SUBJECT DEBRIEFING CARIDAD MACIAS RODRIGUEZ

In August 60 Subject began working in resistance activities in the Propaganda Section of the MRR organization. In the Propaganda Section Subject worked for <sup>ESTEBAN</sup> Juan FALCON Zamar (ESTEBAN) and Jose Manuel <sup>PERES</sup> PERES (PEPE). Subject worked on week-ends only as she was a school teacher in Guanacay in Pinar del Rio. Her work was the distribution of anti-government literature, selling MRR bonds and recruiting people for type of work in the area of Guanacay.

In May 61 Subject left her job as school teacher and came to Havana to work full time for the MRR organization. Although Subject was still assigned to the Propaganda Section she worked for all sections of the MRR organization mainly as a courier.

On 26 July 61 Subject was involved in an action to kill Fidel Castro at the 26th of July ceremony at the Plaza Civic. The action was to kill Fidel Castro by firing a bazooka shell at the speaker's platform. This action failed because of a defective firing device in the bazooka. On returning to Subject's residence, a militiano halted the car in which Subject was a passenger, and demanded to search the car. As guns were concealed in the car, the militiano was shot and Subject was forced to change her place of residence.

During the period August 61-May 62 Subject travelled throughout Cuba with Jose Manuel PERES who at that time was the Civil Coordinator for the MRR, Hugo de Jesus MARTINEZ Prieto, National coordinator Workers Section, and Aldo Jose LORENZO Martinez (TINO) who worked in the Action Section. Her function was to provide cover to the person she travelled with as the security forces would not normally check a man travelling with a woman. Subject remembered the following names of people that she contacted in her travels:

- a. Doctor CODINA who was the General Coordinator for the MRR in the Holguin area.
- b. Jorge Luis ARANGO General Coordinator for Camaguey Province
- c. Arturo MUGARRA, Military Coordinator for Oriente Province, and who later came to Havana.

GROUP 1  
Excluded from automatic  
downgrading and  
declassification

SECRET

- d. an American named Johnny in Santiago de Cuba. Johnny owned a small lunch counter in that city and his place was a meeting place for MRR resistance organization in that city.
- e. VEGA and LUCAS in Santa Clara, Las Villas

On May 8, 62 Subject was to meet ESTEBAN to finalize arrangements for selling a car. Esteban stated that if he did not show for the meeting scheduled at 1600 that ROBERTO would meet Subject. At 1600 Subject met ROBERTO who stated that ESTEBAN could not make the meeting as he went to meet his wife. NOTE: LATER SUBJECT HEARD THAT ESTEBAN'S WIFE MADE A CALL TO ONE OF THE MRR SAFEHOUSES AT 2300 AND INQUIRED ABOUT ESTEBAN AS HE HAD NOT MET HER AS HAD BEEN ARRANGED. SUBJECT ALSO STATED THAT ESTEBAN'S WIFE WAS A MILITIANO BUT STATED THAT THE REASON FOR HER BEING A MILITIANO WAS TO PROVIDE COVER FOR ESTEBAN'S ACTIVITIES. WHEN I ASKED SUBJECT IF ESTEBAN'S WIFE WAS A COMMUNIST SHE STATED NO.

On 9 May 62 Subject was contacted by Tugita PERES who stated that her brother Jose Manuel PERES had been arrested, and that her brother had told her to alert others in the MRR organization. Subject tried to contact TINO but a strange voice answered the telephone and started to ask question. Subject broke off the conversation. At 1400 Subject met with Teresita ~~DIMENEZ~~ <sup>PEREZ</sup> and ~~La CHINA~~ <sup>La CHINA</sup> and tried to warn other in the MRR organization by making telephone calls from the Libra Hote.

On 12 May 62 Subject was contacted by ROBERTO, last name possibly FUENTES, (DANIELITO), a mulatto who worked with Arturo MUGARRA. MUGARRA at that time headed the Action Section for coordinating guerrilla and resistance actions in the Provinces with the National Executive of the MRR. MUGARRA was very close to MONTY. MUGARRA brought ROBERTO from HOLGUIN to work with him in Havana after ROBERTO was burned in Holguin. After the MRR roll up in May 62, ROBERTO was in contact with MUGARRA who in turn was in direct contact with MONTY. During their conversation that day ROBERTO informed Subject of the arrest of MRR personnel, that he was in contact with MUGARRA and MONTY and asked Subject if she knew who had escaped the MRR roll up.

On 23 May 62 Subject was contacted by Beto ~~MARQUEZ~~ <sup>MARQUEZ</sup> (RIGOBERTO) who inquired who in the MRR organization was still free. Subject informed RIGOBERTO THAT

SECRET

the only persons still free were ROBERTO and Rafael del CUELTO (FERNANDO) <sup>Fernando F. CUELTO (FERNANDO) ANFILER FIC</sup>  
 RIGOBERTO commented that it was a miracle that ROBERTO had not been picked up <sup>ROLL UP 1962</sup>  
 as he was a loose talker and had poor personal security. Subject then arranged  
 a meeting between RIGOBERTO and ROBERTO during the latter part of May 62. Since  
 then she has not heard from RIGOBERTO. NOTE: WHEN AMHINT/27 WAS INFILTRATED  
 INTO CUBA DURING THE LATTER PART OF MAY 62 HE CONTACTED RIGOBERTO.

During this period Subject heard that FERNANDO had arranged a meeting with  
 MUGARRA and when he arrived at the meeting place he was arrested. MUGARRA did  
 not show for this meeting.

During the latter part of May ROBERTO called Subject and stated that he  
 had a meeting arranged with MONTY but that MONTY did not show for the meeting.  
 A few days later SUBJECT heard that MONTY had been arrested.

During the first days of June 62 ROBERTO contacted Subject and informed her  
 that MAGALY had informed on MONTY. At this time, ROBERTO stated that an effort  
 should be made to reorganize the MRR. Through Teresita JIMENEZ Subject had heard  
 that Aladio <sup>Fernando D. VALDES</sup> VALDES, a leader of the Workers Section of the MRR was trying to  
 reorganize the MRR. <sup>AFTER MAY 62 ROLL UP</sup> Subject arranged a meeting between ROBERTO and VALDES.  
 This meeting took place in a public park with SUBJECT, VALDES, ROBERTO, ELISEO  
 and JAVIER of the Student Section present. NOTE: IN MARCH 63 SUBJECT WAS  
 INFORMED BY CUQUITA <sup>Fernando D. PERES</sup> PERES SISTER OF JOSE PERES THAT HE HAD BEEN SHOWN SURVEILLANCE  
 PICTURES OF SUBJECT ROBERTO, VALDES AND OTHERS MEETING IN A PUBLIC PARK. To  
 SUBJECT'S KNOWLEDGE THIS HAD BEEN THE ONLY TIME SHE HAD MET VALDES AND IS  
 POSITIVE THAT THE SURVEILLANCE PICTURE WAS TAKEN OF THE MEETING IN THE PUBLIC  
 PARK IN MID JUNE 62. PERES WAS ARRESTED IN MAY 62 AND WAS IMPRISONED IN LA  
 CABANA PRISON WHERE HE COULD RECEIVE VISITORS. At this meeting Subject stated  
 that ESTEBAN was going to appear on television prior to ESTEBAN'S appearance on  
 T.V. NOTE: ALTHOUGH VALDES AND ROBERTO WERE CLOSELY CONNECTED WITH THE  
NATIONAL EXECUTIVE OF THE MRR NEITHER WERE ARRESTED IN THE MAY 62 ROLL UP.

Subject stated that during the MRR roll up she was never arrested or to  
 her knowledge surveilled. Subject did not try to hide as she had no safehouse

or contacts to utilize. Subject is positive that the G-2 could have arrested her at any time if and when they decided it was necessary. Subject stated that the women arrested in the MRR roll up were all released. Subject believes that she was not arrested because of the Cuban government policy not to arrest and imprison women involved in the MRR resistance organization, and because she was only a courier in the organization.

Subject was informed in March 63 by Cuquita PERES that her brother Jose PERES had been shown numerous surveillance pictures of Subject and Teresita JIMENEZ by Cuban interrogators in La Cabana prison. The interrogators wanted Jose PERES to identify the people in the photographs making contact with Subject and Teresita JIMENEZ. Jose PERES stated that an interrogator named ~~SALGUEIRO~~ <sup>C. C. C. B. D. C. - 44</sup> had stated <sup>to PERES</sup> to PERES that the Cuban security forces knew everything that was going on in the resistance movement. They permitted these resistance organization to organize and exist until it was decided to roll up the group. SALGUEIRO cited as an example a small MRR group that had reorganized itself after June 62 under the leadership of ~~Eduardo CANO~~ <sup>F</sup> and ~~Francisco LOPEZ~~ <sup>F aka F</sup> (PAQUITO). In February 63, PAQUITO was arrested. SALGUEIRO also stated that the brother of Antonio ~~CARABALLO~~ <sup>F aka F</sup> (CABALLITO) was distributing MRR money to different people in Havana.

After AMBRONC/5 was <sup>Executed</sup> killed during the latter part of August 62, ROBERTO was arrested by the G-2, kept in prison for a month and then released. Since then Subject has seen ROBERTO in the streets of Havana but has not had contact with him since August 62.

From July 62 - until her exfiltration Subject has not participated in any clandestine work.
