment purchase or by the funding method. Mr. Evans advised the Committee that he felt the matter should be brought to the attention of the Committee before WUMUTUAL secured actuarial calculations, since the fees for these calculations will be fairly expensive. After considerable discussion, the Committee concluded that while the

chances are remote of securing sufficient funds from the Bureau of the Budget to establish an annuity program, the program should be costed on several alternative bases, including a single premium charge, installment basis and delayed implementation of the program. When the cost study is completed, alternative proposals may be submitted for consideration within the Agency and to the Bureau of the Budget, if deemed appropriate. As soon as WH Division provides WUNUTUAL with the additional information required, WUNUTUAL will request the study from its actuarial consultants.

3. After this matter was considered by the Committee, the WH representatives left the meeting. The Chairman then proceeded to handle the other Agenda items. The Minutes of the 15 November 1966 meeting, the last meeting preceding this one, were ratified.

Recommendations for Termination of Certain Dependency Payments

ACTION REQUIRED: See paragraph 3

REFERENCE : UFGA-25261, dated 3 June 1966

1. It is recommended that JMWAVE arrange to notify specific AMBUD dependents that certain payments will be terminated as of 1 January 1967. The cases, and the reasons for such terminations, are listed below by case number corresponding to Reference Attachment #1.

Case # 3

Terminate payments to 2nd and 3rd dependents, daughters of Benito BLANCO Cruz. Both daughters are over 21 years of age.

Case # 4

Terminate 2nd and 3rd dependents, married brothers of Manuel BLANCO Navarro and substitute the father, Manuel BLANCO Canisal, as 2nd dependent.

Case # 6

Terminate payment to 2nd dependent of Daniel FERNANDEZ Hon and pay only \$175 to mother, Lucia EON Fuertes.

Case # 16

Terminate payments to 2nd and 3rd dependents, parents of Benjamin QUINTANA Perera, who are apparently not receiving any financial assistance and may actually be deceased. Although there is some question regarding the legal status of 1st dependent, deceased claimed her as his wife and payment should continue until further notice.

Case # 20

Terminate payment to 1st dependent, widow of Eaul VIANELLO Alakan, as sister gave sufficient evidence of widow's remarriage to justify termination. Also terminate 5th dependent, who apparently is mother of the widow and her sister, not the mother of the deceased, and is not entitled to support money. Children will continue to receive support. Widow receives more money than is customary for a widow since her husband was a pilot. In certain cases of this type, payments were established by ARBUD, not by WOFACT.

Case # 31

Terminate payment to 5th dependent, father of Jose CARPAZANA Trisino, unless proof can be established that father is alive and receiving support money. ANTIKI has been requested to query 1st dependent on status of father.

Case # 50

Terminate payments to 2nd and 3rd dependents, parents of Reinaldo VIDAL Masols, if widow is unable to provide proof that parents are receiving support. ANTIKI has also been requested to investigate this case.

Case # 52

Terminate payment to 1st dependent, widow of Cleoante CRUZ de la Torre, who advised of remarriage in 1964. Children will continue to receive support.

Case # 53

Terminate payments to 1st and 2nd dependents, widow and child of Marcelo NAPOLSS Viquiera. 4th dependent advised that widow and child moved to Houston on 19 November 1959. Widow, whose name is Sue Elizabeth Lessmann and probably a US citizen, apparently was separated from husband before his death. There is no indication that Trustee has sent any money to widow.

Case # 59

Terminate payment to 2nd dependent, eldest daughter of Viceate LEON Leon, who was born 26 October 1945 and is now over 21 years of age.

Case # 61

Terminate payment to 4th dependent, youngest daughter of Marcelo CARMENATE Cebrian, who is now married and not entitled to support.

Case # 63

Terminate payment to 4th dependent, father of Mario CALVEZ Lopez, who apparently receives no support money.

Case # 65

Terminate payments to Trustee since widow, legal child and parents of Antonio FADRON Cardenas, not receiving entire amount to which they are entitled if Trustee is sending \$100 to two mistresses. If, and when, widow does come to the USA, case can be reviewed for possible renewal of direct payments to widow and arrangements made to pay support to illegitimate daughter. Present legitimate dependents will be projected for the actuary study so that funds will be available if required at a future date.

Case # 75

Terminate payment to 2nd dependent, father of Pedro NORDA Roque. Mother of deceased is now in the USA and records indicate she is separated from the father who remained in Cuba.

Case # 78

Terminate payment to 2nd dependent, daughter of Carlos GUAS Decall, who is not only married but is over 21 years of age.

Case # 81

Terminate payment to deceased 2nd dependent, father of Osvaldo DIAZ Milian.

Case # 83

Terminate payments to 2nd and 3rd dependents, children of Pedro CUELLAR Alonso, who reside in Cuba. According to widow, she has little, if any, contact with her stepsons and does not contribute to their support on a regular basis.

Case # 87

Terminate payment to 2nd dependent who is the mother of widow of Carlos SOLIS Shelton, not mother of deceased. On the questionnaire, the widow claimed her mother as dependent. According to ANTIKI, deceased's mother is Rosa SHELTON who has resided in the USA for some time and apparently has never received any money.

Case # 89

Terminate payments to 2nd and 3rd dependents, parents of Roberto PEREZ Cruzata, and 4th dependent, child of first dependent and her former husband Harry FRITZ. Probably all dependents should be terminated but there are conflicting statements concerning the legal status of the "widow". Deceased claimed her as his wife in 1961. ANTIKI's file on this case contains a letter from a Miami lawyer requesting information on the "widow" and advised he had been retained by Harry FRITZ to protect his interest and that of their daughter, Cathleen FRITZ, in view of the supposed marriage of his ex-wife and Roberto.

continued...

PEREZ Cruzata. If the lawyer who represents FRITZ could be discreetly queried, the true status of the relationship between the "widow" and PEREZ might be established and lead to a termination of her payment. If JMWAVE concurs, recommend ARTIKI be instructed to pursue this investigation.

Case # 92

Terminate payment to deceased 2nd dependent, mother of Herman KOCH.

Case # 94

Terminate payment to 2nd dependent, father of Jose FERNANDEZ Noviroza, who apparently receives no support from mother of deceased. Stanley JERSAWIT can supply some background on dependents in this case who are both from wealthy families.

Case # 122

Amount and method of payments to dependents in this case was directed by Headquarters and handled by Humphrey O. TIMANUS. According to the questionnaire filled out by 1st dependent, father of Manuel REYES Garcia, father is not following instructions to provide for the wife and child in Cuba, as well as provide certain comforts for his imprisoned son. It is recommended that this case be reviewed with TIMANUS and ARTIKI resume trusteeship of funds for the widow and child and prisoner. The father and stepmother should then be paid \$25 apiece, as 3rd and 4th dependents. The remaining \$225 per month would then be deposited in the existing trust account at the Coconut Grove Bank.

Case # 131

Terminate payment to 2nd dependent, son of Jose BORRAS Gutierrez. Son, Alfredo BORRAS Macias was born 19 April 1943 and is over 21 years of age.

2. Although the money saved by the above terminations is small in comparison to the total amount expended each month, it is a beginning which hopefully will lead to more terminations in the near future. All trusteeships are presently being reviewed and JMWAVE will be advised as rapidly as possible concerning trusteeships to be terminated completely or adjusted. Two trusteeships that require special study concern cases # 142 and # 144 as follows:

Case # 142

Jorge GUTIERREZ Izaguirre designated his parents as dependents. It is recommended that the Trustee be requested to submit the names of the uncle and aunt who have possession of the bank book and obtain the exact amount of money on deposit. The uncle may be Alfredo HORNKLO, a former prominent Cuban businessman now in the US, for whom GUTIERREZ formerly worked in Cuba. GUTIERREZ also has a

brother who is an American citizen residing in New York. This brother, an engineer who may be engaged in space research, recently queried NASA concerning the possibility of obtaining assistance to effect the release of his brother from prison.

Case # 144

Andres VEGA Perez originally designated his wife and child as dependents and named another sister as Trustee. Information obtained from ANTIKI and various records available, indicate that VEGA learned that his wife was a GOC follower and directed that the present Trustee, another sister, assume control of the money. This could account for the discrepancy between the amount of money now held in trust and the total amount of money paid from 1961-1963 since the new trusteeship was not created until such of the money had been spent. In order to protect the interests of the prisoner, some procedure will probably be devised by which a long-range projection can be made for actuary purposes and the trusteeship terminated. Recommendations for handling this case will be submitted to JMWAVE in the near future.

3. In order to arrive at the exact amount of money to be saved by the immediate and future termination of payments to certain dependents, a definite criteria must be established concerning adjustments for secondary dependents when the first dependent has been terminated. In discussions between Ellen F. MARGANY, during her recent TDY to JMWAVE, and Humphrey O. TIMANUS, it was MARGANY's understanding that the procedure is to raise the second dependent to the status of first dependent when the original first dependent is terminated for cause. For example, the first child would receive the amount originally paid to the mother, instead of the customary \$50 paid to a second dependent, and the third dependent would then become the second dependent and receive \$50 instead of the original \$25. This procedure was not followed in case # 44 where the second dependent payment remained at \$50 after the remarriage of the mother, Case # 25 where child, now sole dependent, does not receive full 1st dependent payment, nor in the contentious CUERVO-RUBIO case (# 84) where an attempt to hold the second dependent to \$50 precipitated considerable unpleasantness. However, in case # 86, the procedure of raising the payment level of the second and third dependents after the remarriage of the mother, was followed. Logically, the termination of payments to dependents in any of the top categories would automatically lead to an adjustment in status and payment to not only children, but in some cases parents as well, depending on their position of inheritance. A clarification of Station's past procedure, any known commitments to dependents, and present views as to firm criteria to be followed in such cases is urgently requested. Not only is such a fixed criteria necessary to determine the amount of savings involved in the recommended immediate termination, and to provide accurate long-range figures for the actuary study, but also for the purpose of avoiding any possible repercussions such as occurred in the CUERVO-RUBIO case. Request Station cable reply.

continued...

1. Transmitted herewith are two copies of the Quarterly Progress report for the First Quarter of FY 67 concerning the AMBUD program.

2. As explained in the attached report, in the absence of any Headquarters approval to carry out the cost reduction plan proposed by the Station in FY 66 AMBUD expenditures are running at the rate of approximately \$34,000 per month. If this rate is continued throughout FY 67, then the total cost for the year will be approximately \$408,000, as compared with the \$230,000 projected by the Station for the fiscal year. The Station has been kept well informed by Headquarters concerning its struggles to place the AMBUD program on a reasonable and economic basis. Until a decision is taken at the Headquarters level, the Station will continue to administer the AMBUD program under the present ground rules.

A. Operational Highlights

1. The AMBUD program for the handling and disposition of residual Brigade matters pertaining to dependent benefits and medical attention continued during the reporting period. All major developments were reported to Headquarters as described in the following paragraphs.

2. The results of a survey of all persons receiving AMBUD benefits, and the JMWAVE recommendations for handling the ultimate termination of these benefits, were forwarded by UFGA-25261, 3 June 1966.

3. The conclusion of the vocational rehabilitation program covering 63 Brigade members on 30 June 1966 was reported by UFGA-25901, 14 September 1966.

4. The current status of the remaining six medical cases which included a request for Headquarters guidance on the disposition of these cases was prepared in September and forwarded by UFGA-26075.

B. Administration

5. In accordance with guidance received from Headquarters (DIRECTOR 10331, 7 June 1966), payment of benefits were to continue unchanged until further notice. During the reporting period JMWAVE received no guidance or instruction to change this basic decision by Headquarters.

6. Expenses incurred during the reporting period are tabulated as follows:

C. Problems

7. The amount of \$250,000.00 originally authorized for the medical phase of the AMBUD program has been almost depleted since expenditures have reached a level of approximately \$220,000.00, with bills outstanding of \$3,250.00. Headquarters was informed in UFCA-28075 that cases remaining which require medical treatment may necessitate the expenditure of sums in excess of the original authorization.

D. Plans for Next Quarter

8. It is expected that payment of dependent benefits and medical expenses for Brigade members will continue unchanged during the coming quarter. One possible exception would be the termination of any remaining medical cases upon release by medical authorities for return to self-supporting status.

MEMORANDUM OF CONVERSATION

September 9, 1966
5:30 p. m.

SUBJECT: Manuel Artimo - leader of the Bay of Pigs expedition

Artimo came to see me at his own initiative. The meeting had been arranged through Congressman Dante Fascell's office. I have known Artimo for several years, but had not seen him for about two years.

Artimo stated that the purpose of his visit was to express some personal views about the Cuban situation. He said he fully appreciated the fact that the Cuban exile looks at his homeland in a manner quite different from the United States Government with its world-wide responsibilities. Nevertheless, he thought it important that hit-and-run raids be resumed against Cuba to (1) keep up the hopes of the opposition inside the island and (2) force Fidel to maintain a high state of alert which materially subtracts from his economic efforts. Artimo noted that assets to make these raids are available but are not being used. He did not specifically ask for support to resume his activities.

I told him that while his arguments had certain merit, there were also other considerations which should be kept in mind, i. e., that hit-and-run raids provide a pretext for Castro to turn the screws of repression harder on the Cuban people and to place the blame for his own failure on external attacks. Artimo acknowledged the validity of these arguments and did not pursue the matter further.

Artimo said that he had reached the point where he had to think of finding a job to support his wife and three children. He indicated a preference for a job that would permit him to travel throughout Latin America so that he could maintain his contacts in other countries, and asked that I let him know if I learned of any opportunities. I said I would.

The rest of our conversation ranged over a series of points -- Cubela, Rabel, Gutierrez Menoyo, Huber Matos, the status of political prisoners, Castro's security measures, mutual friends in Miami -- but he had nothing significant to say.

Toward the end of our conversation, he returned to the subject of raids to volunteer his services in a leadership or subordinate capacity if the United

States Government decided to resume this type of activity. I told him I fully understood his deep desire to see his country freed and what great efforts he had made toward this objective, and thanked him for the offer. He also asked that I do what I could to prevent suspension of remittances to families of those who had fought against Castro. I told him I knew nothing about this but would look into it. //

In departing he expressed deep appreciation for my having given him so much time (1 hour) and for having the chance to converse with one who understood Cuba's problems and his preoccupations. This was a rather subdued and reflective Artimo -- quite a contrast with the fiery and combative Artimo of two years ago.

MEMORANDUM FOR THE RECORD

SUBJECT: Payments to Dependents of Brigade 2506

REFERENCE: Memorandum for General Counsel, OGC 66-1663
Dated 22 July 1966 with Attachment

1. On 11 August 1966, I met with Nancye Gratz and [redacted] (WH/C) to explore further the proposal that payments to dependents of Brigade members be reduced.

2. I was told that WH is presently expending some \$255,000 per year for 144 cases of KIA's and MIA's, which figure includes the 16 still in prison on criminal charges that predate their membership in the Brigade. It was emphasized, however, that the proposed cut back would not include the 16. I also learned that the impulse for reopening this matter was a Wave dispatch (UFGA--25261, 3 June 1966). Among other things, this proposed that effective 30 June a new payment schedule be established, and that payments to trustees be discontinued entirely.

3. I told Gratz and [redacted] that while the reference sought our opinion regarding the proposed action, the matter of payments to dependents was political rather than legal. In this connection, I referred to such memoranda as Bissell's of 8 May 1961 and Helms' of 31 December 1962, which indicate that the White House had determined that these payments would be made. In response to the representation that the search of WH/C files failed to reflect any policy guidance subsequent to that set out in the DDP's memorandum of 31 December, I suggested that the Wave proposal be discussed with Mr. Sam Halpern, who had previously served as Executive Officer, TFW.

4. During the afternoon of 11 August, [redacted] and I met with Halpern. He stated that the White House was aware that payments to

dependents were being continued. He also took issue with allegation regarding the lack of policy guidance, saying that it was set out in the YOBITE messages to Wave, copies of which could be found in WH/C files. It was his view that the White House would not want to risk the charge of bad faith, even if the Government might ultimately realize a saving of some quarter of a million dollars a year. He took the position that if WH/C wished to raise the matter for the DCI's present consideration, it should first familiarize itself with YOBITE traffic. Halpern agreed with me that this subject was not one for consideration by the 303 Committee. We concluded with a suggestion that Chief, WH/C might wish to discuss that matter with Chief, WH/D before proceeding further.

MEMORANDUM FOR: General Counsel

SUBJECT: Payments to Dependents of
Brigade 2506 Members

1. Attached hereto is a copy of a memorandum containing recommendations for phasing out payments to dependents of Brigade 2506 members. WH/Cuba plans to propose phasing out and terminating these payments but, before doing so, a review of the legal factors by the office of the General Counsel is desired. It is requested that an estimate be given of possible residual U.S. Government liability in these cases, and advice as to whether they can be handled on the basis of one-time termination payments.

2. In addition to the above, WH/Cuba would appreciate any advice or suggestions on methods or procedures which might be used in effecting the terminations.

3. A reply from your office would be appreciated on or before 10 August 1966.

MEMORANDUM FOR: Chief, WH/Cuba

SUBJECT : Recommendations Concerning Payments to Dependents of Brigade Members

1. A review of the existing files fails to reveal any evidence of a clear-cut policy concerning the duration of payments to dependents of Brigade members killed, captured or missing in action despite the many recommendations made at various times to resolve this problem. This lack of policy is implicit in a memorandum from Mr. Helms to the DDCI dated 23 May 1962 in which he referred to a Presidential oral directive that payments to dependents were to be continued until termination by Presidential order. A later memorandum from Mr. Helms to the DDCI, dated 31 December 1962, contained recommendations for terminating these monthly payments with a lump sum death payment to be made to dependents of those killed or missing in action. Both memoranda are attached for your review. A memorandum from Mr. Sterling Cottrell to the Attorney General, dated 1 February 1963, concerning various agreements reached between Brigade leaders, AMBUD and the Agency, also included three possible alternatives for resolving the problem of dependency payments as follows:

A. Follow regulations established by the Bureau of Employment Compensation, i.e. \$1,000 lump sum payment for loss of life.

B. Follow U.S. Army practice, i.e. monthly payments of \$122 or more (depending on rank and length of service) for as long as the widow survives and does not re-marry. This, Mr. Cottrell pointed out, would be a costly program to administer and would cost roughly \$300,000 a year for an indefinite period. (This has proven to be true).

C. A lump sum arbitrary payment of \$3,000 which would be a year's dependency at the highest rate (250 per month).

2. Obviously, the above recommendations as well as others proposed at various times in an effort to terminate this costly exercise were never acted on and due to the time lag are probably no longer practical. Tentative approaches to the problem were also made by exploring the possibility of working out some mechanism by which HEW could take over disbursements at a reduced rate and periodic rulings and guidance were requested from the General Counsel concerning the legal and security factors inherent in the proposals.

3. When the original cover mechanism was established for disbursing these payments, the dependents were apparently advised that such payments would continue as long as funds were available. In view of the indefinite time stipulation together with the long-standing demise of the AMBUD organization and its relationship to this program, dependents could reasonably be expected to philosophically accept the fact that these funds have finally been exhausted. In the light of similar past experiences, some carping and protests from dissidents can be anticipated with the usual security hazards whenever the decision is made to terminate this project. These possibilities can hardly justify the indefinite continuation of this enormous expenditure of funds which to date amounts to approximately \$2,000,000.00. Any question that may arise as to who has really been footing this bill is unlikely to cause any shock to the public at large after being deluged with roams of Cuban postmortems.

4. The review and recommendations forwarded by JMWAWE are comprehensive and appear to be more than generous in the approach toward a two-stage cut-off of payments. I do believe the recommendations to immediately cease any further payments to trustees should be submitted to the General Counsel for a ruling on the legal technicalities involved in such a step. This may also apply to any attempt to remove existing funds from trustees who are considered to be unreliable or even dishonest in the administration of funds under this control. These trustees were specifically designated by Brigade members and the written authorization to support such trusteeships are in the custody of AMTIKI. It would seem that no one but the

principal himself or his heirs has the legal right to revoke a trusteeship even in the mishandling of funds. Based on a review of pertinent documents and a discussion with Mrs. Evie Vidal, who is probably more knowledgeable of the facts and nuances of this problem than anyone else, I have listed below some recommendations for your consideration:

A. In line with recent JMWAVE recommendations, payments to all principal dependents (wives who have not remarried) be reduced by 30 July, or as soon as feasible, to a flat \$100 per month and all minor dependents reduced to \$25 per month with notification that all payments will cease 6 months from date of initial reduction. All secondary dependents, such as dependent parents who receive separate checks of not more than \$50 per month, should be continued at the present rate until the final termination date for all dependents.

B. Such adjustments as recommended above should be uniform and across the board with no attempt to evaluate each case on an individual basis determined by such factors as outside income, need, etc. This would not only tend to create an undesirable security hazard but would complicate the phasing out of an already complicated situation. Furthermore, individuals who have made an effort to raise their standard of living by augmentation of their income would be justified in feeling they were penalized for having more ambition than some of the lazy pensioner types. Once we attempt to play the role of Solomon as to who is the most worthy or the most needy, we lose sight of the fact that all dependents are equal as widows whose husbands died for the same cause and we could expect no end of recriminations. Neither should there be any distinction as is recommended in some instances by JMWAVE that payments should cease because dependents happen to reside in Cuba. They are as entitled to the same benefits as those fortunate enough to reside in this country. The exception to this may be justified in those isolated cases where it is evident that nothing has been heard from such dependents and they have never received any benefits from the money paid for their support. In these instances payments to trustees should probably be terminated immediately if such action is legal.

C. In the case of the known prisoners, two courses of action could be pursued. Either cut the present dependency payments in line with that proposed for dependents

of deceased with the understanding such payments will continue until the status of each man is resolved (either by release or death while in prison) or leave the present amount being paid unchanged with indefinite continuation. Considering the few involved (16 according to the JMWAVE study), the last proposal would probably be better from a psychological point of view and remove any possibility of charges against us of endangering the lives of the prisoners. Furthermore, the memorandum from Mr. Cottrell to the Attorney General referred to in paragraph 1 included as part of the general agreement reached with Brigade leaders assurance that payments to dependents of Brigade members remaining in prison would be continued. One case that falls in this category is extremely interesting. It concerns case #13 who is imprisoned under an alias and in order to insure his safety there seems to be a tacit agreement to treat him as dead. It may be quite a feat to avoid a charge of discrimination against his wife if her payments are terminated "as a widow" in order to preserve the "deceased" cover to preserve his safety.

D. Prior to submitting recommendations to the 303 Committee for phasing out dependency payments, a ruling on all the legal and possible security aspects of any proposal should probably be obtained from the General Counsel.

5. I have not explored in depth the background of the benefits presently being paid to the dependents of Heroes/Martyrs, the majority of which do not appear to have been Brigade members and do not come under the same criteria established for Brigade members. In the event you are contemplating terminating this type of payments, such action could no doubt be defended as not being applicable to the conditions governing dependents of Brigade members. It has been my understanding that your proposal to submit a memorandum to the 303 Committee in the immediate future concerns only recommendations for resolving the Brigade dependency payments. If I am incorrect and such memorandum is to also cover the continued payments to Heroes/Martyrs dependents, please advise me as to what you wish done.

3. AFTER CAREFUL CONSIDERATION OF VARIOUS FACTORS INVOLVED STATION DECIDED IT PREFERABLE FOR STATION TO MAKE FINAL JUDGMENT AND THAT IT NOT NECESSARY TO SEEK ASSESSMENT FROM SOCIAL WORKER, ESPECIALLY SINCE DATA ON FORMS IN MOST CASE /IN SOME INSTANCES RECIPIENT REFUSED TO ANSWER QUESTIONS/ IS SUFFICIENT TO ENABLE EQUITABLE JUDGMENT TO BE MADE. TOO SOCIAL WORKERS WERE NOT AVAILABLE BECAUSE OF CUBAN AIRLIFT REQUIREMENTS.

4. ANALYSIS OF DATA COLLECTED INDICATED ADVISABILITY OF ESTABLISHING CRITERIA GENERALLY APPLICABLE TO ALL CATEGORIES OF BENEFICIARIES, THEN MAKING EXCEPTIONS ONLY IN CASES WHERE GENUINE HUMANITARIAN OR HARDSHIP FACTORS EXIST. SURVEY REVEALED, AS ANTICIPATED, THAT NUMBER OF DEPENDENTS HAVE MADE STRONG EFFORT TO PREPARE SELVES FOR DATE WHEN BENEFIT PAYMENTS WOULD CEASE, WHILE OTHERS HAVE EXPENDED FUNDS ON LUXURIES, HAVE MADE LITTLE OR NO ATTEMPT TO BECOME ECONOMICALLY SELF SUFFICIENT, AND APPEAR TO CONSIDER SELVES AS INDEFINITE PENSIONERS OF ODYOKE /DESPITE IDEN A COVER IT CLEAR MOST RECIPIENTS CONSIDER THEY RECEIVING BENEFIT FROM ODYOKE/.

5. JMWAVE RECOMMENDS FOLLOWING ACTION.

A. THAT BENEFIT PAYMENTS BE CONTINUED AT THE PRESENT RATE UNTIL 30 JUNE 1966.

B. THAT EFFECTIVE 1 JULY 1966 A NEW SCHEDULE OF BENEFIT PAYMENTS BE ESTABLISHED. JMWAVE RECOMMENDS THAT THIS SCHEDULE COMPRISE /1/ \$100 PER MONTH FOR THE FIRST DEPENDENT, /2/ \$25 PER MONTH FOR EACH ADDITIONAL DEPENDENT.

C. THAT EFFECTIVE 1 JULY 1966 ALL PAYMENTS TO TRUSTEES BE HALTED.

D. THAT ON THE BASIS OF THE DATA CONTAINED IN THE CURRENT SURVEY ACTION BE INITIATED /BY AMTIKI 1 PRIMARILY THRU LETTER CONTACT/ TO ATTEMPT TO RETRIEVE THE FUNDS ALLEGEDLY HELD IN CERTAIN TRUSTEE ACCOUNTS OR BY CERTAIN TRUSTEES. IN THOSE INSTANCES WHERE THE TRUSTEE HAS DEMONSTRATED HONESTY AND CORRECT DEALING IN THE MAINTENANCE OF A TRUSTEE ACCOUNT WITH A REPUTABLE FINANCIAL INSTITUTION THE CURRENT ACCOUNT WOULD BE LEFT IN PRESENT DEPOSITORY. HOWEVER, PER PARA 5 C ABOVE NO ADDITIONAL FUNDS WOULD BE PAID TO TRUSTEE FOR DEPOSIT.

E. THAT A TERMINAL DATE FOR THE PAYMENT OF ALL BENEFITS BE FIXED. JMWAVE RECOMMENDS THAT THIS DATE BE EITHER /1/ 30 DECEMBER 1966, OR /2/ 30 JUNE 1967.

6. IF ABOVE RECOMMENDATIONS ARE APPROVED, STATION PLANS FOLLOWING ENABLING ACTION. ITEMS KEYED TO PARA 5 ABOVE.

A,B - STATION, THRU REGISTERED LETTER FROM IDEN A, WOULD NOTIFY EACH RECIPIENT OF NEW PAYMENT SCALE PRIOR TO 30 JUNE 1966.

C,D - STATION, THRU REGISTERED LETTER FROM IDEN A, WOULD NOTIFY EACH TRUSTEE THAT PAYMENTS TO TRUSTEES END 30 JUNE 1966. IN CASE OF THOSE TRUSTEES CONSIDERED "UNRELIABLE" LETTER WOULD ALSO REQUEST RETURN OF FUNDS TO IDEN A TO HOLD FOR BENEFICIARY.

E. IF TERMINATION DATE SET AT 30 DECEMBER 1966, ALL RECIPIENTS WOULD BE NOTIFIED BY REGISTERED LETTER PRIOR TO 1 AUGUST 1966. IF DATE SET AT 30 JUNE 1967, ALL RECIPIENTS WOULD BE NOTIFIED BY LETTER PRIOR TO 30 DECEMBER 1966.

7. IT CLEAR THAT EXECUTION OF ACTIONS IN PARAS 5 AND 6 ABOVE WILL ELICIT SOME COMPLAINTS, ESPECIALLY FROM THOSE INDIVIDUALS WHO HAVE TAKEN NO ACTION TO RENDER SELVES SELF-SUFFICIENT AND FROM THOSE TRUSTEES WHO HAVE MISAPPROPRIATED FUNDS WHICH THEY SUPPOSED TO HOLD IN CUSTODY. HOWEVER BELIEVE THAT SOLUTIONS PROPOSED ARE EMINENTLY FAIR AND COULD BE EASILY JUSTIFIED TO ANY UNBIASED PARTY WITHIN

OR OUTSIDE OF ODYOKE. AMBUD PROGRAM HAS EXPENDED MILLIONS OF DOLLARS AND BENEFITS PROVIDED TO BENEFICIARIES IN MANY CASES HAVE FAR EXCEEDED THOSE PROVIDED BY ODYOKE TO ITS OWN EMPLOYEES WHO HAVE BEEN KILLED OR SUFFERED INJURIES IN LINE OF DUTY.

8. SINCE STATION NOT AWARE OF ALL INTERAGENCY BACKGROUND RE RESPONSIBILITIES FOR PAYMENT OF BENEFITS IN CASE OF CAPTURED OR MISSING PERSONNEL, STATION CAN NOT SUGGEST EXACT METHOD OF HANDLING FUTURE EARMARKING OF FUNDS, IF ANY, FOR THESE PERSONNEL. HOWEVER, STATION TENDS ESTABLISHMENT OF PROCEDURE SIMILAR TO THAT EMPLOYED FOR CERTAIN CAPTURED AGENTS, I.E., ESTABLISHMENT OF "CAPTIVITY PAY" SCALE AND POST-RETURN NEGOTIATION RE AMOUNT TO BE PAID.

9. STATION REQUESTS SOONEST CONSIDERATION OF RECOMMENDATIONS CITED PARA 5 AND 6 ABOVE, NOTABLY A THRU D - DECISION RE /TERMINATION DATE/ CAN BE MADE LATER. APPEARS THAT DECISION RE ACTIONS A AND B MAY HAVE TO BE REFERRED TO HIGHER AUTHORITY AND THAT IMPLEMENTATION DATE MAY HAVE TO BE POSTPONED. HOWEVER, WOULD APPEAR THAT KUBARK CAN TAKE ACTIONS C AND D AT OWN DISCRETION. THUS REQUEST HQS APPROVAL SOONEST RE ACTIONS C AND D. ADVISE.

10. FYI AT PRESENT AMTIKI 1 IS TRUSTEE FOR SOME CASES AND HAS BEEN MAKING MONTHLY DEPOSITS TO THESE ACCOUNTS. STATION RECOMMENDS THAT FUNDS IN THESE ACCOUNTS BE ALLOWED REMAIN ON DEPOSIT /HOWEVER NO FURTHER DEPOSITS WOULD BE MADE, PER SUGGESTED ACTION D ABOVE/. HOWEVER STATION PLANS WITHDRAW AMTIKI 1'S CUSTODIAL POWERS WITH RESPECT TO THESE ACCOUNTS, TRANSFERRING THEM TO CHIEF OF FINANCE BRANCH, AND AS ALTERNATE, DEPUTY CHIEF OF FINANCE BRANCH.

11. FYI VOCATIONAL REHABILITATION PROGRAM FOR WOUNDED MEMBERS OF BRIGADE CONTINUES. BASIC TERMINATION DATE NOW SET FOR 30 JUNE 1966. PLAN CONTINUE BENEFITS IN FEW DIFFICULT MEDICAL CASES. CAN NOT ESTIMATE TERMINATION DATE FOR THESE CASES.

12. FORWARDED AS ATTACHMENT 2 IS CONSOLIDATED DATA CONCERNING ACTUAL COSTS OF AMBUD IN FY 66 AND PROPOSED EXPENDITURES IN FY 67.
